On motion of the Mayor the application was referred to the Comptroller and the President of the Council.

The following communication was received from the Department of Highways relative to a renewal of leases of premises No. 186 Mulberry street and Nos. 214 and 216 West Ninety-ninth street, Borough of Manhattan, and premises at Station Place, Williamsbridge, Borough of The Bronx:

BOROUGH OF MANHATTAN, December 28, 1899.

Hon. ROBERT A. VAN WYCK, Mayor and Chairman, Commissioners of the Sinking Fund:

DEAR SIR—I respectfully request the Commissioners of the Sinking Fund to authorize renewals of the leases of the following premises, used by the Department of Highways:

Part of the premises No. 186 Mulberry street, comprising store space on the north side of the building, and half of the cellar, used as a repair shop for the Bureau of Street Openings, Paving and Repaving. The lease requires that water and light shall be furnished by the lessor, but no janitor service or heat. The lessor pays taxes and assessments. The rent is \$360 a year, payable monthly from the appropriation for "Repairs and Renewal of Pavements and Regrading," Borough of Manhattan. The lessor is George Kracht. The lease should be renewed from January 1, 1900, as the existing lease will expire December 31, 1899.

Lots Nos. 214 and 216 West Ninety-ninth street, used as a storage yard by the Bureau of Streets and Roads. The present lease will expire December 31, 1899, and should be renewed from January 1, 1900. The rent is \$100 per annum, payable monthly. The lessor is Herman F. Meyer. The rent is payable from the appropriation made to the Department of Highways, Borough of Manhattan, for "Boulevards, Roads and Avenues—Maintenance of."

The premises at Station place, Williamsbridge, Borough of The Bronx, occupied by employees of the Department of Highways. The owner is Annie C. Stapleton, and the rent is \$216 per annum, payable monthly from the appropriation made to the Department of Highways, Borough of The Bronx, for "Labor, Maintenance and Supplies." The present lease will expire December 31, 1899, and should be renewed from January 1, 1900. The conditions of the lease require the lessor to keep the premises in good repair, and stipulate that the City may remove any improvements put up by it, except lath and plaster partitions and doors and flooring.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of the following leases of premises occupied by the Department of Highways:

1. Premises No. 186 Mulberry street, Borough of Manhattan, comprising store space on the north side of the building and half of the cellar, for a term of one year from January 1, 1900, at an annual rental of three hundred and sixty dollars (\$360), payable monthly, otherwise upon the same terms and conditions as contained in the former lease; George Kracht, lessor.

2. Lots Nos. 214 and 216 West Ninety-ninth street, Borough of Manhattan, for a term of one year from January 1, 1900, at an annual rental of one hundred dollars (\$100), payable monthly, otherwise upon the same terms and conditions as contained in the former lease; Herman F. Meyer, lessor.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable, and that it would be for the interests of the City that such leases be made.

Which was unanimously adopted.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City of the following-described premises, for the use of the Fire Department:

1. A portion of the Pier on the easterly side of the Catharine Street Ferry Slip, Borough of Brooklyn, used by the Fire Department for the fire-boat "Seth Low," for a term of one year from January 1, 1900, at an annual rental of one thousand dollars (\$1,000.00), payment quarterly, otherwise upon the same terms and conditions as contained in the last lease thereof; The Union Ferry Company, lessor.

2. Part of the dock at the foot of North Eighth street, Borough of Brooklyn, now occupied by the Fire Department for dockage for fire-boats, for a term of one year from January 1, 1900, at an annual rental of one thousand dollars (\$1,000.00), payable quarterly, otherwise upon the same terms and conditions as in the last lease thereof; L. M. Palmer, lessor.

3. The plot of ground adjoining the hospital and training stables located on St. Edwards street, between Willoughby and Bolivar streets, Borough of Brooklyn, for a term of one year from January 1, 1900, at an annual rental of one hundred dollars (\$100.00), payable quarterly, otherwise upon the same terms and conditions as contained in the last lease thereof; A. P. Stevens, lessor.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

Which was unanimously adopted.

The following communication was received from the Fire Department relative to a renewal of the lease of premises Nos. 153 and 155 Furman street, Borough of Brooklyn:

BOROUGH OF MANHATTAN, October 10, 1899.

Mr. EDGAR J. LEVEY, Deputy Comptroller, 280 Broadway, New York:

SIR—The Deputy Commissioner, boroughs of Brooklyn and Queens, to whom was referred your letter of the 28th of August, reporting the receipt of a communication from the owners of premises Nos. 153 and 155 Furman street, Borough of Brooklyn, occupied as quarters for Engine 124, the lease of which expires January 1, 1900, refusing to renew the same for less than \$1,200 per annum, an advance of \$700, has submitted a report in reference thereto, a copy of which I have been directed by the Commissioner to forward.

