COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'clock a. m., on Wednesday, May 8, 1912.

Present—John Purroy Mitchell, President, Board of Aldermen; Douglas Mathewson, Deputy and Acting Comptroller; Robert R. Moore, Chamberlain, and Henry H. Curran, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meetings held April 17 and 24, 1912, were approved as printed.

The Chair called for a hearing in the matter of the modified plan for the improvement of the water-front in the vicinity of West Washington Market, between Jane street and West 13th street, North River, Borough of Manhattan, made and adopted by the Commissioner of Docks in accordance with law February 20, 1912.

No one appearing for or against the proposition, on motion, the hearing was postponed to be continued at 11 o'clock in the forenoon on Wednesday, May 22, 1912.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of rooms in the Stewart Building, 280 Broadway, Borough of Manhattan, for use of City Departments:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On June 28, 1911, the Commissioners of the Sinking Fund authorized a lease from Felix Isman, Incorporated, of rooms in the Stewart Building, 280 Broadway, Borough of Manhattan, for use of City Departments, for a period of one year from May 1, 1911, as follows:

Department of Finance.

Basement—DD, II, OO, PP, TT, XX.
Ground Floor—D, E, F, G, H, I, J, K, L, O, P, R.
Entire first floor, except room 32.
Second Floor—63, 65, 67, 69, 81, 83, 84, 85, 87, 89, 90, 91.
Third Floor—101, 103, 105, 110, 133, 142.
Fourth Floor—153, 155, 157, 158, 159, 171, 173, 175, 177, 178, 179, 181, 183, 185, 186, 187, 189, 191.
Fifth Floor—203, 205, 206, 207, 209, 211, 213, 215, 216, 217, 219, 228, 229, 236.
Sixth Floor—269, 271.

Commissioners of Accounts.

Third Floor—107, 109, 111, 112, 113, 114, 115, 117, 119 and 121.

Commissioner of Jurors.

Third Floor—123, 125, 127, 128, 129.

Law Department.

Fifth Floor—221, 225, 226 and 227.

Subsequently, and on October 25, 1911, they authorized a lease of Room 273 in the same building, for use of the Department of Finance, for a period of four months from January 1, 1912, to May 1, 1912, at a rental at the rate of \$2,055.56, the lease to contain a clause cancelling as of December 1, 1911, the lease of Room 236.

On January 10, 1912, the Commissioners of the Sinking Fund authorized a lease of Rooms 130 and 131 in the Stewart Building, for use of the Department of Finance, for a period from January 15, 1912, to May 1, 1912, at a rental at the rate of \$1,675 per annum, the lease to contain a clause providing for the cancellation as of January 1, 1912, of the lease of Room 133 in said building. This resolution was amended by making the period of the lease of the rooms from January 1, 1912, to May 1, 1912, instead of from January 15, 1912.

At a meeting of the Sinking Fund Commission held January 31, 1912, a resolution was adopted authorizing the payment of rent without the necessity of entering into a lease, for a vault known as Room SS, in the basement of the Stewart Building, for use of the Bureau for the Collection of Assessments and Arrears, for a period from February 1, 1912, to May 1, 1912, at the rate of \$1,000 per annum.

On June 29, 1910, the Commissioners of the Sinking Fund authorized a lease of Room 79 in said building, for use of the Chamberlain, for a period from July 1, 1910, to May 1, 1912, at a rental of \$800 per annum. This room is used for storing records and filing cases, and contains an area of about 432 square feet.

It is proposed to include in the lease for the coming year Room 153, on the fourth floor in this building, for the use of the Division of Awards. The rooms at present occupied by said Division do not afford sufficient space for the accommodation of lawyers and others who are present upon the payment of awards, and this room is to be used as a Closing Room.

The Commissioner of Accounts, in a communication to the Commissioners of the Sinking Fund, requests a renewal of the lease of Rooms 107, 109, 111, 112, 113, 114, 115, 117, 119 and 121, in the Stewart Building, occupied by his Department.

The Commissioner of Jurors and the Corporation Counsel, in separate communications, have also requested a renewal of the lease of the rooms occupied by them in this building.

In addition to the above changes, on account of the excavation which will have to be made by the contractors for the Public Service Commission in connection with the subway running along Broadway, it will be necessary to give up Rooms DD and XX. Room DD and the vault therein has been occupied by the Collector of Assessments and Arrears. Room XX has been used by the Chief Clerk of the Department of Finance as a stationery room in addition to Room TT.

As Room XX is almost adjacent to Room TT, and both are used for the same purpose, it was thought best to also give up Room TT, so as to have all the stationery centered as much as possible. In place thereof, the agent of the building has agreed to lease Rooms 80, 86 and 88 on the second floor.

The Collector of Assessments and Arrears will be able to use Room T, which room the agent of the building has agreed to lease to the City at the usual rate. The Chief Auditor of Accounts desires to concentrate the Examiners of Charitable Institutions and to have the chief thereof and the Inspectors in Rooms 203 and 205. This will enable us to give up Rooms 219 and 228.

With all of the above changes, the total square foot area of the rooms to be occupied in the Stewart Building, exclusive of Room SS, amounts to 90,017 square feet. The rental thereof is \$167,102.69 per annum. Added to this is the rental of Room SS, which is a fireproof vault, and is rented at the flat sum of \$1,000 per annum.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund authorize a lease from Felix Isman, Incorporated, of the following rooms in the Stewart Building, 280 Broadway, Borough of Manhattan, for use of City Departments, as follows:

Department of Finance.

Basement—II, OO, PP, SS.
Ground Floor—D, E, F, G, H, I, J, K, L, O, P, R, T.
Entire first floor, except Room 32.
Second Floor—63, 65, 67, 69, 79, 80, 81, 83, 84, 85, 86, 87, 88, 89, 90, 91.
Third Floor—101, 103, 105, 110, 130, 131, 142.
Fourth Floor—153, 155, 157, 158, 159, 171, 173, 175, 177, 178, 179, 181, 183, 185, 186, 187, 189, 191.

—for a period of one year from May 1, 1912, at an annual rental of one hundred and sixty-eight thousand one hundred and two dollars and sixty-nine cents (\$168,102.69), payable quarterly; the lessor to pay taxes and water rates and to furnish heat, light elevator and janitor service; the lease to contain a clause whereby the lessor agrees to paint, varnish, whitewash and repair the demised premises whenever requested so to do by the Comptroller in writing. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Felix Isman, Incorporated, of the following rooms in the

Stewart Building, 280 Broadway, Borough of Manhattan, for use of City Departments, as follows:

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease of two plots of land and a small strip in the rear thereof, situated on the northerly side of Smith street, Corona Heights, Borough of Queens, for use of the Board of Education:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Education, in a communication to your honorable Board under date of April 11, 1912, states that at a meeting of that Board held April 10, the following report from the Committee on Buildings was submitted, and the following three resolutions were adopted:

"The Committee on Buildings respectfully reports that it has had under consideration the matter of leasing vacant land upon which to erect portable buildings for the relief of Public School 17, Queens, and is of the opinion that two lots 25 feet by 100 feet each, on the northerly side of Smith street, beginning 25 feet west of the site of Public School 17, and a strip of land 6 feet wide, running across the rear of the property between said two lots and the school site, should be leased for the purpose mentioned, at a total rental of \$65 per annum.

