The City Planning Commission (CPC), acting as lead agency, issued a Notice of Completion on October 18, 2013 for a Draft Environmental Impact Statement (DEIS) for the proposed 606 West 57th Street Rezoning in accordance with Article 8 of the Environmental Conservation Law. A public hearing on the DEIS will be held on Wednesday, January 22, 2014, at 10:00 A.M. in Spector Hall, at the Department of City Planning located at 22 Reade Street, New York, New York 10007, in conjunction with the City Planning Commission's citywide public hearing pursuant to ULURP. Comments are requested on the DEIS and will be accepted until Monday, February 3, 2014.

The DEIS analyzes a proposal by the Applicant, 606 W. 57 LLC to rezone a portion (Lots 25, 29, 31, 36, 40, 44 and 55) of Manhattan block 1104, which is bounded by West 56th and West 57th Streets and Eleventh and Twelfth Avenues (the "affected area" or "project block"), along with related land use actions that include text amendments, a special permit and a

zoning authorization. The affected area is located within the "Other Area" (Northern Subarea C1) in the Special Clinton District of Manhattan Community District 4. The proposed actions, which are described in detail below, would facilitate the development of a new, mixed use building of up to approximately 1.2 million gross square feet (gsf) on the parcels that are controlled by the applicant (the "proposed project site," or "development site 1").

The proposed actions would facilitate a proposal by the applicant to develop a mixed use building containing up to 1,189 dwelling units, ground-floor local retail uses up to 42,000 gsf, and up to 500 below-grade parking spaces (or an alternate garage configuration that would provide up to 395 spaces). Twenty percent of residential floor area (up to 238 units) would be affordable. These uses would be developed on the proposed project site, which consists of Block 1104 Lots 31, 40, 44, and 55 ("development site 1"). It is assumed that the proposed actions would also result in the redevelopment of two other lots on the block, lots 25 and 29 ("development site 2"), which are non-applicant owned. It is projected that these properties would be developed with an approximately 117,612 gsf hotel. Collectively, this development scenario is referred to in the DEIS as the Reasonable Worst-Case Development Scenario (RWCDS) 1. It is anticipated that development would be complete by 2017.

The proposed actions would permit a range of project characteristics, or development scenarios, to occur on development site 1 even though the actions are being sought in order to facilitate a specific development described above. Therefore, an additional development scenario was identified for environmental review purposes that considers an alternate mix of uses on the site, referred to as "RWCDS 2." Since a Restrictive Declaration is expected to control building massing and design on development site 1, the alternative development differs in terms of the mix of uses, but remains the same with regard to design and massing. As with RWCDS 1, development site 1 would consist of a 1.2 million gsf mixed use building under RWCDS 2. However RWCDS 2 could include approximately 848 residential units (of which up to 170 would be affordable) and could include up to 500 parking spaces, along with approximately 185,000 gsf of hotel (285 rooms), 35,000 gsf of local retail, 75,000 gsf of destination retail, and 30,000 gsf of medical office space.

Development of the proposed project requires approvals from the City Planning Commission (CPC) for the following discretionary actions: Rezoning of a portion of the block bounded by West 56th Street, West 57th Street, Eleventh Avenue and Twelfth Avenue in Manhattan from the existing M2-3 and M1-5 districts to a C4-7 commercial district; An amendment to Zoning Resolution (ZR) Appendix F to designate the rezoning area an Inclusionary Housing (IH)designated area; A text amendment to ZR §96-34, to provide that 20 percent of the residential floor area be affordable housing; achieve the floor area bonus which facilitates more than one floor of commercial uses; and to allow an automotive showroom with repairs; A special permit pursuant to ZR §13-45 for a public parking garage that would contain up to 500spaces; an Authorization pursuant to ZR §13-441 to permit a curb cut on a wide street. In addition, the applicant may apply for the New York State Housing Finance Agency's (HFA) "80/20" program to finance the affordable housing

Three Alternatives were considered in the DEIS: a No-Action Alternative, which assumes none of the proposed actions would be adopted; a Lower Density Alternative that considers a C6-3X zoning designation and development with no affordable housing component; and a No Impact Alternative that would reduce the size of the development such that there would be no potential for significant adverse impacts. These alternatives would not achieve some or all of the project goals as identified by the applicant.

The proposed actions are expected to result in significant adverse impacts related to community facilities (child care) and transportation. Mitigation measures will be further explored between the DEIS and FEIS. Absent the implementation of mitigation measures, the proposed actions could have unmitigated significant adverse impacts.

Copies of the DEIS and Final Scope of Work for the proposed 606 West 57th Street project may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Mayor's Office of Environmental Coordination, 253 Broadway, 14th floor, New York, New York 10007, Wesley O'Brien, General Counsel/Interim Director (212) 788-2937; and on the New York City Department of

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.'

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design,

Important information about the new method

- Prequalification applications are required every three
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
 Prequalification applications will be reviewed to validate
- compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/road map.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community- based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)

Mobile Concepts by Scotty, Inc. to enhance the Agency's

multiple agencies. The selected vendor will be responsible for

the Agency's written notice to proceed.

The Agency Chief Contracting Officer determined that the negotiated acquisition source selection method was most appropriate. It was not practical and/or advantageous to award a contract by the competitive sealed bid or competitive sealed proposal methods vendor needed to be retained quickly because funds available from a source outside the City will be lost to the City without the timely completion of this procurement.

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Taxi and Limousine Commission is considering changing its rules regarding the payment of the Taxi Accessibility Fee by taxicab medallion owners. The Taxi Accessibility fee is paid annually by medallion owners in order to provide accessible service to Wheelchair using passengers. The Commission will hold a public hearing, at which the public and interested parties are invited to submit comments and testimony on the proposed rules, at 9:00 A.M. on February 20, 2014. STATEMENT OF BASIS AND PURPOSE OF RULES

The TLC seeks to change how Medallion Owners pay the Taxi Accessibility Fee required by TLC's Accessible Dispatch Program.

After reviewing the first year of operation of the Accessible Dispatch program, the TLC has decided that the Taxi Accessibility Fee paid by Medallion Owners should be paid directly to the TLC instead of to the Accessible Taxi Dispatcher. Payments to the TLC will be placed in a Trust in Agency account. The TLC believes that direct payments to the TLC will make the new payment process more efficient and easier to monitor. The TLC will amend the current agreement with Metro Taxi, Inc. to reflect this change.

The proposed changes to the rules will not alter the original purpose or intent of the current Accessible Dispatch Program. The change only modifies the process for payment of the Taxi Accessibility Fee by medallion owners. The TLC does not anticipate an adverse impact on medallion owners resulting from the payment of this fee to the TLC.

The Commission's authority for these rules is found in section 2303 of the New York City Charter and Section 19-503 of the New York City Administrative Code.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

OLB/c recycled preference

OLB/d other: (specify)

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
