IV. EEO, Diversity, Inclusion and Equity Initiatives for FY 2024

Please describe your progress this quarter in implementing the primary goals in Section IV of your Agency Diversity, Equity, Inclusion and EEO Plan for FY 2024.

A. Workforce:

Please list the **Workforce Goal(s)** included in *Section IV: Diversity, Equity, Inclusion and EEO Initiatives for FY 2023,* which you set/declared in your FY 2024 Diversity, Equity, Inclusion and EEO Plan (e.g., underutilization, workforce planning, succession planning and diverse applicant pool, among others).

- 1. Goal: When hiring for a Manager or other position where there is the possibility of promotion to a Manager position, the agency will ensure that the job posting is shared with schools and/or organizations to attract applicants who self-identify as Black. The EEO Officer will review the demographics of applicants to determine whether the agency's recruitment efforts are yielding a sufficiently diverse applicant pool or if additional efforts are needed.
 - During Q1, COIB began recruitment for an Agency Attorney in the Enforcement Unit, a position where there is a possibility of promotion to a Manager position. COIB shared the job posting with many law schools, including two law schools at historically black colleges and universities ("HBCUs"), and several bar associations, including the Metropolitan Black Bar Association and the National Black Law Student Association. The EEO Officer will review the demographics of the applicant pool during Q2.
 - During Q2, the EEO Officer reviewed the demographics of the applicant pool for the open Agency Attorney position in the Enforcement Unit and found that the percentage of applicants who self-identified as Black was slightly higher than the percentage of law school graduates who identify as African American based on data from the American Bar Association. In an effort to continue attracting a diverse application pool, COIB shared the job posting with four additional law schools at HBCUs.

To evaluate the effectiveness of these actions, COIB compares the percentage of applicants who self-identify as Black to the percentage of law school graduates who identify as African American, based on data from the American Bar Association.

6. Efforts to reduce Workforce underutilization:

Because COIB is a tiny agency, it does not have statistically significant underutilization in any job group. Instead, the EEO Officer reviews the quarterly workforce reports for underrepresentation.

Q1 and Q2: COIB has an underrepresentation of individuals who self-identify as Black in the Managers job group and an underrepresentation of individuals who self-identify as female in the Paraprofessional job group. During Q1 and Q2, there were no vacant positions in the Managers or Paraprofessional job groups. Since a position became vacant in a unit where there is the possibility of promotion to the Managers job group, COIB is taking the steps outlined in Section IV.A.1 above in an effort to reduce underrepresentation.

B. Workplace:

Please list the **Workplace Goal(s)** included in Section IV: Diversity, Equity, Inclusion and EEO Initiatives for FY 2024, which you set/declared in your FY 2024 Diversity, Equity, Inclusion and EEO Plan (e.g., job satisfaction/engagement surveys, exit interviews/surveys, and onboarding surveys).

- 1. The EEO Officer will continue to annually distribute the agency's EEO Policy Statement and EEO Policy, which includes the City's EEO Policy Handbook, to all employees by email. COIB's EEO Policy will also be posted on COIB's intranet and on a bulletin board in the office kitchen.
 - The EEO Officer has set a calendar reminder to update and distribute these documents during Q3.

- 1. Promote diversity and EEO community outreach in providing government services.
 - COIB has limited interactions directly with the public; COIB primarily provides services to other City employees.

- 1. Goal: Provide Staff with information about programs, resources, and activities where Staff can learn more about different demographic groups and participate in events with affinity groups that have similar backgrounds or interests.
 - During Q1, the EEO Officer began collecting contact information for City employees at other agencies who work on diversity and inclusion programming with the goal of obtaining information that can be shared with COIB Staff.
 - During Q2, the EEO Officer and Human Resources Director spoke with staff in the Diversity Equity & Inclusion Office at another City agency about their programming and diversity resources. Following that conversation, the EEO Officer was added to the other City agency's distribution list to receive Diversity Resource List emails, which the EEO Officer reviews for ideas and programming to share with Staff.

