ALLEN N. SPOONER, Commissioner.

New York, April 8, 1908.

The following communications were received, action being taken thereon as noted, to wit:

From the Board of Estimate and Apportionment (76395)—Transmitting, for the Commissioner's consideration and report, copy of communication from the Board of Education requesting the issuance of free tickets over the municipal ferries to pupils connected with the recreation centres. Answered that only City employees, in the discharge of their official duties, are transported free over the municipal ferries.

From the Comptroller (76372)—Stating that a claim has been filed by Louis Marcus in the sum of \$1,200 for damages to personal property alleged to have been sustained on March 10, 1908, while dumping earth filling between Piers 18 and 19, East River, and requesting information in relation thereto. Information furnished.

From the Municipal Civil Service Commission (76427)—Authorizing the transfer of William McShea from the position of Foreman Blacksmith to Blacksmith. McShea changed to Blacksmith at 50 cents per hour while employed, to take effect April 11, 1908.

From the Commissioner of Public Works for the Borough of Manhattan (76315)—Stating, in response to inquiry from this Department, that the contractor has been ordered to resume work of paving South street, between Coenties slip and Corlears street. Filed.

From the President of the Borough of Richmond (76392)—Submitting list of articles which he proposes to offer for sale at public auction, and asking whether the Department has use for any of such articles. Answered that this Department does not desire any of the articles referred to.

From Dr. S. W. Braeutigam (76405)—Requesting permission to use and occupy Lot No. 35 of Block 2 at Broad Channel, Jamaica Bay, Borough of Queens. Privilege granted to occupy the space, an area of 1,575 square feet, to continue during the pleasure of the Commissioner, but not longer than May 1, 1912, rental to be at the rate of \$18.90 per annum, payable in advance to the Cashier, commencing April 1, 1908.

From William C. Conway (76413)—Requesting permission to occupy northerly half of the upland and water-front foot of Layton avenue, Throggs Neck, Borough of The Bronx. Privilege granted, to commence May 1, 1908, and to continue during the pleasure of the Commissioner, but not longer than April 30, 1909, rental to be at the rate of \$1 per month, payable monthly in advance to the Dockmaster.

From Henry DuBois' Sons & Co. (76232)—Requesting an extension of time on Contract No. 1040, for dredging on the North River. Extension granted to and including April 30, 1908.

From the National Biscuit Company (76393)—Stating they cannot avail themselves of the privilege of a berth at the inshore end of the south side of Pier 54, North River, and asking that the permit therefor be revoked. Permit revoked as of the date of issuance, March 25, 1908.

From John Arbuckle (76051)—Requesting berth for his ship and yacht at the pier foot of Twenty-first street, North River. Answered that the pier is required in connection with the construction of a shed thereon; permit granted for the berthing of the boats at the bulkhead between the piers foot of West Twenty-first and Twenty-second streets, North River, upon the same conditions as to rental, etc., as are contained in the permit heretofore granted for a berth at the pier, it being understood that Arbuckle will vacate the premises upon five days' notice, and will assume all responsibility relative to the depth of water existing at the bulkhead, and will file a bond with the contractors for the construction of the shed on the pier, insuring them against loss or damage to personal property by virtue of his occupation of the property.

From Lord, Day & Lord, Attorneys for the Cunard Steamship Company (75991)—Requesting that the matter of the claims against the Cunard Steamship Company for damages to lighter and barges on December 23, 1907, in the slip on the northerly side of Pier 54, North River, caused by the breaking away of the steamship "Mauretania" from her moorings at the pier, be referred to the Corporation Counsel. Referred to Corporation Counsel.

From the Lancaster Sea Beach Improvement Company (75641)—Requesting permission to build a bulkhead and fill in in rear of same, between Rochester and Surf avenues, Edgemere, Jamaica Bay, Borough of Queens. Denied.

From Abraham Laredo, Topographical Draughtsman (76397)—Requesting an additional leave of absence, without pay, for three months from April 10, 1908. Granted.

