Adopted by the Board of Aldermen, March 23, 1885.

Whereas, The last Legislature, heedless of the protest of the local authorities of the City of New York, passed a mandatory act providing for the acquisition of nearly four thousand acres of land for

new parks and parkways, of which upwards of two thousand acres are located in Westchester County, and provided for the payment of the expense thereof by the issue of bonds bearing three and one-half per cent. interest; and

Whereas, The Constitutional Amendment which went into effect on January 1, 1885, has so limited the power of the city to issue new bonds that it will be impossible to raise the money needed to pay for these parks in the manner contemplated in the act of 1884; and

Whereas, If the title to all the lands be acquired at one time, as provided in the law passed last year, the city will, at some not distant date, find itself plunged into an indebtedness, of which the lowest estimate is eight millions of dollars, and the estimate of experienced and impartial experts is from fifteen to twenty millions; and

Whereas, In the absence of power to issue bonds, the city will be compelled to raise the money necessary to meet this indebtedness by direct taxation, thus swelling the annual tax levy for a number of years to about forty millions of dollars, and increasing the annual tax rate for the same years to about three and one-half per cent.; therefore

Resolved, That, while we are heartily in favor of large and abundant park area within the City of New York, we deprecate and are opposed to the acquisition and improvement, at the expense of this city, of vast tracts of land in Westchester County, for the benefit of property-owners and real estate speculators;

Resolved, That the proposed Pelham Bay Park, which is nearly three miles distant from the nearest point in this city, and about nine miles from Harlem Bridge, is too far from the centres of population in this city to be of any benefit to our citizens, will be useless to the workmen and their families by reason of the expense and loss of time necessary to reach it, and will be a constant source of expense to the city, as it must, if acquired by the city, be thoroughly policed, lighted and drained, and will be taxed for the benefit of Westchester County;

Resolved, That all the necessary park area within the city limits can be acquired quite as fast as it can be utilized if the present law can be so amended as to permit the city to acquire the land by degrees, and with payments that will not materially increase the annual tax levy, or impose unreasonable burdens upon the tax-payers;

Resolved, That the present law, if permitted to stand unamended, will put a stop for many years to our power to build new school-houses, new armories, new docks, new sewers, and many other improvements that are imperatively required for the health and advancement of the city;

Resolved, That we approve and endorse the proposed amendment of last year's park act prepared by the Corporation Counsel at the request of the Mayor, and call upon the members of the Legislature to relieve the city, before it is too late, of this danger which now threatens it;

Resolved, That these resolutions be printed and that a copy be sent to each member of the Senate and Assembly.

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 24, 1885.

Resolved, That this Common Council hereby approves of and authorizes the selection of the site for a station-house, lodging-house and prison for the police force of the Twenty-eighth Police Precinct, assigned for that purpose, by the Commissioners of the Sinking Fund, on the south side of East Sixty-eighth street, beginning at a point one hundred and twenty-five feet easterly from the southeast corner of Lexington avenue and said street; running thence easterly along the southerly side of said street seventy-five feet; thence southerly in a line parallel with Lexington avenue, to the centre line of the block, one hundred feet five inches; thence westerly along the centre line of the block seventy-five feet; thence northerly in a line parallel with Lexington avenue one hundred feet five inches to the place of beginning; and also hereby approves of and authorizes the Commissioners of the Police Department to establish, provide and furnish a station-house, lodging-house and prison for the Twenty-eighth Police Precinct, upon the land and premises belonging to the city, situated upon the south side of East Sixty-eighth street, as above described in this resolution.

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 27, 1885.