Yours respectfully,

AUGUSTUS T. DOCHARTY, Secretary.

BOROUGH OF BROOKLYN, October 10, 1899.

Hon. JOHN J. SCANNELL, Fire Commissioner:

SIR—In reply to your letter of August 29, transmitting copy of a communication from Deputy Comptroller Edgar J. Levey, in which attention was called to notification from Messrs. E. R. Squibb & Sons, owners of premises Nos. 153 and 155 Furman street, Borough of Brooklyn, that upon the termination of the lease to said premises, January 1, 1900, the same would not be renewed for less than \$1,200 per annum, which is an advance of \$700 per annum, I beg to say that, after an inspection of that section, I find there is no other building available for our

purposes, and that if said lease is not renewed, we shall have to change the quarters of Engine 124, now occupying said buildings, to some other neighborhood. Such a change should be avoided if possible. The neighborhood of No. 153 and 155 Furman street consists chiefly of warehouses, stored with all sorts of materials, inflammable and otherwise, and it is very essential for the public safety that a fire-engine should be at hand in case of emergency.

The Deputy Comptroller in his letter states that the present rental, \$500, is the full rental value of these premises. That may be, but if we are unable to procure any other premises in that neighborhood, some action should be taken which would provide for the protection of property in that vicinity.

Respectfully,

(Signed) JAMES H. TULLY,
Deputy Fire Commissioner, Boroughs of Brooklyn and Queens.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JANUARY 8, 1900.

Hon. BIRD S. COLER, Comptroller:

SIR—The lease of the premises Nos. 153 and 155 Furman street, Borough of Brooklyn, and which premises are used by the Fire Department as an engine-house, expired on January 1, 1900.

Mr. E. R. Squibb has called upon me in regard to a renewal of the same, and submits an offer of \$900 per annum for a lease of one year, with the privilege of four yearly renewals; otherwise upon the same terms and conditions as in the previous lease.

This is a reduction of \$300 per annum from the rental previously demanded for a renewal of this lease, as will be seen from my reports of October 14 and November 1, 1899, in regard to this matter.

It would appear that the owners of property in this vicinity are very loath to have the engine company removed from its present location. In consequence, Mr. Squibb has made this material reduction in the rental price of this building, although at the same time he claims that the value of the premises for the purposes of his business is at least \$1,200 per annum.

It has been found impossible to locate this engine company in any other suitable building in this street, and the Fire Department deem it necessary for the protection of the property there situated that an engine company should be located on this street, I consider that it would be for the best interests of the City that the lease be renewed upon the amended terms, as submitted by Mr. Squibb, namely, \$900 per annum for a term of one year, with the privilege of four yearly renewals.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

BIRD S. COLER, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Edward H. Squibb and Charles F. Squibb, of the first and second floors, exclusive of stairway, of the building known as Nos. 153 and 155 Furman street, Borough of Brooklyn, with the right to use the stairway between said floors in common with the other owners or occupants, for the use of the Fire Department, for a term of one year from January 1, 1900, at an annual rental of nine hundred dollars (\$900.00), payable quarterly, with the privilege of four yearly renewals, otherwise upon the same terms and conditions as contained in the previous lease; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Board of Education relative to a renewal of the lease of premises Nos. 316 and 318 East Ninety-sixth street, Borough of Manhattan:

NEW YORK, December 28, 1899.

Hon. BIRD S. COLER, Comptroller:

DEAR SIR—I have the honor to inclose herewith certified copy of a report and resolution adopted by the Board of Education on the 27th instant relative to renewal of the lease of premises Nos. 316 and 318 East Ninety-sixth street, Borough of Manhattan, occupied by Public School No. 150, for two years from February 8, 1900, at an annual rental of \$2,400 and Croton water tax.

Respectfully,

A. EMERSON PALMER, Secretary, Board of Education.

To the Board of Education:

The Committee on Buildings, to which was referred a report and resolution adopted by the School Board for the boroughs of Manhattan and The Bronx, on November 1, 1899, requesting that the lease of premises Nos. 316 and 318 East Ninety-sixth street, occupied by Public School 150, Manhattan, be renewed for two years from February 8, 1900, with the privilege of renewal for an additional year, at an annual rental of \$2,400 and water tax, respectfully reports that the matter has been carefully investigated and it is found that the premises are required for school purposes and will be for some time to come. The owner, Henry A. Conolly, agent for the estate of Edward D. Conolly, has signified his willingness to renew the lease on the same terms now in force, and the following resolution is therefore submitted for adoption.

