Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>HYDRANT, FIRE (SMITH TYPE)</b>	yes - recycled metal content, ductile iron casting, steel valve stem/bolts/nuts/screws, bronze hydrant outlets, modular durable design, robust design to withstand heavy duty outdoor service	8/1/2018 thru 7/31/2022	7/13/2018	\$4,180,426.20
<b>CARS, PASSENGER, HYBRID ELECTRIC PLUG-IN PRIUS PRM</b>	yes - Plug-in Hybrid Electric Toyota Prius Prime, 54 mpg combined EPA fuel rating, automatic transmission, backup safety camera, automatic emergency braking	7/1/2018 thru 6/30/2021	7/13/2018	\$499,880.00
<b>CARS, PASSENGER, MID-SIZE, HYBRID ELEC PRIUS 1223</b>	yes - Toyota Prius 1223 Hybrid Electric, SULEV, automatic transmission, anti-lock brakes, backup safety camera, automatic emergency braking	8/1/2018 thru 7/31/2021	7/16/2018	\$459,680.00
<b>TRANSFER SHUTTLE CARTS ACCESSORIES - DSNY</b>	yes - DSNY Container-Transport Shuttle Cart rechargeable SBS gelled electrolyte tubular long life batteries, Eclipse II high efficiency industrial programmable battery charger, NiMH rechargeable batteries, & tester/meter/probe accessories	8/1/2018 thru 7/31/2023	7/17/2018	\$2,298,813.50
<b>STEEL, WAREHOUSE STOCK RE-AD</b>	yes - Carbon steel bars, angles, channels, plates and strips structural quality meeting mechanical & chemical requirements, for use in welded construction of bridges and buildings, carbon steel typically containing ~70% post-consumer recycled scrap metal in steel mini mill using EAF	10/1/2018 thru 9/30/2023	7/2/2018	\$1,513,020.00
<b>STEEL, WAREHOUSE STOCK RE-AD</b>	yes - Carbon steel beam, channels, and angles structural quality meeting mechanical & chemical requirements, for use in welded construction of bridges and buildings, carbon steel typically containing ~70% post-consumer recycled scrap metal in steel mini mill using EAF	10/1/2018 thru 9/30/2023	7/6/2018	\$991,800.00
<b>GSA - EXPLOSIVES DETECTION CANINE SERVICES</b>	yes - Explosives detection canine teams, trained to detect airbourne particles trailing behind individual that has been around explosives, canines trained to effectively detect explosives in motion rather than search static objects	8/14/2018 thru 4/15/2019	8/22/2018	\$3,200,000.00

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>HIGH TEMP WASHING MACHINE</b>	yes - Wascomat Washer designed for long industrial service life & water efficiency-heavy duty bearing & seal, SS inner & outer drums, heavy duty cast door & hinges, water-operated drain valve mounted to outer drum to reduce water consumption, electric booster heater for energy efficient high T sanitization	3/13/2018 thru 1/31/2019	8/8/2018	\$74,452.35
<b>PIPE AND FITTINGS, CAST IRON</b>	yes - Heavy duty cast iron soil pipes fittings & couplings, Charlotte Pipe & Foundry claims min 95% recycled content in cast iron pipe & fittings	10/1/2018 thru 9/30/2023	9/11/2018	\$81,707.21
<b>POWER SAW BLADE: DIAMOND FIRE RESCUE</b>	yes - High strength Desert Diamond Fire Rescue Safety Blades, durable industrial service, 12 inch solid steel power saw blade with up to 85% vacuum-brazed diamond abrasive for long service life, lifetime warranty	9/1/2018 thru 8/31/2023	9/6/2018	\$658,800.00
<b>ORAQUICK ADVANCE(R) RAPID HIV-1/2 ANTIBODY TEST</b>	yes - OraQuick ADVANCE Rapid HIV-1/2 Antibody Test, can use oral fluid for 20 min results painless CLIA-waived, enable more HIV+ individuals find out HIV status to connect with healthcare & decrease spread of HIV	7/1/2018 thru 6/30/2021	10/25/2018	\$1,661,662.92
