AN ORDINANCE to provide for the killing of Dogs in the City of New York.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

SECTION 1. Hereafter it shall not be lawful to permit any dog to go abroad loose, or at large, in any of the streets, lanes, alleys, where not enclosed, highways, parks, piers or public places within the corporate limits of the City of New York, unless the head of every such dog shall be encased in a wire muzzle sufficiently large to cover the head entirely, but so constructed as to admit of the dog opening its mouth to the fullest extent, and in no case to permit the nose of the dog to protrude; the muzzle to be securely fastened around the throat and behind the ears of every such dog, under a penalty of three dollars for each offence, to be recovered against the owner, possessor, or person who harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large.

SEC. 2. The Mayor of the City of New York is hereby authorized and empowered to take such measures as he may deem most efficient to carry into effect the provisions of section 1 of this ordinance; and for that purpose is further authorized and empowered to appoint persons, or direct any person now attached to his office, to capture all such dogs found running abroad, loose or at large, paying for every such dog so captured and delivered at a place to be provided and designated by the Mayor, the sum of fifty cents, and a like sum shall be paid at the place so designated to any person, whether appointed by the Mayor or not, for the capture and delivery of any and every such dog. Such dogs, when so captured and delivered as aforesaid, if not claimed by the owner thereof, or any other person, within a period of forty-eight hours thereafter, shall, within six hours after the expiration of the time, be killed and destroyed in such manner as may be determined upon by the Mayor. Any owner or other person who may claim such dog shall, before being placed in possession thereof, pay therefor the sum of three dollars.

SEC. 3. The person authorized to pay for the capture of such dogs shall render, under oath, semi-monthly, a statement of all dogs so captured and killed, and the amount paid therefor, to the Mayor of the city, who shall thereupon certify the same to the Comptroller, when a warrant for the amount shall be drawn in favor of the said Mayor for the sum thus expended, which shall be paid, until otherwise ordered, from the appropriation for "City Contingencies."

SEC. 4. The President being absent, on motion of Alderman Koch, Alderman Billings was appointed President *pro tem.*

The minutes of the previous meeting were read and approved.

#### MOTIONS AND RESOLUTIONS.

By Alderman Ottendorfer—

Whereas, His Honor the Mayor, whose duty it is made by the Charter to be vigilant and active in causing the ordinances of the city and the laws of the State to be executed and enforced, although his attention has repeatedly been called by resolutions of this Board, stating the reasons therefor, to the necessity of a reconstruction of the Board of Police, has persistently refused an investigation into the complaints made against the Police Commissioners.

Whereas, The Grand Jury of the City and County of New York considered it their duty, for the protection of the welfare of the community, to investigate some of the charges made against the Police Commissioners, in consequence of which four indictments were found against Oliver Charlick and Hugh Gardner, Commissioners of the Police Department.

Whereas, The said Police Commissioners, when tried in the Court of Oyer and Terminer for the City and County of New York, on one of those indictments, were convicted of a misdemeanor, involving a violation of their oath of office, and the Governor of the State of New York being advised of such conviction gave notice to the Mayor, on the 1st day of July, 1874, that in accordance with the provisions of the revised statutes, the offices of the convicted Police Commissioners were vacated.

And whereas, Mayor William F. Havemeyer has attempted to reappoint on the 2d day of July, 1874, the convicted Police Commissioners, Oliver Charlick and Hugh Gardner as members of the same Board, from which they were expelled by virtue of the laws of the State, trying by a trick to evade the flagrant violation of the law hereby committed by appointing Oliver Charlick in the place of Hugh Gardner; and *vice versa*; be it therefore

Resolved, That we deeply deplore the action of Mayor Wm. F. Havemeyer in relation to the Police Commissioners Oliver Charlick and Hugh Gardner, in first declining under the pretence that specific charges must be preferred to investigate the complaints raised against them, and then after the Grand Jury and the Court of Oyer and Terminer have performed the duty, which, by the Charter, devolved upon the Mayor, and indicted and convicted the accused, in defying the spirit, if not the letter of the law, by their re-appointment, thus depriving the community of the protection the law intended to grant against the malpractices of unfaithful public officials, and degrading the public morality by the lamentable spectacle of seeing the first executive officer of our city assuming the role of a protector of the victims of the Criminal Courts.

Resolved, That we earnestly request his Excellency Governor John A. Dix, to prevent the spread of the pernicious influences created by the above enumerated facts, which threaten to sap the foundation of the sense for law and order in our populous community, by exercising the power confided to the Governor, by section 25, chapter 335, of Laws of 1873, and to suspend and remove Mayor William F. Havemeyer, in accordance with the requirements of the provisions of the above cited laws.