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a renewal of the lease of the premises Nos. 316 and 318 East Ninety-sixth street, Manhattan, occupied by Public School 150, for two years from February 8, 1900, with the privilege of renewal for an additional year, at an annual rental of two thousand four hundred dollars and Croton water tax, the other terms to be the same as those of the present lease.

A true copy of report and resolution adopted by the Board of Education on December 27, 1899.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JANUARY 6, 1900.

Hon. BIRD S. COLER, Comptroller:

SIR—The Board of Education, at a meeting held December 27, 1899, adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a renewal of the lease of the premises Nos. 316 and 318 East Ninety-sixth street, Manhattan, occupied by Public School 150, for two years from February 8, 1900, with the privilege of renewal for an additional year, at an annual rental of \$2,400 and Croton water tax, the other terms to be the same as those of the present lease."

Lessor, Henry A. Conolly, agent for the estate of Edward D. Conolly, No. 41 East Fifty-ninth street.

The premises consist of the two-story and basement brick building, 19 feet by 83 feet, on a plot of land 50 feet by 100 feet 8½ inches, and is one of three leased buildings on the south side of East Ninety-sixth street, which, taken together, comprise Public School 150.

The present lease, which expires February 1, 1900, was for a term of three years, at \$2,400 per annum and Croton water tax. The building, which was formerly used for manufacturing purposes, was altered at the expense of the lessor, who claims that he expended the sum of \$6,000 in order to fit it for school purposes.

Mr. Conolly has stated to me that his original proposition to the Board of Education was for a term of five years, which term was reduced by the Board to three, and that in consequence, without a two, and privilege of a third year renewal, which is now asked for, would have been a losing venture from a business standpoint. He also states that the alterations which have been made would not be suitable for any probable tenant at the termination of the lease, and that it would cost, approximately, \$1,500 to restore the building to a condition suitable for business purposes.

In view of the fact that it is absolutely necessary that school accommodations in leased buildings be had in this immediate vicinity, I think a renewal of this lease, upon the terms mentioned, \$2,400 per annum and Croton water tax, may be approved.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

BIRD S. COLER, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Henry A. Conolly, agent for the estate of Edward D. Conolly, of premises Nos. 316 and 318 East Ninety-sixth street, Borough of Manhattan, occupied by Public School No. 150, for a term of two years from the date of the expiration of the existing lease, with the privilege of renewal for an additional year, at an annual rental of twenty-four hundred dollars (\$2,400), and Croton water tax, otherwise upon the same terms and conditions as contained in the existing lease; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller is hereby

authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Police Department relative to a renewal of the lease of premises on the northeast corner of Washington avenue and One Hundred and Seventy-eighth street, Borough of The Bronx.

NEW YORK, January 3, 1900.

To the Honorable Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Police Board held this day, it was Resolved, That the Commissioners of the Sinking Fund be and are hereby respectfully requested to authorize the Comptroller to execute renewal of leases for the use of the Police Department of The City of New York of the following:

Joseph O'Donnell, premises northeast corner Washington avenue and One Hundred and Seventy-eighth street, Borough of The Bronx, station-house for Thirty-seventh Precinct, one year from March 11, 1900, \$2,750 per annum.

Very respectfully,

WM. DELAMATER, Deputy Chief Clerk.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from Joseph P. O'Donnell, of the premises occupied by the Police Department as a station-house for the Thirty-seventh Precinct, on the northeast corner of Washington avenue and One Hundred and Seventy-eighth street, Borough of The Bronx, for a term of one year from March 11, 1900, at a rental of two thousand seven hundred and fifty dollars (\$2,750) per annum, payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Which was unanimously adopted.

The following communication was received from the Department of Sewers relative to a renewal of the leases of premises on One Hundred and Sixty-seventh street, near Southern Boulevard, and premises on Mount Hope place, Borough of The Bronx:

NEW YORK, January 10, 1900.

Sinking Fund Commissioners, City of New York:

GENTLEMEN—I herewith transmit original communication with copy of leases received from the Deputy-Commissioner of Sewers, Borough of The Bronx, in relation to leasing premises on Mount Hope place and on the north side of One Hundred and Sixty-seventh street, one hundred feet east of Southern Boulevard, for the use of the Department of Sewers, Borough of The Bronx.

There has been a delay through an oversight of the office in the Borough of The Bronx, which I exceedingly regret, but I hasten to transmit all the papers in the case to you, and recommend that the leases be made for the premises mentioned.

I am, yours respectfully,

JAS. KANE, Commissioner of Sewers.

NEW YORK, January 9, 1900.

