To the Honorable the Board of Aldermen :

I return herewith, without approval, resolution of your Honorable Body, adopted March 12, 1895, to lay water-mains in Tinton avenue, from Home street to One Hundred and Sixty-ninth street, on the ground of the report of the Commissioner of Public Works, that "this resolution is unnecessary, as the work provided for is included in a resolution passed last year, to lay water-mains in Tinton avenue, between One Hundred and Sixty-third and One Hundred and Sixty-ninth streets. A contract for these water-mains will be signed in a few days."

W. L. STRONG, Mayor.

W. L. STRONG, Mayor.

Resolved, That permission be and the same is hereby given to George Alexander to place and keep a show-case in front of premises No. 21 West Thirtieth street, within the stoop-lines, provided same shall not exceed the dimensions prescribed by law, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

B. G. WAGGNER, Secretary. Which was referred to the Committee on Salaries and Offices.

By the same— NEW YORK, March, 1895.

To the Honorable the Board of Aldermen:

We, the undersigned committee, representing the stand-holders of Washington Market, earnestly request that your Honorable Body take no action in regards to the permitting of stands on the sidewalks adjacent to the market until we can have a hearing, at which time we could ascertain whether the privilege would be to our interest or not.

WM. V. D'OUND, Nos. 14, 15, 126 and 127 Washington Market. WALTER C. CALLAHAN & BRO., Nos. 162 and 404 Washington Market. HENRY HUTCHINSON, Nos. 153 and 154 Washington Market. P. J. SMITH, Nos. 150, 151, 205 and 206 Washington Market. C. C. EGBERT & SON, Nos. 148, 149, 139 and 207 Washington Market.

Which was referred to the Committee on Markets.

By Alderman Randall— NEW YORK, February, 1895.

To the Honorable Board of Aldermen:

GENTLEMEN—Your petitioners, being together owners of 475 lineal feet of the street-front on the north side of One Hundred and Seventy-second street, and of 500 1/2 lineal feet on the south side of One Hundred and Seventy-second street, do respectfully represent:

That, by a certain resolution and ordinance adopted by the Board of Aldermen and approved by the Mayor, it is provided that the roadway of One Hundred and Seventy-second street, from Third avenue to Vanderbilt avenue, East, be paved with granite blocks.

Your petitioners, believing there is no public necessity for paving said street at the present time, desire and request that said ordinance be repealed.

One Hundred and Seventy-second street, between the avenues named, is not more than 805 feet long, having no outlet east of Third avenue nor west of Vanderbilt avenue. It will not be extended to the west, as the tracks of the Harlem railroad cross the street 12 feet below the grade and the

ground to the west of these tracks is owned by the railroad company, and there are bridges across the tracks at the street directly north and south. If extended easterly it must be through a mass of rock willed to religious or educational institutions, whose property pays no taxes.

It is crossed by two avenues, Washington and Bathgate, neither graded and both to be widened, and the avenue which it abuts on, to the west, is not graded.

Your petitioners further represent that the assessments for grading One Hundred and Seventy-second street, confirmed November 24, 1894, have not been fully paid; that the assessments for a sewer lately built in the street may soon be confirmed, and to add to these assessments another for paving, in view of the fact that not more than 200 feet of either side of the street is built upon, will be oppressive.

And your petitioners question the utility of a block pavement on this street until after Bathgate, Washington and Vanderbilt avenues are graded and made fit for travel.

Annie V. Shields, 120 feet north side. Matthew J. Fogarty, Jr., 750 East 172d street, 18 feet south side.

James McGarty, 1612 Bathgate avenue, owner of 98 feet south side. S. J. Holmes, 752 East 172d street, 17.6 feet south side.

Thomas Butler, 3919 Third avenue, owner of 82 feet south side. Elizabeth Berbert, 1443 Washington avenue, owner of 150 feet on south side, corner Washington avenue.

Henry F. Fischer, 90 feet north side. A. F. Bertin, 40 feet north side. Henry Kunneke, southeast corner Vanderbilt avenue.

Patrick Foy, 718 East 172d street, 35 feet south side. William Finger, corner 172d street, Bathgate avenue.

John Massimind, owner of 105 feet north of said street. Which was referred to the Committee on Street Pavements.

By Alderman Kennefick— NEW YORK, N. Y., March 18, 1895.

Hon. WILLIAM L. STRONG, Mayor, and the Board of Aldermen, New York City, N. Y.:

DEAR SIR—In connection with the widening and extension of College place, we would desire to call your attention to the fact that when this is completed it will make one broad continuous business thoroughfare from Dey street to Washington Square, but, unfortunately, with three different names, viz.: College place, West Broadway and South Fifth avenue, which would seem to us very unfortunate. In addition to this, the numbering of South Fifth avenue is made to commence at the northerly end, numbering southwardly, and is, as far as we know, almost the only street in the city which is numbered from north to south, and in consequence thereof makes considerable confusion to strangers seeking business places on the street.

We would respectfully submit to you that it would seem to be worthy your consideration as to whether the entire street should not be given the name of West Broadway for its entire length, thereby perpetuating a name which has been known for so many years as a wholesale business thoroughfare, upon which are situated many of the leading houses, in the various lines of trade; and as South Fifth avenue is rapidly being rebuilt with new buildings, and trade extending on to street also, it would become in importance second only to Broadway itself. Being traversed by so many lines of railway cars, it is already a great thoroughfare, and with the completion of the College place extension, will certainly assume much greater importance. Therefore, the undersigned would respectfully petition to have the street renamed and renumbered from Dey street to Washington Square, and hereafter called West Broadway.

