U.S. EQUITY ACTIVE SMALL CAPITALIZATION MANAĞERS INVESTMENT MANAGEMENT

MANAGERS INVESTMENT MANAGEMENT
SERVICES – Innovative Procurement –
PIN# 015 11814600 IQ – DUE 08-25-11 – The Comptroller of
the City of New York (the "Comptroller"), on behalf of the
New York City Retirement Systems, and specifically the New
York City Employees' Retirement System ("NYCERS"), the
Teachers' Retirement System of the City of New York
("TEACHERS"), the New York City Police Pension Fund,
Subchapter Two ("POLICE"), the New York City Fire
Department Pension Fund, Subchapter Two ("FIRE"), and
The Board of Education Retirement System ("BERS"). The Board of Education Retirement System ("BERS"), (collectively "NYCRS" or the "Systems"), is conducting a search to identify managers to actively manage U.S. equity active small capitalization equities portfolios for one or more of the Systems. In addition, other related systems or funds may select managers through this solicitation.

The Comptroller's Office is using a pilot process to conduct this search, as permitted and in accordance with Section 3-12 (Innovative Procurement Methods) of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). This pilot process will permit BAM and the Systems to review a breader without a feature of petrottical investment managers than is broader universe of potential investment managers than is the case under the current Request for Proposals ("RFP") process. Specifically, BAM and the Systems' general investment Consultants will use industry databases to identify the universe of small cap equity market managers that are potential candidates for hiring by the Systems, rather than limiting that review to only those managers that respond to a formal Request for Proposals. In addition to the goal of opening the procurement process to greater competition, goals of the pilot process include facilitating the Systems' ability to identify and hire the highest qualified managers based on performance and organizational strength, and shortening the amount of time it takes to complete the manager selection process. The proposed innovative procurement method will be evaluated to determine whether it is in the City's interest to codify the method used within the PPB Rules.

How to Participate in this Search Investment management firms must do the following to be considered in this search:

1. Potential candidates should carefully review this Notice and the Minimum Requirements described in Section B. Interested managers that meet the minimum requirements, including incumbent managers, must enter their information in the following databases by August 25, 2011 in order to be considered by each consultant as part of the initial

evaluation. For Callan, investment firms must submit their information directly to the Consultant; for Rocaton, SIS, NEPC and Buck, investment firms must enter their information into eVestment Alliance's database. Information on requirements for entering information into these databases can be found at: http://www.callan.com (click on "data and tools", then click on "Manager Questionnaire") and https://www.evestment.com (click on register/submit data in the upper right hand corner).

2. If a potential manager's firm and product information is in the above databases, the manager must ensure that all such information is current and accurate.

3. There is no fee for entering information into either of these databases. Managers must ensure that they complete all database information, including both firm level and product level information. Managers are advised that information in the database may become part of any contract resulting from

Current and accurate data must be in the above databases by no later than August 25, 2011.

Managers that meet the minimum requirements specified in the Notice of Solicitation ("Notice") will be evaluated in accordance with the evaluation criteria and process set forth in the Notice. Any of the Systems may select one or more managers through this search process. The evaluation is expected to result in three-year investment management agreements with estimated aggregate annual fees of \$20

Consistent with the policies expressed by the City of New York, participation by minority-owned and women-owned businesses or partnering arrangements with minority-owned and women-owned investment firms are encouraged. Additionally, participation by small and New York City based businesses is encouraged.

The Notice of Search will be available for download from the Comptroller's Web site at www.comptroller.nyc.gov on or about August 4, 2011. You must register to download the Notice by selecting "Bureaus", then "Asset Management" then "Investment Management Searches", then link to "Notice for U.S. Equity Small Cap Active Managers". Database information is due by August 25, 2011. Questions about the Notice or the pilot process should be transmitted by e-mail to Evelyn Dresler, Director of Asset Management Contracting at bamcontracts@comptroller.nyc.gov

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nvc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

 $OLB/d \quad other: (specify)$

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