"The following resolutions were submitted for adoption:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby respectfully requested, subject to financial ability, to approve of and consent to the execution by the Board of Education of a lease to the City of the following described premises for a period from May 1, 1912, to July 1, 1914, with the privilege of renewal for an additional year, at an annual rental of \$30, payable quarterly, the owner to pay the taxes and assessments and the Board of Education to have the right to remove at the end of the lease all improvements which it may have placed thereon:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby respectfully requested, subject to financial ability, to approve of and consent to the execution by the Board of Education of a lease to the City of the following described premises for a period from May 1, 1912, to July 1, 1914, with the privilege of renewal at an annual rental of \$5, payable annually, the Board of Education to erect thereon such fence, etc., as may be necessary to make a passageway from the yard of Public School 17 to the lots described in the two preceding resolutions:

"Beginning at a point on the easterly line of Lot 41, distant 94 feet northerly from a point on the northerly side or line of Smith street, 100 feet westerly from the intersection of the westerly line of Myrtle avenue and said northerly line of Smith street, and running thence northerly and along said easterly line of Lot 41 6 feet to the centre line of the block; thence westerly along said centre line of the block 25 feet; thence southerly along the westerly line of Lot 41 6 feet; thence easterly parallel with the second course run 25 feet to the point or place of beginning, being the hereinbefore described portion of the land known and described as Lot 41, Block 190, Ward 2, Corona Park, Corona Heights, Town of Newtown, Borough of Queens. These resolutions cover two vacant lots located on the north side of Smith street, 25 feet west of Public School 17, with a passageway 6 feet wide across the rear of the intervening lot, connecting the school with this proposed annex.

These lots are assessed for the year 1912 at \$350 each, and their present fair market value is \$500 each. The rent of \$30 a year for each of the full lots and \$5 a year for the connecting passageway 6 by 25 feet, is 8.6 per cent. on the assessed value and 6 per cent. of the appraised value.

There are no other similar vacant leased lots in the neighborhood with which comparison may be made.

This plot, 50 by 100 feet, is to be used for the erection of portable buildings for the relief of Public School 17.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a lease to the City of the following described premises for a period from May 15, 1912, to July 1, 1914, with the privilege of renewal for an additional year, at an annual rental of \$30, payable quarterly, the owner to pay taxes and assessments and the Board of Education to have the right to remove at the end of the lease all improvements which it may have placed thereon:

centre line of the block 25 feet; thence southerly 100 feet to the northerly line of Smith street; thence easterly along said northerly line of Smith street 25 feet to the point or place of beginning; being more particularly known and described as Lot 42, Block 190, Ward 2, Corona Park, Corona Heights, Town of Newtown, Borough of Queens. Lessor, Samuel H. Rubin, 365 Amherst street, Buffalo, N. Y.

Lessor, Harris Schedlinsky, Grove street, Far Rockaway, Queens. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from Harris Schedlinsky, of the store premises at No. 207 Division street, 10 feet 2 inches by 30 feet 3 inches, with coal bin of size to contain two tons of coal in cellar of adjoining property in the rear of No. 216 East Broadway, Borough of Manhattan, for use of the Department of Health as an infants' milk station, for a period of one year from July 15, 1912, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of six hundred dollars (\$600) a year, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to supply heat, light and janitor service and make such inside alterations and repairs as it may deem necessary; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of rooms in the Park Row building, Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—In a communication to the Commissioners of the Sinking Fund under date of April 10, 1912, the Commissioner of Water Supply, Gas and Electricity requests a lease of Rooms 2310 and 2311 in the Park Row building, 13-21 Park row, Borough of Manhattan, for a period of eleven months from May 1, 1912.

These rooms contain an area of 385 square feet, and the rent asked is \$852 per annum, which is at the rate of \$2.21 per square foot. While this rate is in excess of that paid for most of the offices which the Department of Water Supply, Gas and Electricity occupies, the rooms are the most suitable and convenient quarters that can be obtained at the present time, and the owners of the building will not lease for any less. These rooms are to be occupied by Accountants and Bookkeepers in auditing the long outstanding claims of the lighting companies which have been in dispute many years.

The Commissioner states that five men have already been selected for this work, but on account of the lack of room additional appointments have been deferred. He intends to appoint three more, and he states that this work is very important, and the men assigned to it require quarters where there will be no outside interference or disturbance.

I therefore respectfully recommend, the rent under the circumstances being reasonable and just, that the Commissioners of the Sinking Fund authorize a lease from the Park Row Realty Company of Rooms 2310 and 2311 on the twenty-third floor of the Park Row building, 13-21 Park row, Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity, for a period of eleven (11) months from May 1, 1912, at a rental at the rate of \$852 per annum, payable quarterly; the lessor to pay taxes and water rates, and furnish heat, light, elevator and janitor service; the City to observe any reasonable rules and regulations of said building as to the order of the demised premises and the conduct of City employees that do not interfere with the management and conduct of its business.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Park Row Realty Company, of Rooms 2310 and 2311 on the twenty-third floor of the Park Row building, 13-21 Park row, Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity, for a period of eleven (11) months from May 1, 1912, at a rental at the rate of eight hundred and fifty-two dollars (\$852) per annum, payable quarterly; the lessor to pay taxes and water rates and furnish heat, light, elevator and janitor service; the City to observe any reasonable rules and regulations of said building as to the order of the demised premises and the conduct of City employees that do not interfere with the management and conduct of its business; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the lease authorized of premises at 514 Hudson street, Borough of Manhattan, for use of the Department of Street Cleaning:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of your Board held April 24, 1912, a resolution was adopted authorizing a lease of the store and cellar premises at 514 Hudson street, Borough of Manhattan, for use of the Department of Street Cleaning as a section station, for a term of two years from May 1, 1912, at a rental of \$540 a year.

The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of April 26, 1912, says that these premises have been leased to another tenant and therefore are not available for the use of his Department.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution rescinding the resolution of April 24, 1912, authorizing a lease of the above mentioned premises. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held April 24, 1912, authorizing a lease of the store and cellar premises at 514 Hudson street, Borough of Manhattan, for use of the Department of Street Cleaning as a section station, for a term of two years from May 1, 1912, at a rental of five hundred and forty dollars (\$540) per annum, be and the same is hereby rescinded.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at No. 109 Barrow street, Borough of Manhattan, for use of the Department of Street Cleaning:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Honorable Board under date of April 26, 1912, says:

"Referring to the lease of section station, 109 Barrow street, Manhattan, which expires May 1, 1912, and the lease of the store 514 Hudson street, to be substituted therefor, a letter has just been received from Henry J. Scheuber, real estate agent, of 200 Hudson street, who was negotiating this latter lease with us to the effect that as he had to wait so long for definite action, he refused to wait any longer and had rented the premises 514 Hudson street to another party."

"At the end of this letter, however, he suggested another place at 810 Washington street, at \$45 a month, with right to immediate possession.

"Under the circumstances I suggest that we be authorized, if Mr. Moore is willing, to renew the lease of 109 Barrow street from Mr. Thomas F. Moore for one year more. At any rate this is an emergency and it looks as if we would be left without a section station unless something is done at once."