Whereas, By resolution of the Common Council, approved July 9, 1884, it was provided that the Department of Public Parks may "proceed with the work of laying new and repairing old walks in and around the Central and city parks and places, in such manner, and with such materials as it may deem for the best interest of the city, whether by open contract or otherwise;" and

Whereas, Under and in pursuance of said resolution, the Department of Public Parks did contract with E. H. Wootton, without sealed bids, public notice or advertising, but by private contract by Treasurer's order, duly authorized by the Board of Parks, and dated August 19, 1884, for furnishing all the necessary labor and materials for, and laying rock asphalt pavement on the sidewalk surrounding the triangle on the Boulevard and Ninth avenue, between Sixty-fifth and Sixty-sixth streets, the said work to be done and materials to be furnished at the sum of twenty-three cents per square foot, and in accordance with the specifications furnished by said Department, and to said Treasurer's order attached; and

Whereas, Said contract was made and entered into in good faith, and without fraud, and was performed by said E. H. Wootton faithfully and fully, and in accordance with the specifications hereinabove mentioned, and to the satisfaction of the said Department, and the prices for work and materials charged by said Wootton under said contract, amounting in the aggregate to the sum of (\$1,287.26) one thousand two hundred and eighty-seven dollars and twenty-six cents, are fair and reasonable, and just, and the City of New York has received the full benefits of said contract, and the action of the Department in making said contract with E. H. Wootton was for the best interest of the city; now, therefore be it

Resolved, That the action of the Department of Public Parks in the premises, and the contracting for said work by said Department with said E. H. Wootton in the manner and form above specified, by private contract by Treasurer's order, without sealed bids or proposals, and without public letting, at the price and in accordance with the specifications above named is hereby ratified and approved.

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 27, 1885.

Resolved, That New Church street, from Fulton to Liberty street, shall be hereafter known and designated as "Church street;" and New Church street, from Liberty street to Morris street, shall be hereafter known and designated as "Trinity place."

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 27, 1885.

Resolved, That a crosswalk be laid across Fourteenth street opposite the premises No. 100 West Fourteenth street, under the direction of the Commissioner of Public Works, the expense to be paid from the appropriation "Repairs and Renewal of Pavements and Regrading."

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 27, 1885.

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps lighted in Walnut street, from Weeks street to Jerome avenue, under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, March 23, 1885.

Approved by the Mayor, March 27, 1885.

## DEPARTMENT OF PUBLIC WORKS.

PROPOSAL AND CONTRACT FOR  
LIGHTING THE PUBLIC LAMPS,  
ETC.

## TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR FURNISH-  
ING THE GAS OR OTHER ILLUMINATING  
MATERIAL FOR, AND LIGHTING, EXTING-  
UISHING, CLEANING, REPAIRING AND  
MAINTAINING THE PUBLIC LAMPS (AND  
SUPPLYING GAS, ETC., FOR NEW LAMPS  
WHEN REQUIRED) ON THE STREETS,  
AVENUES, PIERS, PARKS AND PLACES  
IN THE CITY OF NEW YORK, FOR THE  
PERIOD OF ONE YEAR, COMMENCING  
MAY 1, 1885, AND ENDING APRIL 30, 1886,  
BOTH DAYS INCLUSIVE.

ESTIMATES FOR THE ABOVE WILL BE RE-  
ceived at the office of the Commissioner of Public  
Works, No. 31 Chambers street, in the City of New  
York, until 12 o'clock M. of FRIDAY, APRIL 10, 1885,  
at which place and time they will be publicly opened by  
said Commissioner and read.

Any person making an estimate for the above shall fur-  
nish the same in a sealed envelope, indorsed "Estimate  
for furnishing the illuminating material for and lighting  
and extinguishing, cleaning, repairing and maintaining  
the public lamps," and also with the name of the person  
making the same, and the date of its presentation.

Bidders are required to state in their estimates their  
names and places of residence, the names of all persons  
interested with them therein; and if no other person be  
so interested, they shall distinctly state the fact; also  
that it is made without any connection with any other  
person making any estimate for the same supplies and  
work, and that it is in all respects fair, and without col-  
lusion or fraud; and also that no member of the Common  
Council, head of a department, chief of a bureau, deputy  
thereof, or clerk therein, or other officer of the Corpora-  
tion, is directly or indirectly interested therein, or in the  
supplies or work to which it relates, or in any portion of  
the profits thereof; which estimate must be verified by the  
oath, in writing, of the party making the same, that the  
several matters stated therein are in all respects true.

