HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**GUNSHOT DETECTION AND LOCATION SYSTEM - Negotiated Acquisition - Other - PIN#05615N0007 - Due 9-25-15 at 3:00 P.M.**

The New York City Police Department ("NYPD") is seeking to enter into a contract for a Gunshot Detection and Location System ("System"). The proposed System would use specially placed microphones to pinpoint, in seconds, the precise location of gunfire within coverage areas. The overall goal of the System is to reduce indiscriminate gunfire, reduce gunshot-related injuries and deaths, and to increase recovery of ballistic evidence, perpetrator arrests and successful prosecutions associated with illegal gun-related activities. The NYPD has previously entered into a Demonstration Project contract to evaluate the reliability and feasibility of utilizing gunshot detection technology in New York City. This Demonstration Project has been a success, and the NYPD is now proceeding with a new contract to provide for such a System in broader areas of the City for a longer term.

Specifically, the NYPD is looking for a robust gunshot detection system model that uses a network of sensors affixed to rooftops and other high points to detect subsonic and supersonic impulses generated by gun fire within a large outdoor area. The system should use multiple, collaborating sensors that will allow the system to geo-locate the exact location from which a shot was fired (both latitude/longitude and street address). The system should also have audio analysis software that identifies the gunshots. The selected vendor also needs to be able to provide a team of acoustic experts, stationed at a round-the-clock adjudication center, to listen to the sounds that prompted each alert and to communicate directly with the NYPD in real-time. The NYPD believes that adding human judgment to the process drastically reduces the number of false positives. The Gunshot Detection and Location System must also be able to detect the number of shots fired and the position, speed, and direction of travel if the shooter is moving, and provide a digital record of the shooting for investigative or evidentiary use.

At this point, the NYPD knows of only one vendor that offers a Gunshot Detection and Location System that has all of the features which it is seeking. This vendor is Shotspotter, Inc., located at 7979 Gateway Boulevard, Suite 210, Newark, CA 94560. Thus, the NYPD intends to negotiate with Shotspotter, Inc. and any other vendors that express an interest in this solicitation for the provision of the required Gunshot Detection and Location System for the NYPD.

A contract award will be made by the Negotiated Acquisition source selection method, pursuant to City of New York Procurement Policy Board Rules (PPB Rules) § 3-04(b)(2) because the NYPD has determined that there are a limited number of vendors able to provide

the required System. See Section 3-04(b)(2)(ii) of the PPB Rules. Any Vendors that wish to express an interest in this solicitation should contact Deputy Agency Chief Contracting Officer Jordan Glickstein at jordan.glickstein@nypd.org or submit a written request to: Deputy Agency Chief Contracting Officer Jordan Glickstein, NYPD Contract Administration Unit, 90 Church Street, Suite 1206, New York, NY 10007. Statement of Basis and Purpose of Proposed Rule

The proposed rule removes language referencing high-pressure boiler inspections conducted by the Department of Buildings because the 2014 Administrative Code amendments transferred this responsibility to the building owner.

The Department of Buildings' authority for these rules is found in Sections 643 and 1043 of the New York City Charter and Section 28-303.2 of the New York City Administrative Code.

New material is underlined. [Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Subdivision (e) of Section 103-05 of Chapter 100 of Title 1 of the Rules of the City of New York is amended to read as follows:

**§103-05 High-pressure boiler inspection and filing requirements, penalties and waivers.**

[Upon the department’s mailing of a notification to an owner stating that the department will not be conducting high-pressure boiler annual inspections for the upcoming inspection cycle, the] The owner shall be responsible for hiring a qualified boiler inspector to conduct such inspections during such upcoming inspection cycle. Such inspections shall comply with Article 303 of Title 28 of the Administrative Code, applicable provisions of the New York State Labor Law and the following:

- (1) Internal and external high-pressure boiler annual inspection reports along with the appropriate filing fee(s) shall be submitted for each inspection cycle on such forms and in such manner as required by the department. The reports shall include:

If an inspection reveals any dangerous condition in a boiler that threatens life or safety and that requires an immediate shutdown of the boiler, or reveals an unregistered boiler, the inspector must immediately notify the department’s boiler division of the condition via fax or email at the number or address provided on the department’s website, <http://www.nyc.gov/buildings>.

