The consent of the above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by

Resolved, That Wednesday, the 13th of March, 1882, at 11 o'clock, A. M., be, and is hereby fixed as the time for the taxpayers of this city to be heard in regard to the Final Estimate for 1883; and that when this Board adjourns it will do so to meet at the time appointed for such hearing.

Heads of Departments and officers of the city government also are requested to be present at said meeting, and a notice thereof shall be published in the City Record.

CHARLES V. ADEE, Clerk.

received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made on Saturday, 23d December, before 7 o'clock A. M.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the poultry required, before making their estimates.

Bidders will state the price of each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained at the office of the Department.

Dated New York, December 9, 1882.

The Committee on Protests, to whom were referred the annexed protests of James Oliver, John H. Carl, John Gillen, G. C. Kirschmann, Charles S. Bliss, and Henry L. Sprague, respectfully

REPORT:

That your committee are convinced and have been so from their appointment, that the duties expected of them were unmistakably beyond their power to perform. The law clearly defines the powers and duties of the Board of County Canvassers and confines them simply to a comparison and computation of the returns or statements from the several election districts, and a declaration of the result. Where errors or discrepancies occur in any of the statements, or irregularities even in the manner of conducting the election at the polling places, the County Canvassers are powerless to do anything other than return the statements to the District Inspectors to correct the errors or discrepancies. Irregularities, even when they affect the result of the voting, can only be remedied by the parties aggrieved in the courts, or in cases affecting candidates for legislative offices, in the bodies to which they claim to have been elected. The District Inspectors alone are responsible.

It being clear that your Honorable Body does not possess the power to investigate any of the allegations contained in the several protests presented, it therefore necessarily and logically follows that you could not delegate to a committee a power not possessed by you; even the eligibility of candidates cannot be determined by your Honorable Body; this inability arises not from positive prohibition but from lack of power or authority. The Legislature of this State never conferred either upon Boards of County Canvassers.

Your committee therefore ask to be discharged from the further consideration of the several protests and other papers herewith accompanying.

ROBERT HALL, } Committee
FREDERICK FINCK, } on
MICHAEL DUFFY, } Protests.

The question now recurred on the original motion, and Aldermen Brady, Duffy, Hall, Kirk, Levy, Martin, McAvoy, O'Neil and Strack voting in the affirmative, and Aldermen Finck, Fleishbein, Hawes, McClave, McLean, Waite and Wells in the negative, the motion was carried.
