COMMUNICATIONS FROM THE DEPARTMENTS AND CORPORATION OFFICERS.

The President laid before the Board the following communication from the Surrogate:

SURROGATE'S OFFICE, September 20, 1880.

To the Honorable the Board of Aldermen:

GENTLEMEN—By section 2508 of the "New York Code of Civil Procedure," the Surrogate of this County is authorized to appoint as many clerks for his office, to be paid by the County, as your Honorable Board shall authorize, and you are also required by said section to fix the compensation of the clerks so appointed, and to authorize them, or either of them, to receive for their or his own use the legal fees for making copies of any record or paper in the office of the Surrogate.

For the purpose of enabling you to perform this duty I herewith transmit a statement of the number of clerks heretofore necessarily employed in this office, and the salaries which have been paid to them during the current year, and which I presume will continue until the first day of January next, the appropriation for this year having been already made, except the addition of a private stenographer, who has been necessarily employed, but paid out of my own salary.

I beg leave to state that in several material particulars the "New Code" has changed the jurisdiction and practice of said court, and increased the clerical labors of the office, as well as those of the Surrogate, and particularly by section 2844, requiring the Surrogate to examine, or cause to be examined, under his direction, all inventories and accounts of guardians filed during the year preceding February of each year, but authorizing the Surrogate to certify in writing to your Honorable Board that such examination cannot be made by himself or by the Clerk of said court, or any clerk employed in said office, in which case your Board is required to provide for the compensation of a suitable person to make the examination; also, require the Surrogate to settle cases on appeal from his decrees. For the purpose of providing in part for this increased labor, I beg leave to suggest that an additional competent clerk, to be designated as the "Guardian Accounting Clerk," be authorized to be appointed, at a salary of \$2,000 per year. And I certify that the examination required by said section 2844 cannot be made by me or by the Clerk of the Surrogate's court, or by any clerk employed in said office, for the reason that the necessary duties of each engross his entire time during proper business hours. I therefore respectfully request that your Honorable Board will be pleased to authorize the appointment of such clerks, fixing their salaries according to the annexed list, and also authorize the Clerk to said Surrogate's Court to receive for his own use the legal fees for making copies of said records and papers, and that the "Record and Searching Clerk" be authorized to receive for his use the legal fees for searches necessarily made by him.

If you shall deem it necessary to make further inquiries in respect to the necessity of such appointment, and the propriety and reasonableness of the respective salaries, I shall be happy to afford that information, with the confidence that you will find that each employee in the office is diligent and faithful in the performance of his duties, and that the salaries are unusually moderate.

I am, gentlemen, most respectfully,

DELANO C. CALVIN, Surrogate.

REPORTS.

(G. O. 294.)

The Committee on Finance, to whom was referred the assessment rolls of the real and personal estates subject to taxation of and within the City and County of New York for the year 1880, and a communication from the Comptroller, transmitting the Final Estimate made by the Board of Estimate and Apportionment for the year 1880, and certifying the amount to be raised by tax in the City and County of New York in and for said year, respectfully present the following

REPORT:

The assessed valuations of the real and personal estates in the City and County of New York for the year 1880, as shown by the assessment rolls or tax books transmitted on July 5, 1880, by the Commissioners of Taxes and Assessments, amount in the aggregate to the sum of \$1,143,765,727.09, being an increase of \$49,696,392.09 as compared with the assessed valuations for the year 1879.

The Final Estimate for the year 1880, made and adopted by the Board of Estimate and Apportionment on the 31st day of December, 1879, in accordance with the provisions of section 112 of chapter 335 of the Laws of 1873, amounts to \$28,142,991.98, as appears by the certificate of the

Comptroller dated July 1, 1880. Pursuant to the provisions of chapter 66 of the Laws of 1880, a further appropriation of \$25,000 was made by the Board of Estimate and Apportionment, and added to and included in the said Final Estimate on June 3, 1880, making the aggregate amount of said Final Estimate \$28,167,991.98, as also certified by the Comptroller on September 10, 1880, which said sum of \$28,167,991.98, the Board of Supervisors is "empowered and directed to cause to be raised, according to law, and collected by tax upon the estates, real and personal, subject to taxation within the City and County of New York."