Where more than one person is interested, it is requisite  
that the verification be made and subscribed by all the  
parties interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders of the City of  
New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the bid or estimate, they  
will, on its being so awarded, become bound as his or  
their sureties for its faithful performance; and that if he  
or they shall omit or refuse to execute the same, they  
will pay to the Corporation any difference between the  
sum to which he or they would be entitled upon its  
completion, and that which the Corporation may be  
obliged to pay to the person to whom the contract  
may be awarded at any subsequent letting; the amount  
in each case to be calculated upon the estimated amount  
of the work by which the bids are tested; the con-  
sent above mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons  
signing the same, that he is a householder or freeholder  
in the City of New York, and is worth the amount of  
security required for the completion of the contract  
and stated in the proposals, over and above all his debts  
of every nature, and over and above his liabilities as  
bail, surety and otherwise; that he has offered him-  
self as a surety in good faith, and with an intention to  
execute the bond required by law.

Bidders are required to state in their estimates the  
district or several streets, avenues, piers, parks and  
places, or parts of streets, avenues, piers, parks and  
places in which they propose to perform the require-  
ments herein contained, and also the illuminating or  
candle-power of the gas they propose to furnish, when  
tested at a distance of not less than one mile from the  
place of manufacture; and bidders proposing to furnish  
any illuminating material other than illuminating or coal  
gas, must state distinctly what kind of material they pro-  
pose to furnish, and the illuminating power of the light  
they propose to furnish.

Bidders are also required to state the price for which  
they will furnish the gas (of not less than sixteen-candle  
power by photometrical test at a distance of not less than  
one mile from the place of manufacture) or other illumi-  
nating material for each lamp, including the lighting,  
extinguishing, cleaning, repairing, reglazing, and paint-  
ing lamp-posts and lanterns, and replacing the cocks,  
tubes, burners, cross heads, lamp-irons and lanterns  
thereto, for the period from May 1, 1885, to April 30,  
1886, both days inclusive; stating the price, for the above  
named period of one year, for each lamp.

Bidders proposing to furnish electric-lights must state  
the kind of system of light (whether the Voltaic Arc or  
Incandescent) they propose to furnish, also the candle-  
power of the light by photometric test, according to the  
London standard, and also whether the electric lamps  
are to be used on the ordinary lamp-posts of the city, or  
on special lamp-posts to be fitted up by the bidder with-  
out cost to the city for such lamp-posts or their fittings.  
If the light is to be by the "Voltaic Arc," the bidder is  
to state the number of such lamps to be used for lighting  
the streets or district for which the bid is made, and the  
diameter of the carbon electrodes to be used in such  
lamps.

Bidders are also required to state a price for which  
they will repair lamp-posts, including strengthening and  
reloading, and for each new lamp fitted up, as follows:  
For each lamp-post straightened, stating the price per  
post.

For each column reloaded, stating the price per post.  
For each column refitted, stating the price per post.  
For each lamp-post removed, stating the price per post.  
For each lamp-post reset, stating the price per post.  
For each new lamp fitted up, stating the price per post.

The bidders are required to write out the amount of  
their bids in their estimates, in addition to inserting the  
same in figures.

The total number of public lamps to be contracted for  
is about 25,000, but bidders may bid for any portion of  
the same, naming their location as to districts, streets,  
avenues, piers, parks and public places, or parts thereof.

The burners for illuminating gas are to be of a capacity  
to burn three cubic feet of gas per hour under a pressure  
of one inch, and in case the illuminating material shall be  
oil or naphtha, then the burners to be used for such  
illuminating material shall give a light (by photometrical  
test) equal to the light given by the gas burners in use in  
the public lamps in the City of New York.

