SPECIAL REGULATIONS FOR THEATER SUBDISTRICT

Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed theater" shall mean a theater designated as listed pursuant to Section 81-742 (Listed theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed theater" and comprised of those block and lot numbers specified for such theater pursuant to the table in Section 81-742, as such block and lots existed on January 12, 1998. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a <code>#zoning</code> lot<code>#</code> or the portion of a <code>#zoning</code> lot<code>#</code> located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the 'receiving site.'

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions), as provided in this Section. When establishing or adjusting the "floor price", the City Planning Commission shall consider an appraisal study conducted by qualified professionals utilizing industry and adjust this amount pursuant to the City Administrative Procedure <u>Act no more than once every three years and no less than once every</u> five years.

(a) Transfer of development rights by certification

The Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- (1)the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the "granting site" and #floor area# attributed to the "granting site" that has been previously used or transferred;
- (2)each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or #enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- the maximum amount of #floor area# transferred to a (3)"receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 for such "receiving site" by more than 20 percent;
- the provisions of Section 81-743 (Required assurances for (4)continuance of legitimate theater use) are met; and
- (5)appropriate legal documents are executed and recorded and that, thereafter, and prior to certification, ensuring that a contribution in an amount equal to ten dollars* per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit-for any #development# or #enlargement# that anticipates using such development rights. Such contribution shall be equal to the greater of:
 - twenty percent of the sales price of the transferred #floor (i) area#; or
 - an amount equal to 20 percent of the "floor price" (ii) multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount no more than once every three years and no less than once every five years and shall adjust the amount to reflect any change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

(b) Transfer of development rights by authorization

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any 'granting site," or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, subject to the following conditions:

- the maximum amount of such additional #floor area# (1)transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent: and
- (2)such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#

- relates harmoniously to all structures and #open space# in (i) its vicinity in terms of scale, location and access to light and air in the area; and
- serves to enhance or reinforce the general purposes of the (ii) Theater Subdistrict.

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The <u>Chairperson of the City Planning</u> Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

- (1)the maximum amount of such additional #floor area# transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area sation with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- such transfer complies with the conditions and limitations (2)set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#

- relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and (i) air in the area; and

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The <u>Chairperson of the City Planning</u> Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the lots from which and the lots to which such transfer is made.

(3)demonstrations of compliance with the requirements of Section 81-743 and Paragraph (a)(5) of this Section, including all necessary legal documents. Draft Scope of Work for a Generic Environmental Impact Statement 126th Street Bus Depot

Project Identification CEQR No. 16DME011M SEQRA Classification: Type I

Lead Agency Office of the Deputy Mayor for Housing and Economic Development 253 Broadway – 14th Floor, New York, NY 10007

NOTICE IS HEREBY GIVEN that a public scoping meeting will be held on Tuesday, September 27, 2016, at the Silberman School of Social Work Building, located at 2180 Third Avenue, First Floor Conference Room (115AB), New York, NY 10035, at 6:30 P.M. Written comments on the Draft Scope of Work will be accepted by the lead agency until 5:00 P.M. on Friday, October 7, 2016.

Directing that an Environmental Impact Statement be prepared, the Environmental Assessment Statement, Positive Declaration, and draft Scope of Work were issued by the Office of the Deputy Mayor for Housing and Economic Development on August 19, 2016, and are available for review from the contact person listed below and on the websites of the Mayor's Office of Sustainability and the New York City Economic Development Corporation: www.nyc.gov/oec and www.nycedc.com, respectively.

The New York City Economic Development Corporation (NYCEDC) on behalf of the City of New York is proposing a series of land use actions (collectively the "Proposed Project") to facilitate the redevelopment of a City-Owned full block site in East Harlem (the "project site"). The project site consists of the block bounded by East 127th Street to the north, First Avenue to the east, East 126th Street to the south, and Second Avenue to the west. It includes all of the approximately 105,710-square-foot (sf) existing Block 1803, Lot 1, a City-Owned property that, since the 1940s, has been occupied by the 126th Street Bus Depot, as well as an adjoining bus parking area, located immediately west of Lot 1. The Metropolitan Transportation Authority is in the process of vacating the bus depot, which has been operated pursuant to a lease, and returning it to the City.

