COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a meeting held in Room 16, City Hall, at 12 o'clock M., on Friday, December 30, 1910.

Present—Francis P. Bent, Acting President Board of Aldermen; Douglas Mathewson, Deputy and Acting Comptroller; Henry J. Walsh, Deputy and Acting Chamberlain; and Frank L. Dowling, Chairman Finance Committee, Board of Aldermen.

On motion of the Deputy Chamberlain, John Korb, Jr., was elected Secretary pro tem.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the transfer of funds and accrued interest held by the Sinking Fund of Long Island City for the Redemption of Revenue Bonds, which fund has redeemed all its obligations, to the Sinking Fund of The City of New York:

December 30, 1910.

To the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of the Sinking Fund Commissioners held on the 7th inst., a resolution was adopted whereby the balance at credit of the Special Sinking Fund of Long Island City for the Redemption of Revenue Bonds, amounting to \$4,561.09, was ordered to be transferred and paid into the Sinking Fund of The City of New York.

This action of the Sinking Fund Commissioners was pursuant to a communication addressed by me in which attention was called to the fact that the Special Sinking Fund of Long Island City for the Redemption of Revenue Bonds had wholly discharged, liquidated and cancelled all obligations payable by it, and that the revenues of such Sinking Fund, having been thus relieved of all liens or charges against it, were required to be transferred and paid into the Sinking Fund of The City of New York, in accordance with the requirements of section 206 of the Charter.

In addition to the cash balance of \$2,061.09, authorized to be transferred by the resolution adopted by the Sinking Fund Commissioners on December 7, 1910, there is an accumulated amount of interest on the deposit of said money up to this date of \$5.61, which must also be similarly transferred. To properly provide for and authorize the transfer of this remaining balance and thus include all of the balance at credit of said Special Sinking Fund of Long Island City, I submit the following resolution and ask that it be adopted in substitution of the resolution passed on the 7th inst.

Respectfully,
WM. A. PRENDERGAST, Comptroller.
Whereas, At a meeting of the Sinking Fund Commissioners, held on December 7, 1910, the following preamble and resolutions regarding the Sinking Fund of Long Island City for the Redemption of Revenue Bonds were adopted:

"Whereas, All the obligations and indebtedness payable from the Special Sinking Fund of Long Island City for the Redemption of Revenue Bonds have been wholly discharged, liquidated or cancelled, and the revenues of said Sinking Fund having thus been relieved of all liens or charges against it; therefore be it

Resolved, That the balance at credit of said Sinking Fund as at November 30, 1910, amounting to four thousand five hundred and sixty-one and 09/100 dollars (\$4,561.09), consisting of two thousand and sixty-one and 09/100 dollars (\$2,061.09) in cash, and two thousand five hundred dollars (\$2,500) in General Improvement Bonds of Long Island City, five hundred dollars (\$500) of which matures on December 30, 1913, and two thousand dollars (\$2,000) on September 1, 1914, and which balance represents the surplus of the revenues of said Sinking Fund, be and the said amount is hereby transferred and paid into the Sinking Fund of The City of New York, in accordance with the requirements of section 206 of the City Charter."

Resolved, That the following be substituted in lieu thereof, the purpose of said substitution being to increase the amount to be transferred and paid into the Sinking Fund of The City of New York from four thousand five hundred and sixty-one and 09/100 dollars (\$4,561.09), as stated in the resolution adopted December 7, 1910, to four thousand five hundred and sixty-six and 70/100 dollars (\$4,566.70), which amount will include all of the surplus revenues of the Sinking Fund of Long Island City for the Redemption of Revenue Bonds, and including the interest thereon up to date:

"Whereas, All the obligations and indebtedness payable from the Special Sinking Fund of Long Island City for the Redemption of Revenue Bonds have been wholly discharged, liquidated or cancelled, and the revenues of said Sinking Fund having thus been relieved of all liens or charges against it, therefore be it

Resolved, That the balance at credit of said Sinking Fund as at November 30, 1910, amounting to four thousand five hundred and sixty-six and 70/100 dollars (\$4,566.70), consisting of two thousand and sixty-six and 70/100 dollars (\$2,066.70) in cash, and two thousand five hundred dollars (\$2,500) in General Improvement Bonds of Long Island City, five hundred dollars (\$500) of which matures on December 20, 1913, and two thousand dollars (\$2,000) on September 1, 1914, and which balance represents the surplus of the revenues of said Sinking Fund, be and the said amount is hereby transferred and paid into the Sinking Fund of The City of New York, in accordance with the requirements of section 206 of the City Charter."

