

## **CHAPTER 22B ENVIRONMENTAL REVIEW – STEEL STYLE SHIPYARD (NEW CHAPTER)**

### **22b.1 Introduction**

The Steel Steel Shipyard is a potential Alternative site that has been added after publication of the DEIS. Should the Alternative become a part of the Proposed Action, a detailed environmental review will be required and submitted in a supplemental environmental review to this FEIS.

### **22b.2 Land Use, Zoning, and Public Policy**

See Section 22b.1 for a description of the analysis required.

### **22b.3 Socioeconomic Conditions**

See Section 22b.1 for a description of the analysis required.

### **22b.4 Community Facilities and Services**

See Section 22b.1 for a description of the analysis required.

### **22b.5 Open Space**

See Section 22b.1 for a description of the analysis required.

### **22b.6 Cultural Resources**

See Section 22b.1 for a description of the analysis required.

### **22b.7 Urban Design, Visual Resources, and Shadows**

See Section 22b.1 for a description of the analysis required.

### **22b.8 Neighborhood Character**

See Section 22b.1 for a description of the analysis required.

### **22b.9 Natural Resources**

See Section 22b.1 for a description of the analysis required.

### **22b.10 Hazardous Materials**

See Section 22b.1 for a description of the analysis required.

### **22b.11 Water Quality**

See Section 22b.1 for a description of the analysis required.

### **22b.12 Waterfront Revitalization Program**

See Section 22b.1 for a description of the analysis required.

### **22b.13 Infrastructure, Solid Waste and Sanitation Services, and Energy**

See Section 22b.1 for a description of the analysis required.

### **22b.14 Traffic, Parking, Transit, and Pedestrians**

See Section 22b.1 for a description of the analysis required.

### **22b.15 Air Quality**

See Section 22b.1 for a description of the analysis required.

### **22b.16 Odor**

See Section 22b.1 for a description of the analysis required.

### **22b.17 Noise**

See Section 22b.1 for a description of the analysis required.