Alderman Van Schaick moved that the preamble and resolutions be laid over and made the special order of business for the meeting to be held on Friday next, the 10th inst.

The President *pro tem.* put the question whether the Board would agree with said motion.

Which was decided in the negative by the following vote:

Affirmative—Aldermen Billings, Cooper, Falconer, and Van Schaick—4.  
Negative—Aldermen Flanagan, Gilon, Kehr, Koch, Ottendorfer, and Reilly—6.

Alderman Flanagan moved the adoption of the last resolution.

Alderman Cooper was here called to the chair. The President *pro tem.* put the question whether the Board would agree with the motion of Alderman Flanagan.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Billings, Falconer, Flanagan, Gilon, Kehr, Koch, Ottendorfer, Reilly, and Van Schaick—9.  
Negative—Alderman Cooper—1.

Alderman Reilly moved the adoption of the first resolution.

The President *pro tem.* put the question whether the Board would agree with said motion.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Cooper, Falconer, Flanagan, Gilon, Kehr, Koch, Ottendorfer, Reilly, and Van Schaick—9.  
Negative—Alderman Billings—1.

Alderman Reilly then moved the adoption of the preamble.

The President *pro tem.* put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

(G. O. 557.)

By Alderman Kehr—

Whereas, Sub-division 8 of Section 17 of the Act, Chap. 335, Laws of 1873 (commonly called the Charter), provides that the Common Council shall have the power "to regulate the cleaning of the streets, avenues, sidewalks, and gutters, and removing snow and ice from them;" be it therefore

Resolved, That the Board of Police Commissioners be and is hereby directed to contract the work of cleaning the streets of this city, by wards, to the lowest responsible bidders for each ward, respectively, who shall furnish adequate security for the faithful performance of the work.

Which was laid over.

Resolved, That the Board of Police Commissioners be and is hereby directed to contract the work of cleaning the streets of this city, by wards, to the lowest responsible bidders for each ward, respectively, who shall furnish adequate security for the faithful performance of the work.

Which was laid over.

#### MESSAGES FROM HIS HONOR THE MAYOR.

The President *pro tem.* laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE,  
NEW YORK, July 8, 1874.

To the Honorable the Board of Aldermen:

#### GENTLEMEN—

I return herewith, without my approval, a resolution adopted by your Honorable Body on the 24th of June, 1874, directing the Commissioner of Public Works to remove the Commissioners of the New County Court-house from a room now occupied by them as an office in said building.

The said Commissioners were appointed under and by virtue of section 11 of the Laws of 1870, and by the provisions of said section are empowered to complete the said Court-house, and succeed to all the powers theretofore possessed by the Board of Supervisors over the erection and completion of said building.

While it is true that by section 1, of chapter 304, of the Laws of 1874, the Mayor, Aldermen, and Commonalty of the City of New York are vested

with the right, title, and property in and to said Court-house, the vesting of such title and property in the Corporation does not relieve the Commissioners from the performance of the duties imposed upon them by law, nor deprive them of their rights and privileges in and about the performance of their said duties.

The occupancy of a room by them in the building in progress of erection and completion, it appears to me, is a right necessarily resulting from the duties imposed upon them by law, and not conflicting with the title of the Corporation to the building in question; and it further appears to me that the act of installing themselves in an empty room in said building to be used by them as an office was both a proper and necessary step to carry on their functions as such Commissioners, as well as an act of economy tending to save to the city a large amount of money which they would have been necessarily compelled to expend for office rent.

I am, moreover, informed that the action on the part of the Commissioners, which the resolution of your Honorable Body would seem to condemn, was taken on the advice of the Counsel to the Corporation, and only after repeated requests made to the Committee on County Offices of the Board of Supervisors and to the Commissioner of Public Works for suitable accommodations within which to transact the duties of their office, and which applications have been unheeded or denied.

W. F. HAVEMEYER.

Which was laid on the table, ordered to be printed in the minutes, and published in full in the CITY RECORD.

Also the following: MAYOR'S OFFICE,  
NEW YORK, July 8, 1874.

To the Honorable the Common Council:

#### GENTLEMEN—

I return herewith, without my approval, an ordinance, passed by your Honorable Body, to amend an ordinance, entitled "An ordinance to regulate permits for street-stands, show-cases, signs, stairways, hoistways, and deliveries," approved February 24, 1866.

