Statement of Basis and Purpose of Proposed Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is proposing to amend rules applicable to the Home Improvement Business Trust Fund ("Trust Fund"), which was established by 6 RCNY § 2-224 to provide for the payment of outstanding awards owed to consumers and fines owed to DCWP by licensed home improvement businesses.

The proposed rule would amend 6 RCNY § 2-224(b) to indicate that if a contractor's license has been suspended and the Trust Fund has been used to pay an outstanding fine or award, the contractor's license <u>may be suspended or revoked, and the contractor</u> will not be able to renew his/her license until he or she has reimbursed the Trust Fund. The amendment would also grant the Commissioner the discretion to bar such contractors from future participation in the Trust Fund.

The proposed rule would amend 6 RCNY § 2-224(c) to allow disbursements from the Trust Fund in order to satisfy an arbitration award against a contractor and to recover the amount a contractor has agreed to pay pursuant to a settlement agreement.

Sections 1043, 2203(f) and 2203(h)(1) of the New York City Charter and section 20-104 of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these proposed rules.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 224 of Chapter 2 of Title 6 of the Rules of the City of New York is amended as follows:

\S 2-224 Home Improvement Business Trust Fund.

(a) Establishment.

A Home Improvement Business Trust Fund (hereinafter, "the Fund") is hereby established to provide for the payment of outstanding awards to aggrieved consumers and fines owed to the Department. The Fund shall be administered by the Comptroller of the City of New York pursuant to Section 93(h) of the Charter.

(b) Participation in the Fund.

- (1) Home improvement licensees may elect to participate in the Fund in lieu of furnishing a bond as required by the Home Improvement Business Law Bond Requirement which was imposed by the Commissioner on February 1, 1983, pursuant to § 20-115 of the New York City Administrative Code. The Commissioner hereby waives said bond requirement, which appears as 6 RCNY § 2-225, for any licensee who elects to participate in the Fund pursuant to the provisions of this section.
- (2) Any home improvement license applicant who elects to participate in the Fund must submit to the Department a check in the amount of two hundred dollars, made payable to the New York City Department of Consumer [Affairs] and Worker Protection, before a license will be issued. Any bonded licensee may elect to participate in the Fund in lieu of continued compliance with the Bond Requirement of 6 RCNY § 2-225 by causing the Department to receive a check in the amount of two hundred

dollars, made payable to the New York City Department of Consumer [Affairs] and Worker Protection, prior to the expiration or cancellation date of the licensee's bond. All fund participants who elect to continue to participate in the Fund shall contribute two hundred dollars upon each renewal of their license. Any fund participant who elects not to continue to participate in the Fund at the time of renewal shall furnish a bond in accordance with paragraph [(4)] <u>four</u> of this subdivision and 6 RCNY § 2-225 before the renewal license will be issued. Failure to comply with this paragraph shall constitute a failure to comply with a lawful demand or requirement lawfully made by the Commissioner for purposes of § 20-392 of the Administrative Code.