From James Vandegrift, Stoker (76365)—Requesting that his pay be fixed at the rate of 43¼ cents per hour. Denied.

From the Superintendent of Ferries (76277)—Submitting report relative to collision on March 23, 1908, between the municipal ferryboat "Gowanus" and the schooner "Amanda Bishop." Filed.

From the Engineer-in-Chief—

1 (76404). Reporting that Contract No. 1083, for coal, was completed on March 20, 1908, by William Farrell & Son. Comptroller notified.

2 (76402). Recommending the issuance of an order for repairs to pier foot of Ninety-first street, East River. Order issued to Engineer-in-Chief.

The pay of John Gurrin, Dock Laborer, was fixed at the rate of \$18 per week, to take effect April 11, 1908.

In accordance with his request (76425), permission was granted P. Howard Reid to extend present platform occupied by him in the vicinity of Ocean avenue, Sheepshead Bay, Brooklyn, and to erect thereon a small portable house and tank for naphtha to be used in the operation of a ferry to Rockaway Beach; the erection of the tank to be subject to the regulations of the New York Fire Department; the work to be done under the supervision of the Engineer-in-Chief and the structures to remain only during the pleasure of the Commissioner, it being understood and agreed that in case it is hereafter determined that an additional rental should be charged for the extension, the permittee will agree to pay same.

The Municipal Civil Service Commission was requested to authorize the change of Bernard Smith's title from Blacksmith's Helper to Dock Laborer.

The Commission was also requested to authorize the reinstatement and reassignment of Denis Larkin, Dock Laborer.

In accordance with its request (76390), permission was granted the New York, New Haven and Hartford Railroad Company, upon the usual terms, to make repairs, as may be found necessary to its water-front property on the East River, in the Borough of Manhattan, work to be done under the supervision of the Engineer-in-Chief and the permit to continue during the pleasure of the Commissioner until December 31, 1908.

The Corporation Counsel was requested to advise this Department whether, in his opinion, the piers foot of East Sixth and East Seventh streets, East River, are owned by the City, and, if so, what steps are necessary to be taken in order to place this Department in possession of same.

The Engineer-in-Chief (76436) reported that the ferry slips at the Whitehall terminal of the Staten Island ferry have been cleaned up and obstructions removed. Filed.

DENIS A. JUDGE, Deputy and Acting Commissioner.

New York, April 9, 1908.

The following communications were received, action being taken thereon as noted, to wit:

From the Municipal Civil Service Commission—
1 (76477). Authorizing the reinstatement of John C. Brooks, Water Tender. Brooks reinstated at \$95 per month while employed.

2 (76459). Authorizing the transfer of James McGarry from the position of Deckhand to that of Marine Sounder. McGarry changed to Marine Sounder at \$18 per week, to take effect April 11, 1908.

From Joseph Gordon (76329)—Requesting permission to erect a coal pocket on the marginal street area in rear of the bulkhead wall, between Thirty-seventh and Thirty-eighth streets, East River. Permit granted, work to be done in accordance with plans submitted and under the supervision of the Engineer-in-Chief, the structure to remain only during the pleasure of the Commissioner.

From the New York and New Jersey Telephone Company (76012)—Requesting permission to place seventeen poles on Grassy Point road, at Broad Channel, Jamaica Bay, Borough of Queens, for the furnishing of telephone service to its subscribers. Permit granted, work to be done under supervision of Engineer-in-Chief, the poles to remain during the pleasure of the Commissioner and to be located as directed by this Department.

From John Hynes (76047), requesting permission to construct a wooden shed extension at Union street, Gowanus Canal, Brooklyn. Denied, the structure as proposed being in violation of the Building Code.

The following order (76527) was issued by the Commissioner:

"It is hereby ordered that the new pier at the foot of James slip, to be built under Contract No. 1085, shall be designated as Pier 22, East River, or James Slip Pier. "The pier to the southerly thereof, under the Brooklyn Bridge, will be known as the Brooklyn Bridge Pier and not as Pier (new) 22, East River."

