The President placed before the Board communications received from the Chancellor and the Professor of Biology of the New York University, desiring to supply aquatic animals and plants to the Aquarium from their Biological Station in the Bermuda Islands, under a similar arrangement to that of last season.

In the absence of any filed report showing the results or benefits from the arrangement entered into with the University last year, at a cost to the Department of 2005, the matter was laid over.

On motion, at \$1.50 a. st., the Board adjourned.

WILLIS HOLLY, Secretary.

Torreson, Aren 7, 1868-American Married, 21 A. M.

Present -Commissioners Clauses (President), Mechas, Brower,
