DSNY Issues ‘Winter Operations Advisory’ for Tuesday, February 9, 2021 at 5 a.m.

Due to snow in the weather forecast, the New York City Department of Sanitation has issued a Winter Operations Advisory for Tuesday, February 8 starting at 5 a.m. Snow is expected beginning early Tuesday morning and continuing through the evening; accumulations of up to three inches are currently possible. The Department will continue to monitor the forecasts. Plows and salt spreaders are ready.

The Department is coordinating with other City agencies on snow clearing protocol in accordance with each agency’s written snow plan. All relevant city agencies have been notified and the Department will continue to monitor forecasts as the snow event approaches.

All winter weather information and information about the City’s response to the storm can be found by visiting the City’s Severe Weather website at www.nyc.gov/severeweather or by calling 311. New Yorkers are also encouraged to sign up for Notify NYC, the City’s free emergency notification system. Through Notify NYC, New Yorkers can sign up to receive phone calls, text messages, and emails alerts about severe weather events and emergencies. To sign up for Notify NYC, call 311, visit www.nyc.gov or follow @NotifyNYC on Twitter.

About the New York City Department of Sanitation

The Department of Sanitation (DSNY) keeps New York City healthy, safe and clean by collecting, recycling and disposing of waste, cleaning streets and vacant lots, and clearing snow and ice. The Department operates 59 district garages and manages a fleet of more than 2,000 rear-loading collection trucks, 450 mechanical brooms and 705 salt spreaders. The Department clears litter, snow and ice from approximately 6,500 miles of City streets and removes debris from vacant lots as well as abandoned vehicles from City streets.