Hon. JAMES KANE, Commissioner of Sewers, City of New York:

DEAR SIR—In the matter of the leases for 1900 of property to be used by this Department as branch offices, I beg to inform you that the following described properties were leased by The City of New York and occupied by this Department, during the year 1899:

"Grounds and buildings on Mount Hope place, Borough of The Bronx, about 115 feet west of Anthony avenue, running through to One Hundred and Seventy-seventh street, owned by Mrs. Eliza M. Nichols and leased from her by The City of New York at an annual rental of \$400, from the 1st of May, 1899, to the 1st of May, 1900."

"Premises on the north side of One Hundred and Sixty-seventh street, 100 feet east of the Southern Boulevard, owned by Eliza N. Gray and leased from her by the City at a monthly rental of \$25, from the 1st of January, 1899, to the 1st of January, 1900."

I was under the impression that both of these leases were dated May 1, 1899, and did not expire until May 1, 1900, but I find that I have been in error, inasmuch as the lease of the property owned by Mrs. Eliza N. Gray expired on January 1, 1900.

I regret exceedingly the delay caused by this oversight and hasten to respectfully request that you lay these matters before the Sinking Fund Commission with the recommendation that both of the above described premises be leased by The City of New York for the year 1900, the lease of the property in Mount Hope place to date from May 1, 1900, to May 1, 1901, and the lease of the property in One Hundred and Sixty-seventh street to be dated back to take effect January 1, 1900, and to expire January 1, 1901, at the same rental for both places as obtained in 1899.

I inclose herewith copies of the two leases mentioned.

Respectfully,

THOS. J. BYRNE,

Deputy Commissioner of Sewers, Borough of The Bronx.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City of the following described premises for the use of the Department of Sewers, on the same terms and conditions as are contained in the former leases thereof, except as herein-after set forth:

1. Premises on the north side of One Hundred and Sixty-seventh street, Borough of The Bronx, 100 feet east of the Southern Boulevard, for a term of one year from January 1, 1900, at a monthly rental of twenty-five dollars (\$25), taxes, assessments and water rents upon the premises to be paid by the lessor; Eliza N. Gray, lessor.

2. Grounds and buildings on Mount Hope place, Borough of The Bronx, about 115 feet west of Anthony avenue, running through to One Hundred and Seventy-seventh street, for a term of one year from May 1, 1900, at an annual rental of seven hundred and twenty dollars (\$720), payable quarterly, the lessee to pay the water rent; Mrs. Eliza M. Nichols, lessor, or Cotton W. Bean, agent.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

Which was unanimously adopted.

The Comptroller offered the following resolutions to ratify and affirm appraisements and upset prices fixed for the sale of the interest of the city in certain lands in the Borough of Brooklyn:

Resolved, That the appraisement and fixing of a minimum or upset price for the interests of the City in a strip of land formerly part of Reid's lane or road, in the Borough of Brooklyn, running through certain lots known as Nos. 278, 280, 284 and 286 Reid avenue and Nos. 530 and 532 Macon street, at the sum of one dollar (\$1), the purchaser to pay the auctioneer's fee and seventy-five dollars (\$75) for expenses of the sale, examinations, etc., as made by resolution of this Board, adopted May 17, 1899, be and the same is hereby ratified and affirmed.

Resolved, That the appraisement and fixing of a minimum or upset price for the interests of the City in and to the parcel of land formerly part of the Flatbush Turnpike road, in the Borough of Brooklyn, included within the boundaries of certain lots designated by the numbers 6381 to 6385, both inclusive, in Block 126, at the sum of one dollar (\$1), the purchaser to pay the auctioneer's fee and seventy-five dollars (\$75) for expenses of the sale, examinations, conveyances, etc., as made by resolution of this Board, adopted May 17, 1899, be and the same is hereby ratified and affirmed.

The Comptroller presented the following report of the Engineer of the Department of Finance appraising the value of property owned by the City and known as Nos. 49, 51 and 53 Ridge street, Borough of Manhattan, and offered the following resolution: (see minutes of August 8, 1898, page 201, and minutes of January 20, 1899, page 1).

DECEMBER 26, 1899.

Hon. BIRD S. COLER, Comptroller:

