### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:  
Administration for Children's Services (ACS)  
Department for the Aging (DFTA)  
Department of Corrections (DOC)  
Department of Health and Mental Hygiene (DOHMH)  
Department of Homeless Services (DHS)  
Department of Probation (DOP)  
Department of Small Business Services (SBS)  
Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD)  
Human Resources Administration (HRA)  
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit [www.nyc.gov/hhsaccelerator](http://www.nyc.gov/hhsaccelerator).

#### Statement of Basis and Purpose of Proposed Rule

Section 20-816(b) of the Administrative Code, enacted as part of section 2 to Local Law 17 of 2011, provides that a pregnancy services center "shall disclose if it does or does not have a licensed medical provider on staff who provides or directly supervises the provision of all of the services at such pregnancy services center." Section 20-816(f) of the Administrative Code requires that the disclosure must be made "(1) in writing, in English and Spanish in a size and style as determined in accordance with rules promulgated by the commissioner on (i) at least one sign conspicuously posted in the entrance of the pregnancy services center; (ii) at least one additional sign posted in any area where clients wait to receive services; and (iii) in any advertisement promoting the services of such pregnancy services center in clear and prominent letter type and in a size and style to be determined in accordance with rules promulgated by the commissioner". The proposed rules set forth the size, color and location of the disclosure signs required to be posted at the pregnancy services center and in advertisements promoting the services of the pregnancy services center.

Proposed section 5-266 of Title 6 of the Rules of the City of New York would require a pregnancy services center to post a sign stating whether it has a licensed medical provider on staff who provides or directly supervises the provision of all services at such pregnancy services center. Under the rule, the Department will provide the signage on its web site for the Pregnancy Services Center to download. The sign will measure eleven (11) inches by seventeen (17) inches and the lettering will be one-inch high. The required statement will be in both English and Spanish. The proposed rule would require the pregnancy services center to post the sign at the public entrance to the pregnancy services center and in waiting areas, and specifies the locations where the pregnancy services center must post the signs.

Proposed section 5-267 provides a non-inclusive list of print and electronic visual representations that the term "advertisement promoting the services of a pregnancy services center" comprises. It would require that the required disclosure on printed materials be clear, legible, in the same color and darkness, and in type size at least one-third as high and one-third as broad as the largest print in the advertisement. The rule would require that the disclosure in internet advertisements is clear, legible and in close proximity to the description of services provided at the pregnancy services center.

New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

#### Proposed Rule Amendment

Section 1. Chapter 5 of Title 6 of the Rules of the City of New York is amended by adding a new subchapter P to read as follows:

#### SUBCHAPTER P

##### PREGNANCY SERVICES CENTERS

###### § 5-266. Display of Sign for Required Disclosure.

(a) Every pregnancy services center must display at its facility a sign provided by the Department stating in English and Spanish that it does or does not have a licensed medical provider on staff who provides or directly supervises the provision of all services at such pregnancy services center, as the case may be. The Department will provide both signs on its website for downloading by pregnancy services centers. The sign will measure eleven (11) inches by seventeen (17) inches and the lettering will be one inch high.

(b) Every pregnancy services center must post the appropriate sign at the public entrance. If the pregnancy services center is located in an office building or other structure containing two or more independent units, the sign must be posted at the door used exclusively for entry to the pregnancy services center. The sign must be posted so that the distance from the top of the sign to the floor is between sixty-six (66) and seventy (70) inches and the distance between the frame of the door and the closest edge of the sign is not more than twelve (12) inches.

(c) Every pregnancy services center must post at least one sign in every area where clients wait to receive services. If the waiting area contains a reception desk, the sign must be posted on the reception desk or on a wall at a location not greater than 12 inches from the reception desk. If the sign is posted on a wall, it must be posted so that the distance from the top of the sign to the floor is between sixty-six (66) and seventy (70) inches.

(d) Every pregnancy services center must also post the disclosure on its website accurately stating in English and Spanish whether it does or does not have a licensed medical provider on staff who provides or directly supervises the provision of all services at such pregnancy services center. The lettering of such statement must be clear, legible, in the same color and darkness, and in a type size at least one-third as high and one-third as broad, as the largest print on the website. The statement on the website must be in close proximity to the description of services provided such pregnancy services center.

###### § 5-267. Disclosures in Advertising.

(a) "Advertisement promoting the services of a pregnancy services center" includes all promotional materials, statements, visual descriptions, or other visual representations of any kind disseminated in print or electronically, including, but not limited to, mailings, postcards, signs, business cards, flyers, hand-outs, brochures, banners, billboards, subway or bus signs, window signs, storefront signs, newspaper print advertisements and listings,

telephone directory listings, television advertisements and internet advertisements.

(b) Every advertisement promoting the services of a pregnancy services center must accurately state in English and Spanish whether it does or does not have a licensed medical provider on staff who provides or directly supervises the provision of all services at such pregnancy services center. The lettering of such statements in printed materials must be clear, legible, and in the same color and darkness, and in a type size at least one-third as high and one-third as broad, as the largest print in the advertisement. The lettering of such statement in television and internet advertisements must be clear and legible and in close proximity to the description of services provided at the pregnancy services center.

## READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