Sealed bids or estimates were received and opened for furnishing and delivering about 10,000 tons of anthracite coal for the Thirty-ninth street, Brooklyn, ferry, under Contract No. 1128, as follows:

Curtis-Blaisdell Company, per ton.....	\$4 19
Wm. Farrell & Son, per ton.....	4 33
Howard S. Bowns, per ton.....	4 17
Wm. P. W. Haff, per ton.....	4 27

Contract awarded to Howard S. Bowns, the lowest bidder, subject to the approval of the Empire State Surety Company, as surety, by the Comptroller.

Sealed bids or estimates were received and opened for furnishing and delivering about 2,000 tons of anthracite coal under Contract No. 1129, as follows:

Howard S. Bowns, per ton.....	\$4 90
Wm. P. W. Haff, per ton.....	5 30

Contract awarded to Howard S. Bowns, the lowest bidder, subject to the approval of the Empire State Surety Company, as surety, by the Comptroller.

Sealed bids or estimates were received and opened for sprinkling certain new made land on the North and East Rivers, Borough of Manhattan, under Contract No. 1130, as follows:

Patrick J. O'Connell, per day, per horse, cart and driver.....	\$5 25
Thos. E. Garvey, per day, per horse, cart and driver.....	5 35

Contract awarded to Patrick J. O'Connell, the lowest bidder, subject to the approval of the United States Fidelity and Guaranty Company, as surety, by the Comptroller.

The President of the Borough of Richmond was requested to consent to the transfer of Owen W. Donegan from the position of Laborer in his office to the position of Dock Laborer in this Department.

The Municipal Civil Service Commission was requested to authorize the transfer of John J. Larkin from the position of Dock Laborer in this Department to that of Marine Stoker.

The following Department orders were issued:

No.	Issued to and For.	Price.
23808.	James S. Barron & Co., miscellaneous supplies.....	\$162 10
23809.	Superintendent of State Prisons, brooms (estimated).....	64 08
23810.	James Shewan & Sons, installing boiler plates, etc., on tug "Richmond".....	68 40
23811.	Howard M. Allen, identification badges.....	115 00

In response to its inquiry (76420), the Bridge Department was advised that the platform westerly of Pier (new) 32, East River, now in course of reconstruction, will be removed upon completion of the bridge work, and that the shed on Pier (new) 32 will be constructed of structural steel and sheet iron.

The Commissioner forwarded to the Commissioners of the Land Office his certification in the matter of the application of Katherine E. Kavanaugh (75878) for a grant of land under water between Ninety-first and Ninety-second streets, Canarsie, Brooklyn, to the effect that, in his opinion, the granting of same will conflict with the rights of The City of New York and that no authority in law exists for what is designated on the maps as the bulkhead line of 1897.

DENIS A. JUDGE, Deputy and Acting Commissioner.

Two or more bonds, the aggregate amount of which shall be Four Hundred Thousand Dollars (\$400,000), will be required for the faithful performance of the contract. Each bond must be signed by the contractor and the sureties. The name and address of each surety offered must be stated in the bid or proposal, together with the amount in which each surety will qualify. The sureties and the amount in which each will qualify must be satisfactory to the Board.

No bid will be received and deposited unless accompanied by a certified check upon a national or State bank, drawn to the order of the Comptroller of The City of New York, to the amount of seventy-five thousand dollars (\$75,000).

Time allowed for the completion of the work is 48 months from the service of notice by the Board to begin work.

Pamphlets containing information for bidders, forms of proposal, contract and bond, approved by the Corporation Counsel, and specifications, and pamphlets containing contract drawings, can be obtained at the office of the Board of Water Supply, Room 1515, at the above address, upon application in person or by mail, by depositing the sum of ten dollars (\$10) in currency, or

check drawn to the order of the Board of Water Supply, for each pamphlet or twenty dollars (\$20) for each set. This deposit will be refunded upon the return of the pamphlets in acceptable condition within thirty days from the date on which bids are to be opened.

