BOROUGH PRESIDENT - BROOKLYN

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Section 201 of the New York City Charter, the Brooklyn Borough President, will hold a public hearing on the following matters in the Community Room of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M. on October 11, 2018.

Calendar Item 1 — 461 Alabama Avenue (190038 HAK, 190039 HUK, 190037 ZSK)

An application submitted by the New York City Department of Housing Preservation and Development (HPD) pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: designation of an Urban Development Action Area, approval of an Urban Development Action Area Project (UDAAP), and disposition of the development site; a special permit pursuant to Section 74-903 of the New York City Zoning Resolution (ZR) to modify maximum floor area ratio (FAR) requirements for certain community facility uses, as stipulated in Section 24-111, to permit the allowable community facility FAR for a non-profit institution with sleeping accommodations, and an amendment to the East New York I Urban Renewal Plan (URP) to change the use designation of the development site. Such actions would facilitate the development of a seven-story, Use Group 3 community facility building with approximately 40,270 zoning square feet (sq. ft.) and up to 4.02 FAR in Brooklyn Community District 5 (CD 5). The building will contain approximately 70 affordable units, of which 60 percent will be reserved as supportive housing units for formerly homeless households.

Calendar Item 2 — 895 Bedford Avenue Rezoning (180229 ZMK, 180230 ZRK)

An application submitted by 895 Bedford Avenue Realty, LLC pursuant to Sections 197-c and 201 of the New York City Charter for the zoning map and text amendments to change from M1-2 to R7A the southern portion of a block bounded by Bedford Avenue, Myrtle Avenue, Spencer Street, and Willoughby Avenue, establish a C2-4 district within the rezoning boundary, and designate the project area a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of a seven-story, mixed-use building with 4,526 sq. ft. of commercial space and 33,091 sq. ft. of residential floor area in Brooklyn Community District 3 (CD 3). According to MIH Option 2, approximately 30 percent of the estimated 36 dwelling units would be affordable to households at an average of 80 percent of the Area Median Income (AMI). The development would be exempt from ZR parking requirements and would not be expected to provide commercial or residential parking.

Calendar Item 3 — 12 Franklin Street (180388 ZRK, 180387 ZSK, 180389 ZSK)

An application submitted by 12 Franklin Property Co LLC, 12 Franklin 230 LLC, and 12 Franklin 197 LLC pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: a zoning text amendment of ZR Section 74-96 to designate the block bounded by Franklin Street, Gem Street, Meserole Avenue, and North 15th Street as a new Industrial Business Incentive Area; a special permit pursuant to ZR Section 74-962 to increase the maximum FAR for specific commercial, industrial, and manufacturing uses, and allow an adjustment in height and setback controls on the development site, and a special permit pursuant to ZR Section 74-963 to reduce the off-street parking and loading berth requirements for the development site. Such actions would facilitate the development of a seven-story commercial building within an M1-2 district in Brooklyn Community District 1 (CD 1). The building would contain a mix of industrial, office, and retail uses, with a total floor area of 134,222 sq. ft.

Calendar Item 4 — 570 Fulton Street (180459 ZMK, 180457 ZRK, 180458 ZSK)

An application submitted by 570 Fulton Street Property LLC and One Flatbush Avenue Property LLC pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: a zoning map amendment to change from C6-4 to C6-9 the northwest portion of a block bounded by Flatbush Avenue, Fulton Street, and Rockwell Place within the Special Downtown Brooklyn District (SDBD) in Brooklyn Community District 2 (CD 2); a zoning text amendment to establish a maximum permitted floor area ratio (FAR) of 18.0 for commercial or community facility uses in C6-9 districts within the SDBD; make the SDBD's height, setback, and tower regulations applicable to C6-9 districts, and create a new special permit to allow the New York City Planning Commission (CPC) to permit modifications to bulk requirements for buildings in C6-9 districts, as well as a special permit to modify requirements for building setback, commercial and residential rear yards, inner court recess, and residential tower lot coverage, pursuant to the relevant ZR sections. Such actions would facilitate the development of a 40-story and cellar, 202,436 sq. ft. mixed use building with commercial uses on the first 16 floors, and an approximately 106,600 sq. ft. residential tower above. The building would provide approximately 139 dwelling units, of which 30 percent would be affordable according to the Affordable New York real property tax abatement program.

Under HPD's Extremely Low and Low Income Affordability Program, sponsors purchase City-Owned or privately owned land, or vacant buildings and construct multifamily buildings, in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the Federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low-income families with a range of incomes from 30% to 60% of the Area Median Income ("AMI"). Projects may include a tier of units with rents affordable to households earning up to 100% of AMI. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to Nehemiah Spring Creek IV Low Income Housing Development Fund Company, Inc. ("Sponsor"), for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct 21 buildings containing a total of approximately 238 rental dwelling units, plus two units for a superintendent and approximately 4,615 square feet of commercial space and approximately 2,587 square feet of community facility space on the Disposition Area.

The Land Debt will be repayable out of resale or refinancing profits for a period of at least thirty (30) years, following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination, at the Office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. "The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general

service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION, NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR") AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

* Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained online at: <http://a856-internet.nyc.gov/nycvendonline/home.asap.>; or <http://www.nycgovparks.org/opportunities/business>.
