The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD) Human Resources Administration (HRA)

STATEMENT OF BASIS AND PURPOSE

The Department's Car Rental Program is a voluntary program that was established to assist vehicle rental companies manage parking summonses issued to vehicles registered in the program.

Currently, the Car Rental Program allows a lessor to enroll a vehicle with the Department in order to transfer the liability for the fines and penalties incurred from parking summonses to the lessee. Collection and enforcement issues may arise, however, when a vehicle owner leases the vehicle after incurring a large amount of parking summons debt. The lessor should be responsible for payment of this debt. However, because State law prohibits judgment creditors from interfering with the rights of a lessee, enforcements efforts, like towing or booting a vehicle, for example, are not possible.

The Department is proposing to expand the information that it may require from a lessor of a vehicle when the company that owns the vehicle enrolls or renews their enrollment in the Car Rental Program. The additional information collected from lessors will assist the Department in collecting unpaid parking summons judgment debt incurred by lessors enrolled in the Car Rental Program.

Specifically, the Department proposes adding:

- the lessor's legal name and address at which it does business;
- a statement from the lessor indicating whether and how the lessor will inform the vehicle lessee that the lessee received a Notice of Violation (summons), including whether the lessor plans to collect fines and penalties originating from a Notice of Violation from the lessee: and.
- the lessor's bank and credit information.

The Department's authority for this rule is found in Section 237 of the New York State Vehicle and Traffic Law, Section 19-203 of the Administrative Code of the City of New York, and Sections 1043 and 1504 of the New York City Charter.

New material underlined.

[Deleted material is in brackets.].

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Amendment to Rule Relating to Parking Violations

Section 1. Paragraph (2) of subdivision (b) of Section 39-11 of Title 19 of the Rules of the City of New York is amended to read as follows:

 $\left(2\right)$ A lessor may register a vehicle with the Bureau by filing with the Bureau the following information:

- (i) Plate number
- (ii) Plate type
- (iii) State of registration. Where more than one party meets the definition of the term "Lessor" set forth in § 39-01 of this

- Chapter, then each such party is required to co-register. Such co-registrants may designate one of them for the service of notices given by the Bureau or elect to receive each notice separately[.]
- (iv) Lessor's legal name and the address at which it does business
- (v) A statement from the lessor indicating whether and how it will inform the lessee of the lessee incurring a parking violation once the lessor is notified by the Department of the issuance of the parking violation. Such statement should indicate whether the lessor plans to collect parking violation amounts from the lessee
- (vi) Such bank and credit information of the lessor as required by the Bureau.
