AQUEDUCT COMMISSION.

Present—Commissioners Ryan (President), Ten Eyck, Power and Windolph. The minutes of stated meeting of November 28, 1899, were read and approved. Commissioner Ten Eyck offered the following resolution and moved that the same be adopted: Resolved, That the accompanying bill for school taxes for the year 1899, on property taken in fee by The City of New York for the construction of the New Croton Reservoir, due School District No. 5, Town of North Salem, N. Y., amounting to \$32.08, is hereby approved and ordered certified to the Comptroller for payment.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

Commissioner Ten Eyck also offered the following resolution, and moved that the same be adopted:

Resolved, That the accompanying bill for school taxes for the year 1899, on property taken in fee by The City of New York for the construction of the New Croton Aqueduct, due School District No. 12, Towns of Cortlandt and Yorktown, New York, amounting to \$65.82, is hereby approved and ordered certified to the Comptroller for payment.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

Commissioner Ten Eyck, as Chairman of the Committee of Finance and Audit, reported the examination and audit of estimates contained in Vouchers Nos. 13191 to 13193, inclusive, amounting to \$116,154.11, and of bills contained in Vouchers Nos. 13195 to 13217 inclusive, amounting to \$1,593.36.

Which were approved and ordered certified to the Comptroller for payment by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The following was received from the Secretary:

NEW YORK, December 12, 1899.

To the Aqueduct Commissioners:

GENTLEMEN—This is to report that the sum of \$287 has been received at this office from Division Engineer Wegmann, being the amount collected from former owners of property from whose awards rents should have been deducted; and to state that said amount has been transmitted to the City Chamberlain for the credit of the "Additional Water Fund," and his receipt therefor is on file.

Respectfully,

HARRY W. WALKER, Secretary.

Commissioner Windolph moved that the report of the Secretary be approved and ordered filed.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The Construction or Executive Committee referred to the Commissioners the following communication of the Acting Chief Engineer:

REPORT No. 132.

NEW YORK, November 27, 1899.

To the Honorable the Aqueduct Commissioners:

GENTLEMEN—I hand you herewith in duplicate, agreements of Mr. F. T. Hopkins for rent of Parcels Nos. 115 and 183 in the Town of Somers, Westchester County, N. Y. Rent is only charged for nine months, as Mr. Hopkins was allowed three months for moving the buildings. Mr. Hopkins found it inconvenient to move the buildings this year and agreed with the Chief Engineer to pay \$25 per month rent for the grounds until he could move the buildings, and it is for the ground rent that these agreements were made.

Yours respectfully,

ALFRED CRAVEN, Acting Chief Engineer.

Commissioner Ten Eyck moved that the Secretary be directed to transmit the agreements to the Comptroller.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The Construction or Executive Committee also referred to the Commissioners the following communication of the Acting Chief Engineer:

REPORT No. 135.

NEW YORK, December 2, 1899.

To the Honorable the Aqueduct Commissioners:

GENTLEMEN—In the report of the Chief Engineer No. 117, dated October 23, 1899, he asked authority, which was granted at your meeting of October 24, for filling certain cellars at Croton Falls, estimating the amount of filling to be done at three thousand yards approximately. The work was awarded to Oscar Miersch at twenty-two (22) cents per cubic yard, and was to be completed by January 1, 1900.

The work under this order has been completed and the bill for the same will reach you in due form. In the meantime, however, some other buildings have been removed, leaving some foundations exposed which it is desirable to have filled now. The work to be done will not exceed one thousand cubic yards, and Mr. Miersch offers to do it at the same price as for the above-mentioned work. I will ask authority to have it done by Mr. Miersch at his offer of twenty-two cents per cubic yard.

Yours respectfully,

ALFRED CRAVEN, Acting Chief Engineer.

Commissioner Ten Eyck moved that the authority asked for by the Acting Chief Engineer be granted.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The Construction or Executive Committee also referred to the Commissioners the following communication of the Acting Chief Engineer:

REPORT No. 136.

