The New York City Department of Sanitation announced that in observance of Presidents' Day, there will be no garbage, recycling, or organics collection, nor street cleaning, on Monday, February 19, 2018.

- Residents who normally receive Monday **trash, organics or recycling collection** should place their material out at curbside after 4 p.m. on Monday, February 19 for pickup.

Additionally, all Sanitation Department administrative offices will be closed on Monday, February 19, in observance of the holiday.

To help provide city residents with Sanitation-related service reminders, updates and special event schedules, the New York City Department of Sanitation has launched DSNY Info, its smart phone and tablet app. The app also includes tips to reduce, reuse and recycle, making it easier for New Yorkers send zero waste to landfills by 2030. The free app is available for both iOS and Android operating systems, and can be found by searching DSNY Info in the [Apple App](#) and [Google Play](#) stores.