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution to rescind resolution assigning rooms in the Jefferson Market Building to the Department of Correction:

December 22, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On August 16, 1910, the Commissioners of the Sinking Fund assigned to the Department of Correction for use as a Place of Detention for Women, six rooms on the second floor and four rooms on the third floor in the Jefferson Market Building, at 8th st. and Sixth ave., Borough of Manhattan. Since then it was determined that the building situated on the southwest corner of Prince and Wooster sts., Borough of Manhattan, formerly used as a court house, would be more desirable as such place of detention, and on December 19, 1910, the Sinking Fund Commission assigned this building to the Commissioner of Correction to be used as such Place of Detention for Women.

I therefore respectfully recommend that the Commissioners of the Sinking Fund rescind the resolution above mentioned, adopted by them on August 16, 1910. Respectfully,
WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held August 16, 1910, assigning to the Department of Correction, for use as a Place of Detention for Women, six rooms on the second floor and four rooms on the third floor in the Jefferson Market Building, at 8th st. and Sixth ave., in the Borough of Manhattan, be and the same is hereby rescinded.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at No. 3482 Park ave, Borough of The Bronx, for the use of the Department of Water Supply, Gas and Electricity:

December 30, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioner of the Department of Water Supply, Gas and Electricity, in a communication to the Secretary of the Sinking Fund Commission, under date of December 19, 1910, states that said Department has occupied premises at the northeast corner of Washington ave. and 166th st. for some years as quarters for a repair company. The lease under which these premises were occupied will expire on December 31, 1910.

The attorney for the owner has notified Commissioner Thompson that he will not consent to a renewal of the lease. Pending permanent location of the repair shop, Commissioner Thompson requests that a temporary lease from month to month be authorized of premises No. 3482 Park ave., between 167th and 168th st., Borough of The Bronx, at a monthly rental of \$50.

These premises consist of a two-story frame building, a one-story stable, and two sheds, on a lot 44.49 feet x 152.96 feet, and is assessed: Land, \$5,000; buildings, \$1,000; total, \$6,000.

The appraised value of the property by the Bureau of Real Estate is: Land, \$9,000; buildings, \$2,000; total, \$11,000.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of premises No. 3482 Park avenue, Borough of The Bronx, for a period of four months from January 1, 1911, at a monthly rental of \$50, payable monthly, with the privilege of renewal for an additional period of four months, upon the same terms and conditions, for use of the Department of Water Supply, Gas and Electricity; the City to pay for water used on the premises, to make what repairs it deems necessary, and to furnish light, heat and janitor service; the lessor to pay taxes. Lessor, William I. Brown, Agent, No. 3482 Third ave., Borough of The Bronx. Respectfully,
WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from William I. Brown, Agent, of premises No. 3482 Park ave., Borough of The Bronx, for use of the Department of Water Supply, Gas and Electricity, for a period of four months from January 1, 1911, at a monthly rental of fifty dollars (\$50), payable monthly, with the privilege of renewal for an additional period of four months upon the same terms and conditions. The City to pay for water used on the premises, to make whatever repairs it deems necessary, and to furnish light, heat and janitor service; the lessor to pay taxes; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report relative to a lease from the New York Wholesale Fish Dealers' Association, of a portion of Pier 18, East River, Borough of Manhattan, for the use of the Fire Department:

December 19, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Hon. Rhinelander Waldo, Fire Commissioner, in a communication to your Honorable Board, under date of November 22, 1910, states:

"The lease of premises at foot of Main st., East River, Brooklyn, occupied as berth of fireboat 'Abram S. Hewitt,' Engine Co. 77 of this Department, will expire December 31, 1910, and it is not the intention to apply for renewal of the same.

"It will be necessary to provide a new berth for the accommodation of the fireboat, and a suitable location for same would be at Pier 18, East River.

"I have the honor to request that there be leased from the New York Wholesale Fish Dealers' Association for a term of one year, from January 1, 1911, with

rental at the rate of \$1,000 per annum, payable monthly, space on the northerly side of said pier, extending from the easterly end thereof westerly 130 feet, said association is to be at no expense for putting up fence gates, running water pipes, electrical connections or for any other purpose, and the lease is to be subject to the approval of the Commissioner of the Department of Docks and Ferries, who has verbally consented to making of the same.

