Adopted by the Board of Aldermen, February 10, 1876.
Approved by the Mayor, February 15, 1876.

Whereas, The people of the United States of America should ever sacredly foster and scrupulously transmit to posterity a just appreciation of the inestimable services rendered by the immortal George Washington, the father of his country, and should ever zealously show the highest admiration for the pre-eminent private and public virtues which characterized that God-like man, "the simple majesty of whose character, too sublime for elaborate eulogy, like the lineaments of his extraordinary countenance, will never cease to be familiar to virtuous humanity until Time shall close his records and the heavens shall pass away as a scroll;" to whose untiring energy, indomitable perseverance, and military genius our country is mainly indebted for national existence and our people for the liberties they now enjoy; and

Whereas, In grateful recognition of all these priceless blessings conferred upon them by his inspired efforts, the people of the City of New York—the imperial city of the western hemisphere—through their corporate authorities in Common Council convened, deem it to be eminently fit and proper in this, the centennial year of American independence, to manifest in some marked degree their estimation of his illustrious character and their acknowledgment of his patriotic services; therefore be it

Resolved, That in commemoration of the remarkable events with which the history of George Washington is so strikingly replete, some extraordinary recognition of the one hundred and forty-fourth anniversary of the day of his birth (which will occur in this, the one hundredth year of the declaration of American independence, on Tuesday, 22d day of February, 1876), should be demonstrated by the citizens of the city of New York; and it is, therefore, recommended that they observe the day as a general holiday; that they be requested to abstain, as far as possible, from all secular employment; that the flags of all nations be displayed alike, afloat and ashore; that the flags of the city be hoisted on all the public buildings; that the reverend, the clergy, be requested to open their churches for morning services or prayers, to render humble and devout thanks and reverence to Almighty God, who gave to our country so eminent a soldier and patriot, and whose omniscient power guided it safely through all the perils incident to its birth, growth, and maturity for a century of years.

Adopted by the Board of Aldermen, February 10, 1876.
Approved by the Mayor, February 15, 1876.

On and after the passage of this act it shall not be lawful for any person or persons, or corporation operating a horse-railroad in the City of New York, to stop their cars or horses for the purpose of transferring the horses on any street-crossing used by pedestrians in the City of New York, or stop the cars so near the crossings for the purpose of transferring the horses that the cars or the horses will, when standing still and before the horses are transferred, be upon any street-crossing or in any manner obstruct the crossing.

Sec. 2. If any such person or persons, or corporation operating any horse-railroad in the City of New York, shall stop their cars or horses, for the purpose of transferring their horses, on any street-crossing used by pedestrians in the City of New York, or shall stop their cars so near the crossing, for the purpose of transferring the horses, that the cars or the horses will, when standing still and before the horses are transferred, be upon any street-crossing, or in any manner obstruct the crossing, such person, or persons, or corporation shall forfeit the sum of fifty dollars for every such offense, to be recovered by and in the name of the Mayor, Aldermen, and Commonalty of the City of New York in any court having cognizance thereof.

LEGISLATIVE DEPARTMENT

[From the Proceedings of the Board of Aldermen, February 17, 1876.]

(G. O. 73.)

The Committee on Law Department, to whom was referred the accompanying memorial of Chester A. Arthur, Collector, for the conveyance, by the City of New York to the United States, of a certain triangular piece of land on the Battery, adjoining land now owned by the United States, respectfully

REPORT:

That your Committee have carefully examined the statements contained in the application, and find them to be correct. They are clear and concise, and are of such a character as to warrant your Committee in recommending, and your Honorable Body in adopting, a resolution granting the prayers of the petitioner. The necessary authority to authorize the Common Council to dispose of this property to the United States Government has been granted by the State Legislature, and will be found in chapter 320, Laws of 1873, a copy of which is also hereto annexed.

The following resolution is therefore respectfully offered for your adoption:

Resolved, That the Counsel to the Corporation be and he is hereby authorized and directed to prepare and approve of a deed conveying to the United States, for the nominal consideration of one dollar, all that triangular piece or parcel of land on the Battery, adjoining the land thereon now owned by the United States, being 64 feet 2½ inches front on the East river, 186 feet 1 inch on the westerly side, and 108 feet 3 inches on the easterly side of said triangle, containing an area of 6,260¾ feet, and more particularly described on the annexed diagram or map by being colored red; and the Clerk of the Common Council, when such deed is prepared, approved, and transmitted to him by the Counsel to the Corporation, be and he is hereby authorized and directed to execute the same, on behalf of the Mayor, Aldermen, and Commonalty of the City of New York, and affix thereto the common seal of the Corporation of said city, and deliver the same to Chester A. Arthur, Collector of the Port of New York, or other person duly authorized to receive the same, on behalf of the government of the United States.

O. P. C. BILLINGS.

The undersigned members of the said Committee agree in all the conclusions of the above report, except that they are not fully convinced of the justice or propriety of transferring, for a merely nominal consideration, the land in said report recommended to be conveyed. It is, in their opinion, a question which the whole Board should consider.

HENRY D. PURROY, Committee on
PETER SEERY, Law Department.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COURT-COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered in person, if possible, and at this office only, under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.
