be received at the office of the Department until Wed-
nesday, the 20th instant, at which time such bids or es-
timates will be publicly opened by the head of said Depart-
ment and read.

Each bid or estimate must be enclosed in a sealed
envelope, indorsed with the name or names of the person
or persons presenting the same, the date of its presenta-
tion, and a statement of the work to which it relates.
Bidders are required to state in their estimates, under
oath, their names and places of residence; the names of
all persons interested with them therein, and if no other
person be so interested, they shall distinctly state the fact;
also, that it is made without any connection with any other
person making any bid or estimate for the same work;
and that it is in all respects fair and without collusion or
fraud; and also that no member of the Common Council,
head of a Department, Chief of a Bureau, Deputy thereof,
or clerk therein, or other officer of the Corporation is
directly or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof. Where more than one person is interested it is
required that the verification be made and subscribed by
all parties interested.

Each estimate shall be accompanied by the consent,
in writing, of two householders or freeholders of the City
of New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the estimate, they will, on
its being so awarded, become bound as his sureties for
its faithful performance, and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
on its completion and that which the Corporation may be
obliged to pay to the person to whom the contract may
be awarded at any subsequent letting; the amount in each
case to be calculated upon the estimated amount of the
work by which the bids are tested.

The consent above-mentioned shall be accompanied
by the oath or affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder
in the City of New York, and is worth the amount of the
security required for the completion of the contract, and
stated in the proposals, over and above all his debts or every
nature, and over and above his liabilities as bail, surety
or otherwise, that he has offered himself as a surety in
good faith, and with an intention to execute the bond re-
quired by section 27, article 2, chapter 8 of the Revised
Ordinances of 1850, if the contract shall be awarded to the
person or persons for whom he consents to become surety.

The adequacy and sufficiency of the sureties offered to
be determined by the Comptroller.

The Department reserves the right to reject all the bids
received in response to this advertisement if it shall deem
it for the interest of the city so to do, and to readvertise
until a satisfactory proposal shall be received. But the
contract, when awarded, will be awarded to the lowest
bidder, with adequate security.

Bidders will state in writing, and also in figures, the
prices of the several items.

These prices are to be in full for all the labor and all the
material required.

Particular attention is called to the time allowed for
completing the work, as indicated in the specifications.

The amount of security required is ten thousand dollars.

which the successful bidder will be required to execute

To be of good quality as to age and condition, and sub-
ject to careful inspection, and all delivered on Wednesday,
20th November, before six o'clock, A. M.

Will be received at the office of the Department of
Public Charities and Correction, in the City of New

York, until 9 o'clock A. M. of Monday, the 24th day of
November, 1879. The person or persons making any bid
or estimate shall furnish the same in a sealed envelope, in-
dorsed "Bid or Estimate" for Poultry and with his or their
name or names, and the date of presentation, to the head of
said Department, at the said office, on or before the day
and hour above named, at which time and place the bids or
estimates received will be publicly opened by the head of
said Department and read.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any bid
or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or who
is a defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made from time to time,
at such times and in such quantities as may be directed by
the said Department; but the entire quantity will be
required to be delivered on or before thirty (30) days
after the date of the contract.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the per-
son or persons to whom the contract may be awarded will
be required to give security for the performance of the
contract by his or their bond, with two sufficient sureties,
in the penal amount of fifty (50) per cent. of the estimated
amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; that it is made without any
connection with any other person making an estimate for
the same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, head of a Department, Chief of a Bureau, Deputy
thereof or Clerk therein, or other officer of the Corpora-
tion, is directly or indirectly interested therein, or in the
supplies or work to which it relates, or in any portion of
the profits thereof. The bid or estimate must be verified
by the oath, in writing, of the party or parties making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested,
it is requisite that the verification be made and subscribed
by all parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they shall pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above-mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder in
the City of New York, and is worth the amount of the security
required for the completion of this contract, over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety, and otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be
approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept to contract within
forty-eight (48) hours after written notice that the same
has been awarded to his or their bid or proposal, or if he
or they accept but do not execute the contract and give
the proper security, he or they shall be considered as
having abandoned it and as in default to the Corporation,
and the contract will be re-advertised and re-let as pro-
vided by law.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

Payment will be made by requisition on the Comptroller,
issued on the completion of the contract, or from
time to time as the Commissioners may determine.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tion of the Commissioners of Public Charities and Correc-
tion.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any bid
or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or who
is a defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The form of the agreement, including specifications, and
showing the manner of payment, can be obtained at the
office of the Department.
