APPROVED PAPERS

Resolved, That the grade of Fort Washington Ridge road, from One Hundred and Ninety-eighth to Two Hundredth street, be and is hereby changed so as to conform with the blue lines and blue figures shown on the accompanying diagram, under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, December 3, 1886. Approved by the Mayor, December 14, 1886.

Resolved, That the vacant lots at the northwest corner of One Hundred and Ninth street and Fourth avenue, be fenced in, running about eighty feet on One Hundred and Ninth street and half the block on Fourth avenue, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Adopted by the Board of Aldermen, December 3, 1886. Approved by the Mayor, December 14, 1886.

Resolved, That the vacant lots on the south side of Ninety-sixth street, between Second and Third avenues, be fenced in, where not already done, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Adopted by the Board of Aldermen, December 3, 1886. Approved by the Mayor, December 14, 1886.

Resolved, That permission be and the same is hereby given to Bernhard Newburger to place and keep a watering-trough in front of his premises, No. 269 East Houston street, the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, December 3, 1886. Approved by the Mayor, December 14, 1886.

Resolved, That permission be and the same is hereby given to Eberhard Faber to build a vault in front of his premises, Nos. 541 to 547 Pearl street, to extend eight feet beyond the curb-stones, upon payment of the usual fee, provided the work be done in a durable and substantial manner, and that the said Eberhard Faber shall stipulate with the Commissioner of Public Works to save the City harmless from any loss or damage that may occur during the progress or subsequent to the completion of the work, and that such vault shall not interfere or injure any water or gas pipe, or the sewer, in said street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, December 3, 1886. Approved by the Mayor, December 14, 1886.

TO CONTRACTORS.

(No. 236.)

PROPOSALS FOR ESTIMATES FOR REPAIRING THE BULKHEAD BETWEEN PIERS 18 AND 10, EAST RIVER.

ESTIMATES FOR REPAIRING THE BULK-head between Piers 18 and 19, East river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'Lock at, of

MONDAY, DECEMBER 27, 1885,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practically as the said of the contract. Any person making an estimate for the work shall farnish the same in a scaled envelope to said Biard, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same, the date of the person or persons presenting the same.

The Engineer's estimate of the nature, quantities and extent of the work, is as follows;

1. New crib-work complete, including all logs, timbers, spikes, stone-filling, earth-filling, fenders and mooring-posts, above top of front cap, and exclusive of sewer-open of the complete of the

Feet B. M. 2. Yellow Pine Timber, 12" x 12" 8" x 1

Note.—The above quantities of timber are exclusive of extra lengths required for scarfs, laps, etc., and

of waste.

Piles, Vellow Pine, Cypress or Spruce......

(It is expected that these piles will have to be about 50 feet to about 55 feet long, to meet the quirements of the specifications for driving.)

Round Logs, about 48 feet long...

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received.

received.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstranding in regard to the nature or amount of the work to be done.

or amount of the work to be done.

3d. Bidders will be required to complete the entire work contracted for, to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation beyond which shall be a trully performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The bidder to whom the award is made shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of Four Hudderd Dellance.

the manner prescribed and required by ordinance, in the sum of Four Hundred Dollars.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for its to be fully completed, ages to be paid by the Contracted for its to be fully completed, ages to be paid by the Contractor for each day that the contract, or any part thereof, may be un utilitied after the time fixed for the fulfillment thereof has expred, are, by a clause in the contract, freed and liquidated at Fifty Dollars per day.

Anthe old material taken from the said structures, to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimate a price for the whole of the work to be done, in conformity with the approved form of a which price the bids will be rested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause in the performing of the work the reunder.

Bidders will destinctly write out, both in works and in Bidders will distinctly write out, both in works and in

performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to when the control may be surely as the control may be surely offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract and as in default to the Corporation; and the contract accepted and executed.

to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract accepted and executed.

Bidders are required to state in their estimates they names and places of residence; the names of all persons interested with them there n; and if no other person be so interested, the estimates hall distinctly state the fact also that the estimates hall distinctly state the fact as in the state of the state in their estimates they names and places of residence; and that the estimate hall distinctly state the fact also that the estimate in alieng a estimate for the same work, and that it is in all respects fair and without collasion or fraud; and also that no imember of the Common Council, Head of a Department, Chief of a Bereau, Deputy thereof, or Clerk terrain, or other officer of the Council Head of a Department, Chief of a Bereau, Deputy thereof, or Clerk terrain, or other officer of the Council Head of a Department, Chief of a Bereau, Deputy the supplies of work to which it relates, or many portion of the profits thereof; which estimate must be verified by the coath, in writing, of the party making the estimate, that the several matters stated therein are in all respects required that the verification be made and inscribed to by all the parties interested.

Each estimates shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, and the fair the state of the person or persons making the estimate, they will on its being so awarded, become bound as has or their survives heat of the person bound as has or their survives heat of the person bound as has one of the person or persons along the contract, over and that if said person or persons along the month of the compaction and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded to the contract, and the contract was one to whom the contract may be awarded to any subsequent l

Bidders are requested, in making their bids or esti-mates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.
