BOARD OF REVISION OF ASSESSMENTS.

A meeting of the Board of Revision of Assessments was held in the Governor's Room, City Hall, on Tuesday December 29, 1903, at 11:15 o'clock A. M.

Present—N. Taylor Phillips, Deputy and Acting Comptroller; George L. Rives, Corporation Counsel; James L. Wells, President of the Department of Taxes and Assessments.

The reading of the minutes of the previous meetings not yet approved was dispensed with.

BOROUGH OF QUEENS.

The assessment list for improvements in Long Island City, Borough of Queens, under the provisions of chapter 644, Laws of 1893, referred back to the Board of Assessors under resolutions, with all of the objections, withdrawals thereof and the various other consents, stipulations and papers in the matter, at meeting of November 13, 1903, for revision and correction by reducing the total amount of the said assessment, including the interest thereon by 60 per cent. thereof, and by reducing the assessment upon each parcel accordingly, was presented by the Deputy and Acting Comptroller, having been returned by the Board of Assessors with all papers under date of December 21, 1903.

The Board of Assessors stated that the assessment had been revised in accordance with the resolutions of the Board of Revision of Assessments.

Rev. P. A. Walsh, rector of the Church of Our Lady of Mount Carmel, was heard in opposition to the amount of the assessment on the church property for the reason that it had previously paid an assessment for an outlet sewer.

No others appearing in opposition to the assessment after notice, on motion of the Corporation Counsel, the objections which had not heretofore been withdrawn were overruled and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for regulating, grading, curbing, flagging and laying crosswalks in the Southern Boulevard, from East One Hundred and Thirty-eighth street to the southerly line of the Port Morris Branch of the New York and Harlem Railroad, and from the northerly line of the New York and Harlem Railroad to Hunt's Point road, together with a list of awards for damages caused by a change of grade and objections, referred back to the Board of Assessors, at meeting of May 7, 1903, with instructions particularly to inquire into the amount of the assessment to be levied upon the Port Morris Branch of the New York and Harlem Railroad Company, as the Board is of the opinion that the assessment already charged is inadequate; and also to inquire into the facts relative to previous assessments made for laying crosswalks, macadamizing, curb, gutter and flagging on the Southern Boulevard, and to make the reductions necessary by reason of former assessments having been paid, were presented by the Deputy and Acting Comptroller, having been returned by the said Board under date of December 16, 1903, together with a communication from the President of the Borough of The Bronx of September 18, 1903, enclosing copy of report made by S. C. Thompson, Engineer of Highways, and opinion of the Corporation Counsel to the Board of Assessors of November 30, 1903, in the matter, and additional objections and briefs filed by William H. Peirce, Edward S. Kaufman and Robert L. Luce, attorneys.

Mr. William H. Peirce, attorney, was heard in opposition to the assessment in consequence of the excessive cost and expenses of the work and to charging the property of his clients for the work of curb, gutter and flagging which had previously been done and paid for, and, therefore, constitutes a repavement; also that the property should be relieved of the cost and expense of filling, and that the area of assessment should be extended.

Mr. Edward S. Kaufman, attorney, opposed the assessment upon the property of his client, Max Weil, for the reason that by the work his property had been damaged instead of benefited.

Mr. Joseph A. Flannery, attorney, appeared by representative and objected to the apportionment of the assessment and to the excessive cost and expenses of the work, and asked that a portion of the expense be borne by the City, and claimed that the improvement had been made for the benefit of the railroad.

Mr. Charles H. Brush, attorney, appeared and objected to the great cost of the work and the excessive expenses, and asked that some reduction might be made in the assessment.

Mr. Robert L. Luce, of counsel for the New York and Harlem Railroad Company, as owner, appeared and stated that he had no remarks to make in the matter.

No others appearing after notice, decision was reserved and the assessment list was laid over until the next meeting of the Board.

The assessment list for sewers and appurtenances in East One Hundred and Seventy-ninth street, between Boston road and Mohegan avenue; in East One Hundred and Eightieth street, between Boston road and Southern Boulevard; East One Hundred and Eighty-first street, between Boston road and Crotona parkway; in East One Hundred and Eighty-second street, between Boston road and Honeywell avenue; in Vyse street, between East One Hundred and Eightieth street and East One Hundred and Eighty-second street; in Daly avenue, between East One Hundred and Eighty-first street and East One Hundred and Eighty-second street, and in Honeywell avenue, between East One

Hundred and Seventy-seventh street and East One Hundred and Eighty-second street, with objections, referred back to the Board of Assessors at meeting of October 23, 1903, with instructions to reduce the assessment by 20 per cent. from the gross amount thereof, and to vacate the assessment upon Lot Map No. 208, was presented by the Deputy and Acting Comptroller, having been received from the said Board amended on November 28, 1903, with objections to the assessment as revised of Janette M. Barnett, filed by Leon B. Ginsburg, attorney.