NEW YORK, December 5, 1899.

To the Honorable the Aqueduct Commissioners:

GENTLEMEN—By your authority, granted on October 31 and November 3, 1899, I asked for bids for furnishing castings for work at the New Croton Dam from seven manufacturers of such castings as are required. Those requested to bid on the work were:

Fox & Engel, No. 253 Broadway, New York.

R. D. Wood & Co., Philadelphia, Pa.

United States Cast-iron Pipe and Foundry Company, Philadelphia, Pa.

Coldwell-Wilcox Company, Newburg, N. Y.

M. J. Drummond & Co., No. 102 Broadway, New York.

Warren Foundry and Machine Company, No. 160 Broadway, New York.

James R. Floyd's Sons, No. 539 West Twentieth street, New York.

The weights of castings required are estimated at about seventy-one (71) tons, which would make the cost of same, under the offer of Coldwell-Wilcox Company, \$4,107.35.

I will recommend that the work be awarded to Messrs. Coldwell-Wilcox Company at their bid, viz., \$57.85 per ton of 2,000 pounds. This includes the cost of delivery at Croton-on-Hudson.

The following is a tabulation of bids received, Messrs. M. J. Drummond & Co., Warren Foundry and Machine Company, and James R. Floyd's Sons having declined to bid:

Fox & Engel, \$124 per ton of 2,000 pounds.

R. D. Wood & Co., \$59.50 per ton of 2,000 pounds.

United States Cast-iron Pipe and Foundry Company, \$59.40 per ton of 2,000 pounds.

Coldwell-Wilcox Company, \$57.85 per ton of 2,000 pounds.

Yours respectfully,

ALFRED CRAVEN, Acting Chief Engineer.

Commissioner Ten Eyck moved that the above recommendation of the Acting Chief Engineer be approved, and that the work be awarded to Coldwell-Wilcox Company at its bid, as above set forth.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

The Secretary presented the following communication received from the Civil Service Commission:

NEW YORK, December 2, 1899.

HARRY W. WALKER, Esq., Secretary, Aqueduct Commission:

DEAR SIR—I beg to advise you that the communication from the Aqueduct Commission, inquiring whether a resolution of the Civil Service Commission, adopted in May, 1895, authorizing the employment without registration of laborers on the line of the aqueduct for a period not exceeding one week is still in force, and if not, requesting that similar authority be granted to the Aqueduct Commission at the present time, was laid before the Municipal Civil Service Commission at its meeting.

After careful consideration, the Commission decided that, under the present law and rules, it has no authority to allow such employment of laborers by your Commission, without registration.

Yours respectfully,

LEE PHILLIPS, Secretary.

Commissioner Ten Eyck moved that the communication be ordered filed and a copy thereof sent to the Acting Chief Engineer for his information.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
No. 2 CITY HALL,
NEW YORK, January 5, 1900.

PROPOSALS FOR FURNISHING STATIONERY FOR THE USE OF COURTS AND THE DEPARTMENT AND BUREAUS OF THE GOVERNMENT OF THE CITY OF NEW YORK.

TO STATIONERS.

SEALED ESTIMATES FOR SUPPLYING THE City Government with Stationery, Paper, Ink, Pens, Pencils, Penholders, Rubber Bands, etc., will be received at the office of the Supervisor of the City Record, Room No. 2, City Hall, until 11 o'clock A. M., of

THURSDAY, JANUARY 18, 1900,

at or about which time said estimates will be publicly opened and read in the office of the Mayor.

Each person making an estimate shall inclose it in an envelope, sealed with sealing-wax, indorsed "Estimate for furnishing Stationery," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract. A guaranty or surety company, duly authorized by law to act as surety, may sign the said consent in place of householders or freeholders.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the estimated cost of the articles awarded to each contractor.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of the said five per cent. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.

All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimate will be accepted from or a contract awarded to any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned City officers to reject any or all bids which may be deemed prejudicial to the public interests.

