NEW YORK, WEDNESDAY, APRIL 15, 1874.

NUMBER 249.

COMMISSIONERS OF THE SINKING FUND.

Abstract of the proceedings of the Commissioners of the Sinking Fund, at the meeting held April 1, 1874.

Present—Hon. Wm. F. Havemeyer, Mayor, Chairman, Hon. John K. Hackett, Recorder, Hon. Andrew H. Green, Comptroller, Geo. W. Lane, Esq., Chamberlain, Jenkins Van Schaick, Esq., Chairman of Finance Committee, Board of Aldermen.

A communication was received from William C. Traphagen, in relation to the preamble and resolution submitted by the Comptroller at the last meeting, to rescind certain proceedings and action by the Commissioners of the Sinking Fund July 25th, 1871, which, on motion, was ordered on file.

The Preamble and Resolution laid over at the last meeting, and made the special order for this meeting, were taken up for action;

Whereupon, The Comptroller moved to strike out of the resolution the words, "and that notice of the action of this Board be forthwith given to said William C. Traphagen."

The Recorder proposed to strike out of said resolution the words "purported," and "pretended," stating his reasons therefor; and then moved that the preamble and resolution be referred to the Counsel to the Corporation for his opinion; whereupon, the chairman of the Finance Committee, Board of Aldermen, submitted, as a substitute, the following resolution, viz.:

Resolved, That the communication of Mr. Traphagen be referred to the Mayor, to inquire into the right of this Commission to abrogate the contract heretofore made with Mr. Traphagen regarding water grants, etc., power being hereby given to the Mayor to consult with the Corporation Counsel or other counsel, as he (the Mayor) may elect—which was not adopted; the Mayor, Comptroller and Chamberlain voting in the negative, and the Recorder and Chairman of Finance Committee, Board of Aldermen, voting in the affirmative.

The motion of the Comptroller to strike out of the resolution the words, "and that notice of the action of this Board be forthwith given to said William C. Traphagen," was adopted; the Mayor, Comptroller, Chamberlain and Chairman of Finance Committee, Board of Aldermen, voting in the affirmative, and the Recorder in the negative.

On motion, the Preamble and Resolution as amended, viz:

Whereas, On the minutes of the Commissioners of the Sinking Fund, there appears a writing purporting to be an agreement entered into on the 20th of July, 1871, between the Commissioners of the Sinking Fund and one William C. Traphagen, relative to furnishing information in relation to the recovery of City property held adversely to the Mayor, Aldermen and Commonalty of the City of New York; and,

Whereas, The Commissioners of the Sinking Fund are of the opinion that said pretended agreement is without authority of law, and wholly inoperative and void, and that if said pretended agreement were to be deemed and held binding, and valid, and effective by the Commissioners of the Sinking Fund, the interests of the City would be greatly embarrassed and damaged, and great loss would accrue; and,

Whereas, The said pretended agreement would, if held valid, afford great opportunity for oppressive measures upon innocent parties, therefore, be it

Resolved, That a certain resolution of the Commissioners of the Sinking Fund, purporting to authorize the execution of such pretended

agreement, and the pretended adoption thereof as the act of the Commissioners of the Sinking Fund on the 25th day of July, 1871, be and the same is hereby vacated and set aside, rescinded, abrogated and cancelled, and that such pretended agreement is hereby declared to be void, and of no force or effect, were adopted; the Mayor, Comptroller and Chamberlain, voting in the affirmative, and the Recorder and Chairman of the Finance Committee of Board of Aldermen voting in the negative.

The application of Board of Police to have the lease of the upper part of Eleventh Precinct Station House (3d floor of Union Market), to the Father Matthew T. A. B. Society No. 4, for five years, from May 1, 1872, cancelled, and the room assigned to the Police Department, as a Police Drill Room, was received, and, on motion, referred to the Comptroller with power.

