A. WORKFORCE:

Please list the Workforce Goal(s) included in <i>Section IV: Proactive Strategies to Enhance Diversity, EEO and Inclusion</i> , which you set/declared in your FY 2021 Diversity and EEO Plan (e.g., underutilization, workforce planning, succession planning and diverse applicant pool, among others):	Please describe the steps that your agency has taken to meet the Workforce Goal(s) set/declared in your plan. ○ Include steps that were taken or considered to build an inclusive and sustainable pipeline for your agency across all levels. Recruitment	The Department remains committed to its vision, mission and goals for diversity, equity, and inclusion, which include providing candidates or prospective employees with an equal opportunity to join the FDNY, creating and sustaining a culture where all employees are provided with tools to succeed, and connecting with the diverse communities we serve. While our commitment continues, the Office of Management and Budget (OMB) has implemented a hiring freeze for City agencies due to the fiscal crisis which has caused hiring delays. Despite the freeze, our agency has	<input type="checkbox"/> Planned <input type="checkbox"/> Not started <input checked="" type="checkbox"/> Ongoing <input checked="" type="checkbox"/> Delayed <input type="checkbox"/> Deferred <input checked="" type="checkbox"/> Completed	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

	<p>been able to continue with some hiring, particularly with EMTs and EMT Trainees.</p> <p>The Chief Diversity and Inclusion Office (“CDIO”), together with Office of Recruitment and Retention (“ORR”) will support the development of mentorship, sponsorship and other professional development initiatives for Fire, EMS, Prevention, and Civilians. The CDIO also meets with union representatives, as well as others throughout the agency, to listen to their concerns and to create additional mentoring and networking activities.</p>				
<p>Leadership Accountability</p>	<p>The Fire Commissioner’s Committee on Diversity and Inclusion (“FC’s Committee”), which consists of representatives of the executive staff, affiliated organization leaders and underrepresented members of the FDNY, continues to discuss, develop, and initiate proactive ways to enhance diversity, equity and inclusion through authentic trust, training, supportive relationships, positive motivation, community engagement, and dedicated success through its Charter and corresponding sub-committees. The CDIO also continues to confer with key stakeholders throughout the Department, including Commissioners, Officers, Directors, Affiliated Organization leadership, and others to assist with enhancing diversity and inclusion through discussion, and collaboration through a variety of initiatives, including but not limited to training, educational events, messaging, and cultural celebrations.</p> <p>In July 2020, the CDIO formed the FDNY Taskforce on Racial Equity and Inclusion (“the Taskforce”) which is part of the FC’s Committee. The Taskforce is led by the CDIO and is comprised of a diverse group of representatives with the goal of sharing perspectives regarding challenges in the workplace as well as assisting with the implementation of resulting initiatives.</p>	<p><input type="checkbox"/> Planned <input type="checkbox"/> Not started <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Delayed <input type="checkbox"/> Deferred <input type="checkbox"/> Completed</p>	<p><input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/></p>	<p><input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/></p>	<p><input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/></p>

	<p>The Taskforce is made up of three Action Groups: Promotion, Advancement and Placement Opportunities; Building Awareness; and Professional Development.</p> <p>The Taskforce was created to further the Department’s vision, mission and goals of diversity, equity, and inclusion by identifying challenges at the FDNY that still need to be addressed and by developing and prioritizing actions and solutions to present to the Fire Commissioner to eliminate these challenges and address any persistent inequities. The Taskforce helps us hold our members accountable to acknowledge, improve and heal our workplace by being committed to rejecting racism, creating ways to eliminate racism, and healing our relationships through unity, education, commitment and strength.</p> <p>The Fire Commissioner, First Deputy Commissioner, Chief of Department, and other executive and senior staff work with the CDIO to help develop education for the development of inclusive leadership skills throughout the Department.</p> <p>Department leadership continues to meet with officers in the chain of command to emphasize their roles and responsibilities for enforcing a proper climate within their command. The Department places significant responsibility and accountability standards on agency leaders, managers, and supervisors. All supervisors within the chain of command are responsible for active enforcement of the anti-discrimination and harassment policy as part of their day-to-day responsibilities. Discipline may result where a supervisor falls short in this responsibility.</p>