Bids must be made on each item separately, and the aggregate for each schedule, or for any part of each schedule that may be indicated in the specifications or required, must be given. The contract may be awarded, in the discretion of the Board of City Record by items or by schedules, or parts of schedules, except where the law provides to the contrary.

The Stationery is to be put up in packages according to schedules to be furnished to the contractors by the Supervisor of the City Record and according to the most approved methods followed in the stationery trade for the preservation of goods. The contractors must give preference in deliveries to such articles as the Supervisor may direct, and deliveries must be made during the year as called for.

No laborer, workman, or mechanic employed in the performance of this contract in the employ of the contractor, sub-contractor or other person, doing or contracting to do the whole or a part of the work contemplated by the contract shall be permitted or required to work more than eight hours in any one calendar day, except in cases of extraordinary emergency, caused by fire, flood or danger to life or property. The wages to be paid for a legal day's work as hereinbefore defined to all classes of such laborers, workmen or mechanics, upon all such public work, or upon any material to be used upon or in connection therewith, shall not be less than the prevailing rate for a day's work in the same trade or occupation in the locality within the State where such public work is performed, in its final or completed form, is to be situated, erected or used.

Each such laborer, workman or mechanic employed by such contractor, sub-contractor, or other person on, about or upon such public work shall receive the wages hereinbefore set forth.

The contract shall be void and of no effect unless the person or corporation making or performing the same shall comply with the provisions of chapter 567 of the Laws of 1899, amending chapter 415 of the Laws of 1897.

For particulars as to the quantities and kinds of stationery, reference must be had to the specifications, copies of which may be procured from the Supervisor of the City Record. When the description of an article is not complete in the specifications, and no sample is on file at the office of the City Record, the contractor must supply an article in every respect like that in use in the Department making the requisition, unless otherwise directed by the Supervisor of the City Record.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates or in any portion of the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, the amount to be calculated upon the estimated amount of the work by which the bids are tested. The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety

in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF HIGHWAYS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

PUBLIC NOTICE.

CONTRACTS, PURSUANT TO SECTIONS 239 AND 534 OF THE GREATER NEW YORK CHARTER, FOR COLLECTING STREET SWEEPINGS, ASHES, GARBAGE AND HOUSEHOLD REFUSE OF THE SEVERAL WARDS OF THE BOROUGH OF QUEENS AND RICHMOND, IN THE CITY OF NEW YORK, AND DELIVERING THE SAME AT THE PLACE OR PLACES DESIGNATED BY THE COMMISSIONER OF STREET CLEANING, FOR THE PERIOD BEGINNING WITH THE DATE OF EXECUTION THEREOF, AND ENDING WITH THE 31ST DAY OF DECEMBER, 1900.

PROPOSALS FOR THE ABOVE CONTRACTS inclosed in sealed envelopes, indorsed with the title of the work, and with the names and addresses of the persons making the same, and the date of the said proposals, will be received at the Main Office of the Department of Street Cleaning, Nos. 13 to 21 Park Row, in the Borough of Manhattan, in The City of New York, until 12 o'clock M. on

TUESDAY, THE 9th DAY OF JANUARY, 1900,

at which time and place said proposals will be publicly opened and read.

The persons to whom the said contracts may be awarded will be required to execute the same within five (5) days of receipt of notice of that effect, and in case of failure or neglect so to do, they will be considered as having abandoned the said contract, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning may readvertise and relet the same, and so on until the contracts be accepted and executed.

Bidders are required to state under oath or affirmation in their proposals their names and places of residence, the names of all persons interested therein, and if no other person be so interested, that fact shall be distinctly stated; also that the proposal is made without any connection with any other person making a proposal for the same work, and that it is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, is directly or indirectly interested therein or in any portion of the profits thereof. Where more than one person is interested, it is required that the verification be made and subscribed by all the parties so interested.