- (3) The Commissioner may, from time to time, amend this section to require such additional contributions by participants in the Fund as the Commissioner determines to be necessary to maintain an amount in the Fund which is adequate to fulfill its purposes and to counteract depletion of the Fund resulting from payments made out of the Fund pursuant to 6 RCNY § 2-224(c).
- 4) Fund participants may discontinue their participation in the Fund at any time by filing a bond pursuant to the Home Improvement Business Law Bond Requirement. No participant will be entitled to a refund of any monies contributed to the Fund unless the Fund is dissolved by the Commissioner. All such refunds will be disbursed in accordance with regulations promulgated by the Commissioner and in effect at the time of such dissolution.
- (5) Participation in the Fund does not relieve a licensee of any obligation to pay awards or fines imposed by the Department or judgments or arbitration awards rendered against a licensee by a court of competent jurisdiction, or agreed upon settlement amounts. In the event that a contractor's license is suspended, revoked, surrendered or the contractor fails to renew its license, and the Fund is invaded to pay an award, fine, [or] judgment [that was], or arbitration award rendered against such contractor, or a settlement amount pursuant to the provisions herein, no license shall be issued or reinstated to such contractor or to any home improvement business in which such contractor is an officer, shareholder, partner or principal, unless the amount(s) paid out of the Fund on behalf of such contractor is reimbursed by such contractor in full. If the Fund is invaded pursuant to the provisions herein to pay an award, fine, judgment, or arbitration award rendered against a contractor, or a settlement amount, the Department may suspend, revoke, or refuse to renew such contractor's license unless the amount(s) paid out of the Fund on behalf of such contractor is reimbursed by such contractor in full.
- (6) In the event that a home improvement contractor's license is suspended, revoked, surrendered or the contractor fails to renew its license and the Fund invaded to pay an award, fine, [or] judgment [that was], or arbitration award rendered against such contractor, or a settlement amount pursuant to the provisions herein, the Commissioner or his or her designee shall have discretion to exclude such contractor, or any home improvement business in which such contractor is a principal, from future participation in the Fund. The Commissioner or his or her designee may, in his or her discretion, require such home improvement contractor to comply with the Home Improvement Business Law Bond Requirement.
- [(7) All participants who have elected to participate in the Fund prior to August 1, 1991 shall contribute an additional one hundred fifty dollars to the Fund before September 1, 1991. The Commissioner, in his or her discretion, may require any Fund participant who fails to comply with the complete of with this paragraph to furnish a bond in accordance with Regulation 11. Failure to comply with this paragraph shall constitute a failure to comply with a lawful demand or requirement lawfully made by the Commissioner for purposes of § 20-392 of the Administrative Code.]

c) Invasion of the Fund.

(1) The Commissioner may require that disbursements be made from the Fund to pay outstanding [awards] amounts to consumers and Departmental fines when:

(i) the Department has (a) conducted an administrative hearing that results in a decision that a home improvement contractor is in violation of a law, ordinance or regulation enforced by the Department; (b) settled a summons or petition that charged a home improvement contractor with the violation of a law, ordinance, or regulation enforced by the Department; (c) resolved a consumer complaint filed against a home improvement contractor with a settlement agreement; or (d) received written notice of a judgment, arbitration award, or settlement agreement against a home improvement contractor that relates to activities for which a license is required; and

(ii) [the contractor is ordered by] the Department has demanded that the home improvement contractor [to] pay an [award] amount in restitution to a consumer as set forth in the decision, settlement, judgment, or arbitration award required by subparagraph (i) of this paragraph [, a Departmental fine or to satisfy a judgment or arbitration award]; and

(iii) the contractor has failed to pay such [award] amount in <u>restitution</u> to a consumer, a Departmental <u>award or fine or satisfy a judgment or arbitration award, within 30 days of the date of the</u> Department's [order] demand for payment or as required by the terms of the settlement agreement; and

- (iv) [the Department has revoked the contractor's license or the contractor has surrendered or failed to renew said license after the
- (v) Notwithstanding the above, if a contractor has filed a petition for relief under any chapter of Title 11 of the United States Code, the Department may waive the requirements set forth in subparagraphs [(b), (c) and (d)] (ii) or (iii) of this paragraph and (1) [and] require disbursements to be made from the Fund.

(2) Disbursements will not be made from the Fund to pay an award, fine, [or] judgment, arbitration award, or settlement amount that is rendered against: a licensee who has furnished a bond, pursuant to the Bond Requirement of 6 RCNY § 2-225; or home improvement contractor who was never licensed by the Department or

a participant in the Fund.

(3) Disbursements from the Fund will be made at the discretion of the Commissioner or his or her designee and shall be limited to no more than twenty-five thousand dollars for all awards, fines, [and] judgments, arbitration awards, or settlement amounts, arising out of a single home improvement contract.

(4) The Commissioner or his or her designee may order that partial payment of awards, fines, [or] judgments, arbitration awards, or

settlement amounts be made from the Fund.