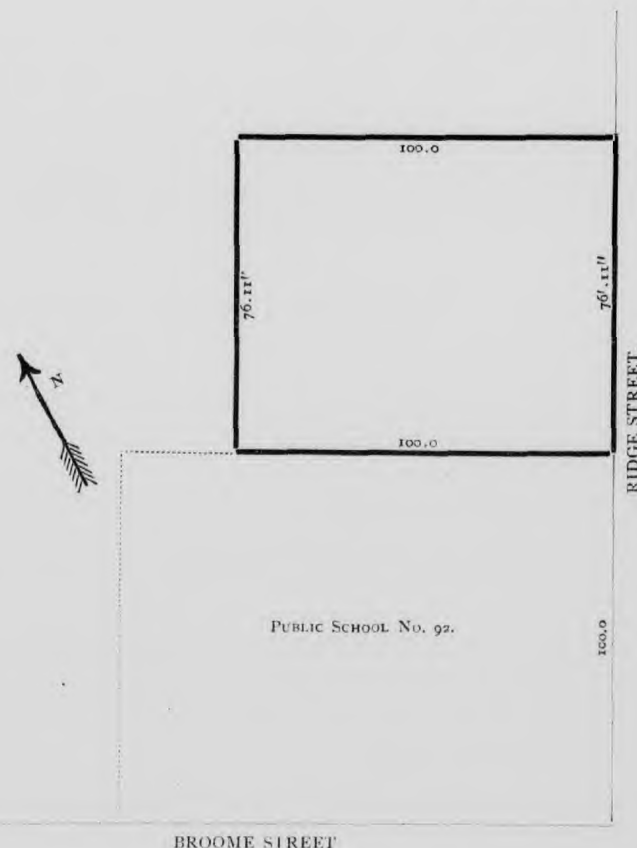

SIR—I appraise the value of the property shown on the inclosed drawing, within heavy lines, at \$54,000. This appraisal is based on the awards of the Commissioners in condemnation proceedings, confirmed by the Supreme Court February 4, 1895.

The property was acquired under chapter 350 of the Laws of 1892, for the use of the Police Department. As shown by the diagram, it adjoins Public School No. 92.

In the event of the sale of the property, I would suggest the above amount, \$54,000, be fixed as the upset price.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Comptroller be and is hereby authorized and directed to take such steps as may be necessary to sell at public auction to the highest bidder at the minimum or upset price of fifty-four thousand dollars (\$54,000), the plot of ground belonging to the City and known as Nos. 49, 51 and 53 Ridge street, Borough of Manhattan.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Department of Street Cleaning, relative to a lease of premises No. 219 West Seventy-seventh street, Borough of Manhattan:

NEW YORK, January 4, 1900.

Hon. ROBERT A. VAN WYCK, Mayor, Chairman, Board of Sinking Fund Commissioners:

SIR—I request the consent and approval of your Board, pursuant to section 541 of the Charter, for a lease from William Carlin, No. 2190 Broadway, of the lot No. 219 West Seventy-seventh street, in the Borough of Manhattan, being 25 feet front by 102 feet 2 inches in depth, with a stable three stories in height, with basement thereto, to be erected according to the plans and specifications to be furnished to your Board; for the period beginning with the completion and acceptance of said stable and ending May 1, 1904, at an annual rental of \$3,000, payable quarterly.

This stable is intended to be an addition to the stable already leased at Nos. 221 and 223 West Seventy-seventh street, leased by this Department from Henry Stahl, for five years from May 1, 1899, and is to be connected with said stable by three doorways, as follows:

One in the basement 5 feet wide by 9 feet high, with a 6-inch arch. One on the ground floor 10 feet wide by 8 feet 4½ inches high. One in the second story 5 feet wide by 9 feet high, with a 6-inch arch. One in the third story 10 feet wide by 9 feet high, with a 12-inch arch; it being understood that the consent for the cutting of these through the present stable would be given by the lessor thereof.

I transmit herewith plans and elevations of proposed stable, and will forward within a few days a copy of the specifications now being prepared.

Respectfully yours,

JAMES MCCARTNEY, Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JANUARY 11, 1900.

Hon. BIRD S. COLER, Comptroller:

SIR—Hon. James McCartney, Commissioner of Street Cleaning, in a communication under date of January 4, 1900, requests the consent and approval of the Commissioners of the Sinking Fund for a lease from William Carlin, No. 2190 Broadway, of the lot No. 219 West Seventy-seventh street, in the Borough of Manhattan, being 25 feet front by 102 feet 2 inches in depth, with a stable three stories in height, with basement thereto, to be erected according to the plans and specifications to be furnished to the Board, for the period beginning with the completion and acceptance of said stable and ending May 1, 1904, at an annual rental of \$3,000, payable quarterly.

This stable is intended to be an addition to the stable already leased at Nos. 221 and 223 West Seventy-seventh street, leased by this Department from Henry Stahl for five years from May 1, 1899, and is to be connected with said stable by three doorways, as follows:

One in the basement 5 feet wide by 9 feet high, with a 6-inch arch. One on the ground floor 10 feet wide by 8 feet 4½ inches high. One in the second story 5 feet wide by 9 feet high, with a 6-inch arch. One in the third story 10 feet wide by 9 feet high, with a 12-inch arch; it being understood that the consent for the cutting of these through the present stable would be given by the lessor thereof.

The plans and specifications for the erection and completion of the brick stable at No. 219 West Seventy-seventh street, prepared by Wm. H. Rahman, architect, are submitted.