Permission will not be given for the withdrawal of any proposal, and the right is expressly reserved by the Commissioner of Street Cleaning to reject all of the proposals should he deem it best for the interest of the City so to do. The award by the said Commissioner of a contract or contracts, as above, shall be subject to the approval of the Board of Estimate and Apportionment.

No proposal will be accepted from, nor will the contract be awarded to, any person who is in arrears to the Corporation, upon debt, or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation. Each proposal must be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, or of two guaranty or surety companies duly authorized by law to act as surety, incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller of The City of New York, to the effect that if the contract be awarded to the person or persons making the said proposal, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, to an amount equal to at least one-half the compensation for the performance of the contract, at the price bid by the contractor in his proposal, and that if he or they shall omit or refuse to execute the same, they will pay to The City of New York any difference between the sum to which he or they would be entitled on the completion of the said contract, and that which The City of New York may be obliged to pay to the person or persons to whom the said contract may be subsequently awarded, the amount to be calculated upon the estimated amount of the work by which the proposals are tested. The consent above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of security for the completion of the contract, as stated in the proposal, over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law, and a like affidavit as to the sufficiency shall be required of an officer of a corporation so consenting; the adequacy and sufficiency of the sureties offered shall be subject to the approval of the Comptroller of The City of New York.

Each proposal must be accompanied by a certified check on one of the State or National banks of The City of New York, payable to the order of the Comptroller of said city, for five (5) per centum of the amount of the surety bond aforesaid, or money to that amount. Said check or money must not be inclosed in the sealed envelope containing the proposal, but must be handed in separately at the time of submitting the proposal.

On the award of the contract or contracts, or the rejection of all the proposals, the checks or money of the unaccepted bidders will be returned to them, and upon the execution of the contract or contracts, the checks or money of the accepted bidder or bidders will likewise be returned to him or them.

All proposals must be made with reference to the form of contract and the requirements thereof on file in the Main Office of the Department of Street Cleaning, or if not so made, they will be rejected. The form of contract, with specifications, showing the manner of payment of the work, and forms of proposals, and further information, if required, may be obtained at the Main Office of the Department of Street Cleaning.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 494, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all the persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. Should the person or persons to whom the contract may be awarded neglect or refuse to accept the same within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any specifications other than those furnished by the Department. Such references are cause for rejecting bids whereon they are written.

and will in no case govern the action of the Department officers in passing upon tenders.

Bidders must state the price per kilo-watt, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total footing and awards made to the lowest bidder on each item or class.

All estimates not conforming to these requirements may be considered as informal.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, 126 and 128 Livingston street, Borough of Brooklyn, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

The Board of Public Charities reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article. (No bonds or deposit required on bids under One Thousand Dollars.)

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Department. Such references are cause for rejecting bids whereon they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders must state the price of each article per pound, dozen, gallon, yard, etc., by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total footing and awards made to the lowest bidder on each item or class.

All estimates not conforming to these requirements may be considered as informal.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

DEPARTMENT OF CORRECTION.

DEPARTMENT OF CORRECTION,
No. 148 EAST TWENTIETH STREET,
New York, December 23, 1899.

PROPOSALS FOR SUPPLYING GAS ON BLACKWELL'S ISLAND FOR THE CORRECTION INSTITUTIONS, 1900.

SEALED BIDS OR ESTIMATES FOR GAS will be received at the office of the Department of Correction, No. 148 East Twentieth street, in The City of New York, until

TUESDAY, JANUARY 9, 1900.

until 11 A. M.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Supplying Gas on Blackwell's Island for the Correction Institutions for the year 1900," and with his or their name or names, and the

date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the Commissioner, or his duly authorized agent.

All bids to be at the rate of 50 much per 1,000 cubic feet.

THE COMMISSIONER RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1892.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of Eighteen Hundred Dollars (\$1,800).

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, security or trust companies in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York drawn to the order of the Comptroller, or money to the amount of Ninety Dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

Blank forms of proposals can be obtained at the office of General Bookkeeper and Auditor, No. 148 East Twentieth street, New York City.

Commissioner of Correction.