"Copy of proposition of the New York Fish Dealers' Association, dated November 15, 1910, is herewith enclosed."

The Dock Department's lease to the New York Wholesale Fish Dealers' Association, covering Pier 18, East River, Manhattan, forbids any subletting, except with the consent of the Sinking Fund Commission and with the approval of the Commissioner of Docks and Ferries.

The Sinking Fund Commission, at a meeting held September 15, 1910, adopted a resolution authorizing two such sub-leases, one to the McElroy Transportation Company for a space of 125 feet on the northerly side of Pier 18 at a rental of \$150 a month, and another to the Fire Department of The City of New York for a space of 105 feet on the northerly side of said pier at a rental of \$83.33 per month.

It was found later that 105 feet was insufficient for the purposes of the Fire Department, as the fireboat "Abram S. Hewitt" is 117 feet long. The Fish Dealers' Association thereupon consented to lease to the City 130 feet on the northerly side of the pier at its outer end for the same rental as asked for 105 feet, namely, \$1,000 a year, as shown by letter from Frank Harvey Field, herewith.

The request of Commissioner Waldo of November 22 is amended by his letter of December 6, stating that no buildings are to be erected on the pier within twenty feet of its outer end.

The amended resolution regarding this Fire Department lease sent to your Honorable Board by the Commissioner of Docks and Ferries under date of December 2, 1910, a copy of which is attached hereto, says:

"The Fire Department shall have the privilege of erecting a fence and constructing such buildings and appurtenances as are necessary for the purposes of said Department, on the following described area:

"Beginning at a point on the northerly side of Pier 18, East River, distant twenty (20) feet from its outshore end, running thence southerly and at right angles to the northerly side of said pier at a distance of twenty (20) feet to the center line of said pier; running thence inshore and parallel with the northerly side of said pier a distance of one hundred and ten (110) feet along said center line; running thence northerly and at right angles to said center line a distance of twenty (20) feet to the northerly side of said pier; thence along the northerly side of said pier to the point or place of beginning."

For comparison as to the justness and fairness of the rent asked, it may be pointed out that while the McElroy Transportation Company is to pay \$1,800 a year for 125 feet on the northerly side of Pier 18, the City is to pay only \$1,000 a year for 130 feet on the same side. Also the fact that the City has been paying \$1,000 a year rent for the past five years for the berthing of this fireboat "Abram S. Hewitt" at the foot of Main st., East River, Borough of Brooklyn.

The Fish Dealers' Association has consented that the rent be made payable quarterly instead of monthly, as mentioned in Commissioner Waldo's letter; the lease to be signed by C. M. Prankard, President of the Association.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease for a term of one year from January 11, 1911, at an annual rental of \$1,000, payable quarterly, for space on the northerly side of Pier 18, East River, Borough of Manhattan, bounded and described as follows:

Beginning at a point formed by the intersection of the northerly side of Pier 18 with the easterly or outshore end of said pier; running thence westerly along the northerly side of said pier 130 feet; thence southerly and at right angles to said northerly side 20 feet to the center line of said pier; thence easterly along the center line of said pier 130 feet to the easterly end of said pier, and thence northerly along the easterly end of said pier 20 feet to the point or place of beginning, for the berthing of the fireboat "Abram S. Hewitt." It being understood however, that no building shall be erected upon the easterly or outshore twenty feet of the premises leased. The Fire Department to have the privilege of erecting a fence and constructing such buildings and appurtenances as are necessary upon any of the remaining portion of the premises leased; the lessor to be at no expense for putting up fence gates, running water pipes, electrical connections, or for any other purpose; said lease to be subject to the approval of the Commissioner of Docks and Ferries, provided the Commissioners of the Sinking Fund approve of the modification of the original lease as proposed by the Dock Commissioner in his letter of December 2, 1910. Lessor, New York Wholesale Fish Dealers' Association, C. M. Prankard, President, Fulton Fish Market, New York City. Respectfully,
WM. A. PRENDERGAST, Comptroller.

The Committee to whom this matter was referred at the last meeting presented the following report:

December 29, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen: Referring to the proposed lease for use of the Fire Department, at the rate of \$1,000 per annum, from the New York Wholesale Fish Dealers' Association, being 130 feet of the old Pier 18, we desire to say that, in our opinion, the bulkhead privileges are worth two and a half times as much as the pier accommodations. On the bulkhead the Wholesale Fish Dealers' Association have erected a two-story concrete building covering the entire width of the bulkhead. The pier is about 539 feet long, and the northerly half thereof, leased by the New York Wholesale Fish Dealers' Association, that association would, therefore, be able to lease about four berths of the size allotted to the Fire Department.

