BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL,
NEW YORK, November 21, 1890.

The Hons. Hugh J. Grant, Mayor; W. H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meetings of October 29 and November 12 were read and approved.

The Supervisor of the City Record presented the following report:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, }
NEW YORK, November 21, 1890.

To the Hons. the Mayor, the Counsel to the Corporation, and Commissioner of Public Works :

GENTLEMEN—Of the requisitions before you to-day, only those from the Departments of Public Works and Taxes, the Board of Aldermen and the District Attorney require explanation. The Department of Public Works needs the blanks in question because of its increased business. The Tax Department calls on you for stationery needed to carry out the block index system, because the Counsel to the Corporation has ruled that it can only procure maps, etc., out of its special appropriation. The Board of Aldermen wishes, at the suggestion of the Mayor, I am informed, to change the system of granting permits for ornamental lamps, and the District Attorney needs new forms for use in lunacy cases.

The requisitions should be allowed.
Respectfully submitted.

W. J. K. KENNY.

The report was accepted, and the requisitions were acted on as the side-notes below indicate, the Supervisor being authorized, by a concurrent vote of the three officers, to procure the goods allowed by direct order.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
December 8, 1890.

The following claims for the refund of penalties imposed and collected by the Register under authority of section 7, chapter 475, Laws of 1890, have been filed in this office, viz.:

Frederick William Holls (two cases).....	\$10 00
Rufus P. Livermore.....	5 00
Strong & Cadwalader.....	5 00

The first-named case was referred to the Corporation Counsel, whose opinion, dated December 4 instant, and herewith submitted, is that the penalty imposed was without authority of law and should be returned.

Several other cases of the same kind are known to be held back awaiting the decision in the above.

The penalties so charged and collected prior to December 1 instant, have been deposited in the City Treasury to credit of the General Fund.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, December 4, 1890.

Hon. THEODORE W. MYERS, Comptroller:

SIR—I have received your communication under date November 6, 1890, enclosing a claim of Frederick W. Holls for \$10, the amount of two certain penalties paid by him to the Register of the City and County of New York for recording two quit-claim deeds, with a request that I detail one of my assistants to conduct an examination as provided for by section 123 of the Consolidation Act.

I have examined into the merits of said claim, and find that on the 9th day of September, 1890, the claimant delivered to the Register, for record, two quit-claim deeds in the ordinary form, containing no covenants whatever, for the recording of which he was required to pay, in addition to the fees allowed by law, a penalty of \$5 for each deed.

These penalties were imposed under the authority of section 7, chapter 475 of the Laws of 1890, which provides as follows:

"The Register or County Clerk of the County of New York and the County of Kings shall be entitled to charge for the recording of any instrument containing the above-mentioned covenants or any of them at large, instead of the short forms thereof in this act contained, the sum of \$5 in addition to the fee chargeable by law for such recording."

This section, however, makes no provision for the imposing of a penalty for recording an instrument which does not contain any of the covenants mentioned in said act, and as was said by Mr. Justice Barrett in the case of the People ex rel. Ely vs. Fitzgerald, as Register, reported in the Law Journal of October 18, 1890, "it is specifically limited to instruments containing the covenants previously enumerated in the act."

It is clear, therefore, that as said deeds did not contain any of the prohibited covenants, there was no authority in law for imposing said penalties, and that the amount thus paid by Mr. Holls, in addition to the regular fees allowed by law, should be returned to him.

I return all the papers which accompanied your communication, and remain,

Respectfully, yours,
WM. H. CLARK, Counsel to the Corporation.

And offered the following resolution:

Resolved, That the Comptroller be and he is hereby authorized to refund the penalties charged and collected by the Register under section 7, chapter 475, Laws of 1890, on presentation of claim duly certified by the Register that said charge was erroneous under the decision of the Court and opinion of the Corporation Counsel, said payments to be made from the General Fund.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and President of the Department of Taxes and Assessments—4.

The Comptroller presented the following:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK, November 11, 1890.