Section 4 of chapter 756 of the Laws of 1873, provides as follows:

"It shall be the duty of the Board of Supervisors of the County of New York to include in any and every ordinance passed by them, imposing and levying taxes for any purpose or purposes authorized by law, within the City and County of New York, such sum, in addition to the aggregate amount required for such purposes, as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Besides the ordinary deficiencies in the actual product of taxes, arising from discounts, erroneous assessments, insolvencies, etc., there will probably be a larger amount of deficiencies in the tax for 1880, on account of an act of the Legislature, passed at the last session, exempting the capital stock of certain corporations from taxation for local and municipal purposes, and imposing thereon a State tax, the assessments of which corporations are included in the assessed valuations for 1880, and amounting, as estimated, to more than \$20,000,000. The exemption of these corporations from the tax of 1880 is a subject of litigation to be decided by the courts. The tax levy for 1880 is also liable to a large deficiency through a decision of the U. S. Supreme Court, relating to the method of assessing the shareholders of banks and other institutions. This question is also pending before the courts, proceedings against the city having been commenced by many corporations, to be exempted from taxation.

For the purpose, therefore, of providing for deficiencies in the actual product of the taxes imposed and levied upon real and personal estates in and for the year 1880, your Committee recommend that, in pursuance of the provisions of chapter 756 of the Laws of 1873, the sum of \$769,280.92 be added to and included in the amount required to be raised by tax for the support of the government of the City and County of New York in and for the year 1880.

The following statement shows the total amount required to be raised by tax in the year 1880:

Amount of Final Estimate for 1880, as certified by the Comptroller, July 1, 1880.	\$28,142,991 98
Add appropriation made by the Board of Estimate and Apportionment, under chapter 66, Laws of 1880, as certified by the Comptroller, September 10, 1880.	25,000 00
Add for deficiencies in the actual product of taxes, under chapter 756, Laws of 1873.	769,280 92

Total amount to be imposed and levied on valuations in and for 1880. \$28,937,272 90

The rate of tax upon the aggregate assessed valuations of real and personal estates, amounting to \$1,143,765,727.09, which will produce the above sum of \$28,937,272.90, is 2.53 per cent. The rate of tax in 1879 was 2.58 per cent. upon an assessed valuation of \$1,094,069,335. An ordinance embodying the objects and recommendations of this report has been prepared, and is herewith submitted for adoption.

REPORTS AGAIN RESUMED.

(G. O. 299.)

The Committee on Law Department, to whom was referred the ordinance to regulate the erection of telegraph-posts in the City of New York, respectfully

REPORT :

That, having obtained the advice and opinion of the Corporation Counsel in the matter, they have learned that “telegraph poles in the streets of this city are erected under the general laws of the State, providing for the incorporation of telegraph companies and associations, and furthermore, that the city would not be liable from damages caused by the falling of telegraph poles erected by companies or individuals under authority from the State, and that if the city should be held liable, the person or company erecting such poles would be compelled to make good to the city any loss it might sustain although no agreement was specially entered into by such parties.”

And while your Committee are of the opinion that the present existing laws of the State should be so amended that all telegraph wires in cities and large towns should be conducted under ground, thus abolishing the unsightly and objectionable posts now in use, yet, to regulate the construction of telegraph lines and improve the appearance of those streets through which they pass, and as a protection to the public,

Your Committee have prepared the following ordinance, which they recommend for consideration and adoption by your Honorable Body :

AN ORDINANCE to regulate the erection of telegraph-lines in the streets of the City of New York.