DEPARTMENT OF DOCKS AND FERRIES. PIER "A," FOOT OF BATTERY PLACE, NORTH RIVER, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE RECEIVED BY THE COMMISSIONER OF DOCKS AT PIER "A," FOOT OF BATTERY PLACE, IN THE CITY OF NEW YORK, UNTIL 12 O'CLOCK NOON ON

TUESDAY, JULY 14, 1908.

FOR INSURING THE FERRYBOATS "BAY RIDGE," "NASSAU" AND "GOWANUS," TO BE EMPLOYED ON THE MUNICIPAL FERRIES BETWEEN THE BOROUGH OF MANHATTAN AND THE BOROUGH OF BROOKLYN AND THE BOROUGH OF RICHMOND, FOR A PERIOD OF TWELVE (12) CALENDAR MONTHS FROM AUGUST 15, 1908.

The said vessels, title, apparel, stores, supplies, furniture, engines, boilers, machinery and appurtenances shall be insured at the following valuation:

For the ferryboats "Bay Ridge," "Gowanus" and "Nassau," \$200,000 for each boat, or a total of \$600,000 for the three boats; and in no case shall the Department be deemed as a co-insurer.

The boats to be confined to the use and navigation within the bay and harbor of New York and the Hudson and East Rivers, with the privilege to lay up and make additions, alterations and repairs while running or while laid up, or to go into dry dock. Any deviation beyond the limits named shall not void the policy, but no liability shall exist during such deviation; and upon the return of said vessels within the limits named above, no disaster having occurred, the policy shall be and remain in full force and effect unless a disaster occurs while deviating.

The policy shall provide for the full indemnification of all salvage expenses and loss, damage, detriment or hurt to said vessels for which the insurers are liable against the perils of the harbor, bay or rivers as above named, lightning and fires that shall occur to the hurt, detriment and damage of said vessels or either of them, or any part thereof, and for all damage which may be

done by the vessels insured to any other vessel or property.

As the vessels to be insured are common carriers, the policy shall not contain any limitation as to the nature or kind of cargo or other material which shall be carried on the boats.

No claim shall be made by the Department for any damage to the vessels insured unless it exceeds \$500.

Losses shall be payable in thirty days after proof of loss or damage, and of the amount thereof, and proof of the interest of the insured shall have been made and presented at the office of the insurer or its representative in The City of New York.

No bid will be received for insurance by or in behalf of any company not duly authorized by the Insurance Department to transact business in the State of New York.

Each bid must be accompanied by a copy of the policy upon which the bid is based.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed as follows:

"Bid for insuring ferryboats employed on the Municipal Ferries."

The estimates received will be publicly opened by the Commissioner of Docks, and read, and the award of the contract made according to the law as soon thereafter as practicable.

No bid or estimate will be considered unless, as a condition precedent to the reception of consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Commissioner of Docks, or money to the amount of one thousand dollars.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope, addressed to the Commissioner of Docks, or submitted personally upon the presentation of the bid or estimate.

The bidders shall state a rate per cent. at which they will insure or contract for insurance for the ferryboats, as specified above, in accordance with the terms of this advertisement, and in accordance with the form of policy submitted, which shall be considered in connection with and form part of the bid.

Bidders will write out the rate per cent. of their estimates, in addition to inserting the same in figures.

The Commissioner reserves the right to reject all bids or estimates if he deem it for the interest of the City so to do.

CORPORATION SALE OF BUILDINGS AND APPURTENANCES THERETO ON CITY REAL ESTATE.

AT THE REQUEST OF THE BOARD OF Education, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale all the buildings, parts of buildings, etc., standing within the lines of property owned by The City of New York, acquired by it for school purposes, in the

Borough of Brooklyn.