Hon. HUGH J. GRANT, Mayor and Chairman, Board of Estimate and Apportionment:

DEAR SIR—By the provisions of section 141 of the New York Consolidation Act of 1882, authority is given for the further issue of additional "Croton Water Stock" to provide for the further supply of pure and wholesome water for the City of New York.

The amount heretofore called for being nearly exhausted for expenditures incurred in works of construction, purchase of materials, acquisition of land, etc., requisition is hereby made for the further issue of said stock to the amount of two hundred and fifty thousand dollars (\$250,000) for the use of this Department.

Very respectfully,
THOS. F. GILROY, Commissioner of Public Works.

Which was received and referred to the Comptroller.

The Secretary presented the following:

To the Board of Estimate and Apportionment of the City of New York:

The petition of John J. Clarke respectfully shows, that by chapter 491 of the Laws of 1890, your Honorable Board was authorized to examine the claim of petitioner arising from services

rendered as Clerk of the District Court for the Tenth Judicial District of the City of New York, between the first day of January, 1886, and the fourth day of October, 1886, and if it should satisfactorily appear to your Honorable Board that such services were actually rendered and that said claim was founded in equity and justice, then your Honorable Board is authorized to make an appropriation for the payment of the same or any part thereof, the amount so appropriated to be included in the Final Estimate for the year 1891, and paid to your petitioner.

Your petitioner further shows that your petitioner was appointed Clerk of the District Court in the City of New York, for the Tenth Judicial District, by the Honorable Andrew J. Rogers, Justice of said Court, for a term of six years from the first day of January, 1886, that being the commencement of the term of said Justice.

That your petitioner entered upon the performance of the duties of said office on said first day of January, 1886, and continued to perform all the duties of the same exclusively until the fourth day of October, 1886, for which services so rendered your petitioner has never been paid.

That immediately after the appointment of your petitioner a claim was made by Matthew P. Breen, that he had a right to the office of Clerk of said Court by virtue of an appointment made by the Justice of said Court whose term of office had expired, and litigation ensued for the purpose of settling said claim which resulted in a decision of the Court of Appeals that said Breen was entitled to said office and your petitioner thereupon surrendered the office to said Breen.

That the salary of said office is three thousand dollars a year and the proportionate part thereof for the time for which your petitioner filled said office is the sum of two thousand two hundred and seventy-five dollars.

That your petitioner was put to great expense in said litigation, and that it is but just and equitable that he should be paid for the services rendered by him as aforesaid.

Your petitioner therefore prays that your Honorable Board will make an appropriation for the payment of said claim to your petitioner as provided by said act of the Legislature.

JOHN J. CLARKE,
582 East One Hundred and Forty-fifth street.

City and County of New York, ss.:

John J. Clarke being duly sworn says that he is the petitioner above named, and that the foregoing petition is true to his own knowledge.

JOHN J. CLARKE.

Sworn before me this 18th day of November, 1890.

J. S. MCGOVERN,
Commissioner of Deeds,
New York County.

If it shall satisfactorily appear to the said board of estimate and apportionment that such services were actually rendered and that said claim is founded in equity and justice, then the said board of estimate and apportionment is hereby authorized to make an appropriation for the payment of the same or any part thereof, and the amount so appropriated shall be included in the final estimate for the year eighteen hundred and ninety-one, and paid to said John J. Clarke.

SEC. 2. This act shall take effect immediately.

State of New York, Office of the Secretary of State, ss.:

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
No. 2 City Hall,
NEW YORK, December 8, 1890.

PROPOSALS FOR PRINTING AND DISTRIBUTING THE CITY RECORD.

SEALED BIDS OR ESTIMATES FOR PRINTING and distributing the CITY RECORD (a publication provided for by section 111 of chapter 335, Laws of 1873, section 1 of chapter 631, Laws of 1875, and sections 66, 67 and 68 of chapter 410, Laws of 1882, otherwise known as the New York City Consolidation Act) for one year from January 1, 1891, in accordance with specifications filed in the office of the Supervisor of the City Record, City Hall, New York, will be received in the office of the Supervisor until 12 o'clock M., on Thursday, the 18th day of December, 1890, at or about which hour they will be publicly opened and read in the office of the Mayor of the City of New York. The award of the contract will be made as soon thereafter as practicable.