### MAYOR'S FUND TO ADVANCE NEW YORK CITY

#### ■ NOTICE

The Mayor's Fund to Advance New York City (Mayor's Fund) received funding to support a diversity initiative targeting the not for profit cultural community in New York City. The New York City Department of Cultural Affairs (DCLA) launched the Diversity Initiative in January 2015. The purpose of this major initiative is to promote diversity among the leadership, staffs, and audiences of cultural organizations in New York City. This includes a demographic survey of DCLA's nearly 1,000 grantee organizations that will examine race, ethnicity, gender, disability, age, and other factors.

The Mayor's Fund seeks a consultant to develop strategy and execution programming related to DCLA's Diversity Initiative, as further described in the RFP at [on.nyc.gov/DiversityInitiativeRFP](http://on.nyc.gov/DiversityInitiativeRFP). The anticipated term of engagement is October 24, 2015 - December 31, 2016.

The budget for this initiative is \$93,000.

a25-s25

The Mayor's Fund to Advance New York City, with the assistance of the New York City Department of Consumer Affairs Office of Financial Empowerment ("DCA/OFE"), seeks a Collaborative of Consultants to partner with each other in creating a framework and strategy for defining and measurably improving neighborhood-level financial health. This initiative seeks to enable DCA/OFE to identify and harness local formal and informal systems and structures to magnify positive financial health outcomes for neighborhoods, and thereby for low-income New Yorkers, across New York City at an unprecedented scale. The total budget for the Collaborative is \$210,000 over approximately 12 months of engagement. Further details can be found at [on.nyc.gov/finhealthrfp](http://on.nyc.gov/finhealthrfp).

s2-16

The Mayor's Fund is seeking appropriately qualified Community Based Organizations (CBOs) to establish and operate the Connections to Care (C2C) program. The C2C program is funded primarily through a Healthy Futures grant from the Social Innovation Fund of the Corporation for

National and Community Service. In C2C, CBOs partner with clinical mental health providers (MHPs) to integrate evidence-based mental health services (treatment, promotion, and/or prevention) into existing programs that serve at-risk populations. The program's goal is to improve mental health and program-related outcomes for low-income (1) expectant mothers and parents of children 0-4; (2) out of school, out of work young adults ages 16-24; and/or (3) unemployed or underemployed low-income working-age adults ages 18 and over receiving workforce development services. In addition, C2C aims to increase access to and utilization of quality mental health care services in order to improve mental health outcomes and CBO programmatic outcomes. Expecting C2C to be a five-year program, the Mayor's Fund anticipates awarding grants to approximately twelve CBOs in New York City. Grant sizes are expected to range between \$100,000 and \$250,000 per year, which are required to be matched 1:1 by non-federal funds (for total annual subgrantee budgets of \$200,000 to \$500,000). ### YOUTH AND COMMUNITY DEVELOPMENT

#### ■ NOTICE

In accordance with Section 3-03(b)(1) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) will be issuing a Concept Paper for the In-School Youth (ISY) and Out of School Youth (OSY) Workforce Innovation and Opportunity Act (WIOA) Programs. Following release of this concept paper, DYCD will issue a request-for-proposals (RFP) for new programs. In July, 2014, WIOA replaced the Workforce Investment Act and reinforced the nation's commitment to employment, training, adult education, and vocational rehabilitation programs. WIOA has significant implications for improving services for low-income and disconnected youth, and broadens key definitions of eligibility, skills deficiency, and barriers to employment, all of which expand access to essential workforce development programs for vulnerable youth. WIOA also encourages the development of career pathways that connect progressive levels of training, education, and credentials, and supports skills development that meets the demands of the labor market. DYCD recognizes these challenges as well as the importance of providing comprehensive supportive services to promote success for participating Out of School Youth and In School Youth and focuses on helping these youth build the skills and confidence to succeed. Through this RFP, DYCD is seeking appropriately qualified organizations to implement federally-funded WIOA OSY and ISY programs. DYCD aims to fund an integrated and holistic program model that will strengthen NYC's workforce development system and help young people gain the support, educational credentials and skills needed to succeed in today's economy.

# READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

## PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

## HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