V. Recruitment

A. Recruitment Efforts

Please list **Recruitment Initiatives and Strategies** which you set/declared in your FY 2024 Diversity, Equity, Inclusion and EEO Plan (e.g., targeted outreach and outreach, diversity recruitment, social media presence, where jobs are posted, EEO and APO collaboration, evaluation of best recruitment sources, structured interview training and unconscious bias training).

- 1. The EEO Officer and Human Resources have drafted a general recruitment plan to ensure that job postings for open positions are shared with the expanded list of recruitment sources that were identified based on the agency's past research and outreach. As the agency identifies new potential recruitment sources, they will be added to the plan.
 - During Q1, COIB had one open Agency Attorney position in the Enforcement Unit for which it began recruitment. Human Resources followed the general recruitment plan to ensure that the job posting was shared with all previously identified recruitment sources for attorneys. Additionally, COIB emails the public interest office and/or alumni career office at several law schools and colleges with public interest programs.

• During plan.	g Q2, COIB expa	inded its list of recruiti	nent sources t	by adding four	law schools at h	HBCUs to its general recruitment

When there is an open position in a job group with underrepresentation, the EEO Officer will work with Human Resources to ensure that the agency's recruitment sources target a large pool of applicants to increase the diversity of potential candidates and include schools and/or organizations to attract applicants of an underrepresented gender or race. The EEO Officer will review the demographics of applicants to assess whether COIB's recruitment sources are yielding sufficiently large and diverse applicant pools. Based on the results of that review, the EEO Officer may suggest expanding the agency's recruitment sources to target members of an underrepresented gender or race for a specific position.

- 3. The EEO Officer has completed the Structured Interview & Unconscious Bias training and utilizes the key principles from that training to assist hiring managers in developing an interview process that is tailored to the staffing needs of the agency. With guidance from the EEO Officer, the hiring manager develops a standard set of interview questions for each open position to be used during first-round interviews. COIB's standard set of interview questions includes a question about how candidates learned of the position so that the EEO Officer may better assess whether its various recruitment sources are yielding sufficiently large and diverse applicant pools.
 - During Q1, COIB began recruitment for an open Agency Attorney position in the Enforcement Unit. The EEO Officer confirmed with the hiring manager that they are using the standard set of interview questions that were previously developed for first-round interviews of candidates for an Agency Attorney position in the Enforcement Unit.
 - During Q2, COIB had no new open positions for which to interview.

VI. Selection (Hiring and Promotion)

Please review Section VI of your FY 2024 Diversity, Equity, Inclusion and EEO Plan and describe your activities for this quarter below:

Please list additional **Selection Strategies and Initiatives** which you set/declared in your FY 2024 Diversity, Equity, Inclusion and EEO Plan (e.g., use of structured interview, EEO or APO representatives observing interviews, review of placements, review of e-hire applicant data).

Please describe the steps that your agency has taken to meet these objectives.

- 1. Career Counseling: Advising employees of opportunities for promotion and career development; Notification of promotion/transfer opportunities.
 - On August 9, 2023, the Career Counselor sent an email to all Staff about a job vacancy at the Department of Records.
 - On December 18, 2023, the Career Counselor sent an email to all Staff about job vacancies at the Department for the Aging.
- 2. Reviewing the methods by which candidates are selected for appointment, promotion, or to fill vacancies (new hires), especially for mid- and high-level discretionary positions.
 - Because COIB is a tiny agency, the procedures for selections and promotions are reviewed by the Agency Head, Human Resources Director, EEO Officer, General Counsel, and relevant hiring manager each time there is a job vacancy.
- 3. Describe the role of agency EEO Officer and other EEO staff in the selection of candidates for appointment or promotion (pre- and post-appointment).
 - The EEO Officer reviews and provides feedback on the standard set of interview questions prepared by the hiring manager for each job vacancy.

4. Analyzing the impact of layoffs or terminations or	n racial, gender	and age groups.					
The EEO Officer analyzes the impact of pe	rsonnel change	es on racial, gender, and	age groups.