Each estimate must state the name and place of residence of the person making the same, and his place of business; the names of all persons interested with him therein and, if no other be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same work, and without collusion or fraud; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein or in any portion of the profits thereof. Each estimate must be made in strict conformity to the ordinances of the City and the specifications; it must be verified by the oath of the party making the same, accompanied by the consent and oath or affirmation of two sureties, householders or freeholders of the City of New York and placed in a sealed envelope. The envelope must be indorsed "Estimate for Printing and Distributing THE CITY RECORD," together with the name and place of business of the party making the estimate, and the date of its presentation. The security required on the contract will be thirty-four thousand (\$34,000) dollars.

No estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of one thousand seven hundred and twenty (\$1,720) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record or clerk who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be

Boston avenue, from One Hundred and Sixty-fifth street to Southern Boulevard	20 lamps.
Third avenue, from Willis avenue to One Hundred and Seventy-first street	27 "
Westchester avenue, from Brook avenue to Prospect avenue	10 "
St. Ann's Avenue, from One Hundred and Thirty-fourth street to One Hundred and Sixty-first street	22 "
Fordham avenue, from One Hundred and Seventy-second street to One Hundred and Eighty-seventh street	20 "
	266 lamps.

Estimates for the above will be received at the office of the Commissioner of Public Works, No. 21 Chambers street, in the City of New York, until 1 o'clock P. M. of Tuesday, December 23, 1890, at which place and time they will be publicly opened by said Commissioner and read.

Any person making an estimate for the above shall furnish the same in a sealed envelope, indorsed "Estimate for furnishing, operating and maintaining electric lamps;" and also with the name of the person making the same and the date of its presentation.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the same supplies and work, and that it is in all respects fair and without collusion or fraud; and, also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the same, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid or estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law.

Bidders are required to state in their estimates the several streets, avenues, parks and public places, or parts of streets, avenues, parks and public places, in which they propose to perform the requirements herein contained, giving in detail the number of lamps which it is proposed to furnish for lighting each street, etc.; and in case the streets or any portion of the streets which are contemplated in the bid are not lighted by the bidder with electric arc lamps at the time of the making of the bid, then a map or sketch showing clearly the proposed locations of lamps, lamp-posts and conducting wires in such streets must be submitted with the bid.

Bidders must state the kind or system of light they propose to furnish.

Bidders are required to state the price per night for each lamp, at which they propose to furnish, operate and maintain a light in accordance with the requirements of the specifications and for the period mentioned in the agreement.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

Bidders are required to state the number and locations of the central stations at which the electric current is to be generated, and what provision, if any, will be made against the accidental extinction of the lights on account of damage to the central station by fire.

The amount of security required is Twenty-five Thousand Dollars.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the person making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

No bid or estimate will be considered from any company, corporation or individual that is not authorized and empowered either by the Common Council or by the Board of Electrical Control, to lay, erect and construct, and that has not (except where electric-light conduits are laid) suitable wires or other conductors with the necessary poles, pipes or other fixtures, in, on, over and under streets, avenues and public parks and places of the City of New York, for conducting and distributing electricity to do the lighting bid for; and that does not possess a sufficient central station with suitable appliances therein, for generating the electrical current required for the purposes of accomplishing the work specified in the bid or estimate.

Provided nothing herein contained shall prevent any company, corporation or individual from bidding for supplying said light in any street or part of street, park or public place in which such corporation, company or individual has a trunk or main line, and lamps, lamp-posts and connections only are necessary to be constructed in order to furnish lighting in such streets, parks or public places.

Also further provided that in case a contract for lighting any street, part of street, park or public place shall be awarded to any company, corporation or individual having only a trunk or main line, therein, or wherein electric light conduits are laid, thirty days from the execution of the contract, and such further time, not exceeding thirty days, as may be deemed reasonable by the Mayor, Comptroller and Commissioner of Public Works, shall be allowed to such bidders in which to erect lamp-posts, lamps and establish connecting wires thereto, or for placing conductors in subways and connecting lamps therewith.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been established in complete working order, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

The award of any contract, if awarded, will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom any contract is so awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or estimate, or if he accept, but does not execute the contract and give the proper security, it may be readvertised and relet as provided by law and ordinance.

