REGISTER'S OFFICE—HALL OF RECORDS,  
CITY AND COUNTY OF NEW YORK,  
January 20, 1875.

To the Honorable Board of Apportionment:

GENTLEMEN—I have the honor to state, that in November, 1872, a requisition was made by the then Register to the Board of Supervisors for two draughtsmen, to copy and construct maps, for the purpose of substituting old and defective maps in use at this office.

At a regular meeting of the said Board of Supervisors, November 26, 1872, and on the report of the Committee on County Officers, the Register was authorized to appoint two draughtsmen, at a salary not exceeding \$150 each per month. In consequence of this action of the Board, the Register appointed two draughtsmen at a monthly salary of \$140 and \$110 respectively, and there were copied and reconstructed since the 1st of December, 1872, until the 31st of December last year, 113 maps, many of them of large size, and difficult to execute. The salary of the two draughtsmen was paid, on the certificate of the Register, by the Comptroller, up to the 31st of December, 1874, when the Register received information from the Comptroller's Office, that no further payment for copying maps would be made, no appropriation existing for such purpose.

I now beg leave to state, that the work was done to the great satisfaction of the members of the Bar, and in the interest of the public in general; that, according to a very minute report of the custodian of maps, over 100 duplicates are absolutely necessary for the proper transaction of business, the originals being in a defective condition; and I therefore respectfully request that the work be continued, as before, in this office, and under the special care and supervision of the Register; and that your Honorable Board provide for and appropriate the sum of five thousand dollars necessary for the purpose set forth.

Very respectfully, yours,  
P. H. JONES,  
Register.

Which was laid over.

SIR—The appropriation for the "Maintenance and Government of Public Places, Streets, Roads, etc., in the Twenty-third and Twenty-fourth Wards," for the year 1874, is not quite sufficient to meet the actual expenditures on that account. There is a surplus unexpended of the appropriation given to this Department for "Celebration of Independence Day" of last year, of about \$230.

I am directed by the Board of this Department, to request that the Board of Estimate and Apportionment will to-day, transfer from the latter to the former account, sufficient to meet the deficiency.

I remain, sir,  
Yours, very respectfully,

346 and 348 BROADWAY,  
NEW YORK, January 27, 1875.

## TO CONTRACTORS.

## PROPOSALS FOR MAKING REPAIRS TO STEAM DREDGE No. 2.

SEALED PROPOSALS FOR THIS WORK, indorsed as above, and addressed to "Jacob A. Westervelt, President of the Department of Docks," will be received at this office until 12 o'clock M. of Thursday, 11th February, 1875, at which time the bids will be publicly opened and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The time allowed for the completion of the repairs is (40) forty days from the date of the signing of the contract.

The dredge is to be taken from her present moorings, and, after the completion of the repairs, returned to such point on the North river water front of the city as may be designated by the President, at the cost and expense of the contractor for doing this work.

NOTE.—In case the repairs to the dredge are not made in New York City, an Inspector will be appointed by the Board of Docks, at the cost and expense of the person or persons doing the work under the contract.

Bidders will state in the proposals the price for the work to be done, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith; the adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York after the award is made, and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Board of Docks.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application at the office of the Department.

SALEM H. WALES,  
WILLIAM BUDD,  
Commissioners of the Department of Docks.