Basing the rent at the same rate which the City is asked to pay, namely, \$1,000 per annum, would result in a sum of \$4,000.

The New York Wholesale Fish Dealers' Association are paying for the year 1911, \$14,850 for the pier and bulkhead. This would leave as a rent for them to pay of \$10,850 a year.

Believing the rent to be reasonable and just, we therefore recommend that the lease from the New York Wholesale Fish Dealers' Association to the City of New York, for use of the Fire Department, be authorized for the term of one year from January 1, 1911, at the rate of \$1,000 per annum. Respectfully,

WM. A. PRENDERGAST, Comptroller; FRANK L. DOWLING, Chairman, Finance Committee of the Board of Aldermen.

Mr. Abel Crook, attorney for the New York Wholesale Fishmongers' Association, appeared before the Board, protested against any action being taken at the present time, and requested that the matter be adjourned until some future date, in order that he may have an opportunity to get his data together and be heard in regard to it.

Discussion followed, participated in by all the members present.

The Commissioner of Docks, in accordance with the resolution adopted June 22, 1910, through his representative, then requesting that a renting be permitted by the New York Wholesale Fish Dealers' Association to the City of New York, of a berth for a fireboat on the northerly side of Pier 18, East River, commencing at the outshore end of said pier and running thence inshore a distance of 130 feet, with the privilege of occupying the following described area:

"Beginning at a point on the northerly side of Pier 18, East River, distant 20 feet from its outshore end, running thence southerly and at right angles to the northerly side of said pier a distance of twenty (20) feet to the center line of said pier; running thence inshore and parallel with the northerly side of said pier a distance of one hundred and ten (110) feet along said center line; running thence northerly and at right angles to said center line a distance of twenty (20) feet to the northerly side of said pier; thence along the northerly side of said pier to the point or place of beginning."

—from month to month from January 1, 1911, at a rental of \$83.33 per month, payable in advance, the Deputy and Acting Comptroller moved that such sub-letting by the New York Wholesale Fish Dealers' Association to the City of New York be approved by the Commissioners of the Sinking Fund as to the terms and conditions proposed.

Motion carried.

The Deputy and Acting Comptroller then offered the following:

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring, by the Fire Commissioner, of space on the northerly side of Pier 18, East River, Borough of Manhattan, bounded and described as follows:

"Beginning at a point formed by the intersection of the northerly side of

Pier 18 with the easterly or outshore end of said pier; running thence westerly along the northerly side of said pier 130 feet; thence southerly and at right angles to said northerly side 20 feet to the center line of said pier; thence easterly along the center line of said pier 130 feet to the easterly end of said pier, and thence northerly along the easterly end of said pier 20 feet to the point or place of beginning."

—for the berthing of the fireboat "Abram S. Hewitt" from month to month, pending the determination by the Commissioners of the Sinking Fund as to their final action in regard to a permanent lease of these premises, at a rental of \$83.33 per month, payable monthly in advance; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that the hiring of the premises for the purposes specified are necessary; and be it further

Resolved, That the Fire Commissioner be and is hereby requested, pending such determination, to make only such alterations and repairs as are absolutely necessary for the maintenance of the fireboat in question; and be it further

Resolved, That the discussion as to a permanent lease be and is hereby laid over until eleven o'clock A. M. on Wednesday, January 11, 1911, at which time a full hearing will be given in regard to the matter.

Which resolution was adopted, all the members present voting in the affirmative.

Adjourned.

JOHN KORB, JR., Secretary, pro tem.

The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate certain conduits with the necessary branches and extensions therefrom, leading directly into private property, for the sole purpose of supplying refrigeration to consumers, provided that no conduit be of a greater outside diameter than twelve (12) inches, including insulation or other covering; the same to be constructed and operated only beneath the surface of such of the streets, avenues and highways situate within the Borough of Manhattan, City of New York, as are included within the district bounded and described as follows:

—signed by Joseph Conron, President, a copy of which is hereto annexed and made a part of this contract.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right to construct, maintain and operate said conduits shall be held and enjoyed by the Company for the term of fifteen (15) years from the date upon which this contract is signed by the Mayor, with the privilege of renewal of said contract for the further period of ten (10) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested freeholders selected in the following manner:

One disinterested freeholder shall be chosen by the Board; one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined shall be conclusive upon both parties but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted, the following sums of money:

(a) The sum of six hundred and fifty dollars (\$650) in cash within one (1) month after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privilege hereby granted.