Should any alteration or any attachment be required  
to any portion of the lamps for which estimates are made  
in consequence of the use of illuminating material other  
than gas, then such alteration shall be done and such  
attachment placed on the lamps without expense to the  
city.

The number of hours the gas or naphtha lamps are to be  
kept burning during the contract is 4,000, and electric  
lamps are to be kept lighted 3,818 hours.

The amount of security required on any contract which  
will amount to \$400,000 and upwards shall be \$150,000;  
on any contract which will amount to \$300,000 and less  
than \$400,000, shall be \$125,000; on any contract which  
will amount to \$200,000 and less than \$300,000 shall be  
\$100,000; on any contract which will amount to \$100,000  
and less than \$200,000, shall be \$75,000; on any contract  
which will amount to \$80,000 but is less than \$100,000,  
\$50,000; on any contract which will amount to \$60,000  
but is less than \$80,000, \$35,000; on any contract which  
will amount to \$40,000 but is less than \$60,000, \$24,000;  
on any contract which will amount to \$20,000 but is less  
than \$40,000, \$12,000; on any contract which will amount  
to \$10,000 but is less than \$20,000, \$6,000; on any con-  
tract which amounts to less than \$10,000, \$5,000.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of  
the National banks of the City of New York, drawn to  
the order of the Commissioner of Public Works, or money,  
to the amount of five per centum of the amount  
of the security required for the faithful perform-  
ance of the contract. Such check or money must not be  
inclosed in the sealed envelope containing the estimate,  
but must be handed to the officer or clerk of the De-  
partment who has charge of the Estimate-box, and no  
estimate can be deposited in said box until such check  
or money has been examined by said officer or clerk  
and found to be correct. All such deposits, except  
that of the successful bidder, will be returned to the  
person making the same within three days after the contract  
is awarded. If the successful bidder shall refuse or  
neglect, within five days after notice that the contract  
has been awarded to him, to execute the same, the  
amount of the deposit made by him shall be forfeited to  
and retained by the City of New York, as liquidated  
damages for such neglect or refusal; but if he shall ex-  
ecute the contract within the time aforesaid, the amount  
of his deposit will be returned to him.

The award of any contract, if awarded, will be made as  
soon as practicable after the opening of the bids.

Should the person or persons to whom any contract is  
so awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his bid or estimate, or if he accept, but  
does not execute the contract and give the proper  
security, it may be readvertised and relet as provided by  
law and ordinance.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless a written permission  
shall have been previously obtained from the Mayor,  
Comptroller, and Commissioner of Public Works.

The right is also reserved, whatever may be the illumi-  
nating material named in the estimate, when an estimate  
is made containing bids for lamps in one or more streets,  
avenues, piers, parks, or places, to accept from such  
estimate or bid so much thereof as may be the lowest per  
lamp in any one or more of such streets, avenues, piers,  
parks or places, and to reject the remainder of such  
estimate or bid which may not be the lowest as aforesaid.  
The contracts for lamps in any particular street, avenue,  
pier, park or place, will be awarded, if awarded, to the  
lowest bidder per lamp in such particular street, avenue,  
pier, park or place.

The right is also reserved to determine and designate  
in any locality, after the estimates are opened, what  
illuminating material shall be used in the public lamps,  
or any number of them, in such locality, during the  
period above mentioned; also upon such determination,  
to decline any estimate or part thereof for lighting such  
locality with illuminating material other than that so  
determined upon. Also to decline all estimates if deemed  
for the best interests of the city. No estimate will be

accepted from, or contract awarded to any person who is  
in arrears to the Corporation upon debt or contract, or  
who is a defaulter as security or otherwise, upon any  
obligation to the Corporation.

If the estimate of any bidder shall include any  
lamps with which the pipes or conductors of such  
bidder are not connected at the time of the making  
of the bid, and a contract for furnishing the illumi-  
nating material for and lighting, extinguishing, clean-  
ing, repairing, and maintaining any such lamps, shall  
be awarded to such bidder, in that case, thirty days  
from the date of execution of such contract, and  
such further time, not exceeding thirty days, as may  
be deemed reasonable by the Commissioner of Public  
Works, shall be allowed to such bidder in which  
to connect such pipes or conductors with such lamps, and  
all such connections shall be made by the party of the  
second part without expense to the city.

