AGENCY RULES

ENVIRONMENTAL PROTECTION

■ PUBLIC HEARINGS

Opportunity to Comment on Proposed Rules

What are we proposing? The Department of Environmental Protection (“Department” or “DEP”) is proposing to amend its Rules and Regulations for the Protection from Contamination, Degradation and Pollution of the New York City Water Supply and Its Sources (“Watershed Regulations”); Title 10 of the New York Codes, Rules and Regulations Part 128 (10 NYCRR 128).

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to the Department through the NYC rules web site at <http://rules.cityofnewyork.us>.
- **Email.** You can email written comments to nycrules@dep.nyc.gov.
- **Mail.** You can mail written comments to the Department, Bureau of Legal Affairs, 59-17 Junction Boulevard, 19th Floor, Flushing, NY 11373.
- **Fax.** You can fax written comments to the Department, Bureau of Legal Affairs, at 718-595-6543.

A public hearing on this proposed rule will not be held because it would serve no public purpose.

Is there a deadline to submit written comments? Yes, you must submit written comments by January 6, 2025.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>.

What authorizes the Department to make these rules? Section 1100 of the New York State Public Health Law, section 1043(a) of the New York City Charter (“City Charter”) and section 24-302 of the Administrative Code of the City of New York authorize the Department to make these proposed rules which were included in the Department’s regulatory agenda for fiscal year 2025.

Where can I find the Department’s rules? The Department’s rules are in Title 15, Chapter 18 of the Rules of the City of New York.

What laws govern the rulemaking process? The Department must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose

These amendments revise the definition of “wetland” in DEP’s rules to ensure continuity as the New York State Department of Environmental Conservation (NYSDEC) amends its freshwater wetlands regulations (6 NYCRR Part 664) (“NYSDEC Amendments”) to align the State rules with amendments to the New York State Freshwater Wetlands Act (codified at Article 24 New York State Environmental Conservation Law) (“Article 24 Amendments”) which take effect on January 1, 2025. *See* Section 19 of Part QQ of Chapter 58 of the Laws of 2022. Under the Article 24 Amendments, as of January 1, 2025, NYSDEC wetland delineations will no longer be based on the NYSDEC mapping process that currently governs such delineations. Accordingly, these amendments are designed to preserve DEP’s existing jurisdiction within specified limiting distances from wetlands subject to NYSDEC jurisdiction as of December 31, 2024, thereby maintaining the status quo.

In addition, these amendments add a new subdivision to section 18-17 of DEP’s rules that incorporates by reference maps identifying wetlands in the watershed subject to NYSDEC jurisdiction as of December 31, 2024, and makes these maps available to the public for inspection and copying at New York State Department of Health, Office of Regulatory Affairs, Tower Building, Room 2415, Empire State Plaza, Albany, NY 12237. The maps are also available on NYSDEC’s Environmental Resource Mapper website: <https://gisservices.dec.ny.gov/gis/erm/>.

Finally, subdivisions (1) through (11) of section 18-17 are also amended to add web page access links to each of the referenced materials.

New material is underlined.
 [Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

The text of the Rule follows.

Section 1. Paragraph (144) of subdivision (a) of section 18-16 of Title 15 of the Rules of the City of New York is amended to read as follows:

(144) **Wetland** means [any area mapped as a wetland by the New York State Department of Environmental Conservation pursuant to the Environmental Conservation Law, which is at least 12.4 acres in size or has been designated as a wetland of unusual local importance] an area in the watershed that was mapped by the New York State Department of Environmental Conservation as a regulated wetland on or before December 31, 2024.

Statement of Basis and Purpose of Final Rule

On June 23, 2022, the United States Supreme Court ruled in *N.Y. State Rifle & Pistol Ass'n v. Bruen*, 142 S. Ct. 2111 (2022), that the State of New York's "proper cause" requirement for obtaining a concealed carry firearm license was an unconstitutional restriction on an individual's Second Amendment right to bear arms for self-defense. Since the issuance of that decision, New York City has revised its licensing regulations to remain consistent with current case law pertaining to handgun licensing and continues to do so in response to evolving Second Amendment jurisprudence, including the Supreme Court's decision in *United States v. Rahimi*, 602 U.S. ___ (2024).

Current NYPD rules do not contain formal procedures for concealed carry handgun license applicants who do not reside in New York State, are not principally employed within New York City, and do not have their principal place of business in New York City. A process by which non-State residents can apply for a carry license will ensure that the City is able to properly regulate handgun ownership within NYC while also complying with the *Bruen* decision. This rule sets forth standards to submit and evaluate applications for carry licenses made by these individuals, hereinafter called "non-resident" applicants. This rule also amends and clarifies the process of purchasing and adding firearms to an existing New York City firearms license and amends the rules to correct typographical errors and modernize outdated references.

On August 12, 2024, NYPD adopted rule amendments on an emergency basis pursuant to Charter section 1043(i) to immediately implement an operative concealed carry licensing process for non-resident applicants. Those emergency rule amendments inadvertently expired on October 11, 2024, pursuant to Charter section 1043(i)(2). On October 16, 2024, NYPD published notice of a proposed rule that would make substantially similar changes as those that were adopted on an emergency basis on August 12, 2024. Such notice inaccurately stated that the August 12, 2024 emergency rule was extended for 60 days pursuant to Charter section 1043(i).

On October 23, 2024, the NYPD adopted on an emergency basis pursuant to Charter section 1043(i) rule amendments that were substantially similar to the emergency rule amendments that were adopted on August 12, 2024 and expired on October 11, 2024, in order to immediately implement an operative concealed carry licensing process for non-resident applicants. This emergency rule was necessary to address an imminent threat to safety and property by allowing New York City to continue maintaining a licensing scheme that preserves public safety within the City while ensuring that gun license applications are evaluated in a manner consistent with the Supreme Court's ruling in *Bruen*. NYPD hereby withdraws the notice of proposed rule published on October 16, 2024.

Pursuant to Charter section 1043(i), an emergency rule remains in effect only for 60 days unless the applicable agency proposes to promulgate a final rule within such 60-day period. This final rule process affords an opportunity for notice and comment by the public. Pursuant to this Charter provision, the relevant agency may extend the effectiveness of the emergency rule for an additional 60 days to a total of 120 days while the procedures necessary to promulgate a permanent rule.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov; and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH), Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