The Mayor, Aldermen, and Commonalty of the City of New York do ordain as follows :

Section 1. It shall not be lawful to erect any telegraph-post in front of the entrance of any dwelling-house, nor within a distance of fifty feet from the nearest telegraph-post, nor near the

corner of any street upon a line with any crosswalk, nor within a distance of ten feet of any public street-lamp; and every telegraph-post now erected or hereafter to be erected within the corporate limits of the City of New York shall be painted a light brown color for a distance of ten feet, measuring upward from the level of the sidewalk, excepting those having a fire-alarm box attached to them, which shall be painted a red color, and the remainder of every such telegraph-post, and the cross-pieces thereon, shall be painted white. The name of the company, or other owner of every such post, shall be branded or painted thereon in a conspicuous place, within the distance of ten feet measured upward from the level of the sidewalk, and no sign, hand-bill, or advertisement of any kind shall be placed, pasted, or otherwise fastened on any such telegraph-post.

Sec. 2. Any person offending against any of the foregoing provisions of this ordinance shall be deemed guilty of a misdemeanor, and on conviction thereof before any of the Police Magistrates or Justices of this city, shall be punished by a fine not exceeding ten dollars, or in default of the payment of such fine, by imprisonment not exceeding ten days.

Sec. 3. The Commissioner of Public Works and the Commissioners of the Police Department are hereby instructed to carry into effect the provisions of this ordinance.

Sec. 4. This ordinance shall take effect on December 15, 1880.

All of which is respectfully submitted.

WILLIAM WADE, } Committee
CHAS. H. MARSHALL, } on
FREDERICK HELBIG, } Law Department.

Which was laid over.

UNFINISHED BUSINESS.

Alderman Wade called up G. O. 289, being an ordinance, as follows:

Section 1. It shall not be lawful for any druggist, apothecary, or other person, whether the owner of or employed in any drug store, or any person in charge of any dispensary, hospital, or other place where physicians' prescriptions are compounded, or medicines prescribed or administered, to keep any bottle, glass, or earthen case, jar, or other receptacle for the poisonous drugs or medicines specified in the second section of this ordinance, on shelves or in other places, indiscriminately mixed with the bottles, glass or earthen cases, jars, or other receptacles for other drugs or medicines; but all such poisonous drugs or substances as enumerated, shall be kept separate from other drugs or medicines, and in an enclosed space provided specially for the purpose, on the outside of which shall be painted in plain large letters the word "poisons." Every such enclosed space shall be kept securely locked, and shall, in drug stores and dispensaries, be opened only when necessary and for the purpose of filling lawful orders, into which any of the poisonous articles enumerated in section two may enter as an ingredient.

Sec. 2. The following substances shall be considered the poisonous drugs or medicines provided for in the preceding section of this act: Aconite, arsenic, belladonna, conium, gelseminum, nuxvomica, opium, hyocymus, stramonium, veratrum viride, and all medicinal substances composed of them wholly or in part, or derived from them, corrosive sublimate, biniodide of mercury, hydrocyanic acid, all cyanides, oil of bitter almonds, oxalic acid, phosphorus, and veratrum.

Sec. 3. Whenever any of the above substances shall be dispensed by any druggist, apothecary, or person employed in any drug store, or in charge of any dispensary or hospital or any other place where physicians' prescriptions are compounded, or medicines prescribed or administered, such person shall place conspicuously on the package containing it a label with the words "poison—to be used with great care" printed thereon; and in the case of all substances intended for external use the words "for external use" shall be added.

Sec. 4. Every person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and on conviction thereof, before any magistrate, shall incur a penalty of ten dollars, and in default of payment thereof, shall be imprisoned for a period not exceeding ten days.

Sec. 5. The Board of Health and the Commissioners of the Police Department are hereby required to enforce, rigidly, the provisions of this ordinance.

Sec. 6. This ordinance shall take effect immediately.

Alderman Wade asked permission to withdraw the above General Order.

The President put the question whether the Board would agree to grant the permission asked. Which was decided in the affirmative.

(G. O. 289.)