Mr. Ginsburg, attorney, appeared and renewed his objections to the amount charged against the property of his client.

On motion of the Deputy and Acting Comptroller, the objections to the assessment were overruled, and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF MANHATTAN.

The assessment list for alteration and improvement to sewer in Twenty-third street, between new bulkhead-line and First avenue, which overflow, and new sewers in Avenue A, between Twenty-second and Twenty-fourth streets, with objections of John Jacob Astor and John Davis, filed by John C. Shaw, attorney, referred back to the Board of Assessors at meeting of November 13, 1903, for further consideration, and to confer with the Corporation Counsel in regard to the questions raised in the objections, was presented by the Deputy and Acting Comptroller, having been returned by the said Board under date of December 16, 1903.

The Assessors stated that they had conferred with the Corporation Counsel in regard to the matter.

Mr. Shaw, attorney, appeared and renewed his previous objections to the apportionment of the assessment, and claimed that the Metropolitan Street Railway, which uses the sewers, should be assessed, and that as the work was made necessary by the changing of the bulkhead-line, the City alone is benefited thereby.

On motion of the Corporation Counsel, the objections filed were overruled and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for regulating, grading, setting curbstones, flagging the sidewalks and laying crosswalks in Fordham road, from Kingsbridge road to Harlem river, with objections, referred back to the Board of Assessors, at meeting of October 30, 1903, with instructions to reduce the assessment by 12½ per cent. from the gross amount thereof, and further to consider the question whether a portion of the cost of the work should be assessed against the corporations making use of the road, or the intersecting streets and avenues, was presented by the Deputy and Acting Comptroller, having been returned by the said Board under date of December 17, 1903, with objections of Amelia Murray to the refusal of the Assessors to entertain her claim for damages for change of grade, filed by Walter B. Hopping, attorney. Also renewal of the objections filed against the assessment by Robert L. Luce, John J. Brady and A. C. Hottenroth, attorneys, and opinion of the Corporation Counsel to the Board of Assessors, dated December 9, 1903, in regard to assessing any portion of the cost of the work against corporations making use of the road or the intersecting streets and avenues.

Mr. Luce, attorney, was heard in opposition to assessing any amount against the railroad companies represented by him, and asked that the Board reduce the assessment on the lots of the companies to the sum of one dollar.

Mr. John J. Brady, attorney, was heard in opposition to the assessments charged against the property of his clients, in cases where the work had been performed by the owners at their own expense, under resolutions of the Common Council.

Mr. James N. Buttery, attorney, in behalf of Walter B. Hopping, attorney, appeared and objected to the refusal of the Board of Assessors to consider the claim of Amelia Murray for damages caused by a change in the grade of the road.

Mr. Andrews, in behalf of A. C. Hottenroth, attorney, was heard in opposition to the excessive cost of the work and expenses, and to the apportionment of the assessment.

On motion of the Deputy and Acting Comptroller, the assessments charged against the property, in front of which the owners had previously performed the work at their own expense, were eliminated from the assessment list, all the members voting in the affirmative.

No others appearing in opposition after notice, on motion of the Deputy and Acting Comptroller, the objections filed against the assessment were overruled, and the assessment list, as amended, was confirmed, all the members voting in the affirmative.

The assessment list for regulating, grading, curbing, flagging and laying crosswalks in Longwood avenue, from Tiffany street to the Southern Boulevard, together with a list of awards for damages, caused by a change of grade, and objections, referred back to the Board of Assessors at meeting of November 19, 1903, with instructions to make a pro rata reduction in the assessment in the amount of five thousand dollars, and also to readjust the assessment upon the plot known as Lot No. 54, Map No. 1, were presented by the Deputy and Acting Comptroller, having been returned by the said Board, amended, under date of December 21, 1903, with renewal of the objections filed by Mr. A. C. Hottenroth, attorney in said matter.

Mr. Andrews, representing Mr. A. C. Hottenroth, attorney, appeared in support of the objections originally filed against the assessment.

On motion of the Deputy and Acting Comptroller, the objections filed were overruled, and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF MANHATTAN.