	<p>In Fire Operations, “Mixed Gender” meetings are held on a quarterly basis on the Borough Command level, providing female Firefighters with the opportunity to meet with high level Department officials and discuss any pressing issues or concerns.</p>				
<p>Employee Retention</p>	<p>The FDNY prioritizes encouraging the professional development of all existing employees, including those of diverse racial, ethnic, gender, age, religious, and other backgrounds. <p>Describe steps that were taken or considered to address underutilization identified through quarterly workforce reports. Please list Job Groups where underutilization exists in the current quarter.</p>					
<p>The FDNY will continue conducting Citywide onboarding and exit surveys to improve the recruitment, hiring, inclusion, retention and advancement of people in underrepresented groups. Job analyses and skills audits will be regularly conducted and ongoing workforce planning and forecasting will be used to evaluate the best sources for diverse candidates.</p> <p>The Fire Department’s Consolidated Candidate Tracking System (“CCTS”) provides analytical tools to track Firefighter and EMS candidates as they progress through the various stages of the recruitment and hiring process.</p> <p>The FDNY will continue to use the CEEDS data and the applicant/log data generated by E-hire, to identify underutilized job titles and to determine the most effective recruitment sources.</p>					

B. WORKPLACE:

Please list the Workplace Goal(s) included in <i>Section IV: Proactive Strategies to Enhance Diversity, EEO and Inclusion</i> , which you set/declared in your FY 2021 Diversity and EEO Plan (e.g., job satisfaction/engagement surveys, exit interviews/surveys, and onboarding surveys):	Please describe the steps that your agency has taken to meet the Workplace Goal(s) set/declared in your plan. ○ Include steps that were taken or considered to create an inclusive work environment that values differences that each of your unique employees brings to work, and to maintain focus on retaining talent across all levels. Messaging Diversity, Inclusion and Anti-Discrimination Throughout the Department	<p>In an ongoing effort to encourage a diverse, equitable and inclusive workplace and inform all FDNY employees of their rights and responsibilities under the Department’s EEO policy, the FDNY regularly conducts EEO and Diversity and Inclusion trainings. The Fire Commissioner requires that all employees attend training to comply with the law, such as to understand their EEO-related responsibilities to the agency and each other, as well as Sexual Harassment Prevention and LGBT Training. In addition, the Department mandates all new employees participate in Implicit Bias Training and LGBT training which is augmented by a variety of other diversity and inclusion training, such as Religious Diversity, Cultural Competency, Allyship, Micro-Affirmations, Mindfulness and Implicit Bias, Emotional Intelligence, Inclusive Leadership, and other training. Both the CDIO and the EEO Office have committed to maintaining a diverse, equitable and inclusive workplace that is free of discrimination, harassment, and retaliation through a variety of both live and web-based training tools.</p> <p>The FDNY continues to circulate its EEO and diversity and inclusion messaging in various employee publications such as posters, infographics, screensavers, videos, newsletters, employee bulletins, kiosks, and other publications,</p>	<input type="checkbox"/> Planned <input type="checkbox"/> Not started <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Delayed <input type="checkbox"/> Deferred <input type="checkbox"/> Completed	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

	<p>as well as by distributing them to firehouses and EMS stations. For example, beginning in Q1 of FY2021, each FDNY site received an “We Are FDNY” poster. The posters are a part of the “We Are FDNY” campaign which supports the department’s six tenets of Authentic Trust, Community Engagement, Dedicated Success, Positive Motivation, Excellent Training, and Supportive Relationships. The FDNY continues to post information on various interdepartmental electronic platforms to ensure all employees receive this messaging and are notified of cultural events.</p> <p>The CDIO created a multi-media messaging campaign, “We Are FDNY,” which is available on the FDNY intranet and external website, and includes posters, the Civility Challenge (explained further below), stress reduction and resilience-based infographics, daily mindfulness activities for all to join, videos, a brochure, an annual report, newsletters, interactive books, cultural awareness postings, and online training resources.</p> <p>During September and October 2020, the City presented a training drill throughout its firehouses, which included an educational video and discussion tool on “authentic trust,” which is one of the tenets of FDNY’s inclusive culture strategy. The agency’s leadership also took the training. The “We Are FDNY” screensavers and posters, which help support the video and discussion tool initiative, were updated on FDNY computers and hung throughout firehouses during both September and October. This messaging campaign is in alignment with the Department’s core values, inclusive culture strategy and are established as an integral part of its operations.</p> <p>In addition to the “We Are FDNY” multi-media campaign, from Spring 2020 through the present,</p>				
--	--	--	--	--	--