Whereupon Alderman Wade offered the following:

The Committee on Law Department, to whom was referred the ordinance to insure safety and prevent accidents in dispensing poisons in the City of New York, respectfully

REPORT:

That they have examined the ordinance and believe its passage very desirable and proper, and present to your Honorable Body the following amended ordinance as meeting more thoroughly the necessities of the case:

AN ORDINANCE to insure safety and prevent accidents in dispensing poisons in the City of New York.

Be it ordained by the Mayor, Aldermen, and Commonalty of the City of New York, in Common Council convened:

Section 1. It shall not be lawful for any druggist, apothecary, or other person, whether the owner of or employed in any drug store, or any person in charge of any dispensary, hospital, or other place where physicians' prescriptions are compounded, or medicines prescribed or administered, to keep any bottle, glass or earthen case, jar, or other receptacle for the poisonous drugs or medicines specified in the second section of this ordinance, on shelves or in other places, indiscriminately mixed with the bottles, glass or earthen cases, jars, or other receptacles for other drugs or medicines; but all such poisonous drugs or substances as enumerated, shall be kept separate from other drugs or medicines, and in an enclosed space provided specially for the purpose, on the outside of which shall be painted in plain large letters the word "poisons." Every such enclosed space shall be kept securely locked, and shall be opened only when necessary and for the purpose of filling lawful orders, into which any of the poisonous articles enumerated in section two may enter as an ingredient.

Sec. 2. The following substances shall be considered the poisonous drugs or medicines provided for in the preceding section of this act: Aconite, arsenic, belladonna, conium, gelseminum, nuxvomica, opium, hyocymus, stramonium, veratrum viride, and all medicinal substances composed of them wholly or in part, or derived from them, corrosive sublimate, biniodide of mercury, hydrocyanic acid, all cyanides, oil of bitter almonds, oxalic acid, phosphorus, and veratrum, and all compounds and preparations of these substances.

Sec. 3. Whenever any of the above substances shall be dispensed by any druggist, apothecary, or person employed in any drug store, or in charge of any dispensary or hospital or any other place where physicians' prescriptions are compounded, or medicines prescribed or administered, such person shall place conspicuously on the package containing it a label with the words "poison—to be used with great care" printed thereon; and in the case of all substances intended for external use the words "for external use" shall be added.

Sec. 4. The Board of Health shall be authorized to add, from time to time, to the list of substances contained in section 2, such new preparations as may come into use, and any others which experience may show should be dispensed with extra caution.

Sec. 5. Every person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and on conviction thereof, before any magistrate, shall incur a penalty of ten dollars, and in default of payment thereof, shall be imprisoned for a period not exceeding ten days.

Sec. 6. The Board of Health and the Commissioners of the Police Department are hereby required to enforce, rigidly, the provisions of this ordinance.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Paul Kluge to erect a barber's pole at the northwest corner of Forty-second street and Madison avenue.

Although not so specified in the resolution, I am informed that the pole is to be placed at the curb, which, in my opinion, should not be allowed.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Paul Kluge to erect a barber's pole in front of his place of business on the northwest corner of Forty-second street and Madison avenue, the work done at his own expense; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Mr. Napoli to place a barber's pole in front of No. 173 Greenwich street.

In my opinion, advertising signs and poles should be within the stoop-line. In a crowded thoroughfare like Greenwich street advertising poles at the curb are especially objectionable.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Mr. Napoli to place and keep a barber's pole in front of his place of business, No. 173 Greenwich street, the work done at his own expense; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to A. C. Keane to retain sign in front of Nos. 233 and 235 Water street.

The sign is two and a-half feet square and projects beyond the stoop-line, for which reason the Bureau of Permits will not give a permit for it. It could easily be placed within the stoop-line, but Mr. Keane refuses to do so. If he complies with the ordinance he can obtain a permit for the sign without a resolution of the Common Council; if he does not comply the sign should be taken down instead of being authorized by special resolution.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to A. C. Keane to retain sign in front of premises Nos. 233 and 235 Water street; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Louis Ottmars to erect a storm-door in front of No. 1003 Third avenue.