The assessment list for paving, with asphalt block pavement, Broadway (formerly Kingsbridge road), from a point 688 feet, more or less, north of One Hundred and Eighty-seventh street to the northerly line of Dyckman street, with objections, referred back to the Board of Assessors at meeting of October 30, 1903, for revision in regard to

the apportionment of the assessment, was presented by the Deputy and Acting Comptroller, having been returned by said Board, under date of November 30, 1903, together with transcript of testimony taken before it at hearing on November 5, 1903, and opinion of the Corporation Counsel of November 16, 1903, in matter of the application of Mr. J. Romaine Brown, agent for the estate of P. W. Sheaffer, represented by Mr. John C. Shaw, attorney, for an apportionment of the assessment on the property known as Lot No. 840 in Block No. 2179.

Mr. Shaw, attorney, was heard, and stated that since the return of the assessment list by the Board of Assessors, the apportionment of the property which he represented had been made on the tax maps of the City.

On motion of the Deputy and Acting Comptroller, the assessment list was referred back to the Board of Assessors with instructions to apportion the assessment in accordance with the designation of the property, as shown on the tax maps, all the members voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for sewer and appurtenances in Bryant street, between Home street and Freeman street, with objections, referred back to the Board of Assessors at meeting of November 4, 1903, with instructions to make a reduction of twenty per cent. in the assessment, was presented by the Deputy and Acting Comptroller, having been received from the said Board, amended, on November 28, 1903.

Mr. Andrews, representing Mr. A. C. Hottenroth, attorney, appeared and objected to the excess allowed for inspection, and claimed that some of the property has no connection with the sewer in question.

On motion of the Deputy and Acting Comptroller, the objections filed against the assessment were overruled, and the assessment list was confirmed, all the members voting in the affirmative.

The assessment list for sewer and appurtenances in West Farms road, between Edgewater road and East One Hundred and Sixty-seventh street, and in Bryant street, from Home street to West Farms road, with objections, referred back to the Board of Assessors at meeting of October 23, 1903, with instructions to consider the reduction of the assessment in respect to lots that front on two streets or more, so as to make an equitable assessment, and with authority to apply, if the Assessors desire to do so, to the Board of Taxes and Assessments for an apportionment of the tax valuations of such lots, and also to reduce the assessment by 12½ per cent. from the gross amount thereof, was presented by the Deputy and Acting Comptroller, having been received from the said Board on November 28, 1903, with objections to the assessment as amended, of Henry D. Tiffany, filed by Joseph A. Flannery, attorney.

Mr. Flannery, attorney, was heard, and alleged that the instructions of the Board of Revision of Assessments of October 23, 1903, to the Board of Assessors had not been complied with by the latter Board, with reference to the apportionment of the assessment on the property of his clients.

On motion of the Corporation Counsel, the assessment list was again referred back to the Board of Assessors, with instructions to consider further the question of the apportionment and reduction of the assessment in regard to the lots which front on two or more streets, in order to make an equitable assessment; and also to notify the property owners whose lots are so situated, all the members voting in the affirmative.

The assessment list for sewer and appurtenances in Mapes avenue, between East One Hundred and Seventy-seventh street and East One Hundred and Eighty-second street, and in East One Hundred and Eighty-second street, from Mapes avenue to the Southern Boulevard, with objections, referred back to the Board of Assessors at meeting of November 13, 1903, with instructions to reduce the expenses for engineering and inspecting by one-half, was presented by the Deputy and Acting Comptroller, having been received from the said Board, amended, on November 28, 1903, with objections to the assessment as revised, of William E. Callender and others, filed by John C. Shaw, attorney, and of William Coogan and others, filed by A. C. Hottenroth, attorney.

No one appearing in opposition after notice, on motion of the Corporation Counsel the objections filed against the assessment were overruled and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF BROOKLYN.

The assessment list for sewer in Eighth avenue, from Fifty-fourth street to Sixty-second street; in Ninth avenue, from Fifty-fourth street to Sixty-second street; in Fort Hamilton avenue, from Fifty-fourth street to Sixtieth street; and in Fifty-fourth street, from Seventh avenue to Fort Hamilton avenue, in the Borough of Brooklyn, with objections of James Mooney and others, owners, and report of Superintendent of Sewers of December 2, 1903, in regard thereto, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors under date of December 4, 1903.

Mr. Mooney was heard in behalf of himself and others in opposition to the assessment on the ground that the work had not been performed in accordance with the specifications and contract.

On motion of the Corporation Counsel the objections filed against the assessment were overruled and the assessment list was confirmed, all the members voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for regulating, grading, curbing, flagging, laying crosswalks, building approaches and placing fences in East One Hundred and Eighty-seventh street, from Park avenue to the Southern Boulevard, and objections of the New York and Harlem Railroad Company as owner, and testimony introduced, filed by Robert L. Luce of counsel; Joseph Liebertz and others, filed by A. C. Hottenroth, attorney, and of John W. Cochrane and others, filed by Frank L. Hall, attorney, were presented by the Deputy and Acting Comptroller, having been received from the Board of Assessors on November 28, 1903.