Your Board, at a meeting held April 24, 1912, authorized a lease of the premises at 514 Hudson street as a substitute for 109 Barrow street, for the purposes of a section station, but it now appears from the above letter that the premises at 514 Hudson street have been rented to another tenant.

The Comptroller, in a communication to your Board under date of April 22, 1910, recommended a lease of the premises 109 Barrow street for a period of two years from May 1, 1910, at an annual rental of \$540, the same as now asked, and said report was approved and lease authorized at a meeting of your Board held April 27, 1910.

This Department is advised by the Department of Street Cleaning that Thomas F. Moore, the owner of 109 Barrow street, is willing to renew the lease for another year at the same rate.

Deeming the rent reasonable and just under the circumstances, and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the ground floor and basement of the premises known as 109 Barrow street, Borough of Manhattan, for a term of one year from May 1, 1912, at an annual rental of \$540, payable quarterly, for use of the Department of Street Cleaning as a section station, the lessor to pay taxes and water rates and make outside repairs, the lessee to furnish heat, light and janitor service and make such inside repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Thomas F. Moore, 514 West 153d street, Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City of the ground floor and basement of the premises known as No. 109 Barrow street, Borough of Manhattan, for a term of one year from May 1, 1912, at an annual rental of five hundred and forty dollars (\$540), payable quarterly, for use of the Department of Street Cleaning as a section station; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and make such inside repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Thomas F. Moore; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an assignment of plot of land on the westerly side of Lexington avenue, between 131st and 132d streets, Borough of Manhattan, for use of the President of the Borough of Manhattan:

April 30, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—In a communication to the Commissioners of the Sinking Fund under date of April 25, 1912, the President of the Borough of Manhattan requests that the plot of land, about 65 by 200 feet, situated on the westerly side of Lexington avenue, between 131st and 132d streets, Borough of Manhattan, be assigned to his Department for a corporation yard.

This parcel of land was considered by the Committee on Vacant Property in their report to the Commissioners of the Sinking Fund on February 21, 1912. They recommended that it be held by the Commissioners of the Sinking Fund, stating that if the proper readjustments could be made, the Borough President might be able to use this property in place of the property at 123d street and Morningside avenue, now under lease to the City. This property at 123d street and Morningside avenue is being occupied as a corporation yard under a lease authorized by the Commissioners of the Sinking Fund on March 29, 1911, for a term of one year from July 1, 1911, at an annual rental of \$9,000.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the President of the Borough of Manhattan the following parcel of land situated in the Borough of Manhattan, City of New York, bounded and described as follows:

Beginning on the northerly line of East 131st street at a point distant 60 feet northwesterly from the northwesterly corner of East 131st street and Lexington avenue; running thence northerly on a line parallel or nearly so with Lexington avenue about 199 feet 10 inches to the southerly side of East 132d street; running thence southeasterly along the southerly line of East 132d street 30 feet; running thence southeasterly 56 feet 10½ inches to the westerly line of Lexington avenue; running thence southerly along the westerly line of Lexington avenue 155 feet to the northwesterly corner of Lexington avenue and East 131st street aforesaid; running thence westerly along the northerly line of East 131st street 60 feet to the point or place of beginning, be the said several dimensions more or less; said lot being known on the present tax maps of The City of New York as Lot 15, Block 1780, Section 6.

—to be used as a corporation yard in place of the corporation yard now located at 123d street and Morningside avenue, Borough of Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby assign to the President of the Borough of Manhattan, for use as a corporation yard in place of the corporation yard at 123d street and Morningside avenue, Borough of Manhattan, the plot of land on the westerly side of Lexington avenue between 131st and 132d streets, in the Borough of Manhattan, bounded and described as follows:

Beginning on the northerly line of East 131st street at a point distant 60 feet northwesterly from the northwesterly corner of East 131st street and Lexington avenue; running thence northerly on a line parallel or nearly so with Lexington avenue about 199 feet 10 inches to the southerly side of East 132d street; running thence southeasterly along the southerly line of East 132d street 30 feet; running thence southeasterly 56 feet 10½ inches to the westerly line of Lexington avenue; running thence southerly along the westerly line of Lexington avenue 155 feet to the northwesterly corner of Lexington avenue and East 131st street aforesaid; running thence westerly along the northerly line of East 131st street 60 feet to the point or place of beginning, be the said several dimensions more or less; said lot being known on the present tax maps of The City of New York as Lot 15, Block 1780, Section 6.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of rooms in the Mechanics Bank Building, 215 Montague street, Borough of Brooklyn, for use of the President of the Borough of Brooklyn:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of Public Works of the Borough of Brooklyn, in a communication to your honorable Board under date of April 26, 1912, says:

"The office room provided in the Mechanics' Bank Building, No. 215 Montague street, this Borough, for our Bureau of Sewers, has become entirely inadequate. There is no place to properly store and index some ten or fifteen thousand plans of the sewer system of the Borough, which contain information of very great value and which, in many cases, cannot be duplicated. At the present time these plans are stored in the drafting rooms, in cases where they are badly overcrowded, in such manner that the maps are deteriorating very rapidly from rough usage. The employees of the Bureau are constantly referring to these plans and much time is lost because they are not in such shape that they can be indexed and found without search. More space is necessary for the storing of this large number of maps.

"I would respectfully call your attention to the fact that there are two rooms now vacant in the northeast corner of this building which would answer

the purposes of our Sewer Bureau. These rooms are on the tenth floor and are large enough for map and record rooms, containing about one thousand square feet of floor space, and can be rented for \$1.25 per square foot, which is the rental that is now being paid for our other offices in this building. The benefits to be derived from the rental of these rooms would greatly outweigh the small additional expenditure.

"I would respectfully request your honorable Commission to adopt a resolution renting for the use of our Bureau of Sewers rooms Nos. 1005 and 1006 in the Mechanics' Bank Building, No. 215 Montague street, Brooklyn, to date from May 1, 1912, if possible. The present lease for the premises now rented in this building expires on May 1, 1913."

The rate of \$1.25 per square foot for the rooms in question is the same as paid by the City for the other rooms occupied by the Bureau of Sewers in this building and is the regular rate.

As there appears to be urgent need for the leasing of the two rooms mentioned, and deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the two rooms, Nos. 1005 and 1006 (approximately 1,000 square feet), on the tenth floor, in the Mechanics' Bank Building, No. 215 Montague street, Borough of Brooklyn, for use of the Bureau of Sewers, under the jurisdiction of the President of the Borough of Brooklyn, for a period of eleven and one-half (11½) months, from May 15, 1912, to May 1, 1913, at a rental at the rate of \$1,250 per annum, payable quarterly; the lessor to pay taxes and water rates and supply heat, light, elevator and janitor service and make all repairs. Lessor, Mechanics' Bank, No. 215 Montague street, Borough of Brooklyn. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Mechanics Bank, of the two rooms, Nos. 1005 and 1006 (approximately 1,000 square feet), on the tenth floor, in the Mechanics' Bank Building, No. 215 Montague street, Borough of Brooklyn, for use of the President of the Borough of Brooklyn (Bureau of Sewers), for a period of eleven and one-half (11½) months, from May 15, 1912, to May 1, 1913, at a rental at the rate of twelve hundred and fifty dollars (\$1,250) per annum, payable quarterly; the lessor to pay taxes and water rates and supply heat, light, elevator and janitor service and make all repairs; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises on the easterly side of Forest avenue, north of Grove street, Ridgewood Heights, Borough of Queens, for use of the President of the Borough of Queens:

May 3, 1912.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The President of the Borough of Queens, in a communication to your Board under date of April 1, 1912, requests that a lease be secured of a lot, 25 by 100, on the east side of Forest avenue, 25 feet north of Grove street, Metropolitan, 2d Ward, Borough of Queens, for use of the Bureau of Street Cleaning as a section station and repair shop, for a term of three years, from May 15, 1912, with the privilege of renewal for an additional term of three years, at a rental of \$300 a year.