The resolution provides that the storm-door shall not project beyond the house-line. No resolution is necessary to permit any one to put a storm-door on his own premises inside of the house-line. The fact is, however, that the door in question projects some three or four feet beyond the house-line, and is most strenuously objected to by the neighbors of the applicant.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Louis Ottmars to place and keep a storm-door in front of No. 1003 Third avenue, the said door not to project beyond the house-line, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Peek & Velsor to erect a sign in front of No. 9 Gold street.

I returned in August last to the Board of Aldermen, without my approval, a resolution to the same effect as that herewith returned.

The sign is to be a banner four feet by five feet, above the second floor, and extending over the sidewalk beyond the stoop-line. A few years ago similar signs were loosened in a storm, and in falling seriously injured persons passing. The general ordinance very properly, in my opinion, prohibits such signs.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Peek & Velsor to erect and retain a wire sign from the second story of No. 9 Gold street, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to P. F. Manning to retain show-case and banner now in front of No. 123 Fulton street.

The banner extends from the second story window over the sidewalk beyond the stoop-line. The show-case is a large one, and is objected to by the occupant of the ground floor, with whose business it may to some extent interfere.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to P. F. Manning to retain show-case and banner, now in front of No. 123 Fulton street; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to John Springer to place and keep a meat-rack on the curb-line of the sidewalk in front of No. 276 Mulberry street.

In my opinion, meat-racks at the curb are obstructions to the sidewalk which should not be allowed.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to John Springer to place and keep a meat-rack on the curb-line of the sidewalk in front of No. 276 Mulberry street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Park & Tilford to lay a crosswalk opposite No. 660 Sixth avenue.

The Commissioner of Public Works reports to me that Messrs. Park & Tilford do not intend to lay a crosswalk at their own expense opposite No. 660 Sixth avenue, nor do they care to have a crosswalk laid there.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Messrs. Park & Tilford to lay a crosswalk opposite No. 660 Sixth avenue, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to G. W. Whyard to retain a storm-door in front of No. 22 Church street.

In June last I returned to the Board of Aldermen a resolution to the same effect as the one herewith returned.

The structure referred to in the resolution as a storm-door is a structure about 13 feet long by 9 feet high, extending out three feet beyond the house-line, and constituting a part of the busi-

ness premises of the applicant. It is an encroachment on the street which should not be permitted, and especially in a narrow street like Church street, with a sidewalk only three feet wide.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to G. W. Whyard to retain storm-door in front of premises No. 22 Church street; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Wm. Borneman to erect an awning in front of No. 13 King street.

Mr. Borneman has complied with the conditions of the general ordinance in relation to awnings and has obtained a permit for his awning from the Bureau of Permits.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to William Borneman to erect an awning in front of his premises, No. 13 King street, on the northeast corner of Congress street; the same to remain only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, in relation to placing and removing tan bark in the streets in front of premises occupied by sick or convalescent persons.

The Board of Health now has authority to give permission to lay tan bark in the carriageway in cases of illness.

In my opinion such permits should only be granted at a city department, where a record should be kept and the parties obtaining the permit be known and be held responsible.

The present ordinance, which leaves the whole matter in the discretion of the Board of Health, is in my opinion preferable to the ordinance now proposed, and is all that is necessary. If it be thought desirable to permit the Inspector of Police in charge of Police Headquarters to grant permits when the office of the Board of Health is not open I would not object to a modification of the ordinance to that effect.

EDWARD COOPER, Mayor.