(b) During the first term of five years an annual sum which shall in no case be less than two hundred and fifty dollars (\$250), and which shall be equal to two (2) per cent. of its gross annual receipts, if such percentage shall exceed the sum of two hundred and fifty dollars (\$250).

During the second term of five years, an annual sum which shall in no case be less than three hundred and fifty dollars (\$350), and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of three hundred and fifty dollars (\$350).

During the third term of five years, an annual sum which shall in no case be less than five hundred dollars (\$500), and which shall be equal

to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of five hundred dollars (\$500).

The gross receipts mentioned above shall be the total receipts from all business of furnishing refrigeration to consumers.

(c) An annual payment of twenty-five cents (\$0.25) for each linear foot of conduit constructed within the limits of any street, avenue or highway, excepting, however, such conduits as are constructed within the vault space or vault spaces of any building or buildings used or occupied exclusively by the Company for the purpose of its business.

An annual payment of two dollars (\$2) for each manhole constructed within the limits of any street, avenue or highway.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

All annual charges as above shall be paid into the Treasury of the City on February 1 of each year and shall be for the amount due to December 31, next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and December 31 following shall bear to the whole of one year.

Whenever the percentage required to be paid shall exceed the minimum amount as above, then such sum over and above such minimum shall be paid on or before February 1 in each year for the year ending December 31 next preceding.

(d) Before any rights hereby conferred are exercised by the Company and within one (1) month from the date on which this contract is signed by the Mayor, the Company shall pay to the City the sum of seven hundred and fifty dollars (\$750); said amount being due the City by reason of the unauthorized occupation of the streets by the Company or its predecessors. Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payments for refrigerating rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, or of any of the streets and avenues mentioned herein, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant any individual, firm or other corporation a similar right or privilege upon the same or other terms and conditions, in the same streets and avenues, or within the district hereinbefore described.

Fifth—The rights and privileges hereby granted shall not be assigned either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Sixth—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the conduits and appurtenances of the Company constructed pursuant to this contract within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its conduits and appurtenances constructed pursuant to this contract and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Seventh—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets and avenues in which the Company is hereby authorized to operate.

Eighth—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduit line, connections, manholes and other appurtenances, and the mode of protection of all subsurface construction under the streets and avenues in which the Company is hereby authorized to operate.

Ninth—Any alteration to the sewerage or drainage system, or to any other subsurface or to any surface structures in the streets, required on account of the construction or operation of the conduits of the Company, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Tenth—It is agreed that the right hereby granted shall not be in preference or in hindrance to public work of the City, and should the said conduits in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the move the conduits and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Eleventh—The Company shall bear the expense of keeping in repair for one year after it has been replaced, all pavement which may at any time be removed by said Company, either for the purpose of construction or for the repairing of the conduit line and its appurtenances.

Twelfth—The Company shall bear the expense of inspection which may be required by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, and of all work of construction.

Thirteenth—The Company shall cause a test to be made of the pipes to be contained within the conduits hereby authorized whenever required by and under the supervision of the Commissioner of Water Supply, Gas and Electricity. The conditions of such test shall be as follows:

(a) If the test be made in the foundry where the pipes are manufactured, such pipes shall be subjected to a pressure of three hundred (300) pounds per square inch.

(b) If the test be made in the field, of pipes in use or ready for use, such pipes shall be subjected to a pressure of two hundred (200) pounds per square inch.

A certificate showing that such a test has been made without injury to the pipes shall be executed by an officer of the Company, and indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board.

Fourteenth—The Company shall not charge consumers more than the following rates:

(a) Consumers making monthly contracts:

Four (4) cents per month per cubic foot for boxes of not over 500 cubic feet.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund to the original amount of one thousand dollars (\$1,000), and in default thereof this contract shall be canceled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

Twenty-fourth—The words "notice" or "direction" wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-fifth—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall be deemed to mean "streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement," included in the district hereinabove described, and under the surface of, or in which authority is hereby given to the Company to construct or maintain its conduits.

Twenty-sixth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned shall be transferred by law to any other Board, authority, officer or officers, then and in such case such other Board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authority, officer or officers.

Sec. 3. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

In witness whereof, the party of the first part by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate seal to be hereunto affixed, the day and year first above written.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or a certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in

the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