The premises in question consist of a lot 25 by 100, having on it a one-story frame office building 15 by 15, with an addition 8 by 10, a shed 10 by 15, a tool house 8 by 10 and a rear shed 48 by 15. The lot is assessed with other property, but the approximate assessment on this lot and the buildings thereon for the year 1912 is:

Land	\$1,500 00
Buildings	1,500 00
Total	\$3,000 00
Appraised by Division of Real Estate:	
Land	\$1,800 00
Buildings	1,800 00
Total	\$3,600 00

The rent is, therefore, 10 per cent. of the assessed value and 8-1-3 per cent. of the appraised value. The City has been in possession of this property for the past six years, rent free.

The station is Section 9, with a total of 46 men, and the District Superintendent also makes this place his headquarters. There is no other similar rented property in the neighborhood with which a comparison may be made.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the lot, 25 by 100, situated on the easterly side of Forest avenue, 25 feet north of Grove street, in Evergreen or Ridgewood Heights, Ward 2, Borough of Queens, together with the buildings thereon, consisting of a one-story office building 15 by 15, with an addition 8 by 10, a tool house 8 by 10 and sheds 10 by 15 and 48 by 15, for use of the President of the Borough of Queens (Bureau of Street Cleaning), as a section station and repair shop, for a term of three years, from May 15, 1912, with the privilege of renewal for an additional term of three years upon the same terms and conditions, at a rental of \$300 a year, payable quarterly; the lessor to pay taxes and water rates and make all needed alterations and repairs; the lessee to pay for heat, light and janitor service. Lessor, Peter Young, 81 Forest avenue, Evergreen, Borough of Queens.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Peter Young, of the lot 25 by 100, situated on the easterly side of Forest avenue, 25 feet north of Grove street, in Evergreen or Ridgewood Heights, Ward 2, Borough of Queens, together with the buildings thereon, consisting of a one-story office building 15 by 15, with an addition 8 by 10, a tool house 8 by 10 and sheds 10 by 15 and 48 by 15, for use of the President of the Borough of Queens (Bureau of Street Cleaning), for a term of three years, from May 15, 1912, with the privilege of renewal for an additional term of three years, upon the same terms and conditions, at a rental of three hundred dollars (\$300) per annum, payable quarterly; the lessor to pay taxes and water rates and make all needed alterations and repairs; the lessee to pay for heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises in the rear of 360 Fulton street, Jamaica, Borough of Queens, for use of the President of the Borough of Queens:

May 3, 1912.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Acting President of the Borough of Queens, in a communication to your Board under date of April 11, 1912, says that the progress of the reorganization work of the Borough of Queens now being carried on by the Commissioners of Accounts has made it necessary that certain office space be provided for in Jamaica as headquarters for the force that will shortly have charge of directing the maintenance activities of the Borough in that section. He adds that there is no available space whatever in the buildings now owned by the City in Jamaica, and requests that a lease be secured of rooms in the two and one-half story frame building standing back 150 feet from the street behind the Jamaica Savings Bank Building at 360 Fulton street, Jamaica, Borough of Queens; the lease to be for one year, with the privilege of renewal for an additional year; the owner to put the rooms in good and tenantable condition, and the rent to be \$420 a year, including heat, light and janitor service.

The premises in question consist of three rooms on the ground floor of this rear frame building; a front room, 18 by 33; a rear room, 12 by 15, and a wash room with toilet, 8 by 7.

The property is assessed, with the bank plot and building, at a total of \$63,000, and it is impossible to give with any accuracy even a comparative estimate of the assessed valuation on this rear building.

The three rooms contain a total floor space of 830 square feet, which, at a rental of \$420 a year, is about 50 cents a square foot, including heat, light and janitor service.

For comparison, if rooms for this purpose were to be leased in any office building, it is more than likely that the only available rooms at the present time would be in the Post Office Building, where the rate is \$1 a square foot and upward. The City is now leasing in that building Room 59 (630 square feet), as chambers for the Justices of the Special Sessions Court, and the rent is \$630 a year, or \$1 a square foot, which was a reduction of \$90 from the rental at first demanded.

Deeming the rent reasonable and just, under the circumstances, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of three rooms, 18 by 33, 12 by 15, and 8 by 7, on the ground floor of the two and one-half story frame building in the rear of the Jamaica Savings Bank Building, 360 Fulton street, Jamaica, Borough of Queens, for the use of the President of the Borough of Queens, for a period of one year from May 15, 1912, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of \$420 a year, payable quarterly; the lessor to put the premises in good and tenantable condition, to pay taxes and water rates, make outside repairs, and supply heat, light and janitor service; the lessee to make such interior alterations and repairs as it may deem necessary. Lessor, Jamaica Savings Bank, 360 Fulton street, Jamaica, Borough of Queens. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Jamaica Savings Bank, of three rooms, 18 by 33, 12 by 15 and 8 by 7, on the ground floor of the two and one-half story frame building in the rear of the Jamaica Savings Bank Building, 360 Fulton street, Jamaica, Borough of Queens, for use of the President of the Borough of Queens, for a period of one year from May 15, 1912, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of four hundred and twenty dollars (\$420) per annum, payable quarterly; the lessor to put the premises in good and tenantable condition, to pay taxes and water rates, make outside repairs, and supply heat, light and janitor service; the lessee to make such interior alterations and repairs as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller brought up for consideration the communication received from the President of the Borough of Queens and read at the last meeting, requesting that the resolution adopted November 22, 1911, authorizing a renewal of the lease to the City of the Hackett Building, in Long Island City, Borough of Queens, for use of City Departments, be rescinded.

On motion, the matter was referred back to the Comptroller for the purpose of obtaining an opinion of the Corporation Counsel in regard thereto.

The lessee to furnish heat, light and janitor service and to make such inside alterations or repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Columbia Fire Department of Richmond Hill, Ferdinand Stoessel, Secretary, 3303 Jamaica avenue, Richmond Hill, Queens. Respectfully,

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of the fire house premises consisting of a two-story brick building, 25 by 55 feet, on a lot 25 by 100 feet, located on the west side of Willow street, 108.09 feet north of Jamaica avenue, Richmond Hill, Borough of Queens, for use of the Fire Department as headquarters for Engine Company 170, for a period of one year from July 5, 1912, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of six hundred and fifty dollars (\$650), payable quarterly; the lessor to pay taxes and water rates and make outside repairs and to give the lessee the privilege of purchasing the property for the sum of seven thousand dollars (\$7,000) cash during the life of the lease or any renewal thereof, upon giving sixty days' notice of its intention so to do. The lessee to furnish heat, light and janitor service and to make such inside alterations or repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Columbia Fire Department of Richmond Hill, Ferdinand Stoessel, Secretary; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the hiring of Grand Central Palace, Manhattan, by the Board of Elections:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Elections, in a communication to your Honorable Board under date of April 18, 1912, says that at a meeting of that Board held April 17, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to enter into a contract with the Merchants and Manufacturers Exchange, 46th and 47th streets and Lexington avenue, Borough of Manhattan, City of New York, for the use of the third floor of Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, City of New York, for the examination of election officers for the Boroughs of Manhattan and The Bronx for the years 1912 and 1913, on Wednesday evening, July 31, 1912, without the necessity of entering into a lease for said premises, for the sum of two hundred and forty-five dollars (\$245), said sum to be paid from the appropriation entitled "731, Contingencies, General Office Expenses."