From an examination of these plans and specifications, it would appear that this stable is as described above, and has accommodations for 74 horses, 37 stalls being located in the basement and 37 stalls on the second story; the first and third stories being used for storage of wagons. This building, as designed, will be entirely dependent for elevator service and a runway, upon the one adjacent, which is now leased by the City, and from a comparison of the two buildings, and the rental paid by the City for the one adjoining, it would appear to me that a rental of \$2,000 per annum for this building will be ample.

Again I have estimated the value of the land and the building when completed at \$25,000, upon which a rental of \$2,000 per annum, as above, would be on a basis of 8 per cent., which I consider reasonable and just.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

BIRD S. COLER, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a lease from William Carlin, of the Lot No. 219 West Seventy-seventh street, Borough of Manhattan, with a stable three stories in height, with basement thereto, to be erected according to plans and specifications furnished to this Board, for the period beginning with the completion and acceptance of said stable, and ending May 1, 1904, at an annual rental of two thousand dollars (\$2,000), payable quarterly; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report of the Engineer of the Department of Finance, and offered the following resolution, relative to compensation to be paid to the City by S. E. Bates, manager, etc., for pipe line permit:

DECEMBER 29, 1899.

Hon. BIRD S. COLER, *Comptroller*:

SIR—The Board of Aldermen, by resolution dated September 21, 1898, adopted by the Council October 4, 1898, and approved by the Mayor October 18, 1898, grants permission to "S. E. Bates, manager of the Hotel Margaret, No. 99 Columbia Heights, Borough of Brooklyn, to lay a conduit from said building, No. 99 Columbia Heights, to the opposite side, No. 114 Columbia Heights, said conduit to contain pipes for the purpose of conducting steam and electricity for heating and lighting said building, No. 114 Columbia Heights, upon payment to the City, as compensation for the privilege, such amount as may be determined as an equivalent by the Commissioners of the Sinking Fund."

Would report on examination of the premises, I find that Mr. Bates, manager of the Hotel Margaret, has laid three iron pipes (one 8-inch and two 3-inch), instead of building a conduit as allowed. These pipes were put across Columbia Heights on or about September 1, 1898; therefore, all charges for privilege should date from September 1, 1898.

The distance between curb lines in front of the premises is 18 feet, and I think \$72 per annum a correct charge for the privilege.

These pipes having been forced through the street without disturbing the surface, I would suggest that the usual fee for opening the street be omitted.

Respectfully,

CHANDLER WITHINGTON, Principal Assistant Engineer.

Resolved, That the compensation to be paid to the City by S. E. Bates, manager of the Hotel Margaret, No. 99 Columbia Heights, Borough of Brooklyn, for the privilege of placing under ground three iron pipes, one 8 inches and two 3 inches, from said building to the opposite side, No. 114 Columbia Heights, for the purpose of conducting steam and electricity for heating and lighting said building, No. 114 Columbia Heights, shall be seventy-two dollars (\$72) per annum, from September 1, 1898, permission having been granted by resolution of the Board of Aldermen, dated September 21, 1898, adopted by the Council October 4, 1898, and approved by the Mayor October 18, 1898; provided that the right be reserved to revoke such permission at any future time, if necessary, in the interest of the City.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following statement and resolution to refund \$252.65 to Curtis B. Pierce:

JANUARY 11, 1900.

Hon. BIRD S. COLER, *Comptroller*:

SIR—At the City sale of lands, tenements, etc., for unpaid assessments, Curtis B. Pierce, on December 11, 1899, purchased two parcels of land, in which, from description in catalogue, he is interested. Subsequent investigation shows that both parcels were sold in error.

1st. Certificate No. 10,655, App., Bloomingdale Road Closing, confirmed December 4, 1880, Map No. 19,375/19,381, Block No. (Old) 1285, Lot No. (Old) 31/37. The assessment, \$76.80, had been paid last April, but the parcel had not been marked off the catalogue.

2d. Certificate No. 10,657, App., One Hundred and Twenty-ninth street regulating, etc., between Broadway and Hudson river, confirmed October 7, 1876, Map No. 44½ (with erroneous and misleading addition of Block No. 1285, Ward No. 39). The assessment \$175.85 is on "River-side Park," the property of the City.

The total amount of assessments thus paid in purchase price of said parcels, \$252.65, was deposited in the City Treasury to credit of the Sinking Fund for the Redemption of the City Debt.

Mr. Pierce has applied for the refund of purchase money paid for the said parcels sold in error.

Respectfully,

I. S. BARRETT, General Bookkeeper.

Resolved, That a warrant, payable from the Sinking Fund for the Redemption of the City Debt, be drawn in favor of the Chamberlain, for the sum of two hundred and fifty-two dollars and sixty-five cents, for deposit to credit of account "Assessment Sales Moneys Refunded," to refund Curtis B. Pierce this amount of assessment included in purchase price paid for parcels sold in error as per Certificate App. Nos. 10,655 and 10,657, sale of 1899.

