BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, NEW YORK, August 20, 1891.

The Hons. John H. V. Arnold, Acting Mayor; David J. Dean, Jr., Acting Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of July 31 were read and approved.

The Supervisor of the City Record presented the following:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, August 19, 1891.

To the Honorable the Mayor, Counsel to the Corporation and Commissioner of Public Works:

To the Honorable the Mayor, Counsel to the Corporation and Commissioner of Public Works:

Gentlemen—The Board of Aldermen asks for 250 bound copies of the Laws of 1891 affecting this city. It has been the custom to provide the Board with volumes of these laws annually for distribution to the departments and elsewhere. I suggest that the custom be broken. The statutes in question are contained in the volumes of Session Laws, which are annually bought for the several departments, and it does not seem to me necessary to cull them out at the cost of a sum sufficient to supply each department with four or five times the number of Session Laws they now use.

The Fire Department requires a "Record of Fire Keys." It did not call for one in its general requisition, because, I am informed, the one then in use appeared likely to last for the year. The book should be allowed. The Department of Public Works wants a new form of permit for street openings, with stub records, the necessity for which has been shown by a recent falsification of a permit. It should be allowed. The County Clerk calls for a Record of Nominatons shortly to be made under the new election law. It should be allowed. The new form of blanks asked for by the Surrogate are made necessary by chapter 174, Laws of 1891.

The supplementary journal asked for by the Coroners should be allowed. The journals

The supplementary journal asked for by the Coroners should be allowed. The journals hitherto supplied have space for only 1,200 entries, a larger number than has ever been necessary in any quarter prior to the one ending June 30. More than 1,300 deaths were reported in that

The Secretary of the Civil Service Boards asks for two books, which he says he supposed were on hand when he made his annual requisition. The Sheriff requires another red (cash) book, the Comptroller having ordered that a new form of keeping cash accounts be followed in the Sheriff's

The other requisitions should be allowed.

Respectfully submitted,
W. J. K. KENNY, Supervisor.

Bidders are required to state in their estimates, their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done, in each class, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or free-holder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law.