Bidders are informed that no deviation from the specifications will be allowed.

The right is reserved, when an estimate is made containing bids for lamps in one or more streets, avenues, parks or places, to accept from such estimate or bid so much thereof as may be the lowest per lamp in any one or more of such streets, avenues, parks or places, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The right is also reserved to determine what streets or parts of streets and public places shall be lighted by electric lights. The contract for lamps in any particular street, avenue, park or place, will be awarded, if awarded, to the lowest bidder per lamp in such particular street, avenue, park or place.

The right is also reserved to regulate the number of lamps which may be erected and their location and disposition, in order to best illuminate the streets, parks or other public places for the lighting of which bids may be received. The right is also reserved to decline all estimates if deemed for the best interests of the City. No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

The attention of bidders is called to the provisions of specifications 3 and paragraph P in the annexed form of agreement.

Blank forms of estimates can be obtained on application at the office of the Commissioner of Public Works.

DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,
PIER "A," NORTH RIVER.

TO CONTRACTORS.

(No. 363.)

PROPOSALS FOR ESTIMATES FOR DREDGING THE HALF SLIP WESTERLY OF PIER 12, AND IN FRONT OF THE BULKHEAD BETWEEN PIERS 11 AND 12, ON THE EAST RIVER.

ESTIMATES FOR DREDGING AT THE ABOVE-named places on the East river will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery park, North river, in the City of New York, until 12 o'clock M. of

TUESDAY, DECEMBER 30, 1890,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above-named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Four Hundred Dollars.

The Engineer's estimate of the quantities of material necessary to be dredged in order to secure at the premises mentioned the depth of water set opposite thereto in the specifications is as follows:

Half slip west of Pier 12, East river.	6,500 cubic yards.
Bulkhead between Piers 11 and 12,	
East river	1,800 "
Total	8,300 "

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

(1.) Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 15th day of January, 1891, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment has expired are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price per cubic yard for doing such dredging in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his

or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The work to commence at such time as the Commissioner of Public Works may designate.

N. B.—Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any bid or estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to the approval of the Comptroller after the award is made and prior to the signing of the contract.

For the nature and extent of the work to be done bidders are referred to the specifications and the plans and drawings, which can be seen at the office of Thom, Wilson & Scharschmidt, No. 126 Broadway; said specifications, plans and drawings form part of these proposals.

The entire work is to be completed within 350 days after notice to commence work has been given by the Commissioner of Public Works.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at ONE HUNDRED DOLLARS per day.

Bidders must state in writing and also in figures a price for the whole work complete, which price is to cover the furnishing of all necessary materials and labor and the performance of all the work set forth in the specification and form of agreement hereunto annexed.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract and give the proper security within the time aforesaid, the amount of his deposit shall be returned to him.

The amount of security required is twenty-five per cent. of the amount bid for the entire work, as hereinabove specified.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corpora-

tion may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the Hospital supplies must conform in every respect to the specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of Meats by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. TO CONTRACTORS.

ESTIMATES FOR FURNISHING ILLUMINATING GAS FOR LIGHTING THE PUBLIC MARKETS, ARMORIES, BUILDINGS AND OFFICES OF THE CITY OF NEW YORK, FOR THE PERIOD FROM JANUARY 1, 1891, TO DECEMBER 31, 1891, BOTH DAYS INCLUSIVE.

ESTIMATES FOR FURNISHING ILLUMINATING GAS FOR LIGHTING THE PUBLIC MARKETS, ARMORIES, BUILDINGS AND OFFICES OF THE CITY OF NEW YORK, or any of them, for the period from January 1, 1891, to De-

cember 31, 1891, both days inclusive, will be received by the Commissioner of Public Works of the City of New York, at his office, until 12 o'clock M. of Tuesday, December 1, 1890, at which time and place the estimates received will be publicly opened.