	<p>the CDIO Mobile Messaging Unit visited over 250 Fire Engines Companies, Ladder Companies, Rescue Companies, HazMat Companies, Marine Units, the Fire and EMS Training Academies, and EMS Stations to deliver education and messaging regarding diversity and inclusion and to educate Firefighters about the goals of the Department. The CDIO Mobile Messaging Unit is comprised of Firefighters who are trained by and work with the CDIO Office to understand and communicate the importance of diversity and inclusion. Fire and EMS Operations also approved the “10 Code of Inclusion,” which is placed in all firehouses, EMS Stations and other FDNY buildings to encourage a more inclusive work environment. The “10 Codes of Inclusion” were distributed to FDNY locations in October 2020 and re-distributed as part of the CDIO Mobile Messaging Unit visits to facilities.</p> <p>The FDNY has utilized a Diversity Advocate since 2015, and continues to do so, to work with Firefighter Candidates and Probationary Firefighters to make sure that the procedures in place are equitable and fair and that the input that they provide to the Department about their selections for firehouse assignments are received.</p> <p>In every quarter in which there is a class of Probationary Firefighters, the Diversity Advocate, who has an office at the Fire Academy as well as at headquarters, has an open-door policy but primarily meets with the under-represented Probationary Firefighters as a group, and individually, to make sure that their requests are heard and that the Diversity Advocate is able to advocate on behalf of their interests. The Diversity Advocate also meets with candidates and Firefighters within the Department who indicate that they need additional support.</p>				
--	---	--	--	--	--

	<p>As part of the FDNY’s inclusive culture strategy, the CDIO continues to develop other diversity and inclusion educational modules, such as those mentioned above, and to work with Operations, the EEO Office and other FDNY leadership to provide best practices for the Department and to create an eco-system that supports all aspects of a diverse, equitable and inclusive work environment for all members, including Fire Operations. For example, the CDIO developed a team of Inclusion Advocates, comprised of officers from Fire, EMS and Fire Prevention Operations, who are trained to support the goals of the CDIO. All the CDIO’s initiatives correspond with the inclusive culture strategy developed by its ongoing discussions with uniformed members of the Department and an understanding of best practices in diversity and inclusion.</p> <p>The FDNY continues to support a number of gender equity initiatives, including its work with the NYC Gender Equity Commission, its women’s conferences and events, and policies protecting reasonable accommodations for mothers, such as a nursing mother’s right to express breast milk in the workplace by providing reasonable break times and a clean, sanitary space where a mother can express milk in private. The CDIO and the EEO Office work with Facilities to make sure there are appropriate spaces and to develop more inclusive policies. For example, the EEO Office’s Disability Right’s Coordinator manages access to nursing PODs and nursing mother rooms to ensure the Department fosters an inclusive work environment for all members including nursing mothers.</p>

Impact Studies	To preclude adverse impact where preventable, the EEO Office reviews FDNY policies and procedures when alerted to potential disparities as a matter of practice.	<input type="checkbox"/> Planned <input type="checkbox"/> Not started <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Delayed <input type="checkbox"/> Deferred <input type="checkbox"/> Completed	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Employee Recognition	<p>In FY2021, the CDIO continued the monthly Civility Challenge, which was first introduced in August 2019. The goal of this challenge is to encourage a more supportive, inclusive, and civil work environment. The CDIO leads this challenge each month by getting the input from both uniformed and civilian members regarding how to make the work environment more welcoming and safer for all to be their best selves and enhance a sense of belonging, which encourages more trust, open communication and better collaboration in every bureau, unit and office. Each month, approximately three to four winners are selected, and their perspectives are shared in a poster for the entire agency.</p> <p>In addition to the information set forth above, in FY2021, the CDIO will continue to use 10-TALKS, Restorative Circle Practices, and other storytelling initiatives – such as Courageous Conversations on Racial Inclusion, Bravest Women Talks, Circle Keeping Circles for Keepers, Supporting Courageous Conversations, and Mindfulness Meetings – to build a community of safe spaces for sharing, to heal experiences where members need support and to resolves conflict. These activities also uplift the poignant stories and profiles of FDNY members, which is essential to the well-being of the Department.</p>	<input type="checkbox"/> Planned <input type="checkbox"/> Not started <input checked="" type="checkbox"/> Ongoing <input type="checkbox"/> Delayed <input type="checkbox"/> Deferred <input type="checkbox"/> Completed	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>

Onboarding/Offboarding Surveys	HR updated an electronic exit interview survey that will be used when employees separate (resign and retire) to analyze reasons for separation/attrition to consider for future employee retention efforts. HR uses the Citywide survey for exiting managers. The FDNY is committed to ensuring that every individual feels their culture, identity and experiences are valued and respected. The FDNY accomplished the following as part of our commitment to equal employment opportunity, diversity, equity, and inclusion during FY 2021:

Newsletters and Electronic Platform

- In July 2020, to honor the 30th Anniversary of the signing of the Americans with Disabilities Act (“ADA”), the CDIO created an interactive infographic with links to events celebrating the ADA, COVID-19 resources for individuals with disabilities, Accessible NYC—NYC’s plan to improve the quality of life for individuals with disabilities—and information about NYC’s Disability Rights Historical Archives Project.

Every FDNY location showcases the “We Are FDNY” poster.
- In August 2020, the Summer edition of the *Diversity and Inclusion Newsletter* was distributed.