Resolved, That the resolution, approved August 2, 1880, permitting tan-bark to be placed in the streets in front of residences of sick or convalescent persons, be and is hereby repealed, and the following resolution be adopted in lieu thereof:

Resolved, That the Mayor or any Alderman, the Board of Health, any Police Commissioner, the Superintendent of Police, or any Inspector of Police in charge at headquarters, upon application, shall grant permission to lay tan-bark in the carriageway in front of any premises occupied by any sick or convalescent person or persons, to the extent of five hundred feet in any direction from said premises, providing all expenses of placing and removing the bark be paid for by the person making such application. The bark so placed in any street shall be removed, upon the order of the Bureau of Street Cleaning, within five days after the recovery or death of such sick or convalescent person, and upon failure or neglect to comply with such order, then it shall be removed by the said Bureau of Street Cleaning, who shall, if necessary, sue for and recover the cost of such removal in the manner now provided for the collection of fines for violation of the ordinances of the city.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, permitting political organizations or clubs to erect poles and swing banners across the carriageways in front of their respective premises.

I think the resolution objectionable in that it grants to all political organizations or clubs the right to erect poles and swing banners across the streets in front of their respective club-rooms without the consent of the owners or occupants of the opposite premises, in front of which the poles and banners may be placed, and in that it grants the right to such organizations to put up poles and banners without reserving to any city officer the power to prescribe such conditions and to exercise such supervision as in his opinion may be necessary or advisable to prevent unsafe or insecure poles and banners from being erected.

The ordinance should also provide, in respect to the disposition of the money deposited with the Departments granting the permits, that they should deposit, at least weekly, the amount so received with the Chamberlain to the account of a special fund, and that all payments from that fund, either to repay amounts due to the depositors or to defray the expenditures of the Department, payable from that fund, should be audited and allowed by the Finance Department and paid by warrant as other accounts are audited, allowed, and paid.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to all political organizations or clubs desiring the privilege to erect poles and swing banners at a safe and proper distance above the street level across the carriageway in front of their respective club-rooms, from August 1st to November 15th each year, provided that grantees of the privilege in each case deposit with the Commissioner of Public Works, or the President of the Department of Public Parks, a sum sufficient to pay for removing such poles and banners and replacing the pavements or flagging, in case they are not removed and the pavements or flagging restored immediately after the expiration of the time above mentioned; the money so deposited to be returned to the parties making each deposit, upon complying with the conditions of this resolution, which shall be set forth in the permit granted in each case by the Commissioner of Public Works or the President of the Department of Public Parks, who are hereby authorized and directed to carry into effect the provisions of this resolution, relating to the erection and removal of such poles and banners and restoration of pavements or flag-stones within their respective jurisdictions. It shall also be lawful to place such banners in the streets suspended from houses on opposite sides upon obtaining the consent of the owner or occupants thereof, during the period of time mentioned in this resolution.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Hirschfelder & Co. to retain sign in front of their premises, No. 599 Broadway.

This sign extends from the cornice of the window of the second story of the building above the floor of the third story. The general ordinance prohibits such signs. They are liable to become unsafe, and, in my opinion, should not be authorized.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Hirschfelder & Co. to retain sign in front of their premises, No. 599 Broadway; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to John Dillon to keep a stand on northwest corner of Third avenue and Fourteenth street.

In May last I returned to the Board of Aldermen, without my approval, a resolution of the same purport as that herewith returned.

All stands on the sidewalks, outside of the stoop-line, in my opinion, are illegal.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to John Dillon to place and keep a news-stand on northwest corner Third avenue and Fourteenth street, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Charles Beyer to erect and retain a sign in front of No. 112 West Nineteenth street.

The resolution does not prescribe what kind of a sign is to be authorized, or where, in front of No. 112 West Nineteenth street, it is to be placed; but I presume the resolution is asked for to authorize the sign at the curb, of which complaint was made to the Bureau of Incumbrances last month. On notice from the bureau the owner took it down, but in a week or so afterwards he put it up again. It was thereupon removed by the Bureau of Incumbrances and taken to the Corporation Yard.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Charles Beyer to erect and retain a sign in front of No. 112 West Nineteenth street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 20, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 7, 1880, giving permission to Raffiella Ulianio to place and keep a barber-pole in front of premises No. 39 Bowery.

The pole, I am informed, is to be placed at the curb. I think all advertising poles and signs should be within the stoop-line.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to Raffiella Ulianio to place and keep a barber pole in front of premises No. 39 Bowery, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

UNFINISHED BUSINESS RESUMED.