The Comptroller in a communication to your Honorable Board under date of October 19, 1911, recommended that he be authorized to pay to the Merchants and Manufacturers Exchange the sum of \$233.75 for use of the main hall of Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, on the evening of August 22, 1911, for the examination of Election Inspectors, said sum including \$200 for rent and \$33.75 for electric lighting for one and one-half hours at the rate of \$22.50 an hour, and said report was approved and the payment of said sum authorized at a meeting of your Board held October 25, 1911.

The above resolution calls for the use of the third floor, which has the same floor space as the main hall and will be equipped with tables and chairs the same as last year.

The increase to \$245 is accounted for by the fact that last year light was furnished for only one and one-half hours, while for this year the Board of Elections has requested such lighting for two hours. The management of the new Grand Central Palace, however, have agreed that if the light this year shall not be required longer than one and one-half hours, a corresponding reduction will be made, and the total bill will then be the same as last year, \$233.75.

Deeming the rent reasonable and just, and it being the same as paid last year for the same purpose, except that the lighting is to be for two hours instead of one and one-half hours, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the Merchants and Manufacturers Exchange, 46th and 47th streets and Lexington avenue, Borough of Manhattan, for the use of the third floor of Grand Central Palace, 46th and 47th streets and Lexington avenue, Borough of Manhattan, for the examination of election officers for the Boroughs of Manhattan and The Bronx for the year 1912-1913, on Wednesday evening, July 31, 1912, without the necessity of entering into a lease for said premises, the sum of \$245, the same to be paid from the appropriation entitled "731, Contingencies, General Office Expenses." It being understood

and agreed that if light shall not be required longer than one and one-half hours the rent shall be \$233.75. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring by the Board of Elections, of the third floor of the Grand Central Palace, Lexington avenue between 46th and 47th streets, Borough of Manhattan, for the examination of election officers, on Wednesday evening, July 31, 1912, at a rental of two hundred and forty-five dollars (\$245) for said evening; it being understood and agreed that if light shall not be required longer than one and one-half hours the rent shall be two hundred and thirty-three dollars and seventy-five cents (\$233.75), and the Comptroller be and is hereby authorized to pay to the Merchants and Manufacturers Exchange the said rental without the necessity of entering into a lease, from the appropriation entitled "731, Contingencies, General Office Expenses."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Elections in a communication to your honorable Board under date of April 18, 1912, says that at a meeting of the Board of Elections held April 17, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to enter into a contract with William J. Opry, of Arion place, near Broadway, Borough of Brooklyn, City of New York, for the use of Arion Hall, Arion place, near Broadway, Borough of Brooklyn, City of New York, for the examination of Election Officers for the Borough of Brooklyn for the year 1912-1913, on Wednesday, July 31, 1912, without the necessity of entering into a lease for said premises, for the sum of twenty-five dollars, said sum to be paid from the appropriation entitled "731, Contingencies, General Office Expenses."

The Comptroller in a communication to your honorable Board under date of October 19, 1911, recommended the payment of rent amounting to \$25 for use of this hall on August 22, 1911, for the same purpose now intended, without the necessity of entering into a lease, and said report was approved and payment of rent authorized at a meeting of your Board held October 25, 1911.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to William J. Opry, of 13 Arion place, Borough of Brooklyn, for use of Arion Hall, at 13 Arion place, near Broadway, Borough of Brooklyn, for the examination of Election Officers for the Borough of Brooklyn, for the year 1912-1913, on Wednesday evening, July 31, 1912, without the necessity of entering into a lease for said premises, the sum of \$25, said sum to be paid from the appropriation entitled "731, Contingencies, General Office Expenses."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring by the Board of Elections of Arion Hall, at No. 13 Arion place, near Broadway, Borough of Brooklyn, for the examination of Election Officers for the Borough of Brooklyn, on Wednesday evening, July 31, 1912, at a rental of twenty-five dollars (\$25) for the evening, and that the Comptroller be and is hereby authorized to pay the said rental to William J. Opry, of 13 Arion place, Borough of Brooklyn, from the appropriation entitled, "731, Contingencies, General Office Expenses," without the necessity of entering into a lease.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the hiring of Prospect Hall, in the Borough of Brooklyn, by the Board of Elections:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Board of Elections in a communication to your honorable Board under date of April 18, 1912, states that at a meeting of that Board held April 17, 1912, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby authorized and requested to cause the Comptroller of The City of New York to enter into a contract with William Kolle, of Prospect avenue, near 5th avenue, Borough of Brooklyn, City of New York, for use of the main hall of Prospect Hall, Prospect avenue, near 5th avenue, Borough of Brooklyn, City of New York, for the examination of election officers for the Borough of Brooklyn for the year 1912-1913, on Wednesday evening, July 31, 1912, without the necessity of entering into a lease for said premises, for the sum of one hundred dollars (\$100), said sum to be paid from the appropriation entitled "731, Contingencies, General Office Expenses."

There is an error in the above resolution, \$100 being the winter rate for an evening meeting in this hall and \$75 the summer rate.

The Comptroller, in a communication to your honorable Board under date of October 19, 1911, recommended the payment of \$75 rent for the use of this hall by the Board of Elections on the evening of August 22, 1911, without the necessity of entering into a lease, and said report was approved and payment of rent authorized at a meeting of your Board held October 25, 1911.

Deeming the rent reasonable and just and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to William Kolle, of 263 Prospect avenue, Borough of Brooklyn, for use of the main hall of Prospect Hall, 263 to 267 Prospect avenue, Borough of Brooklyn, for the examination of election officers for the Borough of Brooklyn, for the year 1912-1913, on Wednesday evening, July 31, 1912, without the necessity of entering into a lease for said premises, the sum of \$75, said sum to be paid from the appropriation entitled "731, Contingencies, General Office Expenses." Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the hiring, by the Board of Elections, of the main hall of Prospect Hall, 263 to 267 Prospect avenue, Borough of Brooklyn, for the examination of election officers for the Borough of Brooklyn, on Wednesday, July 31, 1912, at a rental of seventy-five dollars (\$75) for the evening, and that the Comptroller be and is hereby authorized to pay to William Kolle, the said rental without the necessity of entering into a lease, from the appropriation entitled, "731, Contingencies, General Office Expenses."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of space in the Eagle Storage Warehouse building, 28-44 Fulton street, Borough of Brooklyn, for use of the Board of Elections:

May 6, 1912.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—I am in receipt of a communication from the Board of Elections, dated April 17, 1912, addressed to the Commissioners of the Sinking Fund, stating that a resolution of their Board under date of December 10, 1909, has been pending before the Commissioners of the Sinking Fund for the rental of 26,000 cubic feet of space in the Eagle Storage Warehouse, located at 28-44 Fulton street, Borough of Brooklyn.