Which resolution was unanimously adopted.

The following communication was received from the Public Administrator of the County of New York, relative to a renewal of office in Temple Court, Nos. 119 and 121 Nassau street, Borough of Manhattan.

NEW YORK, January 9, 1900.

To the Commissioners of the Sinking Fund of The City of New York:

GENTLEMEN—The lease of the offices at present occupied by this Bureau expires on May 1 next.

I am required by law to publish certain notices to creditors requiring them to file claims with me at my Bureau within three months thereafter, and it is important for that reason that I should know before February 1 whether your Board intends to renew the present lease.

The present offices are convenient for the business of the Bureau and the location now well known. I take it that the location of offices of this kind should not be changed, unless the interest of the City, by reason of cheaper rent or otherwise, demands it. The rent now paid is at the rate of \$1.25 per square foot, which, in view of the location of the offices, is reasonable.

I respectfully ask that the present lease be renewed for the further period of from three to five years.

Yours respectfully,

WILLIAM M. HOES, Public Administrator of The County of New York.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, of rooms Nos. 1025, 1026, 1027, 1028 and 1029 in the building known as Temple Court, at Nos. 119 and 121 Nassau street, now occupied by the Public Administrator, for a term of three years from May 1, 1900, at an annual rental of two thousand dollars (\$2,000), payable quarterly, otherwise upon the same terms and conditions as are contained in the existing lease—and, the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

Which was unanimously adopted.

The following communication was received from the Department of Street Cleaning relative to a renewal of the lease of premises Nos. 1897 and 1899 Park avenue, Borough of Manhattan:

NEW YORK, January 13, 1900.

Hon. ROBERT A. VAN WYCK, Mayor, Chairman, Board of Commissioners of the Sinking Fund:

SIR—I request the consent and approval of your Board for a renewal of the lease pursuant to section 541 of the Charter, from John Dobbins, of the premises and buildings Nos. 1897 and 1899 Park avenue, for one year, on the same terms and conditions as the existing lease.

Respectfully yours,

F. M. GIBSON, Deputy Commissioner, Borough of Manhattan, designated with full powers of the Commissioner.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a renewal of the lease from John Dobbins, of premises and buildings Nos. 1897 and 1899 Park avenue, Borough of Manhattan, for a term of one year from May 1, 1900, at an annual rental of eight hundred and thirty-eight dollars and fifty-seven cents (\$838.57), payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Which was unanimously adopted.

The following resolution was received from the Board of Education, relative to a lease of premises No. 1187 Bedford avenue, Borough of Brooklyn:

NEW YORK, January 11, 1900.

To the Board of Education:

The Committee on Buildings, to which was referred a resolution adopted by the School Board for the Borough of Brooklyn, on December 5, 1899, recommending that the premises No. 1187 Bedford avenue, in that Borough, be hired for one year from February 1, 1900, at a rental of \$45 per month, for the relief of the Commercial High School, respectfully reports that the matter has been investigated, and it is found that the part of the building intended to be leased consists of a store 21 by 56 feet, and the necessary alterations to fit the room for school use will cost about \$140. The rental asked, \$45 per month, is considered reasonable.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a lease of the store, with privilege of use of coal bin in cellar, in the building No. 1187 Bedford avenue, Borough of Brooklyn, for one year from February 1, 1900, for the relief of the Commercial High School, at a monthly rental of forty-five dollars, payable quarterly; the owners, Moller Brothers & Co., No. 672 St. Mark's avenue, Brooklyn, to furnish water; necessary repairs, etc., to be made by the Board of Education.

A true copy of report and resolution adopted by the Board of Education on January 10, 1900.
A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

Hon. BIRD S. COLER, Comptroller:

JANUARY 15, 1900.

SIR—The Board of Education, at a meeting held January 10, 1900, adopted the following report and resolution:

"The Committee on Buildings, to which was referred a resolution adopted by the School Board for the Borough of Brooklyn, on December 5, 1899, recommending that the premises No. 1187 Bedford avenue, in that borough, be hired for one year from February 1, 1900, at a rental of \$45 per month, for the relief of the Commercial High School, respectfully reports that the matter has been investigated, and it is found that the part of the building intended to be leased consists of a store 21 by 56 feet, and the necessary alterations to fit the room for school use will cost about \$140. The rental asked, \$45 per month, is considered reasonable.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a lease of the store, with privilege of use of coal bin in cellar, in the building No. 1187 Bedford avenue, Borough of Brooklyn, for one year from February 1, 1900, for the relief of the Commercial High School, at a monthly rental of forty-five dollars, payable quarterly; the owners, Moller Brothers & Co., No. 672 St. Mark's avenue, Brooklyn, to furnish water; necessary repairs, etc., to be made by the Board of Education."

