**STATEMENT FROM HUD SECRETARY JULIÁN CASTRO ON MAYOR DE
BLASIO'S COMPREHENSIVE HOMELESS SERVICES PLAN**

“HUD has worked closely with the City during its intensive review of its homelessness programs, and I commend the Mayor and his team for pursuing best practices from across the nation. Specifically, creating an Interagency Homelessness Accountability Council and better integrating the Continuum of Care into the City's policy planning are strategies that have been proven successful in other communities. My team and I look forward to continuing our work with the City to end homelessness in New York for good.”