Under date of April 13, 1912, the Board of Elections adopted a resolution withdrawing their resolution of December 10, 1909, and further adopting the following resolution:

"Resolved, That the Commissioners of the Sinking Fund of The City of New York be and they are hereby requested to authorize the Comptroller of The City of New York to enter into a lease with the Eagle Warehouse and Storage Warehouse, located at 28-44 Fulton street, Borough of Brooklyn, City of New York, to be used for the storage of election material and appurtenances in the care and custody of the Board of Elections of The City of New York, for a term of three years from December 1, 1911, at an annual rental of \$1,800, payable quarterly."

The necessity for the leasing of these premises is to provide a storage place for the care of election material and appurtenances in the custody of the Board of Elections of The City of New York, in the Borough of Brooklyn.

No lease of the premises in question was ever authorized by the Commissioners of the Sinking Fund. Claim was made by the said Storage Warehouse Company for the rent of the premises occupied by the Board of Elections from May 1, 1909, to November 30, 1911, which has been adjusted and since been paid, by resolution of the Commissioners of the Sinking Fund dated March 13, 1912, authorizing the Comptroller to pay to the Eagle Warehouse and Storage Company, without the necessity of entering into a lease, the sum of \$3,828.50, being the payment in full for the storage of election material during said period.

The Eagle Storage Warehouse building is a fireproof structure, and the amount of space required therein will be 26,000 cubic feet, at a rental of \$1,800 per annum, payable quarterly, being at the rate of \$0.0692 (plus) per cubic foot, which is a reasonable rate. As the material has already been stored in these premises, it is advisable that the same be continued.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of 26,000 cubic feet of space in the Eagle Storage Warehouse building, located at 28-44 Fulton street, Borough of Brooklyn, for the storage of election material and appurtenances in the care and custody of the Board of Elections of The City of New York, for a term of three years from December 1, 1911, at an annual rental of \$1,800, payable quarterly. Lessor, Eagle Warehouse and Storage Company. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Eagle Warehouse and Storage Company, of 26,000 cubic feet of space in the Eagle Storage Warehouse building, 28-44 Fulton street, Borough of Brooklyn, for use of the Board of Elections, for a term of three years from December 1, 1911, at an annual rental of eighteen hundred dollars (\$1,800), payable quarterly; and the Commissioners of the Sinking Fund, deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

An opinion was received from the Corporation Counsel relative to the marketability of the City's title to land lying within part of the lines of the former right-of-way of the Spuyten Duyvil and Port Morris Railroad, which was conveyed to the City by the Spuyten Duyvil and Port Morris Railroad Company by deed dated February 13, 1907.

Which was referred to the Committee on Vacant Property.

The following was received from the Board of Estimate and Apportionment, approving the resolution and action of the Commissioners of the Sinking Fund, authorizing an exchange of lands lying within the lines of the discontinued portions of East 182d street, as heretofore laid out between Folin street and Tiebout avenue, Borough of The Bronx, for lands lying just north of the old location, as established by the Board of Estimate and Apportionment November 2, 1911:

A true copy of resolution adopted by the Board of Estimate and Apportionment April 25, 1912.

JOSEPH HAAG, Secretary.

Which was ordered printed in the minutes.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an assignment of 33 revolvers to the Department of Correction:

April 23, 1912.

To the Commissioners of the Sinking Fund:

Gentlemen—On March 28, 1912, the Board of Water Supply requested authority to transfer to the Department of Corrections 33 new No. 6 Colt army special revolvers. In connection therewith I report as follows:

The Secretary of the Board states that on account of the completion of work along certain sections of the Aqueduct the service of many Patrolmen has been discontinued, thereby giving no further use for the 33 revolvers, which are stamped, "New York City, D. W. S.," and so cannot be returned to the firm from which they were purchased.

The Commissioner of Correction states that the revolvers are needed in his Department. Each Keeper in the Department is furnished with a revolver when he reports for duty. The Department has not purchased a weapon for the different institutions on Harts or Blackwells Islands in many years, and it is stated that some of the revolvers in use are almost beyond repair.

The proposed transfer is in compliance with the provisions of section 205 of the Greater New York Charter.

I recommend the adoption of the attached resolution granting the request.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Correction, thirty-three (33) new No. 6 Colt army special revolvers turned over to the Commissioners of the Sinking Fund by the Board of Water Supply, under date of March 28, 1912, as no longer required by that Department.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the sale and removal of encroachments lying within the lines of Kingston avenue, from East New York avenue to Midwood street, in the Borough of Brooklyn:

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Pursuant to section 1553 and section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909, authority is vested in the Commissioners of the Sinking Fund to sell buildings situated upon land owned by The City of New York or to direct the demolition or removal of all buildings or other structures, the title to which has been acquired by the City in condemnation proceedings or by purchase, and not needed for any public purposes, in the same manner as now provided by law for the demolition and removal of unsafe buildings.

This office is in receipt of a request from the President of the Borough of Brooklyn for the removal of the encroachments within the lines of Kingston avenue, from East New York avenue to Midwood street, in the Borough of Brooklyn, to permit the grading and paving of the street.

These encroachments consist of a frame building, some sheds and fences, the estimated removal value of which is as follows: Parcel No. 1, \$25; Parcel No. 2, \$5, making a total of \$30, which amount should be realized by their sale.

I therefore request that the Commissioners of the Sinking Fund adopt a resolution authorizing and ordering that the said encroachments be offered for sale at the upset or minimum prices named above, and also authorizing and ordering the President of the Borough of Brooklyn to demolish and remove all those encroachments that are not sold at the said upset prices, as encumbrances upon a public street, and such a resolution is herewith transmitted. Yours respectfully,

WM. A. PRENDERGAST, Comptroller.

Whereas, The President of the Borough of Brooklyn has requested the removal of the encroachments lying within the lines of Kingston avenue, from East New York avenue to Midwood street, in the Borough of Brooklyn; and

Whereas, If these improvements are offered for sale at upset prices, some of them would probably realize a fair return in proportion to the awards given; it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids, at the upset or minimum price of \$25 for Parcel No. 1 and \$5 for Parcel No. 2, making a total of \$30 for all of the buildings, parts of buildings, etc., lying within the lines of Kingston avenue, from East New York avenue to Midwood street, in the Borough of Brooklyn, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at a meeting held October 4, 1910, and the President of the Borough of Brooklyn is hereby authorized and ordered to demolish and remove all those encroachments that do not realize the said upset price, as encroachments upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the sale and removal of encroachments lying within the lines of Summerfield street, between Wyckoff avenue and Myrtle avenue, in the Borough of Queens.

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Pursuant to section 1553 and section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909, authority is vested in the Commissioners of the Sinking Fund to sell buildings situated upon land owned by The City of New York or to direct the demolition or removal of all buildings or other structures, the title to which has been acquired by the City in condemnation proceedings or by purchase, and not needed for any public purposes, in the same manner as now provided by law for the demolition and removal of unsafe buildings.