- (5) Nothing contained herein shall be construed to limit the rights and remedies of any party, including the Department, to pursue a cause of action against a home improvement contractor who is a participant in the Fund.
- (6) Nothing contained herein shall be construed to create a right of any person to a portion of any of the Fund, except in the case of an award duly made by the Commissioner pursuant to the provisions herein.
- (7) Nothing contained herein shall be construed to provide for the payment of awards or judgments rendered against Fund participants in personal injury actions.
- (d) Accounting. The Commissioner shall, by January 31 of each year, cause an accounting to be made of all of the Fund's activities during the preceding calendar year.

Statement of Basis and Purpose

On March 17, 2022 the Commission adopted rules establishing the eligibility criteria for applying for a supplemental loan deficiency guaranty through the Medallion Relief Program ("MRP"). The goal of

the MRP is to support the recovery of the yellow taxicab industry in New York City by helping medallion owners restructure their outstanding debt to more sustainable levels on more favorable terms.

These proposed rules increase the number of loans eligible for a supplemental loan deficiency guaranty by extending participation in the program from those who have an interest in five or fewer medallions to those who have an interest in six or fewer medallions. TLC wants to offer the program to as many small business owners as possible so that they can lower their debt during difficult financial times.

The Commission's authority to promulgate this rule is found in sections 2303 and 2304 of the New York City Charter and section 19-503 of the New York City Administrative Code. The rules that the Commission is seeking to amend are contained within Chapters 58 and 82 of Title 35 of the Rules of the City of New York.

New material is underlined.

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Transportation ("DOT") and the City of New York ("City"), has proposed the acquisition of certain unlotted street bed properties on Alaska Street from Richmond Terrace to Wayne Street, as shown on Damage and Acquisition Map No. 4269, dated 7/27/21 (Capital Project No. HWTRR1) in the Borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed: and

Whereas, the City held a public hearing pursuant to EDPL Section 204 (with an option to attend virtually) in relation to this acquisition on September 7th 2022, in the Borough of Staten Island. Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisition and project:

- The public use and benefit of this project is for the full reconstruction of Alaska Street between Richmond Terrace and Wayne Street; including reconstruction of pedestrian ramps in order to comply with ADA standards, as well as reconstruction of sidewalks, curbs and roadway pavement, in order to improve vehicular and pedestrian safety (the "Project").
- 2. The unlotted streetbed properties listed below that are proposed to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 4269, dated 7/21/21, as follows:
 - Alaska Street from Richmond Terrace to Wayne Street.

The properties proposed to be acquired include the following unlotted streetbed locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

ADJACENT BLOCK NO.	ADJACENT LOT NO.
186	160
187	3, 5, 7, 9, 10, 11, 12, 13, 14, 15, 17, 19, 22, 24, 27, 29, 32, 33, 34
188	40, 50, 52, 54, 57, 58, 61, 65, 67
197	67, 68

The City selected these locations based on a need for the reconstruction of the roadway in Alaska Street.

The general effect on the neighborhood will be to improve current living conditions.

An environmental assessment of the proposed property acquisition locations was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process (CEQR). The New York City Department of Transportation, as lead agency, determined that the proposed project was a Type II action, and thus no further review under SEQRA/CEQR was required, and issued a Type II Declaration (CEQR No. 21DOT021R) on June 8, 2021.

Comments and concerns presented at the public hearing have been reviewed by the City and given due consideration. The single comment included a request for additional information as to the Project along Alaska Street. The record of the hearing remained open for written comments until 5:00 PM September 14, 2022. No written comments were received subsequent to the hearing.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE:

PURSUANT TO EDPL SECTION 207, PROPERTY OWNERS HAVE THIRTY (30) DAYS FROM COMPLETION OF THE PUBLICATION OF THIS "DETERMINATION AND FINDINGS" TO SEEK JUDICIAL REVIEW OF THIS DETERMINATION. THIS PUBLICATION WILL BE ADVERTISED IN THE CITY RECORD AND STATEN ISLAND ADVANCE NEWSPAPERS.