Being all those buildings, parts of buildings, etc., situated on the proposed school site on Rockaway avenue and Sumpter street, adjoining Public School 73, Borough of Brooklyn, and which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, No. 280 Broadway, Borough of Manhattan.

Pursuant to a resolution adopted by the Commissioners of the Sinking Fund, at a meeting held June 11, 1908, the sale of the above described buildings and appurtenances thereto will be held, under the direction of the Comptroller,

FRIDAY, JULY 17, 1908.

at 10.30 a. m. on the premises, upon the following

TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay immediately cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also at the time of sale give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

All the materials of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

Failure to remove said buildings, appurtenances, or any portion thereof, within sixty days from the day of the sale, will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser, on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner and must be completed within sixty days from the day of sale, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in appliances used in the removal of said buildings.

The Comptroller of The City of New York reserves the right on the day of sale to with-

draw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

A three story brick building standing on lots known as Lot No. 29 and Lot No. 28, Nos. 174 and 176 Bowery, said lots being situated on the northeasterly corner of Delancey Street Extension and the Bowery, and being twenty-five (25) feet two and one quarter (2¹/₄) inches on the Bowery eleven (11) feet seven and one half (7¹/₂) inches on the easterly side, ninety-nine (99) feet seven (7) inches on the northerly side of Delancey Street Extension and one hundred (100) feet three and three eighths (3³/₈) inches on the northerly side; so much of a six-story building as stands on lots known as Lot No. 11 and Lot No. 12, known as Nos. 162 and 164 Elizabeth Street, described as follows: BEGINNING at the intersection of the northerly side of Delancey Street Extension and the easterly side of Elizabeth Street, running thence easterly along the northerly side of Delancey Street Extension, a distance of five-eighths (5⁵/₈) inches, thence running northerly along the boundary line between Lot No. 11 and Lots Nos. 28 and 27, a distance of sixteen (16) feet seven and one half (7¹/₂) inches; thence running westerly a distance of ninety-eight (98) feet two and one half (2¹/₂) inches to a point on the easterly side of Elizabeth Street distant eleven (11) feet seven (7) inches northerly from the intersection of the easterly side of Elizabeth Street with the northerly side of Delancey Street; and thence running southerly along the easterly side of Elizabeth Street to the point or place of beginning, be said several dimensions more or less, said parcels of property being more particularly described on certain maps or plans and a memorandum on file in the office of the Register of the County of New York, which are marked as follows: "Public Service Commission for the First District, Chief Engineer's Office, Loop 9-0-4, Drawing No. 13, February 28, 1908. Henry B. Seaman, Chief Engineer."

Pursuant to a resolution of the Public Service Commission for the First District adopted on June 16, 1908, the sale of the above described buildings will be held by said Commission on July 16, 1908, at eleven o'clock A. M., upon the following terms and conditions and subject to the approval of the Commissioners of the Sinking Fund:—

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay immediately cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also, at the time of the sale, give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of Fifty Dollars the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City of New York to the cost of completing any other work required under the contract, but unfinished at the expiration of the contract period.

All the materials of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises except old mortar or plaster only which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the direction of the Bureau of Sewers, Borough of Manhattan, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permits for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any portion thereof within sixty days from the day of the sale, will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidders' assent to the above conditions being understood to be implied by the act of bidding, and the City of New York will, without notice to the purchaser, cause the same to be removed and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner and must be completed within sixty days from the day of sale, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the personal property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of the said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls

shall be made permanently self-supporting, beam-holes, etc., ripped up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of the adjacent buildings shall be properly flashed and painted and made water tight where they have been disturbed by the operation of the contractor.

The Public Service Commission for the First District reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids.

BOROUGH OF RICHMOND.

OFFICE OF THE PRESIDENT OF THE BOROUGH OF RICHMOND, BOROUGH HALL, ST. GEORGE, STATEN ISLAND.

PUBLIC NOTICE.

SALE OF CONDEMNED ARTICLES.

