## NOTICE

IN RELATION TO JURORS FOR  
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE  
heard here, from 9 to 4 daily, from all persons hitherto  
liable or recently serving who have become exempt, and  
all needed information will be given.

Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury enrol-  
ment notice," requiring them to appear before me this  
year. Whether liable or not, such notices must be an-  
swered (in person, if possible, and at this office only) under  
severe penalties. If exempt, the party must bring proof of  
exemption; if liable, he must also answer in person, giving  
full and correct name, residence, etc., etc. No attention  
paid to letters.

Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines, received from those  
who, for business or other reasons, are unable to serve at  
the time selected, pay the expenses of the office, and if  
unpaid will be entered as judgments upon the property of  
the delinquents.

All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing their  
clerks or subordinates to serve, reporting to me any attempt  
at bribery or evasion, and suggesting names for enrollment.  
Persons between sixty and seventy years of age, summer  
absentees, persons temporarily ill, and United States and  
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in re-  
lation to a jury service, or to withhold any paper or make  
any false statement, and every case will be fully prose-

also, that it is made without any connection with any other  
person making any bid or estimate for the same work;  
and that it is in all respects fair and without collusion or  
fraud; and also that no member of the Common Council,  
head of a Department, Chief of a Bureau, Deputy the eof,

NEW YORK CITY, November 13, 1879.

SEALED BIDS OR ESTIMATES FOR CON-  
structing receiving-basins, culverts, and manholes in  
Third avenue, from Harlem river to One Hundred and  
Forty-seventh street, will be received at the office of the  
Department until Wednesday, the 26th instant, until the  
hour of nine o'clock A. M., at which time such bids or  
estimates will be publicly opened by the head of said  
Department and read.

Each bid or estimate must be enclosed in a sealed  
envelope, indorsed with the name or names of the person  
or persons presenting the same, the date of its presenta-  
tion, and a statement of the work to which it relates.

Bidders are required to state in their estimates, under  
oath, their names and places of residence; the names of  
all persons interested with them therein; and if no other  
person be so interested, they shall distinctly state the  
fact; also, that it is made without any connection with any  
other person making any bid or estimate for the same  
work; and that it is in all respects fair and without collu-  
sion or fraud; and also that no member of the Common  
Council, head of a Department, Chief of a Bureau, Deputy  
thereof, or Clerk therein, or other officer of the Corpora-

supplies or work to which it relates, or in any portion of  
the profits thereof. Where more than one person is  
interested, it is requisite that the verification be made and  
subscribed by all parties interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders of the City of  
New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance, and that if he shall omit or refuse to  
execute the same, they will pay to the corporation any  
difference between the sum to which he would be entitled

on its completion, and that which the corporation may be  
obliged to pay to the person to whom the contract may be  
awarded at any subsequent letting; the amount in each  
case to be calculated upon the estimated amount of the  
work by which the bids are tested.

The consent above mentioned shall be accompanied by  
the oath or affirmation, in writing, of each of the persons  
signing the same that he is a householder or freeholder in  
the City of New York, and is worth the amount of the  
security required for the completion of the contract, and  
stated in the proposals, over and above all his debts on  
every nature, and over and above his liabilities as bail,  
surety, or otherwise; that he has offered himself as a surety  
in good faith, and with an intention to execute the bond  
required by section 27, article 2, chapter 8 of the Revised  
Ordinances of 1879, if the contract shall be awarded to the  
person or persons for whom he consents to become surety.

The adequacy and sufficiency of the sureties offered to  
be determined by the Comptroller.

The Department reserves the right to reject all the  
bids received in response to this advertisement if it shall  
deem it for the interest of the city so to do, and to read-  
vertise until a satisfactory proposal shall be received. But

bidder with adequate security.

Bidders will state in writing, and also in figures, the  
prices of the several items.