This office is in receipt of a request from the President of the Borough of Queens for the removal of the encroachments lying within the lines of Summerfield street, between Wyckoff avenue and Myrtle avenue, in the 2d Ward of the Borough of Queens, to permit the regulating and grading of the street.

These encroachments consist of parts of two buildings and a large board fence, the estimated removal value of which is as follows: Parcel No. 57, \$10; Parcel No. 94, \$10; Parcel No. 98, \$25, making a total of \$45, which amount should be realized by their sale.

I therefore request that the Commissioners of the Sinking Fund adopt a resolution authorizing and ordering that the said encroachments be offered for sale at the upset or minimum prices named above, and also authorizing and ordering the President of

the Borough of Queens to demolish and remove all those encroachments that are not sold at the said upset price, as encumbrances upon a public street, and such a resolution is herewith transmitted. Yours respectfully,

WM. A. PRENDERGAST, Comptroller.

Whereas, The President of the Borough of Queens has requested the removal of the encroachments lying within the lines of Summerfield street, between Wyckoff avenue and Myrtle avenue, in the 2d Ward of the Borough of Queens; and

Whereas, If these improvements are offered for sale at upset prices, some of them would probably realize a fair return in proportion to the awards given, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids, at the upset or minimum price of \$10 for Parcel No. 57; \$10 for Parcel No. 94, and \$25 for Parcel No. 98, making a total of \$45 for all the buildings, parts of buildings, etc., lying within the lines of Summerfield street, between Wyckoff avenue and Myrtle avenue, in the Borough of Queens, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund, at a meeting held October 4, 1910, and the President of the Borough of Queens is hereby authorized and ordered to demolish and remove all those encroachments that do not realize the said upset prices, as encumbrances upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

May 3, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Pursuant to section 1553 of the Revised Charter, the authority to sell buildings situated upon land owned by The City of New York is vested in the Commissioners of the Sinking Fund.

A request has been received from the Director of the New York Public Library for the removal of the building on the plot of ground, 65 feet by 86 feet, on the northeast corner of East 162d street and Morris avenue, in the Borough of The Bronx, in order that preparations may be made at once for the erection of a branch library building on this site.

I therefore request that a resolution for the sale of said building be adopted by the Commissioners of the Sinking Fund, and such a resolution is herewith transmitted. Yours respectfully,

WM. A. PRENDERGAST, Comptroller.

Whereas, The Director of the New York Public Library has requested the sale of certain buildings, etc., hereinafter described, located in the Borough of The Bronx, acquired for a Carnegie Library site,

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction, or by sealed bids, at the highest marketable prices, of all the buildings, parts of buildings, etc., situated on the plot of ground, 65 feet by 86 feet, on the northeast corner of East 162d street and Morris avenue, in the Borough of The Bronx, all of which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, No. 280 Broadway, Borough of Manhattan, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at a meeting held October 4, 1910.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a refund to Harold Binney:

April 20, 1912.

Commissioners of the Sinking Fund:

Gentlemen—In the matter of the People against Harold Binney, the defendant appealed to the Court of General Sessions of the Peace, New York County, from a judgment of the Seventh District Magistrates' Court, Borough of Manhattan, wherein he was adjudged guilty and fined the sum of \$10, which was paid to the Clerk of the Court and by him deposited to the credit of the Sinking Fund for the Payment of the Interest on the City Debt on March 29, 1911.

The appeal was argued before the Court of General Sessions and by the decision of that Court the judgment of conviction was reversed, the fine remitted, and it was ordered that the Comptroller of The City of New York pay to Harold Binney, the defendant, the sum of \$10 with interest which may be due thereon.

A resolution is herewith submitted to carry into effect the order before mentioned.

No interest has been included in the resolution because of the fact that the Corporation Counsel, in an opinion dated April 11, 1912, advised that \$10 should be repaid to the defendant, Harold Binney. Respectfully yours,

WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Payment of the Interest on the City Debt be drawn in favor of Harold Binney for the sum of \$10, refunding him the amount of fine imposed by the Seventh District Magistrates' Court, Borough of Manhattan, paid by him to the Clerk of said Court and deposited in the City Treasury to the credit of Sinking Fund for the Payment of the Interest on the City Debt on March 29, 1911.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a transfer of \$1.16 from Sinking Fund No. 1 to the City Treasury:

April 22, 1912.

Gentlemen—On March 26, 1912, the Collector of City Revenue and Superintendent of Markets of this Department deposited with the Chamberlain the sum of \$1.16, representing a collection of water lot rent by the estate of J. J. Moore, which was in error credited to "Sinking Fund for the Redemption of the City Debt No. 1," instead of "Sinking Fund for the Payment of the Interest on the City Debt."

A resolution is herewith submitted for your adoption for the purpose of correcting the erroneous credit. Respectfully yours,

WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Redemption of the City Debt No. 1 be drawn in favor of the Chamberlain for the sum of \$1.16 for deposit in the City Treasury to the credit of "Sinking Fund for the Payment of the Interest on the City Debt," thereby correcting an erroneous deposit made by the Collector of City Revenue and Superintendent of Markets on March 26, 1912.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a transfer of \$31 from the Interest Fund to the City Treasury:

April 20, 1912.

Commissioners of the Sinking Fund:

Gentlemen—On April 9, 1912, the Department of Water Supply, Gas and Electricity deposited with the Chamberlain the sum of \$1,043.43, which was credited on the books of the Department of Finance to "Sinking Fund for the Payment of the Interest on the City Debt." Of this amount, \$13.89 should have been credited to the "General Fund," as it represented collections for labor and material.

On April 12, 1912, the same Department deposited with the Chamberlain \$169.55, which was also placed to the credit of "Sinking Fund for Payment of the Interest on the City Debt." Of this amount \$17.11, representing collections for labor and material, should have been credited to the "General Fund."

In order that these erroneous credits be corrected, the adoption of the accompanying resolution by your Commission is necessary. Respectfully yours,

WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the Payment of the Interest on the City Debt be drawn in favor of the Chamberlain for the sum of thirty-one dollars (\$31), for deposit in the City Treasury to the credit of the General Fund, correcting erroneous deposits made by the Department of Water Supply, Gas and Electricity on April 9 and April 12, 1912.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a transfer of \$703 from Sinking Fund No. 1 to the City Treasury:

April 22, 1912.

Commissioners of the Sinking Fund:

Gentlemen—On November 29, 1911, a voucher drawn in favor of John W. Williams for \$937.44, being \$703 principal and \$234.44 interest, was charged on the books of this office against the account known as "Fund for Street and Park Openings."

This was an error, as the principal should have been paid from the "Sinking Fund for the Redemption of the City Debt No. 1."

In order that the erroneous charge be corrected on the books of the Department of Finance, I would request the adoption of the accompanying resolution reimbursing the "Fund for Street and Park Openings" for the amount paid from it in error.

Respectfully yours,

WM. A. PRENDERGAST, Comptroller.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to plans for the construction of a new station house, prison and garage for the Eighth Police Precinct, to be located at the southwest corner of Beach and Varick streets, Borough of Manhattan:

May 2, 1912.

To the Commissioners of the Sinking Fund:

Gentlemen—On April 24, 1912, the Police Commissioner requested approval of new plans and specifications for the construction of a new station house, prison and garage, for the Eighth Police Precinct, to be located on the southwesterly corner of Beach and Varick streets, Borough of Manhattan.