<b>CONTAINERS, SHARPSAFE, PUNCTURE PROOF FOR FDNY/EMS</b>	yes - Heavy duty cardboard telescoping tube with pressed metal endcaps having 100% total recovered fiber	10/15/2018 thru 10/14/2023	10/10/2018	\$849,636.00
<b>CAR, POLICE HYBRID SEDAN - NYPD</b>	yes - Ford Lincoln Hybrid NYPD sedan, automatic 4 cylinder front wheel drive, LED spot lamp, LED truck hazard lights, Federal Signal LED lightbar, LED corner parking & rear deck & front grille lights	10/15/2018 thru 10/14/2021	10/19/2018	\$10,474,100.00
<b>GREEN ROOF MATERIALS</b>	yes - XeroFlor Green Roof, vegetation mat/growing media/water retention materials/drainage/root barrier, beneficial green roof activities- mitigate stormwater runoff, carbon and other air pollutant sequestration, habitat provision to help improve urban biodiversity	12/1/2018 thru 11/30/2023	9/12/2018	\$6,543,382.00
<b>COMBI-OVENS: ELECTRIC/GAS WITH RACKS - DOC</b>	yes - Combi Convection Oven Superheated Steamer, high Cooking Energy Efficiency, easy cleaning & durability, reinforced stainless steel construction, robust tamper proof DOC design, high strength heat resistant swivel casters, electronic ignition/solid state thermostat, Energy Star compliant	12/1/2018 thru 11/30/2023	9/6/2018	\$2,346,955.30

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>GENUINE HURST RESCUE TOOLS AND ACCESSORIES</b>	yes - Hurst Rescue Tools eDraulic Cutters/Spreaders/Rams, mounting & pod brackets, metal chains, 5Ah low self-discharge EXL rechargeable battery, battery-powered industrial performance & durability FDNY rescue tools, lighter weight with no hoses/power cords, over 40 Kpf spreading force, over 120 Kpf cutting force, forged steel blades to cut through hardened boron steel, manufactured from heat-treated alloy & tool steels, modular design	1/1/2019 thru 12/31/2023	10/10/2018	\$2,097,950.00
<b>FIXTURES, COMMERCIAL LIGHTING: NYC</b>	yes - Emergency & Exit signs with LED lamps, fixtures with energy efficient LED dimming driver	12/15/2018 thru 12/14/2023	12/12/2018	\$855,522.50
<b>GRP:PARTNER/HUSQVARNA SAW</b>	yes - Power Saw Husqvarna Heavy Duty emergency rescue & construction assembled & ready to use, fuel efficient engine, low emissions air filtration system, robust designed starter, multi-ribbed engine belt for improved power output & fuel economy, low water consumption	1/1/2019 thru 12/31/2023	10/15/2018	\$190,000.00
<b>ABSORBENT COMPOUND FOR (OIL &amp; WATER)</b>	yes - ESP Gorillazorb Absorbent Granules, suitable for floor oil & water-based fluid recovery, made from 100% recycled cellulose (paper fiber)	12/1/2018 thru 11/30/2023	12/5/2018	\$344,367.50
<b>BACTEC MGIT960 REAGENTS AND SUPPLIES</b>	yes - BACTEC 960 MGIT testing of sputum TB screening, fully automated mycobacteria susceptibility testing reading & interpretation for reliable & consistent results, uses plastic tubes & no sharps or radioactive materials, fluorometric optical O2 sensors rather than radiometric tagging, SIRE/PZA TB therapy drugs, system continuously performs QA to enable precision & reliability	1/15/2019 thru 1/14/2020	8/15/2018	\$113,540.62
<b>WASHING MACHINE &amp; DRYER, HIGH TEMP</b>	yes - Wascomat W730- 30 lb Washer, 100-G force extraction, durable ss construction & low water consumption, Compass Pro microprocessor to optimize cycles/minimize water consumption/prevent overdrying, Wascomat TD 35- 35 lb Gas Dryer, axial airflow design & ss construction for durability & low energy consumption	2/1/2019 thru 1/31/2024	7/17/2018	\$354,075.00
<b>HITACHI CHAINS AND COMPONENTS (BRAND SPECIFIC)</b>	yes - Hitachi stainless steel conveyor chains & links for wastewater treatment, 403ss & 304ss, 403ss sprocket with replaceable teeth	2/1/2019 thru 1/31/2024	9/11/2018	\$2,538,188.06

