PROPOSALS FOR LIGHTING THE PUBLIC LAMPS.

PROPOSALS FOR FURNISHING THE GAS OR other Illuminating Material for, and Lighting and Extinguishing, Cleaning, Repairing and Maintaining (and supplying Gas, etc., for New Lamps when required) the Public Lamps on the Streets, Avenues, Piers and Places in the City of New York, under the Department of Public Works (not including Twenty-third and Twenty-fourth Wards), for the nine months from April 1, 1877, to December 31, 1877, both days inclusive.

Eroposals for the above, made in accordance with section 73, chapter 335, Laws of 1873, and Revised Ordinances of 1850, chapter 8, article 2, and enclosed in a sealed envelope endorsed "Proposals for furnishing the Illuminating Material and Lighting and Extinguishing, Cleaning, Repairing and Maintaining (and supplying Gas, &c., for New Lamps, when required), the Public Lamps on the Streets, Avenues, Piers and Places in the City of New York, for the period from April 1, 1877, to December 37, 1877, both days inclusive," with the name of the party making the same written thereon, will be received at the office of the Commissioner of Public Works, until 12 o'clock is 10 Thursday, March 1, 1877, at which place and hour they will be publicly opened and read.

Bidders are requested to state in their proposals their names and places of residence; the names of all persons interested, they shal distinctly state the fact; also that it is made without any connection with any other person making any estimate for the above supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that ne member of the Commen Council, head of a Department, Chief of a Barcau, Deputy thereof, or Clerk, therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract he awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their surfects for t

does not execute the contract and give the proper security, it may be readvertised and relet as above provided. Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor. Comproller, and Commissioner of Public Works.

The right is reserved to assign and designate to any bidder the number and location of the lamps in any portion of the City for which proposals are received, and to increase or diminish the numbers.

tion of the City for which proposals are received, and to increase or diminish the numbers.

The right is reserved to determine and designate, after the proposals are opened, what illuminating material shall be used in the public lamps, or any portion of them, during the period above mentioned; also to decline any or all proposals if deemed for the interests of the Corporation; and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

If the proposal of any bidder, proposing to furnish coalgas or similar material, shall include any lamps with which the pipes or mains of such bidders are not connected at the time of the making of the bid, and a contract for furnishing the gas for and lighting, extinguishing, cleaning, repairing and maintaining any such lamps, shall be awarded to any such bidder, in that case, thirty days from the date of the

execution of such contract, and such further time, not ex-ceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed to such bidder in which to connect such pipes of mains with such

lamps.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully per-

formed.

Blank forms of Proposals, the Specifications and Agreements, the proper envelopes in which to enclose the bids, and any further information desired, can be obtained at the office of the Commissioner of Public Work.