NOTICE IS HEREBY GIVEN THAT, pursuant to section 1553 of the Greater New York Charter, I will, on

WEDNESDAY, JULY 15, 1908,

at 12 noon, at Stable "B," Columbia street, West New Brighton, Borough of Richmond, sell the following:

One Knox automobile (stored at Stable "B").

One Oldsmobile (stored at Stable "B").

One Orient buckboard (stored at Stable "B").

Two bicycles (stored at Stable "B").

One buggy (stored at Stable "B").

Scrap iron (about 500 pounds) (stored at Stable "B").

One steel furnace shell, steel chimney, etc., of the Dixon Garbage Crematory (stored at Bodine street, north of Richmond terrace, West New Brighton).

TERMS OF SALE.

The auction sale of the condemned articles will be based on lump sum bids for each article as it stands in its present location.

Successful bidders must make full cash payment in bankable funds at the time and place of sale.

Bids will be received for one or more of the separate descriptions of the above, but no bid will be considered or accepted for less than the entire quantity in each item.

The purchaser or purchasers must remove all the material within thirty days after the sale, otherwise he or they will forfeit the money paid at the time of sale and the ownership to the material, which will thereafter be resold for the benefit of the City. The purchaser or purchasers must remove the material under the supervision of an employee of the City, and will not be allowed to select material for removal at will. The City will not be responsible for articles after the sale is concluded.

Dated July 1, 1908.

CONTRACT FOR THE FINAL DISPOSITION OF ALL ASHES, STREET SWEEPINGS AND RUBBISH COLLECTED IN THE BOROUGH OF BROOKLYN, IN THE CITY OF NEW YORK.

The period of the above contract will be five (5) years beginning with the 29th day of December, 1908.

The amount of security required is One Hundred Thousand Dollars (\$100,000).

The bidder will state the compensation to be paid to him, which shall be a price per cubic yard, and this price must be written out in full in the bid or estimate, and must also be given in figures.

Each bid must be accompanied by a certified check on a solvent banking corporation in the City of New York, payable to the order of the Comptroller of the City of New York, for five (5) per centum of the amount for which the work bid for is proposed to be performed in the first year of this contract.

The said check should be inclosed in the same bid with the envelope.

The Commissioner of Street Cleaning (pursuant to section 544 of the Greater New York Charter) reserves the right to select from the bids the bid the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of the bids.

Blank forms and further information may be obtained at the office of the Department of Street Cleaning, the Borough of Manhattan, Nos. 13 to 21 Park row.

FIRST DEPARTMENT.

In the matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the opening and extending of HAVEN AVENUE (although not yet named by proper authority), from West One Hundred and Seventy-seventh street to West One Hundred and Eighty-first street, in the Twelfth Ward, Borough of Manhattan, City of New York.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 23d day of July, 1908, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 17th day of September, 1908, at 11 o'clock a. m.

Second—That the abstracts of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 3d day of August, 1908.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Manhattan, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point formed by the intersection of a line parallel to and distant 100 feet westerly from the westerly line of Fort Washington avenue, and a line parallel to and distant 100 feet southerly from the southerly line of West One Hundred and Seventy-seventh street; running thence westerly along said line parallel to West One Hundred and Seventy-seventh street and its westerly prolongation to its intersection with the southerly prolongation of a line parallel to and distant 100 feet westerly from the westerly line of Buena Vista avenue; thence northerly along said southerly prolongation and parallel line and its northerly prolongation to its intersection with a line parallel to and distant 100 feet northerly from the northerly line of West One Hundred and Eighty-first street; thence easterly along said line parallel to West One Hundred and Eighty-first street to its intersection with a line parallel to and distant 100 feet westerly from the westerly line of Northern avenue; thence northerly along said last mentioned parallel line to its intersection with a line parallel to and distant 400 feet northerly from the northerly line of West One Hundred and Eighty-first street; thence easterly along said last mentioned line parallel to West One Hundred and Eighty-first street to its intersection with a line parallel to and distant 100 feet easterly from the easterly line of Northern avenue; thence southerly along said last mentioned parallel line to its intersection with a line parallel to and distant 100 feet northerly from the northerly line of West One Hundred and Eighty-first street; thence easterly along said last mentioned line parallel to West One Hundred and Eighty-first street to its intersection with a line parallel to and distant 100 feet easterly from the easterly line of Northern avenue; thence southerly along said last mentioned parallel line to the point or place of beginning; excepting from said area all streets, avenues and roads or portions thereof, heretofore legally opened as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That, provided there be no objections filed to either of said abstracts, our final report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Court House in the Borough of Manhattan, in The City of New York, on the 12th day of November, 1908, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to either of said abstracts of estimate and assessment, the notice of motion to confirm our final report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have theretofore appeared in this proceeding, as well as by publication in the City Record, pursuant to sections 981 and 984 of the Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

