LAW DEPARTMENT, CITY OF NEW YORK,
Office of the
ATTORNEY TO THE CORPORATION,
August 26, 1874.

GENTLEMEN—In my judgment you are not required to assist in serving or in making proof of the service of any process upon a prisoner. It would be proper to allow the Sheriff to serve process upon a prisoner, and his certificate of service is all the evidence of that fact which is needed.

Respectfully yours,
H. M. RUGGLES,
Corporation Attorney.

NEW YORK, August 28, 1874.

Hon. WM. LAIMBEER, President:
SIR—I respectfully report that the new wheel for steamer Fidelity is now ready for use. I would recommend that she be laid up and the new wheel be put on as soon as possible, as it is very detri-

mental for the boat to be run with her present wheel. I would also recommend that she receive one coat of paint, her boiler covered with felt, and the Bellevue run in her stead, except carrying small-pox cases.

Respectfully,
WM. H. KNAPP,
Supervising Engineer.

By the Board—
So ordered, the Fidelity turned over to Mr. Knapp for the purposes set forth.

By Commissioner Bowen—
Whereas, The Commissioners of Public Charities and Correction did, on the 23d of November, 1866, adopt the following resolutions:

Resolved, That when a member of a Medical Board of either of the Hospitals of the Department shall have served fifteen years as Visiting Physician or Surgeon he shall be advanced to the rank of Consulting Physician or Surgeon, and therefore shall cease to be a member of the Medical Board, to which he may be attached. But such period of fifteen years shall be considered as not having commenced prior to 1860, the year of the creation of this Commission.

Resolved, That any visiting physician or surgeon having actually served fifteen years, who may without reference to the year above mentioned, resign as a member of a Medical Board, shall be advanced to the rank of Consulting Physician or Surgeon; and

Whereas, By virtue of the foregoing resolutions, two-thirds of the members of the Medical Board of Bellevue Hospital will be advanced on the 1st of January, next, to the rank of Consulting Physicians and Surgeons, and thereby be exempt from duty in the hospital, it has been deemed expedient that the present Medical Board shall cease and determine on the 1st September, next, in order that provisions may be made for the more equal representation of the Medical Colleges and of the profession at large in a new Board, and for longer continuous service by its several members, and that definite terms for the tenure of office may be established; it is therefore

Resolved, That in view of the early dissolution of the relations between the Medical Board of Bellevue Hospital and the Board of Commissioners of Public Charities and Correction. The Commissioners bear testimony to the conspicuous ability and zeal with which the members of the Medical Board have discharged their high duties, and tender to them their thanks for their wise administration of the Hospital and for their generous and gratuitous service through a long course of years to the patients under their charge.

August 27, 1874. Adopted.

Ayes—Commissioners Laimbeer and Bowen.

By Commissioner Bowen—
Resolved, That in accordance with the resolutions of this Board, passed November 23, 1866, Doctors Lewis A. Sayer and James K. Wood are hereby appointed Consulting Surgeons, and Doctor Alfred L. Loomis, Consulting Physician of Charity Hospital.