But no payment to such bidder, on account of any such  
lamps, will be made for the time so allowed, nor until  
the same shall have been connected with the mains or  
conductors of such bidder, nor except for the time during  
which all the requirements herein mentioned shall have  
been fully performed.

Blank forms of estimates can be obtained on application

## TERMS AND CONDITIONS OF THE SALE.

The Department will make, either prior to the com-  
mencement of the term of lease, in each case, or as soon  
thereafter as practicable, such repairs to any of the  
above-named premises as, in the judgment of the Com-  
missioners, they may consider necessary to place the  
premises in suitable condition for service during the  
terms for which leases are to be sold (except that no re-  
pairs will be made to any of the above-named premises  
where it shall be announced by the Auctioneer, at the  
time of the sale, that they will not be repaired by the  
Department); but all the premises must be taken in the  
condition in which they may be on the date of com-  
mencement of said terms, respectively; and no claim  
that the property is not in suitable condition at the com-  
mencement of the lease will be allowed by the Depart-  
ment; and all repairs and rebuilding required and neces-  
sary to any of the premises during its term of lease are  
to be done at the expense and cost of the lessee.

The term for which the leases are sold will commence  
from the date mentioned in the advertisement of the  
same, and as announced by the Auctioneer at the time of  
sale, and the rent accruing therefor will become due and  
payable from that date respectively in each case.

Purchasers will be allowed two months, from date of  
commencement of their leases, in which to notify the  
Department that dredging is required at the premises  
leased; and the Commissioners guarantee to do all possi-  
ble dredging, as soon after being notified of the neces-  
sity therefor, as the work of the Department will per-  
mit (except that no dredging will be done at any of the  
above-named premises where it shall be announced by  
the Auctioneer, at the time of the sale, that they will not  
be dredged by the Department); but in no case will the  
Department dredge where a depth of ten feet at mean  
low water already exists. All dredging required at any  
of the above-named premises of which the purchaser of  
the lease therefor shall neglect or omit to notify the De-  
partment during the first two months of the term of the  
lease, and all dredging necessary during the remainder  
of such term, is to be done at the expense and cost of  
the lessee.

No claim will be received or considered by the Depart-  
ment for loss of wharfage or otherwise, consequent upon  
any delay in doing the work of repairing or dredging, or  
consequent upon any of the premises being occupied for  
repairing or dredging purposes.

The upset price for each of the above-named premises  
will be fixed by the Department of Docks, and announced  
by the Auctioneer at the time of the sale.

Each purchaser of a lease will be required, at the time  
of the sale, and in addition to the Auctioneer's fees, to  
pay to the Department of Docks twenty-five per cent. of  
the amount of annual rent bid, as security for the execu-  
tion of the lease, and which twenty-five per cent. will  
be applied to the payment of the rent first accruing under  
the lease, when executed, or will be forfeited if the pur-  
chaser neglects or refuses to execute the lease and bond  
within five days after being duly notified that the lease  
is prepared and ready for signature. The Commis-

sioners reserve the right to resell the leases bid off by  
those failing to comply with these terms; the party so  
failing to be liable to the Corporation for any deficiency  
which may result from such resale.

Lessees will be required to pay their rent quarterly, in  
advance, in compliance with a stipulation therefor in the  
form of lease adopted by the Department.

Two sureties, each a freeholder or householder in the  
City of New York, and to be approved by the Commis-  
sioners of Docks, will be required, under each lease, to  
enter into a bond, jointly with the lessee, in the sum of  
an amount double the annual rent, or the faithful per-  
formance of all the covenants of the lease, and each pur-  
chaser will be required to submit, at the time of the sale,  
the name and address of his proposed sureties.

