I. Permanent Housing Need for Fiscal Year 2021

Families

In FY2021, DHS expects to place 9,680 families into permanent housing based on actual FY2019 placements as reported in the FY2019 Mayor's Management Report. When available, appropriate families will be referred to NYCHA and Housing Preservation and Development (HPD) housing. Families may also be referred to other rental assistance programs, including CityFHEPS, FHEPS A&B, SOTA (Special One Time Assistance), and Section 8, as appropriate.

Single Adults

In FY2021, DHS expects to place 8,900 single adults into permanent housing based on actual FY2019 placements as reported in the FY2019 Mayor's Management Report. Where appropriate, these individuals will be referred to rental assistance programs such as CityFHEPS and SOTA, placed in private housing, placed into supportive housing, or re-housed with family.

II. Transitional Housing for Fiscal Year 2021

Families

We expect to need 14,000 units to house homeless families within the system in FY2021, based on the census of families on March 1, 2020. (Note: Family shelter usage has been altered dramatically in the period after the COVID-19 emergency and is subject to change.)

Single Adults

We expect to need 17,500 beds to house homeless individuals within the system during FY2021, based on the census of single adults on April 18, 2020. (Note: Single Adult shelter usage has been altered dramatically in the period after the COVID-19 emergency and is subject to change.)