THE EXCLUSIVE VENUE FOR THE JUDICIAL REVIEW OF THIS DETERMINATION PURSUANT TO EDPL SECTIONS 207 AND 208 IS THE APPELLATE DIVISION OF THE SUPREME COURT IN THE JUDICIAL DEPARTMENT WHERE ANY PART OF THE PROPERTY TO BE ACQUIRED IS LOCATED.

A copy of this Determination and Findings by the City is available without cost upon written request to:

ENVIRONMENTAL PROTECTION

■ NOTICE

PUBLIC NOTICE

Federal Emergency Management Agency In accordance with 44 CFR §9.8 for Executive Orders 11988 & 11990 Proposed Stormwater Resiliency Measures East Harlem, New York County, New York

NOTIFICATION IS HEREBY GIVEN to the public of the intent of the Department of Homeland Security-Federal Emergency Management Agency (DHS-FEMA), to provide Federal funding to the New York City Department of Environmental Protection (NYCDEP) as Subrecipient for financial assistance to install flood control measures, including nature-based detention and retention basins, at eight locations within the Clinton Houses public housing development in the Manhattan neighborhood of East Harlem. Funds are being requested through the Building Resilient Infrastructure and Communities (BRIC) grant program. The purpose of the BRIC grant program is to proactively invest in hazard mitigation projects, reducing the risks that communities face from disasters and natural hazards. This notification is given in accordance with Executive Order (EO) 11988 (Floodplain Management), EO 11990 (Protection of Wetlands), the Federal Coastal Zone Management Act, and 44 CFR Part 9, regulations for implementing EO 11988 and EO 11990.

The proposed project entails the installation of eight sites with green infrastructure interventions at the Clinton Houses development. These interventions will include infiltration-based stormwater system units placed under and above existing open spaces such as basketball courts, parking lots, and other locations. A conveyance system comprising of inlets, perforated pipes, spreader tanks and small bioretention nature-based channels will be utilized to route the rainfall runoff from the Clinton Houses development and surrounding streets into the eight sites. Several sites may also include "water squares," which will allow for water to be stored above ground (up to one foot) in the proposed locations. These sites will be integrated into the community as multi-functional open spaces able to store excessive rainfall runoff while incorporating green infrastructure and nature-based designs.

This action would take place within the 100-year floodplain per the current preliminary flood insurance rate map, which means that the action has the potential to affect, or be affected by, the floodplain. Alternatives considered include: 1) taking no action and 2) the proposed alternative to install the green infrastructure at the Clinton Houses development. FEMA, has determined that the proposed alternative is the most practicable to combat the increasing threat of stormwater flooding that is known to impact this community. FEMA has also determined that investment of funds to reduce flood risk is in the public interest. Potential impacts to water quality or aquatic habitat are anticipated to be negligible during construction and minimized through best management practices and conservation measures incorporated from resource agency recommendations and required regulatory permits.

Comments about this project, potential alternatives, and floodplain impacts may be submitted in writing within 15 days of the date of this publication to: FEMA Region 2, Attn: Environmental Planning and

Historic Preservation, 26 Federal Plaza, New York, NY 10278, or via email, to FEMAR2COMMENT@fema.dhs.gov. If substantive comments are received, FEMA will evaluate and address the comments as part of the environmental documentation for this project.

BUILDING HEALTHY COMMUNITIES FOOD ACTION GRANT FOR COMMUNITY-LED FOOD PROJECTS - Request for Proposals - PIN# MF202212 - Due 12-16-22 at 5:00 P.M.

The Mayor's Fund to Advance New York City (Mayor's Fund), on behalf of the Building Healthy Communities (BHC) initiative, is accepting proposals for community-led food projects in neighborhoods that have faced especially severe impacts of COVID-19.

In order to support food security and relief, equitable access to nutritious food, and local ownership of food systems, BHC is offering small grants to community based groups interested in leading or continuing short-term community-based food access or pilot projects. Projects can include distributing food to households in need, increasing healthy food access and food justice through education and advocacy, supporting access to locally grown produce through local community gardens, hosting cooking workshops or demonstrations, and more. Groups can either have experience leading such projects or be building a new program.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