The ordinance of February 24, 1866, provides a certain fee for permits for "show-cases or stands for the sale of newspapers, fruit, books, or other merchandise, article, or thing whatsoever, incumbering the streets or sidewalks, wharves, piers or bulkheads, or for putting out signs, or for the receipt or delivery of goods across the sidewalks, or for the erection of stairways or hoistways over the sidewalks," and imposes upon the grantees of a privilege for a show-case, sign, stairway, hoistway, or goods delivery the sum of two dollars, and grantees of all other privileges the sum of one dollar, and continuing in force all privileges granted under the provisions of the ordinance, for one year from the 1st of May, 1866, or such portion of the year dating from the granting of the privilege, providing no permit extend beyond the first day of May succeeding the issue of the permit. An amendment to this ordinance, approved March 8, 1866, gave discretionary power to the Mayor regarding the license fee for signs, said discretionary power to be exercised according to the size and location of signs, providing no license for a sign be less than one dollar nor more than ten dollars.

Under the ordinance now before me, section 5 of the ordinance of February 24, 1866, is amended so as to limit the fee for the privilege of a show-case, sign, stairway, and hoistway, and all other privileges, to the sum of one dollar, and excepts the receipt or delivery of goods across the sidewalks from the charge of any fee for the privilege. Nearly two months have elapsed since the license year expired, and since the 1st day of May last more than \$12,000 has been received for permits, under the ordinance of 1866, from those who were prompt to obey the ordinance, while those who have been heedless in this respect would, if the amended ordinance should become a law, reap a reward for their neglect in the more favorable tariff which the amended ordinance prescribes for the same privileges.

Under these circumstances, it would be right either that the fees collected from those who have been prompt in their attention to the law should be reimbursed the excess paid over the tariff the present law imposes, or, that the operation of the amended ordinance should be postponed until the 1st of May next, when the present licenses expire. I believe, in case you should provide for refunding the excess, as the money received under the existing ordinance has been paid into the City Treasury, there is no way in which it can be withdrawn for this purpose, and therefore the operation of the amended ordinance should be postponed until the 1st of May, 1875, and I recommend that it be so amended to relieve it from this objection.

W. F. HAVEMEYER.

Which was laid on the table, ordered to be printed in the minutes, and published in full in the CITY RECORD.

#### MOTIONS RESUMED.

Alderman Flanagan moved that the Board do now adjourn.

The President *pro tem.* put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

And the President *pro tem.* announced that the Board stood adjourned until Friday next, the 10th inst., at 2 o'clock P. M.

Clerk.

## HEALTH DEPARTMENT.

HEALTH DEPARTMENT OF THE  
CITY OF NEW YORK,  
BUREAU OF VITAL STATISTICS,  
July 7, 1874.

## To the Secretary of the Board of Health:

In the week ending on the 4th of July there were 491 deaths reported in this city, against 476 during the previous week, and 630 reported in the week ending the 5th of July, 1873. In no former year since 1868 has the rate of mortality been so low and the general state of the public health so favorable in the opening week of midsummer beginning the third quarter of the year.

In the four weeks preceding the last there was an average of 466.25 deaths each week, and in the 26 weeks or half-year ending the 27th of June there were 13,166 deaths, or an average of 506.38 deaths weekly. The death-rate in the past half of the year was equal to 25.32 annually. Last week it was at 24 per 1,000. It was 23.80 per 1,000 in the previous week, and 22.10 in the week ending June 20.

The deaths charged to diarrhoeal diseases have increased gradually from the last week in May, when the total of them was 18, to 60 last week: 52 out of the 60 were children under 5 years of age. This is far less than the usual mortality from this class of causes at this period of the year. There were 33 deaths from diphtheria reported last week, against 17 reported in the corresponding week of the previous year. This treacherous disease continues to be the worst destroyer of children in the city, and it calls for whatever resources sanitary science can bring to bear against it.

The increased number of deaths by drowning and by accidents and negligence in the streets may well engage the attention of police officers on duty in the localities most exposed to such dangers to life. There were 8 deaths by drowning last week, and during the month of June 17 persons were killed by preventable casualties in the streets. The street casualties were of the following kinds:

Struck by railroad train.....	1
“ locomotive.....	1
“ a beam.....	1
Knocked down by runaway horses.....	2
“ truck.....	1
Run over by street railroad car.....	4
“ other vehicles.....	2
Fall from wagon.....	3
“ freight car.....	1
Fall in street.....	1

The efforts of the Board of Health to prevent waste of life by sudden and preventable causes, as shown in the attention given to the prevention of rabies and in the maintenance of instruction, apparatus and rescue stations to save from drowning, may worthily incite the needed vigilance and effort of the street and waterside police to save more persons from the sudden causes of death which they can prevent.

Respectfully submitted,

ELISHA HARRIS, M.D.,  
Register of Vital Statistics.