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>IRON CASTINGS, WATER MAIN (DEP-BWSO)</b>	yes - Gray Iron Castings manhole heads/frames/covers, hydrant valve box/grate, conform to ASTM A48 Spec for Gray Iron Castings	12/1/2018 thru 5/31/2023	12/21/2018	\$1,090,745.00
<b>VITEK MS PLUS, EASYMAG, ETEST, VIDAS SYSTEMS</b>	yes - Vitek MS Plus system employs MALDI-TOF mass spectrometry, enables rapid/robust/highly accurate microbial species identification, capable of both invitro diagnostics and research protocols, extensive database with multiple species isolates for clinical diagnostics, capability to build personalized research database while meeting all FDA IVD regulations, enables flexible & efficient study of microbial resistance & strain typing	1/1/2018 thru 12/31/2024	12/11/2018	\$2,028,699.75
<b>JWC ENVIRONMENTAL GRINDERS, CONTROLLERS &amp; PARTS</b>	yes - JWC Environmental Monster Grinders & Controllers & replacement parts for DEP sewage processing, Grinder Controller motor 316 SS NEMA 4X & NEMA 7 Enclosures, multi-tooth alloy-steel cam cutting heads, industrial strength & modular design	2/1/2019 thru 1/31/2024	1/28/2019	\$2,510,000.00
<b>TRUCK, DIESEL/ELECTRIC HYBRID DRY FREIGHT -DSNY</b>	yes - HINO Model #195 Hybrid Diesel-Electric Dry Freight Truck for DSNY, 2 maintenance-free 12V batteries min 750 CCA & min 288V Ni-MH battery for hybrid drive, power liftgate, E-Waste vehicle, expected 7-yr life-cycle heavy duty industrial service, robust design can operate down to -40F & up to 85% RH, LED wall-mounted dome lights/LED body & tail lights, DPF &/or SCR system for emissions control, SS exhaust system	1/31/2019 thru 1/30/2024	1/22/2019	\$3,234,241.99
<b>PAPER: CONTINUOUS/ CARBONLESS; CARBON INTERLEAF 2</b>	yes - Continuous Carbonless Paper 30% PC recycled content	2/28/2019 thru 2/27/2024	1/8/2019	\$1,093,350.00
<b>HIGH DENSITY FILING SYSTEM (FURNITURE)</b>	yes - Datum Storage Solutions MobilTrak steel storage cabinets & shelving on a rolling movable track system, solid steel drive shaft, heavy duty carriage construction, aisle safety locks prevent movement of carriage while in use, high density storage with more efficient use of existing space minimizing open unused storage space volume, durable steel channels/carriage/shelving modular design, Datum lifetime warranty on parts & 2-yr warranty on labor	3/1/2019 thru 2/28/2024	1/30/2019	\$6,920,153.00

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>THERMAL IMAGING CAMERAS, PARTS &amp; ACCESSORIES BRAND</b>	yes - Mine Safety Appliances Thermal Imaging Cameras & accessories including extended 5 year warranty, MSA Evolution 6000 TIC, Thermal Imaging Heat Seeking Camera with Heat Seeker Indicator built for robust design high resolution color images over a wide temperature range under extreme fire fighting search & rescue conditions, high impact heat & radio frequency interference resistant polymer case, meet stringent performance criteria for heat/mechanical shock/water intrusion, NFPA 1801 compliant, rechargeable Li-ion battery and battery recharger	3/1/2019 thru 2/28/2024	1/24/2019	\$4,143,391.79
<b>TRUCK, COLLECTION, DIESEL &amp; HYBRID OPTION - DPR</b>	yes - Hybrid Diesel HINO 195 Truck, 6 c.y. rear loading compacting refuse collection body, capable of collecting construction refuse and operating on bumpy ground surfaces, designed for heavy duty/severe service, DEF NOx abatement system	3/15/2019 thru 3/14/2024	3/4/2019	\$3,245,672.00
