***IMPORTANT ALERT***  
***SCAM/PHISHING CAMPAIGN MIMICKING BIC EMAILS***

To all market registrants:

BIC is alerting the industry to a **phishing campaign designed to steal login credentials**. The phishing emails mimic BIC emails, and reference an attached “secure document” from “bic@nyc.gov”.

These emails are **NOT LEGITIMATE**. BIC does not send emails from “bic@nyc.gov”. **The phishing email may be or look like the attached PDF**. If you receive such an email, please **do not open any attached documents or click any links; instead, delete it immediately**.

Legitimate BIC directives and notices are sent from bnotifications@bic.nyc.gov. Attachments sent from this email address are safe and from BIC.

If you received the scam email and clicked any links in the email, you are advised to check any accounts you use with that email address for unauthorized access and/or change the password for that email address.

Thank you for your attention to this matter.