MOTIONS AND RESOLUTIONS.

By the Vice-President—

Whereas, At a mass-meeting held at Cooper Union on the 14th of March, a large number of societies representing social, industrial and fraternal organizations, with a joint membership of over one hundred thousand citizens, united in demanding of the Legislature the passage of some measure that would enable the voters of this city to vote on the question of open or closed saloons and places of amusement on Sunday afternoons ; and

Whereas, The Committee appointed by said mass-meeting has had a bill introduced in the Legislature which provides for submitting said question to the people at the next general election, and authorizes the Board of Aldermen, in the event of a favorable vote, to pass the necessary ordinance, carrying into effect the will of the people ; and therefore

Resolved, That we hereby indorse the said Cooper Union Sunday Bill, presented by Senator Cantor and Assemblyman Reinhardt, as being in line with the principle of home rule, and we urge upon the Legislature the speedy adoption of said measure.

The Vice-President put the question whether the Board would agree with said resolution. Which was decided in the affirmative by the following vote :

Affirmative—The Vice-President, Aldermen Brown, Burke, Campbell, Dwyer, Goetz, Goodwin, Hackett, Kennefick, Lantry, Marshall, Muh, Murphy, Noonan, Oakley, O'Brien, Parker, Schilling, School, Tait, Wines, Woodward, and Wund—23.

By the Vice-President—

Whereas, The trade and commerce of the City of New York are subjected to burdens and obstacles by the existing insufficient modes of transit across the Hudson river that impose hindrances to the full measures of prosperity to which this city is entitled by reason of its natural situation ; and

Whereas, The continued growth and prosperity of this city require bridge facilities that will, directly and without interruption, connect the continent with the city and insure unbroken wheel traffic from every point of the country into and out of the city that will prevent a diversion of its trade to other rival commercial centres; and

Whereas, Fog and ice on the river interfere, not infrequently, with the freight and passenger traffic across the Hudson river, suspending at times and rendering dangerous communication with this city; and

Whereas, The interference with the enormous commerce of the port, the delay of the mails and the inconvenience and dangers to thousands seeking to reach their homes in this city occasioned by the inclemencies of the seasons is a matter of most serious consideration not measurable by money valuation;

Resolved, That the Board of Aldermen of the City of New York, appreciating the necessity for prompt and adequate relief from the delays, dangers and vexations of the present modes of transit across the Hudson river, hereby recommends and calls upon all public authorities, national, state and municipal, and aid and support and in every reasonable way facilitate and forward the erection of the New York and New Jersey Bridge across the Hudson river, at the City of New York, which will meet the requirements of trade and promote the comfort and convenience of the people.

Brown, Chairman, Andrew A. Noonan, John T. Oakley, William Tait, John J. Murphy, Jacob C. Wund and Robert Muh were appointed to carry into effect certain resolutions of the Board, adopted at that meeting; and

Whereas, Certain expenses were incurred for the draping of the Council Chamber, carriages, etc., as per bill annexed, to attend the funeral of the said Hon. Cornelius Flynn; therefore be it

Resolved, That the said above-mentioned committee be continued by this Board to take proper action in this matter and to report upon the same to this Board at their earliest convenience.

By Alderman Goodman—

Whereas, The approach of warm weather will cause the railroad companies of this city to prepare for the use of open cars on their respective lines at an early date; and

Whereas, Past experience has demonstrated the fact that said open cars are run at times when the temperature and other conditions of the weather does not warrant it, and has a tendency to endanger the health of the traveling public; therefore

Resolved, That the Committee on Law Department be and they are hereby instructed to examine the City ordinances and ascertain whether the same are adequate to compel the various railroad companies to run closed cars on such days or parts of days as becomes necessary because of the condition of the weather, and if said ordinances are not sufficiently clear and severe, that proper amendments thereto, or new ordinances, be prepared and presented to this Board at an early date, in order that the same may be in force and effective during the coming summer season.

The Vice-President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

COMMUNICATIONS.

By Alderman Noonan—

THE CITY VIGILANCE LEAGUE, THE FOURTH ASSEMBLY DISTRICT,
OFFICE, NO. 187 HENRY STREET, NEW YORK, MARCH 23, 1895.

Hon. ANDREW A. NOONAN, Aldermanic Chamber, New York City:

DEAR SIR—At a meeting of the League of the Fourth Assembly District held this day, the following was adopted and it was ordered communicated to you:

Resolved, That we favor the resolution introduced before the Board of Aldermen by the Hon. Andrew A. Noonan, regulating certain hours, during which it shall be permissible for vendors to sell their merchandise under certain restrictions, in the district known as the Hester Street Market, for the following reasons:

First—There being no market established by law in this locality, it is impossible and unwise to do away with the present state of affairs, these being the result of the people's need of some market-place near their home.

Second—The present regulations prohibiting the sale of these wares encourage the violations of the law on the part of vendors and police, in the form of bribery and extortion.

Third—The adoption of these regulations will be the means of concentrating the sale of these goods in this locality, to the betterment of many of the streets bordering on this market-place; and

Fourth—Will provide many families with the means of livelihood, thus helping in this degree to do away with pauperism and crime.

The League regards the adoption of these resolutions as being in the best interests of the people of this and the adjoining districts, and asks that the Honorable Board of Aldermen adopt them as soon as expediency will permit.

Yours, very sincerely,

ABR. L. WOLBARST, Chairman.

No estimate will be received or considered after the hour mentioned. Forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Commissioner of Street Cleaning at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of seventeen thousand (\$17,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of eight hundred and fifty (\$850) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and

found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