The Proposed Project is anticipated to result in a mixed-use development project including a mix of permanently affordable and middle income residential, commercial, and community facility uses, and provide a publiclyaccessible memorial commemorating the Harlem African Burial Ground and its important role in the history of Harlem and New York City. The Proposed Project and resulting development program reflects ongoing consultation with the 126th Street Bus Depot Task Force, the Harlem African Burial Ground Task Force, Manhattan CD 11, and local elected officials.

After the approvals comprising the Proposed Project complete the Uniform Land Use Review Procedure (ULURP), a Request for Proposals (RFP) soliciting proposals for development of the project site would be issued. It is anticipated that the site disposition would stipulate location and programming elements of the Harlem African Burial Ground Memorial, including an outdoor area and an indoor cultural facility. In order to address the potential range of responses to an RFP, the environmental review analyzes a reasonable worst-case development scenario (RWCDS) that conservatively considers for each impact category the reasonable worst-case potential for environmental effects. While the discretionary approvals that comprise the Proposed Project have been defined, the specific development program and site plan under the Proposed Project would be dependent on the RFP response. Thus, pursuant to City Environmental Quality Review (CEQR), a generic environmental impact statement (GEIS) will be prepared that considers the environmental impacts based on the RWCDS.

The Proposed Project could result in up to approximately 655,215 gross square feet (gsf) of residential development (comprising approximately 730 DUs, of which 50 percent would be affordable to households earning at or below 80 percent Area Median Income); approximately 315,000 gsf of commercial uses (including retail and office uses); approximately 30,000 gsf of community facility uses (including a 15,000 sf historical and cultural center as part of the memorial); 300 accessory parking spaces (to be provided in an above-ground enclosed garage); and approximately 18,000 sf of outdoor, unbuilt memorial space. The Proposed Project would include a total of approximately 952,585 zoning square feet (zsf), representing a Built FAR of 8.25. Overall, including required accessory parking areas the project site would have a total of 1,090,215 gsf of building area. The Proposed Project is expected to be completed by 2022. approvals including:

- Zoning Map Amendment. A zoning map amendment (Zoning Sectional Map 6b) approval by the New York City Planning Commission (CPC) to change the zoning on the project site (Block 1803, Lot 1 and the adjacent demapping area) from the existing M1-2 light manufacturing district (high performance) to a C6-3 general central commercial district;
- Zoning Text Amendment. A zoning text amendment to map the project site as a Mandatory Inclusionary Housing Area in ZR Appendix F, pursuant to ZR §23-154;
- City Map Change. A change to the City Map to narrow a portion of Second Avenue from 174 feet to a width of no less than 125 feet (plus an easement for sidewalk purposes, if needed) and the conveyance of that area to the adjoining City-Owned property (Block 1803, Lot 1) pursuant to §4-105 of the Administrative Code of the City of New York; and
- Disposition of Real Property. Disposition of the project site (the City-Owned Block 1803, Lot 1 and the adjacent demapping area) by the City of New York for future development, with approval through ULURP under New York City Charter Section 197(c), and separate approval of the business terms of the sale of the disposition pursuant to Section 384(b)(4) of the New York City Charter.

In addition, in the future the private developer may seek public financing by the New York City Housing Preservation and Development or the New York City Housing Development Corporation to facilitate the development of permanently affordable housing and/ or the public financing by the New York City Industrial Development Accord for commis development purposes Agency for economic development purposes.

Copies of the Positive Declaration and Draft Scope of Work for the proposed project may be obtained by any member of the public from:

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

YOUTH AND ADULT HORTICULTURAL THERAPY - Negotiated Acquisition - Judgment required in evaluating proposals -PIN#072201645APC - Due 8-29-16 at 5:00 P.M.

The Department of Correction (DOC) is seeking to partner with a horticultural therapy organization with experience and a distinctive knowledge based approach in working with justice involved individuals. The DOC wishes to leverage this partnership to create pathways to education, skill development and job training in horticulture as well as building participant self esteem and empowering individuals to enter the growing field of green jobs post release. In the correctional environment, horticultural therapy has been shown to reduce psychological symptoms, tension, and distress. For this reason, bringing a horticultural therapy program to the DOC is timely and connected to the 14 Point Reform agenda in two central ways: reducing in facility violence and creating sustainable paths to employment in order to reduce recidivism.
