#### PROCUREMENT

#### "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

#### NOTICE OF ADOPTION OF FINAL RULE ON AMENDMENT OF SEAFOOD DISTRIBUTION MARKET RULES AND PENALTY SCHEDULE FOR VIOLATIONS RELATING TO PHOTO IDENTIFICATION CARD COMPLIANCE

NOTICE IS HEREBY GIVEN in accordance with the requirements of section 1043 of the New York City Charter and exercising the authority vested in the Commission by sections 1043(a) and 2101(b) of the New York City Charter that the New York City Business Integrity Commission ("BIC" or the "Commission") adopts the following rules on the amendment of seafood distribution market rules and penalty schedule for violations relating to photo identification card compliance. BIC published a Notice of Opportunity to Comment on the final rule in the *City Record* on August 27, 2019. On October 2, 2019, BIC held a public hearing on the final rule.

#### Statement of Basis and Purpose of Final Rule

Currently, BIC's rules authorize BIC to issue penalties to businesses located in public wholesale markets regulated by the Commission that are not located in a seafood distribution area for employing an individual without an approved photo identification card. But there currently is no corresponding rule for businesses located in a seafood distribution area. Instead, BIC is restricted to penalizing individual employees for failure to obtain an approved photo identification card. The final rule would authorize BIC to issue penalties to the businesses in the seafood distribution areas for employing an individual without an approved photo identification card, rather than solely relying on penalizing the individual employee. The final rule would also significantly lower the penalties associated with the rule for all affected businesses. In addition, it adds several new penalties to the penalty schedule, which are all already prohibited by BIC's rules in 17 RCNY 12-18, but lacked specific penalties.

This change will allow BIC to penalize companies in a seafood distribution area that continually fail to inform their employees that they must submit a photo identification card application to the Commission upon attempting to work for a Commission-registered business. It will also reduce the total amount of the issued penalty from a maximum of \$10,000 to a maximum of \$1,000, thereby lessening the impact of issuance on business operations while still penalizing failure to comply with the law.

The amendments would accomplish the following:

- Update the language for rules applying to public wholesale and market businesses relating to employing individuals without an approved photo identification card;
- Add a rule to the Seafood Distribution Areas section and the penalty schedule to ensure public wholesale and market businesses can be penalized for employing individuals without an approved photo identification card;
- Reduce the penalties for the rules relating to businesses employing individuals without an approved photo identification card.
- Add penalties for acts already prohibited by BIC's rules in 17 RCNY 12-18.