<b>GRP: VEEDER-ROOT TANK MEASURING SYSTEM</b>	yes - Veeder-Root Automatic Tank Gauging & Leak Detection System automatically monitors & records tank level, can be fitted with sensors that detect tank & fuel line leakage & high level tank-full protection & can be configured with remote access. This automated system is more effective, efficient, & reliable than manual gauging systems. Veeder-Root meets ATG for UST federal EPA 40 CFR Parts 280 & 281 & NYS DEC 6 CRR-NY Part 613 Petroleum Bulk Storage regulations that require Underground Storage Tank protection against spill/overflow/corrosion & that require release detection equipment & contaminant sump testing.	4/1/2019 thru 3/31/2024	2/20/2019	\$410,000.00

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>RESILIENT SEATED GATE VALVES &amp; PARTS</b>	yes - Ductile Iron valve body, seal plate & bonnet lead free castings for potable water meeting ASTM A536, typically contain >80% recycled iron, recyclable at end of useful lifetime, durable product designed for long service life, coated with fusion bonded epoxy for strong coating adhesion & corrosion prevention, T. Mina domestic commercial manufacture, modular component design of Resilient Seated Gate Valve enable onsite replacement of seat & other components to extend usable service life.	4/1/2019 thru 3/31/2022	3/15/2019	\$1,870,851.00
<b>CITYWIDE HEARING CONSERVATION SERVICES</b>	yes - Audiometric Testing in accordance with Citywide Hearing Conservation Program for 29 CFR §1910.95 OSHA Noise Exposure Standard compliance	5/1/2019 thru 4/30/2020	11/27/2018	\$625,000.00
<b>SLUDGE COLLECTOR FLIGHTS (BRAND SPECIFIC)</b>	yes - 316 stainless steel Hardware (bolts, washers, locknuts) for Sludge Collector Flights, industrial SS fittings typically contain ~60% recycled content, Flight Fittings for industrial service sewage & sludge lines at DEP wastewater treatment plants, subject to abrasive & corrosive operations environment	5/1/2019 thru 4/30/2024	3/26/2019	\$1,829,984.90
<b>GSA - EXPLOSIVES DETECTION CANINE SERVICES</b>	yes - Dogs trained to detect volatiles and microparticulates associated with a variety of actual explosives offer an environmentally preferable alternative to chromatography & spectroscopy & optical sensor instrumentation and associated equipment	4/16/2019 thru 8/13/2023	4/17/2019	\$40,071,980.00
<b>SUV, PLUG-IN HYBRID ELECTRIC VEHICLE (PHEV)</b>	yes - Mitsubishi Outlander plug-in hybrid electric SUV, 12 kWh Li-ion battery, DC fast-charging capability, regenerative braking charges battery, twin electric motors with all wheel control, 2L MIVEC (variable valve timing electronic control) engine to improve power output/fuel consumption/exhaust emissions	4/1/2019 thru 3/31/2024	3/27/2019	\$3,550,000.00
<b>DIESEL AND BIODIESEL, BULK DELIVERY &amp; RACK PICK UP</b>	yes - Biodiesel B5 and B6-B20 ULS D-2/D-1 blends, bulk and rack delivery, must meet NYC Spec #16-F-5:15A for Biodiesel B5 and B6-B20 (On Road Use Only)	6/1/2019 thru 5/31/2020	5/8/2019	\$35,574,381.90

Description	EPP Minimum Standard Indicated?	Contract Start/End Dates	Registration Date	Contract Value
<b>PREMIUM RUBBER SPEED BUMPS (BRAND SPECIFIC)-QUICK KURB</b>	yes - Quick Kurb high visibility traffic channelization device, metal hook tongue & bolt with bollard connects to separator curb with rubber boot, not necessary to fasten system to roadway, quick conveyor machine temporary installation & removal, reusable & resulting in no residual road damage following removal, reboundable upon impact without dislodging for extended durability	6/1/2019 thru 5/31/2024	5/15/2019	\$357,669.65