Alderman Haughton called up veto message from his Honor the Mayor of resolution, as follows:

Alderman Sauer called up G. O. 205, being a preamble and resolution, as follows:

Whereas, The failure of the city authorities to provide means to celebrate each recurring anniversary of "Independence Day," for several years, is to be deplored, and steps should be taken to avoid a repetition of an omission that is a reflection on both the government and people of this city. These celebrations tend to renew affection for the great and pure-minded men who controlled and guided this Republic in its infancy; revives among the people patriotic recollections of the struggle for independence; tends to transmit to succeeding generations a more abiding interest in the trying scenes that preceded and accompanied the advent of our country into the family of nations; instills into the public mind a deeper respect for the sage instructions and wise counsels of the men who pledged their lives, their fortunes, and their sacred honor, for the liberty of the people, and excites a desire to emulate the example of those who perilled all that men hold dear in the cause of human freedom; and,

Whereas, While this Board is averse to the indiscriminate use of fire-works and other explosives, in the streets of this city, yet it is clearly of opinion that all our citizens would not only uphold but applaud the city authorities in making ample provisions for properly commemorating the anniversary of an event so pregnant with patriotic memories; be it therefore

Resolved, That the Department of Public Parks be and is hereby requested to include in its departmental estimate for the year 1881 the sum of ten thousand dollars, to be expended for a display of fire-works in the Central Park (now easy of access to all the people of this city), on the evening of the fourth day of July, 1881, and to include a like sum for a like purpose for each succeeding year; and the President of this Board, who is a member of the Board of Estimate and Apportionment, is hereby instructed to aid in securing the appropriation of the amount above named for the purpose specified.

Alderman Strack moved to amend by inserting after the words "Central Park," the words "Union Square, Tompkins Square, and the Battery Park."

Alderman Haughton moved, as an amendment to the amendment, to omit Union Square from the amendment.

Which was accepted by Alderman Strack.

The President then put the question whether the Board would agree with said amendment.

Which was decided in the affirmative.

MESSAGES FROM HIS HONOR THE MAYOR RESUMED.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, September 21, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the accompanying resolution of the Board of Aldermen, adopted September 14, 1880, authorizing the laying of Croton-mains in One Hundred and Second street, between Third and Lexington avenues.

The street is regulated and graded, and the Department of Public Works is about to advertise for the construction of a sewer in the street. As the excavation is all rock it will be better to postpone the laying of the Croton-pipes until after the sewer has been completed.

EDWARD COOPER, Mayor.

Resolved, That Croton-mains be laid in One Hundred and Second street, between Third and Lexington avenues, as provided in chapter 381, Laws of 1879.

The elevation of the avenue is such that the Croton water with the present pressure would not flow through the pipes, which would therefore be useless at present.

The resolution and ordinance is not in the form deemed advisable to avoid question as to the validity of the assessment. I have signed another resolution in the proper form for the same work, which was adopted by the Board of Aldermen on the same day with the resolution herewith returned.

EDWARD COOPER, Mayor.

Resolved, That Eighty-eighth street, from Tenth avenue to Riverside avenue, be regulated and graded, the curb and gutter stones set, sidewalks flagged full width, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of Friday, the 1st day of October, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, and Provisions, Dry Goods, etc.," and with his or their name or names and the date of presentation, to the head of said Department, at the said office, on or before the day and hour

above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such time and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, September 18, 1880.

- ICE.
- 200 tons good, sound ICE, to be free from snow ice, and not less than ten inches thick, and to be delivered 150 tons at Ward's Island and 50 tons at Hart's Island, landing weight, and to be discharged by the Department.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of Friday, the 24th day of September, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Ice," and with his or their name or names, and the date of presentation to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made on award of contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

Bidders are cautioned to examine the specifications for particulars of the ice required, before making their estimates.

Bidders will state the price for each article by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