Mr. Andrews, representing Mr. A. C. Hottenroth, attorney, appeared and asked that the assessment list be laid over until the next meeting, as he was not prepared at this time to go on with the matter.

Mr. Luce, attorney, was heard, and objected to placing any assessment upon the New York and Harlem Railroad Company, as it derived no benefit from the work.

The Corporation Counsel requested Mr. Hottenroth, attorney, to file a brief in support of his objections. On motion, the further consideration of the assessment was postponed until the next meeting.

The Deputy and Acting Comptroller presented the assessment list for regulating, grading, curbing, flagging, laying crosswalks, building approaches and placing fences in East One Hundred and Ninety-fourth street, from Webster avenue to Kingsbridge road, together with a list of awards for damages caused by a change of grade and objections of Estate of John Cromwell and others, filed by Salter & Steinkamp, attorneys; Susan S. Tappen, by Abel Crook, attorney; Mary E. Butler, by John J. Brady, attorney; Richard W. Hill, attorney for owners of Lots Nos. 1, 59, 60 and 61 in Block 3282 and Lot No. 32 in Block 3276; and application of Mary A. Conboy for an award for damages, filed by A. C. Hottenroth, attorney, having been received from the Board of Assessors under date of December 16, 1903.

Mr. John J. Kearney, representing Messrs. Salter & Steinkamp and Abel Crook, attorneys, and Mr. Hill, attorney, were heard and urged that some relief be granted in the matter in consequence of the excessive cost of the work and the expenses and for the reason that the assessment exceeds the benefit.

Mr. Hottenroth, attorney, was requested to file a brief in support of his objections.

The assessment list was laid over for further consideration.

At this time—1.33 o'clock P. M.—the Deputy and Acting Comptroller was excused from further attendance at the meeting, and withdrew.

BOROUGH OF MANHATTAN.

The assessment list for paving with asphalt blocks One Hundred and Fifteenth street, from Amsterdam avenue to Morningside avenue, and objections of J. Watts De Peyster, filed by William Allan Hoar, attorney, received from the Board of Assessors under date of December 4, 1903, were presented.

Mr. Hoar, attorney, was heard in opposition to the assessment upon the property of his client, on the ground that the street had been previously paved at the expense of the property owners and that the charge for setting and resetting curb is not properly a part of the assessment, as the work had heretofore been done and paid for by them.

On motion of the President of the Department of Taxes and Assessments the assessment list was referred back to the Board of Assessors, with instructions to

reduce the assessment by 10 per cent. from the gross amount thereof, all the members present voting in the affirmative.

BOROUGH OF THE BRONX.

The assessment list for sewer and appurtenances in Morris avenue, between East One Hundred and Eighty-first street and Field place, and in East One Hundred and Eighty-second street, from Jerome avenue to Morris avenue, and objections of James Welton and others, filed by A. C. Hottenroth, attorney; Martin Bleser and others, filed by John J. Brady, attorney; and of Margaret M. Bowler, filed by J. C. O'Connor, attorney, were presented, having been received from the Board of Assessors on November 28, 1903.

Mr. O'Connor, attorney, was heard in opposition to the cost of the work and the expenses connected therewith, and claimed that the amount charged against the property of his client largely exceeds the benefit derived by it.

On motion, the assessment list was laid over for further consideration.

At 1.45 o'clock P. M., on motion, the Board adjourned to meet at the Comptroller's office on Thursday, December 31, 1903, at 10 o'clock A. M.

As provided for by The Greater New York Charter.

1. Proposals containing conditions other than those herein set forth will not be received or considered.

2. No proposal for stock shall be accepted for less than the par value of the same.

3. Every bidder, as a condition precedent to the reception or consideration of his proposal, shall deposit with the Comptroller in money, or by a certified check drawn to the order of said Comptroller upon one of the State or National Banks of The City of New York, two per cent. of the par value of the stock bid for in said proposal.

No proposal will be received or considered which is not accompanied by such deposit.

Under this provision, the condition that the bidder will accept only the whole amount of stock bid for by him, and not any part thereof, cannot be inserted in any bid.

7. It is also provided by the Charter that these bonds, being registered, may be issued in denominations of ten dollars or any multiple thereof; and that "preference shall, so far as practicable, and without pecuniary disadvantage to the City, be given to applicants for the smallest amounts and smallest denominations of said bonds in issuing the same."

GENERAL INSTRUCTIONS TO BIDDERS.
The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below. No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