Each purchaser will be required to agree that he will,  
upon being notified so to do, execute a lease prepared  
upon the printed form adopted by the Department, which  
can be seen upon application to the Secretary, at the  
office, 119 Duane street.

No person will be received as lessee or surety who is  
delinquent on any former lease from the Corporation;  
and no bid will be accepted from any person who is in  
arrears to the Corporation upon debt or contract, or who  
is a defaulter, as surety or otherwise, upon any obligation  
to the Corporation.

LUCIUS J. N. STARK,  
WILLIAM LAMBEER,  
JOHN R. VOORHIS,  
Commissioners of the Department of Docks.

The Auctioneer's fee of \$25 on each lot and the ex-  
change fees, \$3, will be required to be paid by the pur-  
chasers thereof, respectively, at the time of sale.

named, at which time and place the bids or estimates  
received will be publicly opened by the President of

THE BOARD OF PUBLIC CHARITIES AND CORRECTION  
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES  
IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PRO-  
VIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to time,  
and in such quantities as may be directed by the said  
Commissioners.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the  
person or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract by his or their bond, with two sufficient sure-  
ties, in the penal amount of fifty (50) per cent. of the  
estimated amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; also that it is made without  
any connection with any other person making an estimate  
for the same purpose, and is in all respects fair and without  
collusion or fraud; and that no member of the Common  
Council, Head of a Department, Chief of a Bureau,  
deputy thereof or clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein, or  
in the supplies or work to which it relates, or in any por-  
tion of the profits thereof. The bid or estimate must be  
verified by the oath, in writing, of the party or parties

making the estimate, that the several matters stated there-  
in are in all respects true. Where more than one person  
is interested, it is requisite that the verification be made  
and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or re-  
fuse to execute the same, they shall pay to the Corpora-  
tion any difference between the sum to which he would  
be entitled on its completion, and that which the Cor-  
poration may be obliged to pay to the person or per-  
sons to whom the contract may be awarded at any subse-  
quent letting; the amount in each case to be calculated  
upon the estimate amount of the work by which the bids  
are tested. The consent above mentioned shall be accom-  
panied by the oath or affirmation, in writing, of each of the  
persons signing the same that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of this contract,  
over and above all his debts of every nature, and over and  
above his liabilities as bail, surety, or otherwise; and that  
he has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 12 of  
chapter 7 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be  
approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount of five  
per centum of the amount of the security required for the  
faithful performance of the contract. Such check or  
money must not be inclosed in the sealed envelope con-  
taining the estimate, but must be handed to the officer or  
clerk of the Department who has charge of the Estimate-  
box, and no estimate can be deposited in said box until  
such check or money has been examined by said officer  
or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned to  
the persons making the same within three days after the  
contract is awarded. If the successful bidder shall refuse  
or neglect, within five days after notice that the contract  
has been awarded to him, to execute the same, the amount  
of the deposit made by him shall be forfeited to and re-  
tained by the City of New York as liquidated damages  
for such neglect or refusal; but, if he shall execute the  
contract within the time aforesaid, the amount  
of his deposit will be returned to him.

Should the person or persons to whom the contract may be  
awarded neglect or refuse to accept the contract within five  
days after written notice that the same has been awarded  
to his or their bid or proposal, or if he or they accept, but  
do not execute the contract and give the proper security,  
he or they shall be considered as having abandoned it,  
and as in default to the Corporation; and the contract  
will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and  
merchandise must conform in every respect to the sam-  
ples of the same, respectively, at the office of the said  
Department. Bidders are cautioned to examine the  
specifications for particulars of the articles, etc., re-  
quired, before making their estimates.

Bidders will state the prices for each article, by which  
the bids will be tested.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,  
issued on the completion of the contract, or from  
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tion of the Commissioners of Public Charities and  
Correction.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

The form of the agreement, including specifications,  
and showing the manner of payment, can be obtained at  
the office of the Department.
