"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

**Office of Administrative Trials and Hearings
Environmental Control Board
Notice of Promulgation of Rule**

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) in accordance with Sections 1049-a and 1043 of the New York City Charter. OATH ECB repeals its Noise Code Penalty Schedule in Section 3-115 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The

proposed rule repeal was published in *The City Record* on December 23, 2016, and a public hearing was held on January 26, 2017.

No one attended or testified at the public hearing concerning this rule repeal and OATH did not receive any written comments.

Statement of Basis and Purpose

The NYC Office of Administrative Trials and Hearings' Environmental Control Board (OATH ECB) repeals its Noise Code Penalty Schedule. This schedule is found in 48 RCNY § 3-115, and contains penalties for violations of Title 15 of the RCNY and Titles 10 and 24 of the New York City Administrative Code. At the same time, DEP promulgates a penalty schedule for violation of these laws within Title 15 of the RCNY. DEP's penalty schedule is located in Chapter 47 of Title 15 of the RCNY. OATH ECB is in the process of repealing all penalty schedules in its rules at Subchapter G of Chapter 3 of Title 48 of the RCNY so that they can be relocated to the rules of the enforcement agencies with rulemaking and policymaking jurisdiction over the laws that underlie these penalties.

Although OATH ECB is empowered to impose penalties under the New York City Charter and has promulgated penalty schedules, the regulatory and enforcement agencies have the regulatory authority and necessary expertise to determine appropriate penalties to address violation of the rules and of the laws within their jurisdiction. In addition, moving the penalty schedule makes it easier for the public to find the penalties, which are now located within the same chapter as the rules that contain the substantive violations alleged in the summonses rather than in the OATH ECB schedule. Finally, the rule repeal speeds up the rulemaking process by eliminating the need for board approval of penalties that have already been established by the legislature and/or that have already undergone the City Administrative Procedure Act (CAPA) process by the enforcement agency. The public will still have the opportunity to comment on proposed penalties during that process.

Working with the City's rulemaking agencies, the Law Department, the Mayor's Office of Management and Budget, and the Mayor's Office of Operations conducted a retrospective rules review of the City's existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. This rule repeal was identified as meeting the criteria for this initiative.

ENVIRONMENTAL PROTECTION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE DEPARTMENT OF ENVIRONMENTAL PROTECTION by Section 1043 of the City Charter and Sections 24-257 and 24-204 of the Administrative Code, that the Department of Environmental Protection has amended its rules concerning the establishment of penalties for violations of Title 24, Chapter 2 of the Administrative Code, also known as the Noise Control Code (Noise Code). The Office of Administrative Trials and Hearings (OATH) proposed a companion rule removing the Noise Code Penalty Schedule from Title 48 of the Rules of the City of New York. These amendments were proposed and published in the City Record on January 5, 2017 and no written comments were received thereafter. A public hearing was held on February 6, 2017. No testimony was given at the hearing.

Statement of Basis and Purpose

DEP is adopting a new rule to be found at Title 15 of the Rules of the City of New York (RCNY) Chapter 47, to establish penalties for violations of Title 24, Chapter 1 of the New York City Administrative Code, also known as the Noise Control Code (Noise Code) as amended by Local Law 72 of 2016 (LL 72), as well as violations of 15 RCNY Chapter 28, which governs noise from construction. The rules are authorized by Section 1043 of the Charter of the City of New York and Sections 24-204 and 24-257 of the Noise Code.

LL 72 amends Section 24-218 of the Noise Code by adding a new subdivision (a-1) applying to unreasonable noise violations committed in a commercial context or in certain cases by building owners. The law also amends Section 24-257 to change the penalty range for a first offense of Section 24-218(a) to \$75 to \$150, the civil penalty for a second offense within two years to \$150 to \$250, and the civil penalty for a third offense

within two years to \$350 to \$500. The current penalties for unreasonable noise will now be applicable to violations of Section 24-218(a-1).

The current Noise Code Penalty Schedule, which is located in the rules of the Office of Administrative Trials and Hearings (OATH) at 48 RCNY § 3-115, is not being changed, other than the changes required by LL 72 as described above. OATH will repeal the existing penalty schedule from its rules on the same day that this rule takes effect.

Although OATH ECB is empowered to impose penalties under the New York City Charter and has promulgated penalty schedules, the enforcement agencies have the expertise to recommend appropriate penalties based on the severity of each violation and its effect on City residents. Moving the penalty schedule will also make it easier for the public to find the penalties, which will be located within the same chapter as the rules supporting the violations alleged in the summonses. Finally, the rule relocation will speed up the rulemaking process by eliminating the need for board approval of penalties that have already been established by the legislature or that have already undergone the City Administrative Procedure Act (CAPA) process by the enforcement agency.

Working with the City’s rulemaking agencies, the Law Department, the Mayor’s Office of Management and Budget, and the Mayor’s Office of Operations conducted a retrospective rules review of the City’s existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. The repeal of 48 RCNY §3-115 was identified as meeting the criteria for this initiative.

Consistent with the above, DEP adopts the following new Rule, to be found at 15 RCNY Chapter 47.

New text is underlined.

The text of the Rule follows.

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 47 to read as follows:

Chapter 47. Noise Code Penalty Schedule

§47-01 General

Whenever a respondent is found in violation of any of the following provisions of the New York City Administrative Code or Rules of the City of New York, any civil penalties recommended by a Hearing Officer pursuant to 48 RCNY §3-57(a) and/or any default penalties imposed pursuant to 48 RCNY §3-81(a) in accordance with §1049-a(d) (1)(d) of the New York City Charter and/or any civil penalties imposed for admissions of violation(s) pursuant to 48 RCNY §3-32 or late admissions pursuant to 48 RCNY §3-81(b) will be imposed pursuant to the penalty schedules set forth below.

§47-02 Noise Code Penalty Schedule

All Citations are to the NYC Administrative Code unless otherwise indicated.

A stipulation penalty is imposed if there is a “Y” (Yes) in the Stipulation column in the Penalty Schedule rather than a “N” (No), and if a stipulation is offered and accepted at a hearing.

Definition of 2nd and/or 3rd and/or 4th offense: By the same respondent of the same provision of law, order, rule or regulation as the previous violation and, if the respondent is the owner, agent, lessee or other person in control of the premises with respect to which the violation occurred, at the same premises as the previous violation (all violations committed within two years).

Pursuant to 48 RCNY §3-81(b), a late admit fee of \$30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per 48 RCNY §3-32, within 30 days of the mailing date of the default order issued against respondent.

Asterisk (*): In connection with Section 24-231(a), a zero penalty may be imposed for admission of a first offense upon submission to DEP (within 30 days of NOV issuance unless extended by DEP) of acceptable certification of compliance as set forth in Section 24-231(b) (1).

(Mitigation: 0¹) A zero penalty may be imposed for a first offense upon submission to DEP (within 45 days of the return date on the NOV) of acceptable certification of compliance and admission of liability by respondent.