FIRST DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of WEST ONE HUNDRED AND SIXTY-THIRD STREET, between Amsterdam avenue and St. Nicholas avenue, in the Twelfth Ward, Borough of Manhattan, City of New York.

NOTICE IS HEREBY GIVEN TO ALL persons interested in the above entitled proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That the undersigned Commissioners of Estimate have completed their estimate of damage, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with them at their office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 18th day of July, 1908, and that the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at their said office on the 17th day of September, 1908, at 11 o'clock a. m.

Second—That the undersigned Commissioner of Assessment has completed his estimate of benefit and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with him at his office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 18th day of July, 1908, and that the said Commissioner will hear parties so objecting, and for that purpose will be in attendance at his said office on the 17th day of September, 1908, at 12 o'clock m.

Third—That the Commissioner of Assessment has assessed any or all such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 8th day of March, 1907, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of Manhattan, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Bounded on the north by a line midway between the southerly side of West One Hundred and Sixty-fourth street and the northerly side of West One Hundred and Sixty-third street on the east by a line 100 feet east of the easterly side of Edgecombe road; on the south by a line midway between the northerly side of West One Hundred and Sixty-second street and the southerly side of West One Hundred and Sixty-third street; and on the west by a line 100 feet west of the westerly side of Broadway.

Fourth—That the abstracts of said estimate of damage and of said assessment for benefit, together with the damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by the Commissioners of Estimate and by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 28th day of July, 1908.

Fifth—That, provided there be no objections filed to either of said abstracts, the reports as to awards and as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Court House, in the Borough of Manhattan, in The City of New York, on the 12th day of November, 1908, at the opening of the Court on that day.

Sixth—In case, however, objections are filed to the foregoing abstracts of estimate and assessment, or to either of them, the motion to confirm the reports as to awards and as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such cases to be given in relation to filing the final reports, pursuant to sections 981 and 984 of the Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

SUPREME COURT—SECOND DEPARTMENT.

SECOND DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title to the lands, tenements and hereditaments required for the purpose of opening BEDFORD AVENUE, from a point in the Eastern parkway, where said Bedford avenue is already opened and extending in a southerly direction to Flatbush avenue, in the Twenty-fourth and Twenty-ninth Wards of the Borough of Brooklyn, The City of New York.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above entitled matter, hereby give notice to all persons interested in this proceeding and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby and to all others whom it may concern, to wit:

First—That on the 22d day of April, 1908, an order was duly made and entered herein by the Supreme Court directing that the order of said Court made and entered herein on the 16th day of December, 1905, confirming the report of the Commissioners of Estimate and Assessment herein be vacated and set aside in so far as it confirmed the district of assessment fixed by the Commissioners therein, and the said report was returned to said Commissioners for revision and correction and Daniel M. Tredwell was appointed a Commissioner of Estimate and Assessment in the place and stead of John A. Quintard, deceased. That said order directed said Commissioners of Estimate and Assessment to revise and correct their said report by fixing the district of assessment for benefit for the opening, extending, laying out and improving of Bedford avenue in accordance with the provisions of chapter 764 of the Laws of 1900, as amended by chapter 590 of the Laws of 1901.