Any person making an estimate for the above-mentioned supplies shall furnish the same in a sealed envelope at said office, at or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimates must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true; where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with the respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which he or they would be entitled upon its completion, and that which the said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York.

The gas shall have an illuminating power of not less than eighteen candles when tested at a distance of not less than one mile from the place of manufacture, on the improved form of the Bunsen Photometer, by a Sugg Lethby 12-hole argand burner, calculated on a consumption of five cubic feet of gas per hour. The regular daily tests, however, will be made with a burner that will obtain from the gas the greatest amount of light, and practicable for use by the consumer, and consuming at the rate of five cubic feet of gas per hour. The testing candle shall be of sperm of six to the pound, and consuming, as near as possible, one hundred and twenty grains of sperm per hour, and no candle shall be used for testing which consumes less than one hundred and fourteen or more than one hundred and twenty-six grains of sperm per hour. And as regards purity, the gas shall be free, within limits not injurious to the public health, from ammonia, sulphuretted hydrogen, and other sulphur and noxious compounds.

Bidders are required to state in their estimates the several markets, armories, buildings and offices to which they propose to supply gas, and the illuminating power of the gas they propose to furnish.

Bidders are also required to state one definite and distinct price for each thousand cubic feet of gas furnished (whether the quantity be more or less) to each or any of the following public markets, armories, buildings and offices of the city, and this price must be written out in full, and also inserted in figures.

The amount of security required is \$20,000, but the same may be reduced at the option of the Mayor, Aldermen and Commonalty of the City of New York, if an award for a portion is made warranting a less amount security.

The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The right is reserved, when an estimate is made containing bids for supplying gas to one or more of the markets, armories, buildings, offices, etc., as aforesaid, to accept from such estimate or bid so much thereof as may be the lowest in respect to each particular market armory, building or office as aforesaid, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lighting any particular market, armory, building, office, etc., will be awarded, if awarded, to the lowest bidder on the lighting of each particular market, armory, building office, etc.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Commissioner of Public Works.

The right is also reserved to discontinue the lighting of any of the public markets, armories, buildings, offices, etc., to which gas shall be furnished, if at any time gas should not be required in any such public market, armory, building or office.

The right to decline all estimates is reserved, if deemed for the interest of the Corporation, by the Commissioner of Public Works, and no estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any market, armory, building or office, situated on any street in which the gas-mains of such bidder are not laid at the time of the making of the bid, and a contract for furnishing gas to said market, armory, building or office shall be awarded to any such bidder, then, in that case thirty days from the date of the execution of such contract shall be allowed to such bidder for the laying of the gas-mains of such bidder in said street, providing such bidder shall have a franchise or grant from the Mayor, Aldermen and Commonalty of the City of New York, authorizing the laying of gas-mains in such street. Blank forms of estimates can be obtained on application at the office of the Commissioner of Public Works.

THOMAS F. GILROY,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number, of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,
Commissioner of Public Works

JURORS.

NOTICE OF COMMISSIONER OF JURORS IN REGARD TO CLAIMS FOR EXEMPTION FROM JURY DUTY.

ROOM 127, STEWART BUILDING,
No. 280 BROADWAY, THIRD FLOOR,
NEW YORK, June 1, 1890.

CLAIMS FOR EXEMPTION FROM JURY duty will be heard by me daily at my office, from 9 A. M. until 4 P. M.

Those entitled to exemption are: Clergymen, lawyers, physicians, surgeons, surgeon-dentists, professors or teachers in a college, academy or public school, editors, editorial writers or reporters of daily newspapers, licensed pharmacists or pharmacists, actually engaged in their respective professions and not following any other calling; militiamen, policemen, and firemen; election officers; jury non-residents, and city employees, and United States employees; officers of vessels making regular trips; licensed pilots, actually following that calling; superintendents, conductors and engineers of a railroad company other than a street railroad company; telegraph operators actually doing duty as such; Grand, Sheriff's, and Civil Court jurors; stationary engineers; and persons physically incapable of performing jury duty by reason of severe sickness, deafness, or other physical disorder.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible), and at this office only, under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States jurors, are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.
