Any deviation beyond the limits named shall not void the policy, but no liability shall exist during such deviation; and upon the return of said vessels within the limits named above, no disaster having occurred, the policy shall be and remain in full force and effect unless a disaster occurs while deviating.

The policy shall provide for the full indemnification of all salvage expenses and loss, damage, detriment or hurt to said vessels for which the insurers are liable against the perils of the harbor, bay or rivers as above named, lightning and fires that shall occur to the hurt, detriment and

damage of said vessels or either of them, or any part thereof, and for all damage which may be done by the vessels insured to any other vessel or property.

As the vessels to be insured are common carriers, the policy shall not contain any limitation as to the nature or kind of cargo or other material which shall be carried on the boats.

No claim shall be made by the Department for any damage to the vessels insured unless it exceeds \$500.

Losses shall be payable in thirty days after proof of loss or damage, and of the amount thereof, and proof of the interest of the insured shall have been made and presented at the office of the insurer or its representative in The City of New York.

No bid will be received for insurance by or in behalf of any company not duly authorized by the Insurance Department to transact business in the State of New York.

Each bid must be accompanied by a copy of the policy upon which the bid is based.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed as follows:

"Bid for insuring ferryboats employed on the Municipal Ferries."

Bids will be received by the Commissioner of Docks at Pier "A," foot of Battery place, until 12 o'clock noon on Tuesday, July 2, 1907, at which time and place the estimates received will be publicly opened by the Commissioner of Docks and read, and the award of the contract made according to the law as soon thereafter as practicable.

No bid or estimate will be considered unless as a condition precedent to the reception of consideration of any proposal it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Commissioner of Docks, or money to the amount of One Thousand Dollars.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope, addressed to the Commissioner of Docks, or submitted personally upon the presentation of the bid or estimate.

The bidders shall state a rate per cent. at which they will insure or contract for insurance for the ferryboats, as specified above, in accordance with the terms of this advertisement, and also in accordance with the form of policy submitted, which shall be considered in connection with and form part of the bid.

Bidders will write out the rate per cent. of their estimates in addition to inserting the same in figures.

The Commissioner reserves the right to reject all bids or estimates if he deem it for the interest of the City so to do.

COMMISSIONERS OF THE SINKING FUND.

PUBLIC NOTICE IS HEREBY GIVEN that the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907, will hold a public hearing in Room 16, City Hall, Borough of Manhattan, at 11 o'clock a. m. on

MONDAY, AUGUST 5, 1907,

relative to a recommendation of the Commissioner of Docks, that the Commissioners of the Sinking Fund approve of an agreement to be entered into between the Commissioner of Docks and the owners of property between the centre line of Twenty-eighth street, prolonged, the southerly line of Thirty-sixth street, prolonged, the westerly line of Second avenue and the pierhead line; also the property between the centre line of Fifty-ninth street, prolonged, the westerly line of First avenue, the centre line of Sixty-first street, prolonged, and the pierhead line, Borough of Brooklyn, for the purchase of same at the rate of \$1.10 per square foot.

The Appraiser of Real Estate of the Department of Finance, in his report to the Comptroller, after reciting all the facts, states that in his opinion the price asked for the property at the rate of \$1.10 per square foot was arrived at after considerable negotiation, and is not excessive, taking into consideration the price heretofore paid for the adjoining property when condemnation proceedings were resorted to. Under these conditions it would appear advantageous for the interests of the City to accept the offer. He therefore recommends that the Commissioners of the Sinking Fund approve of the proposed agreement, as recommended by the Commissioner of Docks. The map of the property, together with the communication of the Commissioner of Docks and the report of the Appraiser of Real Estate of the Department of Finance, approved by the Comptroller, are open to the inspection of any citizen at the office of the Comptroller of the City of New York, No. 280 Broadway, Borough of Manhattan, at all times during business hours.

GEO. B. MCLELLAN,
Chairman, Commissioners of the Sinking Fund.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.
