BOARD OF ESTIMATE AND APPORTIONMENT, CITY OF NEW YORK, MAYOR'S OFFICE, CITY HALL, MONDAY, March 16, 1896, 11 o'clock A. M.

The Board met in pursuance of the following call:

OFFICE OF THE MAYORALTY, EXECUTIVE DEPARTMENT, CITY HALL, NEW YORK, March 14, 1896.

In pursuance of the authority contained in the 18th section of the New York City Consolidation Act of 1882, and chapter 105 of the Laws of 1893, a meeting is hereby called of the Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation, constituting a Board of Estimate and Apportionment, to be held at the office of the Mayor on Monday, March 16, 1896, at 11 o'clock A. M., for the purpose of transacting such business as may be brought before the Board.

W. L. STRONG, Mayor.

**INDORSED.**

Admission of a copy of the within as served upon us this 14th day of March, 1896.  
W. L. STRONG, Mayor; RICHARD A. STORRS, Deputy Comptroller; JOHN JEROLMAN, President of the Board of Aldermen; E. P. BARKER, President of the Department of Taxes and Assessments; D. J. DEAN, Acting Counsel to the Corporation.

Present—William L. Strong, the Mayor; Richard A. Storrs, the Deputy Comptroller; Edward P. Barker, the President of the Department of Taxes and Assessments; David J. Dean, the Acting Counsel to the Corporation.

Absent—John Jerolman, the President of the Board of Aldermen.

The reading of the minutes of the meeting held March 12, 1896, was dispensed with.

The following communication was received:

DEPARTMENT OF STREET CLEANING, CITY OF NEW YORK, NEW YORK, March 16, 1896.  
His Honor WILLIAM L. STRONG, Mayor, Chairman Board of Estimate and Apportionment:  
SIR—I have to request a transfer of \$100,000 from the appropriation of the Department of Street Cleaning for 1896, account of "Sweeping," to the appropriation account of "Snow and Ice," for the reason that the amount appropriated for "Snow and Ice" is not sufficient to cover the business of the year. Respectfully,

GEO. E. WARING, JR., Commissioner of Street Cleaning.

Whereupon the Mayor offered the following:

Resolved, That the sum of one hundred thousand dollars (\$100,000) be and the same is hereby transferred from the appropriation made to the Department of Street Cleaning for the year 1896, entitled "Sweeping," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to the same Department for the year 1896, entitled "Removal of Snow and Ice," the amount of said appropriation being insufficient.

Which was adopted by the following vote: Affirmative—The Mayor, Deputy Comptroller, President of the Department of Taxes and Assessments and Acting Counsel to the Corporation—4.

The following communication was received:

DEPARTMENT OF PUBLIC WORKS, NEW YORK, March 12, 1896. Hon. WILLIAM L. STRONG, Mayor, and Chairman Board of Estimate and Apportionment:

DEAR SIR—I am in receipt of a letter from the Board of Assessors, calling attention to a resolution adopted by the Board of Estimate and Apportionment on the 20th ultimo, directing that an assessment for the sum of \$272,848.20 for the One Hundred and Fifty-fifth Street Viaduct be imposed on the property benefited, and curtailing the area of benefit by the exclusion of a part of the property originally described in the assessment lists and maps, and lying south of Manhattan and One Hundred and Twenty-fifth streets and north of Dyckman street.

Since the preparation of the assessment list and maps the block system has been introduced, giving new block numbers and, in certain instances, new ward numbers to meet the demands of the new system adopted by the Department of Taxes and Assessments. The Chairman of the Board of Assessors states that these changes render the enumeration in the assessment list and upon the maps for this improvement no longer sufficient to prepare a valid assessment.

The Board of Assessors has accordingly forwarded to this Department the volumes containing the assessment list, with the request that the surveyor having charge of the work be directed to change the ward and block numbers on the list and upon the maps so as to conform to the present enumeration as it appears upon the books of the Tax Department, as well as to exclude therefrom the land which has, by resolution of the Board of Estimate and Apportionment, been stricken from the area of benefit.

Under these circumstances I respectfully ask that, in accordance with the provisions of chapter 576, Laws of 1887, the sum of \$2,500 be appropriated to meet the expense of making the changes herein indicated.

(Signed) CHARLES H. T. COLLIS, Commissioner of Public Works.

Referred to the Comptroller.

On motion, the Board adjourned to meet on Thursday, March 19, 1896, at eleven o'clock A. M.  
E. P. BARKER, Secretary.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Plumbing, etc., Jefferson Market Prison, with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the Commissioner, or his duly authorized agent, of said Department, and read.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED BY SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of FOUR THOUSAND (\$4,000) EACH.

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety, the adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same,

the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The work must conform in every respect to the printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

DEPARTMENT OF STREET CLEANING, NEW YORK, March 12, 1896.

SEALED PROPOSALS WILL BE RECEIVED at the office of the Department of Street Cleaning, No. 32 Chambers street, for the final disposition of garbage delivered at the various dumps or dumping-places of the Department by carts of the Department and all other carts duly authorized to collect the same until 12 o'clock m., of March 26, 1896, pursuant to the provisions of section 709 of chapter 410 of the Laws of 1882.

Forms of proposals, specifications and contract may be seen and obtained at the office of the Department. The term of the said contract shall be the period of five years commencing on the 1st day of August, 1896.

At the hour, place and date first above-mentioned, the Commissioner of Street Cleaning will publicly open and read the said proposals.

Each proposal shall be accompanied with a thorough and complete description of the method or methods to be pursued by the bidder in the transportation and disposition of the garbage; said description shall be accompanied by complete maps, plans and specifications. Such maps, plans and specifications must be sufficient to set forth the process to be used, the manner of obtaining results, the results to be secured, and, approximately, the locality or localities where the same is to be carried on.

Garbage to be disposed of in such manner only as will render it unobjectionable in any and every respect, but no part thereof, except purified liquid effluent, shall be dumped in the waters of New York Harbor, or in the waters adjacent thereto, or in the Atlantic Ocean.

No estimate will be received or considered after the hour mentioned.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope directed to said Commissioner of Street Cleaning, at his office, on or before the day and hour first above-named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to reject any or all bids or estimates if deemed to be for the public interest.

No bid or estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are hereby notified that in awarding the contract the Commissioner of Street Cleaning will, in addition to other matters which may be properly considered, take into consideration the following:

The character, economy and efficiency of the method to be used, the location of the plant, and generally all that concerns the interests of the City of New York with a view to the length of time of the continuance of the contract, such as the chances of injunction upon application of the neighboring population; chances of financial failure, and the adequacy of the method and plan proposed to be part of the work all of the time, except when obstacles to transportation may prevent the delivery of the normal amount of garbage, and then its adequacy to dispose promptly of the additional quantity accumulated.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the persons interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the

contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as sureties for its faithful performance in the sum of \$75,000; and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money for five per cent. of the amount for which the work bid for is proposed, in any one year to be performed. Such check or money must be inclosed in the sealed envelope containing the estimate.

All such deposits except that of the successful bidder will be returned to the person making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

A special deposit of Ten Thousand Dollars in cash will be required to be made with the Comptroller of the City of New York on or before the execution of the contract as a security for the faithful performance of the same.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.