The premises consist of the store floor of a four-story and basement brown stone front building, 22 by 60 feet, on a plot of ground 22 by 90 feet.

The store is in good, tenable condition, and I consider the rental asked, namely, \$45 per month (the owner to furnish water), to be full, but not excessive.

Respectfully,
EUG. E. McLEAN, Engineer.

Approved:
BIRD S. COLER, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Moller Brothers & Company, of the store, with the privilege of use of coal bin and cellar in the building No. 1187 Bedford avenue, Borough of Brooklyn, for the use of the Board of Education, for a term of one year from February 1, 1900, at an annual rental of five hundred and forty dollars (\$540), payable quarterly, the owners to furnish water and the repairs to be made by the City; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from Frederick Tieleke relative to a lease of lots Nos. 504 and 604 Wallabout Market:

BROOKLYN, N. Y., January 6, 1900.

To the Honorable Commissioners of the Sinking Fund:

GENTLEMEN—Application is hereby made for the leasing of Lots Nos. 504 and 604 Wallabout Market for ten years.

Respectfully,
FREDERICK TIELEKE.

In connection therewith the Comptroller presented the following report of the Engineer of the Department of Finance, and offered the following resolution:

Hon. BIRD S. COLER, Comptroller:

JANUARY 15, 1900.

SIR—Mr. Frederick Tieleke, in communication of January 6, 1900, to the Commissioners of the Sinking Fund, makes application to lease Lots Nos. 504 and 604 Wallabout Market for the term of ten years.

Mr. David O'Brien, Collector of City Revenue, in report to the Comptroller states that the lots adjoining, of the same size, rent for \$225 per annum each, or \$450 per annum for the two lots together, making a lot 25 by 100. I estimate the value of this lot at \$5,800, and would recommend that this rate, \$450 per annum, being 7.75 per cent. on that value, be fixed as the upset price, and that the lease be sold on the same terms and conditions and in the same manner as authorized by resolution of the Commissioners, December 28, 1899, in the case of other Wallabout Market lots.

Respectfully,
EUG. E. McLEAN, Engineer.

Resolved, That the Comptroller be and is hereby authorized and directed to sell at public auction to the highest bidder, the lease of the premises known as lots numbered 504 and 604, respectively, on map of the Wallabout Market, for the period of ten years, at the minimum or upset price of two hundred and twenty-five dollars (\$225) per annum for each lot, or four hundred and fifty dollars (\$450) per annum for both lots together, otherwise upon the same terms and conditions as contained in the resolution adopted by this Board December 28, 1899, authorizing leases of certain other lots in the said market.

The report was accepted and the resolution unanimously adopted.

Adjourned.

EDGAR J. LEVEY, Secretary.

for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract, or from time to time as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Meats, etc.," with his or their name or names and the date of presentation to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 470, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article. (No bonds or deposit required on bids under One Thousand Dollars.)

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Department. Such references are cause for rejecting bids wherever they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Commissioner for the Borough of Richmond, at Stapleton, S. I., and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

All goods to be delivered in installments as may be required during the year 1900, free of expense.

No empty packages are to be returned to bidders or contractors, except as herein specified, and none will be paid for by the Department.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Brushes, Crockery, etc." with his or their name or names and the date of presentation to the head of said Department, at the said office on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OF ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 375, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article. (No bonds or deposit required on bids under One Thousand Dollars.)

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Department. Such references are cause for rejecting bids whereon they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders must state the price of each article per pound, dozen, gallon, yard, etc., by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total footing and awards made to the lowest bidder on each item or class.

All estimates not conforming to these requirements may be considered as informal.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING THE Police Department with Stable Supplies will be received at the Central Office of the Department of Police, in The City of New York, until 12 o'clock m. of

WEDNESDAY, THE 14TH DAY OF FEBRUARY, 1900.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimates for Furnishing Stable Supplies," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read.

For particulars as to the quality, kind and quantity of each article required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk in the Central Department.

Bidders will state the price for the entire schedule, as well as for each item, for which they will contract to supply the articles of supplies in accordance with the specifications therefor. The Police Department reserves the right to purchase by the entire schedule or to contract for each item.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject all bids should it be deemed to the public interests so to do.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract in the manner prescribed by law in the sum of Five Thousand Dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of The City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract for all or any part of said supplies may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by The City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Samples of all goods, materials, supplies, etc., estimated on and for which bids are submitted must be delivered at the office of the Chief Clerk when required by the Department.
