**NOTICE**

NYC °CoolRoofs is a green initiative to reduce energy costs, greenhouse gas emissions, and local temperatures by coating the roofs white. NYC °CoolRoofs will publicize the benefits of cool roof coating throughout the city through the initiative's website and the press. The program will mobilize a mix of volunteers and green job training programs to coat non-profit and government roofs. NYC °CoolRoofs will also promote the program among building owners wishing to coat their own roofs through our Cool It Yourself program.

NYC °CoolRoofs seeks proposals from coating vendors and manufacturers to partner in the program by offering NYC °CoolRoofs customers a discount on coating. Proposals should designate a reduced rate for buildings participating in NYC °CoolRoofs program and how the reduced rate would be provided to private owners (i.e., purchased directly from web site or warehouse; rebate with certification that coating was used for NYC °CoolRoofs). The program will be open to participation by multiple vendors. Partners will be appropriately acknowledged on the program's website.

In order to participate, the following areas must be covered in your submission:

**Coating Partners**

**Minimum Requirements of Coating:**

Requirements for the coating should be:

- Minimum 3 Year Aged Reflectivity (in accordance with ASTM C-1549 or ASTM E1918) of 0.7
- Minimum thermal emittance of 0.75 (in accordance with ASTM C1371 or ASTM E408)

OR:

- Minimum SRI of 78 as determined in accordance with ASTM E 1980

If Coating is new to the market and the 3 Year Aged Reflectivity is pending, we will accept:

- Minimum Initial Reflectivity (ASTM C-1549): 0.7
- Minimum Emissivity (ASTM C-1371): 0.75

**Coating also must:**

- Be water based

**Vendors and Manufacturers must:**

- Be willing to work with NYC °CoolRoofs to assess and confirm that the coating being ordered for a particular roof is appropriate for that surface.
- Be willing to participate in a short training for NYC °CoolRoofs staff on their product and its application process.

**Proposals must include:**

- Cost of discounted coating
- Coverage rate
- Specify compatible roof types
- Coating application process
- How materials can be purchased and how discount would be provided
- How application by volunteers and green job training program would impact warranty
- Training and technical consultation available
- Full details on product include Product Database (include initial and aged solar reflectance and thermal emittance if available) and Material Safety Data Sheets.

**Other Partnership Opportunities:**

- Provide estimates on coating materials, such as:
- Rollers
- ¾" roller covers
- Roller handles
- Brushes
- Other needed coating application supplies

**Cleaning Supplies:**

- Pressure washers to prep roofs for application
- Sponges and rags
- Garbage bags
- Simple green cleaning fluid
- Hand cleaner
- Elbow length rubber gloves
- Scrubbing brushes
- Brooms

**Measuring supplies:**

- Chalk
- Chalk lines

**Personal protection:**

- Gloves
- Booties for walking through building

Firms interested in partnering with NYC °CoolRoofs should submit the required information to Tori Edmiston, NYC Department of Buildings, 280 Broadway, 7th Floor, New York, New York 10007. Questions may be directed to Ms. Edmiston by email to vedmiston@buildings.nyc.gov, or by telephone at (212) 566.3566.

Partnership opportunities will remain open through the duration of the program, and firms wishing to participate should contact Ms. Edmiston.

## READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

### PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