The Preamble and Resolutions in relation to leasing Ferry Franchises, submitted at the last meeting and approved as to form, and laid over for future consideration as to the percentage to be charged on the gross receipts for use of franchise, were taken up for action; when, on motion, the blanks were filled by inserting two and one half (2½), and the preamble and resolutions unanimously adopted, viz:—

WHEREAS, Under existing laws, the right and authority to order, direct, construct, improve and lease all pier and wharf property belonging to the Mayor, Aldermen and Commonalty of the City of New York, is vested in the Department of Docks of said city, and the right and authority to sell or lease any other property belonging to said Mayor, Aldermen and Commonalty is vested in the Commissioners of the Sinking Fund of said city. And whereas, the ferry franchise belonging to the said Mayor, Aldermen and Commonalty, is a property right, independent of any and all ownership of wharves, piers and slips around this city, and full power and authority is vested in said Commissioners of the Sinking Fund, to lease the same at public auction or by sealed bids, in the manner provided by law. And whereas, there are cases where ferries have been established at places where the said Mayor, Aldermen and Commonalty are the owners of pier and wharf property necessary for the use and maintenance of such ferries, and the same cannot be properly operated and maintained without the sanction of and lease of said property from the said Department of Docks, for a period similar in time to that for which the ferries should be leased. And whereas, it appears proper that no leases whatever of ferry franchise, and of the right to maintain and operate ferries around this city, should be granted, which would be likely in any manner to interfere with or hinder the improvement of the bulkheads, wharves and piers around this city, therefore—

RESOLVED, That no lease of ferry franchise around or from the City of New York, will hereafter be granted by the Commissioners of the Sinking Fund, until the Department of Docks of this city shall have certified to this Board, in writing, that the granting of such franchise for a term not exceeding ten years, will not, in any manner, be likely to interfere with or hinder the improvement of the bulkheads, piers and wharves, at the location designated for the use of such franchise, during a specified term, not exceeding ten years from the date of the expiration of existing or future leases, and from the first day of May next, in cases where leases have expired or no leases exist.

AND WHEREAS, It appears desirable to establish a uniform rate of charge for the use of the ferry franchise belonging to the corporation, at all ferries around the Island of Manhattan, as the minimum rate for which such ferry franchise or license to operate ferries shall be used and enjoyed, and also that it is necessary by law that no leases of such property be made except for the highest marketable price or rental, to be obtained at public auction or by sealed bids, and always after advertisement and appraisal under the direction of this Board; therefore—

RESOLVED, That in all cases where no leases of established ferries exist, or existing leases of ferries expire before the further direction of this Board, that the minimum of charge, price of rental, for the lease or license to use the ferry franchise belonging to and owned by the Mayor, Aldermen and Commonalty of the City of New

York, be, and the same is hereby appraised at and set at two and one-half per centum of the gross receipts that shall hereafter accrue or be collected from time to time, at each separate ferry for which such lease or license shall be granted, and the leases to be made hereafter shall contain covenants binding the lessees to pay quarter yearly, for the use of the franchise at each ferry, unto the Corporation of the City of New York, the highest marketable price which shall be obtained, the same being always a percentage on the gross receipts of each ferry as aforesaid, for the use of the ferry franchise at the respective ferries so to be leased, but not less than at the minimum rate of two and one-half per centum aforesaid.

And also, that each of the leases aforesaid, shall contain a covenant that the lessees shall quarter yearly, from and after the commencement of all leases, make and deliver to the Comptroller of the City of New York, a statement in writing, verified by the oath or affirmation of the lessee or its or his proper officer or agent, of the actual total gross receipts for ferryage received by such lessee during the preceding three months; and also a covenant that such lessee shall and will at all times during the continuance of the lease, keep regular books of accounts, showing the daily gross receipts of the ferry leased, and allow such Comptroller or any person or persons designated by him in writing, to examine such books of account and take copies or extracts therefrom at all reasonable times.

And it is hereby further

RESOLVED, That the Comptroller of the City of New York be and he is hereby authorized, empowered and directed to forthwith take all necessary measures to lease the franchise for all existing ferries for which leases have not been executed, or for which leases have expired, or for which the leases will expire on the first day of May next; and that said measures be taken in accordance with the foregoing conditions; but that all such leases be submitted to this Board for its approval, as a condition precedent to their final execution and delivery.

A communication was received from the Commissioners of Docks, requesting the Commissioners of the Sinking Fund to direct the Comptroller to prepare and issue Dock Bonds of the City of New York, for one million of dollars, for the uses and purposes of the Department of Docks; which, on motion, was laid on the table for future action.

The Comptroller submitted the valuations of Real Estate, made by William Kennelly, appointed by virtue of Resolution of this Board, adopted January 31, 1874, to fix the valuations of the real estate to be sold by the Commissioners of the Sinking Fund; which, on motion, were laid on the table for future consideration.
