POLICE DEPARTMENT.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
No. 300 MULBERRY STREET.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING THE
Police Department with Stationery and Printing
for election purposes, will be received at the Central
Office of the Department of Police, in the City of New
York, until 1 o'clock P.M. of Wednesday, the 15th day
of August, 1894.

The person or persons making an estimate shall
furnish the same in a sealed envelope, indorsed
"Estimate for Furnishing Stationery and Printing,"
and with his or their name or names, and the date
of presentation, to the head of said Department, at
the said office, on or before the day and hour above
named, at which time and place the estimates received
will be publicly opened by the head of said Department
and read, and the award of the contract made to the
lowest bidder, with adequate security, as soon there-
after as practicable.

For particulars as to the quantity and kind of stationery
and printing required, reference must be made to the
specifications, blank forms of which may be obtained at
the office of the Chief Clerk in the Central Department.
Bidders will state a price for the work and material
furnished, in accordance with the specifications. The
price must be written in the bid and stated in figures.
Permission will not be given for the withdrawal of any

bid or estimate, and the right is expressly reserved by
the head of said Department to reject any or all bids
which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract
awarded to, any person who is in arrears to the Corpo-
ration upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpo-
ration.

The entire quantity of stationery and printing is to be
put up in boxes and delivered at such times and places,
and in such quantities in each place, as shall be
directed by the Chief of the Bureau of Elections.

The person or persons to whom the contract may be
awarded will be required to give security for the per-
formance of the contract in the manner prescribed by
law, in the sum of TWO THOUSAND FIVE HUN-
DRED DOLLARS.

Each estimate shall contain and state the name and
place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; also that it is made with-
out any connection with any other person making an
estimate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of
the Common Council, head of a department, chief of a
bureau, deputy thereof, or clerk therein, or other officer
of the Corporation, is directly or indirectly interested
therein, or in the supplies or work to which it relates, or
in any portion of the profits thereof. The estimate
must be verified by the oath, in writing, of the party or
parties making the estimate that the several matters
stated therein are in all respects true. Where more than
one person is interested, it is requisite that the verifica-
tion be made and subscribed by all the parties inter-
ested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall omit or re-
fuse to execute the same, they will pay to the Corporation
any difference between the sum to which he would be
entitled upon its completion and that which the Corpora-
tion may be obliged to pay to the person or persons to
whom the contract may be awarded at any subsequent
letting; the amount in each case to be calculated upon
the estimated amount of the work by which the bids
are tested. The consent above mentioned shall be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same that he is a householder or
freeholder in the City of New York, and is worth the
amount of the security required for the completion of this
contract and herein stated, over and above all his debts of
every nature, and over and above his liabilities as bail,
surety and otherwise; and that he has offered himself as
a surety in good faith and with the intention to execute
the bond required by law. The adequacy and sufficiency
of the security offered will be subject to approval by the
Comptroller of the City of New York after the award
is made and prior to the signing of the contract.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, and that
the adequacy and sufficiency of the security offered has
been approved by the Comptroller, or if he or they
accept, but do not execute the contract and give the
proper security, he or they shall be considered as
having abandoned it and as in default to the Corpora-
tion, and the contract will be readvertised and relet
as provided by law.

No estimate will be received or considered unless
accompanied by either a certified check upon one of the
State or National banks of the City of New York, drawn
to the order of the Comptroller, or money to the amount
of five per centum of the amount of the security re-
quired for the faithful performance of the contract.
Such check or money must not be inclosed in the
sealed envelope containing the estimate, but must be
handed to the officer or clerk of the Department who
has charge of the estimate-box, and no estimate can be
deposited in said box until such check or money has
been examined by said officer or clerk and found to be
correct. All such deposits, except that of the successful
bidder, will be returned to the persons making the same,
within three days after the contract is awarded. If the
successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded to
him to execute the same, the amount of the deposit
made by him shall be forfeited to and be retained by the
City of New York as liquidated damages for such
neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him.

The Board of Police reserves the right to reject all the
bids received if deemed for the best interests of the city
so to do, and to readvertise until satisfactory bids or
proposals shall be received.

Samples of stationery and printing required may be
examined and blank forms for estimates may be obtained
by application to the Chief of the Bureau of Elections,
at his office in the Central Department.

By order of the Board.

DEPARTMENT OF PUBLIC WORKS,

COMMISSIONER'S OFFICE,

ROOM 6, NO. 31 CHAMBERS STREET,

NEW YORK, July 20, 1894.

TO CONTRACTORS.

BIDS OR ESTIMATES, INCLOSED IN A sealed envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received at this office until 12 o'clock P.M., on Wednesday, August 22, 1894, at which place and hour they will be publicly opened by the head of the Department:

No. 1. FOR FURNISHING MATERIALS AND BUILDING AN ENGINE AND BOILER HOUSE, TOWER AND CHIMNEY FOR HIGH SERVICE WORKS AT THE NEW AQUEDUCT, between Tenth avenue and Harlem river.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent

letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 10, No. 31 Chambers street.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.