Second—That we have completed our revision and correction of said report and that all persons interested in this proceeding or in any of the lands, hereditaments and premises affected thereby and having objections thereto, do present their said objections in writing, duly verified, to us at our office, No. 166 Montague street, in the Borough of Brooklyn, The City of New York, on or before the 29th day of July, 1908, and that we, the said Commissioners, will hear said parties so objecting, and for that purpose will be in attendance at our said office on the 31st day of July, 1908, at 2 o'clock p. m.

Third—That the abstract of the said area of assessment as laid out by us has been deposited in the Bureau of Street Openings of the Law Department of The City of New York, No. 166 Montague street, in the Borough of Brooklyn, The City of New York, there to remain until the 10th day of August, 1908.

Fourth—That the limits of our assessment for benefit include all those lands, tenements, hereditaments and premises situated, lying and being in the Borough of Brooklyn, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point on the southerly side of Eastern parkway distant 250 feet easterly of the easterly side of Bedford avenue; running thence southerly and parallel with Bedford avenue to the northerly side of Flatbush avenue; running thence northwesterly along the northerly side of Flatbush avenue to a point where a line drawn parallel with Bedford avenue and distant 250 feet westerly therefrom would intersect the same; running thence northerly and parallel with Bedford avenue to the southerly side of Eastern parkway at a point 250 feet westerly of the westerly side of Bedford avenue; running thence easterly along the southerly side of Eastern parkway to the point or place of beginning.

Fifth—That the report of the Commissioners of Estimate and Assessment, so amended as to the district of assessment, will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions to be held in and for the County of Kings in the County Court House, in the Borough of Brooklyn, in The City of New York, on the 24th day of September, 1908.

Second—That the abstracts of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 27th day of July, 1908.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situated, lying and being in the Borough of Richmond, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point formed by the intersection of a line parallel to and distant 100 feet northwesterly from the northwesterly line of Prospect avenue and the northwesterly prolongation of a line parallel to and distant one hundred (100) feet southwesterly from the southwesterly line of Liberty avenue; running thence north-easterly along the said line parallel to Prospect avenue to its intersection with the northwesterly line of Four Corners road; thence from said last point of intersection on a line parallel to Richmond road to its intersection with the northwesterly prolongation of a line parallel to and distant one hundred (100) feet northeasterly from the northwesterly line of Garretson avenue; thence southeasterly along said last-mentioned northwesterly prolongation and parallel line to its intersection with a line parallel to and distant one hundred (100) feet southeasterly from the southeasterly line of Southfield boulevard; thence southwesterly along said last-mentioned parallel line to its intersection with the middle line of the blocks between Garretson avenue and Sea View avenue; thence southeasterly along said last-mentioned middle line to its intersection with the southeasterly property line of the Garretson Homestead Farm; thence westerly along said property line to its intersection with the middle line of the blocks between Sea View avenue and Liberty avenue; thence northeasterly along said last-mentioned middle line of the blocks to its intersection with a line parallel to and distant one hundred (100) feet southeasterly from the southeasterly line of Southfield boulevard; thence southwesterly along said last-mentioned line parallel to Southfield boulevard to its intersection with a line parallel to and distant one hundred (100) feet southwesterly from the southwesterly line of Liberty avenue; thence northwesterly along said parallel line and its northwesterly prolongation to the point or place of beginning; excepting from said area all streets, avenues and roads, or portions thereof, heretofore legally opened as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That, provided there be no objections filed to either of said abstracts, our final report herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 5th day of November, 1908, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to either of said abstracts of estimate and assessment, the notice of motion to confirm our final report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have theretofore appeared in this proceeding, as well as by publication in the City Record, pursuant to sections 981 and 984 of the Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

Dated Borough of Manhattan, New York, May 18, 1908.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