The plans and specifications call for three stories for the main portion of the building, and two stories and hay and feed loft for the stable part.

The building is arranged to provide quarters both for the Eighth Precinct, including a garage, and the men and horses for the (mounted) traffic squad "A."

The Beach and Varick street facades will be granite to the water table, above the water table to be cut cast stone. The building is to be heated by direct radiation by a two-pipe system, and will be piped for electricity and gas, the electricity to be furnished by the Edison Electric Light Company.

The plans show a building well adapted for the purpose. The specifications appear to be complete, and call for a good and substantial building, and one that is not expensive.

The cost of the work is to be paid from the unencumbered balance of \$554,969.52 (as of May 1, 1912) in the corporate stock fund entitled "C. P. D.—2A, Police Department, for Sites and Buildings." The appropriation was approved, in the sum of \$2,000,000, by the Board of Estimate and Apportionment on June 8, 1906, and was concurred in by the Board of Aldermen on July 10, 1906, of which \$150,000 was released for the purpose of erecting the 8th Precinct station house.

On May 17, 1911, the Commissioners of the Sinking Fund approved plans for a four-story station house on the site, and these plans have been withdrawn by the Commissioner.

I recommend the adoption of the attached resolution, rescinding the action of May 17, 1911, and approving the new plans and specifications. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by the Commissioners of the Sinking Fund on May 17, 1911, as follows:

—be and the same is hereby rescinded, and be it further

The fund was approved in the sum of \$625,000 by the Commissioners of the Sinking Fund on May 5, 1909.

The form of contract is satisfactory, the plans and specifications appear complete and satisfactory, and the total estimate of cost, including Architect's fees, is reasonable.

I recommend the adoption of the attached resolution approving the request.

Respectfully,

WM. A. PRENDERGAST, Comptroller.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of rooms in the Pullman Building, at No. 17 Madison avenue, Borough of Manhattan, for use of the Special Committee of the Board of Estimate and Apportionment appointed to make a study of the Departments of Health, Charities and Hospitals:

May 8, 1912.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The President of the Borough of Manhattan, in a communication to your Honorable Board under date of March 6, 1912, requested that a lease be secured of Room 4 in the Ashland Building, Madison avenue, Borough of Manhattan, at an annual rental of \$1,400.

The President of the Borough has since discovered that he can obtain two rooms in the Pullman Building, at No. 17 Madison avenue, Manhattan, being Rooms 904-5 and 906, on the ninth floor. These rooms are 18 by 11 feet 4 inches and 26 feet 2 inches by 11 feet 4 inches, are well lighted on two sides, and because of their shape are much more available for subdivision than the room first selected in the Ashland Building.

The area of these two rooms is 500 square feet, and the rent is at the rate of \$1,000 a year, from May 15, 1912, to May 1, 1913. The Borough President has stated that these rooms are sufficiently large for the purpose.

In a communication from the Borough President under date of May 6, 1912, he requested that these two rooms in the Pullman Building be substituted for the one room in the Ashland Building. The committee which is to occupy these rooms has stated that the rooms in the Pullman Building will be sufficient for their purpose, and the saving to the City will be at the rate of \$400 a year.

The Pullman Building is fireproof and has all improvements, including hot and cold water supply, steam heat, electric light, janitor and elevator service, all to be supplied by the lessor.

The rates of rental in the Pullman Building range from \$1.94 to \$3.39 a square foot.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the two rooms on the ninth floor of the Pullman Building, No. 17 Madison avenue, Borough of Manhattan, known as Room 904-5 and Room 906, containing a total area of 500 square feet, for use of the Special Committee of the Board of Estimate and Apportionment appointed to make a study of the Departments of Health, Charities and Hospitals, for a term from May 15, 1912, to May 1, 1913, at a rental at the rate of \$1,000 a year, payable quarterly, the lessor to pay taxes, supply hot and cold water, heat, light, janitor and elevator service. Lessor, Pullman Holding Company, No. 17 Madison avenue, Borough of Manhattan. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Pullman Holding Company of the two rooms on the ninth floor of the Pullman Building, No. 17 Madison avenue, Borough of Manhattan, known as Room 904-5 and Room 906, containing a total area of 500 square feet, for the use of the Special Committee of the Board of Estimate and Apportionment appointed to make a study of the Departments of Health, Charities and Hospitals, for a term from May 15, 1912, to May 1, 1913, at a rental at the rate of one thousand dollars (\$1,000) per annum, payable quarterly, the lessor to pay taxes, supply hot and cold water, heat, light, janitor and elevator service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Adjourned.

COMMISSIONERS OF SINKING FUND.

NOTICE IS HEREBY GIVEN THAT THE public hearing given by the Commissioners of the Sinking Fund at 11 o'clock in the forenoon, on Wednesday, May 8, 1912, in Room 16, City Hall, Borough of Manhattan, in the matter of the modified plan for the improvement of the waterfront in the vicinity of West Washington Market, between Jane street and West 13th street, North River, in the Borough of Manhattan, made and adopted by the Commissioner of Docks in accordance with law February 20, 1912, and submitted to the Commissioners of the Sinking Fund for approval, will be continued at the same place at 11 o'clock in the forenoon, on Wednesday, May 22, 1912. This modified plan differs from the plan heretofore submitted in that it provides a basin for pier length of 900 feet instead of 1,000 feet; and the marginal street, wharf, or place is made narrower, thus eliminating the necessity for the acquisition of any privately owned upland property. The modified plan also renders unnecessary the removal or alteration of the City's pumping station. The plan as modified is open to the inspection of any citizen at the office of the Comptroller of The City of New York at all times during business hours until the day of the hearing.

Also the establishment of a marginal street, wharf or place, bounded and described as follows: Beginning at the intersection of the southerly side of Pier 53 with the bulkhead line northerly of the New West Washington Market adopted by the Commissioners of the Sinking Fund April 29, 1904; thence northeasterly to the intersection of the northerly line of Little West 12th street with the easterly line of the marginal street, wharf or place, northerly of the New West Washington Market adopted by the Commissioners of the Sinking Fund April 29, 1904; thence southerly and in the southerly prolongation of the above-described marginal street, wharf or place to an intersection with the easterly prolongation of the northerly side of the high pressure pumping station; thence westerly and along the easterly prolongation of the northerly side and the northerly side of the high pressure pumping station to the westerly side of said station; thence southerly and along its westerly side and its southerly prolongation to the southerly line of Gansevoort street; thence westerly along the southerly line of Gansevoort street to the easterly line of West street; thence southerly along the easterly line of West street to the easterly prolongation of the northerly side of Pier 52; thence westerly along the easterly prolongation of the northerly side of Pier 52 to a point in the easterly prolongation of the northerly side of Pier 52 distant 860 feet easterly from the established pierhead line measured along the northerly side of Pier 52; thence northerly and parallel with the established pierhead line to its intersection with the proposed bulkhead line at a point 860 feet easterly of the established pierhead line measured along the northerly line of the proposed pier adjacent to the northerly side of Pier 52; thence northeasterly, northerly and westerly along the proposed bulkhead line to the point or place of beginning.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in

the Borough in which the buildings are situated and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless, The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against or from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All ironing, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners on the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
